"SECTION 1. AMENDMENT. Section 54-03-20 of the 1995 Supplement to the North Dakota Century Code is amended and reenacted as follows:

54-03-20. Compensation and expense reimbursement of members of the legislative assembly. Each member of the legislative assembly of the state of North Dakota is entitled to receive as compensation for services the sum of ninety dollars for each calendar day during any organizational, special, or regular legislative session. Each member of the legislative assembly is entitled to receive reimbursement for lodging, which may not exceed a maximum of six hundred dollars per calendar month for lodging in state, at the rates and in the manner provided in section 44-08-04 for each calendar day during the period of any organizational, special, or regular session. Members of the legislative assembly who receive reimbursement for lodging are also entitled to reimbursement for travel for not to exceed one round trip taken during any calendar week, or portion of a week, the legislative assembly is in session, between their residences and the place of meeting of the legislative assembly, at the rate provided for state employees with the additional limitation that reimbursement for travel by common carrier may be only at the cost of coach fare and may not exceed ~~thirty-five cents per mile based upon air~~ one and one-half times the amount the member would be entitled to receive as mileage reimbursement for travel by motor vehicle. A member of the legislative assembly who does not receive reimbursement for lodging and whose place of residence in the legislative district that the member represents is not within the city of Bismarck is entitled to reimbursement at the rate provided for state employees for necessary travel for not to exceed one round trip taken per day between the residence and the place of meeting of the legislative assembly when it is in session and may receive reimbursement for lodging at the place of meeting of the legislative assembly as provided in section 44-08-04 for each calendar day for which round trip travel reimbursement is not claimed, provided that the total reimbursement may not exceed six hundred dollars per month. The amount to which each legislator is entitled must be paid following the organizational session in December and following each month during a regular or special session.

A day, or portion of a day, spent in traveling to or returning from an organizational, special, or regular session must be included as a calendar day during a legislative session for the purposes of this section.

In addition, each member is entitled to receive during the term for which the member was elected, as compensation for the execution of public duties during the biennium, the sum of one hundred eighty dollars a month, which is payable every six months. If a member dies or resigns from office during the member's term, the member may be paid only the allowances provided for in this section for the period for which the member was actually a member.

Attendance at any organizational, special, or regular session of the legislative assembly by any member is a conclusive presumption of entitlement as set out in this section and compensation and expense allowances must be excluded from gross income for income tax purposes to the extent permitted for federal income tax purposes under section 127 of the Economic Recovery Tax Act of 1981 [Pub. L. 97-34; 95 Stat. 202; 26 U.S.C. 162(i)]."

15-35-01.1. Approval required for certain school district construction projects.

1. Notwithstanding the powers and duties of school boards of public school districts otherwise provided by law, all construction, purchase, repair, improvement, renovation, or modernization of any school building or facility within a school district estimated by the school boards to cost in excess of twenty-five thousand dollars may not be commenced unless approved by the superintendent of public instruction. No such construction, purchase, repair, improvement, renovation, or modernization of any school building or facility may be approved unless the school district proposing the project demonstrates the need, the educational utility of the project, fiscal need, and the capacity to pay for the project under rules adopted by the superintendent of public instruction pursuant to chapter 28-32 after receiving input from the state board of public school education. In the event of disagreement between the superintendent of public instruction and the school board applying for approval of a construction project under this section, the school board may appeal the application to the state board of public school education and the decision of the state board approving or disapproving the application is final.

2. For purposes of this section, "facility" includes a parking lot, athletic complex, or any other improvement to real property owned by the school district.
3. This section does not apply to any construction, purchase, repair, improvement, renovation, or modernization required as part of a plan of correction approved by the state fire marshal under section 2 of this Act.
