### Senate Bill No. 2023 - House Action

This amendment makes the following changes:

- The required local match for the Minot State University Old Main renovation project is reduced by \$300,000, from \$2,599,000 to \$2,299,000. The local match must be paid in 10 annual payments. The first two payments will be \$315,000 and the remaining eight payments will be \$208,625. The amount of bonds issued for the project remains unchanged from the Senate version of \$7,850,000; however, the portion of bonds repaid from the general fund is increased by \$300,000 to reflect the decrease in local repayment responsibility.
- A section is added providing that the required local match of \$1.3 million for the State College of Science Student Union renovation and expansion project must be raised by the college before the project is started.
- A section is added providing that the Department of Transportation, North Dakota State University, and the University of North Dakota must report to the House and Senate Appropriations Committees of the Fifty-eighth Legislative Assembly regarding the cost-effectiveness of the energy improvement projects authorized in Section 3 of the bill.
