

**Fifty-ninth Legislative Assembly of North Dakota
In Regular Session Commencing Tuesday, January 4, 2005**

HOUSE BILL NO. 1498
(Representatives Porter, Belter, Drovdal, R. Kelsch)
(Senators Christmann, Cook)

AN ACT to amend and reenact sections 57-39.2-04.2 and 57-40.2-04.2 of the North Dakota Century Code, relating to sales and use tax exemption for machinery, equipment, and related facilities for reducing emissions, increasing efficiency, or enhancing reliability of equipment of a new or existing oil refinery or gas processing plant; and to provide an effective date.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 57-39.2-04.2 of the North Dakota Century Code is amended and reenacted as follows:

57-39.2-04.2. Reduced rate and exemption for power plant construction and production equipment and oil refinery or gas processing plant environmental upgrade equipment.

1. As used in this section, unless the context otherwise requires:
 - a. "Environmental upgrade" for purposes of a process unit means an investment greater than one hundred thousand dollars in machinery, equipment, and related facilities for reducing emissions, increasing efficiency, or enhancing reliability of the equipment at a new or existing process unit.
 - b. "Operator" means any person owning, holding, or leasing a power plant or process unit.
 - ~~b.~~ c. "Power plant" means:
 - (1) An electrical generating plant, and all additions to the plant, which processes or converts lignite from its natural form into electrical power and which has at least one single electrical energy generation unit with a capacity of one hundred twenty thousand kilowatts or more.
 - (2) A wind-powered electrical generating facility, on which construction is completed before January 1, 2011, and all additions to the facility, which provides electrical power through wind generation and which has at least one single electrical energy generation unit with a nameplate capacity of one hundred kilowatts or more.
 - d. "Process unit" means an oil refinery or gas processing plant and all adjacent units that are utilized in the processing of crude oil or natural gas.
 - ~~e.~~ e. "Production equipment" means machinery and attachment units, other than replacement parts, directly and exclusively used in the generation, transmission, or distribution of electrical energy for sale by a power plant.
2. Sales of production or environmental upgrade equipment used exclusively in power plants or processing units that begin construction after June 30, 1991, are exempt from the tax imposed by this chapter.
3. Sales of tangible personal property, other than production or environmental upgrade equipment, which is used in the construction of new power plants or to add environmental upgrades to existing process units are exempt from the tax imposed by this chapter.

4. To receive the reduced rate or exemption at the time of purchase, the operator must receive from the commissioner a certificate that the tangible personal property or production equipment the operator intends to purchase qualifies for the reduced rate or exemption. If a certificate is not received prior to the purchase, the operator shall pay the five percent sales applicable tax rate imposed by this chapter and apply to the commissioner for a refund.
5. If the tangible personal property or production equipment is purchased or installed by a contractor subject to the tax imposed by this chapter, the operator may apply for a refund of the difference between the amount remitted by the contractor and the reduced rate or exemption imposed or allowed by this section.

SECTION 2. AMENDMENT. Section 57-40.2-04.2 of the North Dakota Century Code is amended and reenacted as follows:

57-40.2-04.2. Reduced rate and exemption for power plant construction and production equipment and oil refinery or gas processing plant environmental upgrade equipment.

1. As used in this section, unless the context otherwise requires:
 - a. "Environmental upgrade" for purposes of a process unit means an investment greater than one hundred thousand dollars in machinery, equipment, and related facilities for reducing emissions, increasing efficiency, or enhancing reliability of the equipment at a new or existing process unit.
 - b. "Operator" means any person owning, holding, or leasing a power plant or process unit.
 - c. "Power plant" means:
 - (1) An electrical generating plant, and all additions to the plant, which processes or converts lignite from its natural form into electrical power and which has at least one single electrical energy generation unit with a capacity of one hundred twenty thousand kilowatts or more.
 - (2) A wind-powered electrical generating facility, on which construction is completed before January 1, 2011, and all additions to the facility, which provides electrical power through wind generation and which has at least one single electrical energy generation unit with a nameplate capacity of one hundred kilowatts or more.
 - d. "Process unit" means an oil refinery or gas processing plant and all adjacent units that are utilized in the processing of crude oil or natural gas.
 - e. "Production equipment" means machinery and attachment units, other than replacement parts, directly and exclusively used in the generation, transmission, or distribution of electrical energy for sale by a power plant.
2. Sales of production or environmental upgrade equipment used exclusively in power plants or processing units that begin construction after June 30, 1991, are exempt from the tax imposed by this chapter.
3. Sales of tangible personal property, other than production or environmental upgrade equipment, which is used in the construction of new power plants or to add environmental upgrades to existing process units are exempt from the tax imposed by this chapter.
4. To receive the reduced rate or exemption at the time of purchase, the operator must receive from the commissioner a certificate that the tangible personal property or production equipment the operator intends to purchase qualifies for the reduced rate or

exemption. If a certificate is not received prior to the purchase, the operator shall pay the ~~five percent sales~~ applicable tax rate imposed by this chapter and apply to the commissioner for a refund.

5. If the tangible personal property or production equipment is purchased or installed by a contractor subject to the tax imposed by this chapter, the operator may apply for a refund of the difference between the amount remitted by the contractor and the reduced rate or exemption imposed or allowed by this section.

SECTION 3. EFFECTIVE DATE. This Act is effective for taxable events occurring after June 30, 2007.

Speaker of the House

President of the Senate

Chief Clerk of the House

Secretary of the Senate
