WORKFORCE SAFETY & INSURANCE  
 2007 LEGISLATION  
 SUMMARY OF ACTUARIAL INFORMATION

BILL NO: SB 2297

BILL DESCRIPTION: IME Doctor Selection

SUMMARY OF ACTUARIAL INFORMATION: Workforce Safety & Insurance, together with its actuary, Glenn Evans of Pacific Actuarial Consultants, has reviewed the legislation proposed in this bill in conformance with Section 54-03-25 of the North Dakota Century Code.

The proposed legislation requires WSI to select a doctor for an independent medical examination from a list of three doctors provided by the State Board of Medical Examiners; requires the State Board of Medical Examiners to give preference to in-state doctors unless the employee expresses a preference for an out-of-state doctor; and at the employee's request requires WSI to pay the costs of a register nurse to be present at the examination.

FISCAL IMPACT: Not quantifiable. Independent Medical Examinations (IMEs) are requested sparingly and in only a limited number of cases. To the extent the proposed IME doctor selection process results in lengthened claim processing timeframes and potentially limit willing, qualified doctors that would otherwise be eligible, it may result in increased costs associated with these claims. Given the relatively few cases where IMEs are utilized, we would not anticipate the proposal having a material impact on statewide premium rate and reserve levels.
