2A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

This bill as originally written provides for the expiration of an ID card and ties the expiration of a driver's license to the expiration of a non-immigrant visa.

An amendment was adopted on January 5, 2007.

**B. Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

The January 5, 2007 amendment to this bill does not change the fiscal impact as originally identified for this bill.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

**A. Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

Currently driver licenses expire in four (4) years from issuance; ID cards expire in ten (10) years after issuance. There would be no increase in revenue.

**B. Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

\$6,000 would be for upgrading the current computer system.

\$9,000 would be the cost of development of non-immigrant driver's license and ID card.

**C. Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation is also included in the executive budget or relates to a continuing appropriation.*

The DOT would need a \$15,000 increase in the 2007-2009 appropriation to cover the impact of this bill.
