2A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

HB1116 relates to 1)housing of inmates in city, county and regional correctional centers 2)supervision of inmates 3)equalization of prohibited acts in a correctional facility and 4)inspection of correctional facilities. Fiscal impact either undeterminable or not anticipated

**B. Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

Sec 3 of HB1116 requires a female staff member to be on duty when a female inmate is confined in the correctional facility. The DOCR is unaware of the gender makeup of staff, facility staffing patterns and the fequency of females being confined. As a result the fiscal impact, if any, of this section is undeterminable by the DOCR.

Sec 5 of HB1116 allows the DOCR to assess the cost of inspections, monitoring, and investigations to the applicable correctional facility when an order of noncompliance or closure is issued. For the 07-09 and the 09-11 biennia the DOCR does not anticipate issuing any orders of noncompliance or closure, as a result NO fiscal impact is estimated. However, if such orders are issued it is estimated the costs related to the issue of an order of noncompliance to be \$6,500 and the costs related to the issue of an order of closure to be \$6,500.
