27          against the consumer.
- 28          15. "Willfully" means the person acted intentionally in the sense that the person was  
29          aware of what the person was doing.

30           **13-11-02. License required.** It is unlawful for any person to act as a debt settlement  
31           provider except as authorized by this chapter and without first having obtained a license under

1 this chapter. A person that engages in debt settlement is deemed to engage in debt settlement  
2 in this state if the debtor resides in this state.

3 **13-11-03. Application for license.** Every application for a debt settlement provider  
4 license, or for a renewal thereof, must be made upon forms designed and furnished by the  
5 commissioner and must contain any information which the commissioner determines necessary  
6 and proper. The commissioner may require any application to provide additional information  
7 that is not requested on the application form. The applicant must register with the secretary of  
8 state if so required.

9 **13-11-04. Fee and bond to accompany application for debt settlement license.**  
10 The application for license must be in writing, under oath, and in the form prescribed by the  
11 commissioner. The application must give the location where the business is to be conducted  
12 and must contain any further information the commissioner requires, including the names and  
13 addresses of the partners, officers, directors, trustees, and the principal owners or members, as  
14 will provide the basis for the investigation and findings contemplated by section 13-11-03. At  
15 the time of making the application, the applicant shall include payment in the sum of four  
16 hundred dollars, which is not subject to refund, as a fee for investigating the application; the  
17 sum of four hundred dollars for the annual license fee; and provide a surety bond in the sum of  
18 fifty thousand dollars or an additional amount as required by the commissioner by rule. In  
19 addition, the applicant shall pay a fifty dollar annual fee for each branch location. Fees must be  
20 deposited in the financial institutions regulatory fund as provided under section 6-01-01.1.

21 **13-11-05. Qualifications for license.**

- 22 1. Upon the filing of the application, the approval of the bond, and the payment of the  
23 specified fees, the commissioner may issue a license if the commissioner finds all  
24 of the following:
- 25 a. The financial responsibility, experience, character, and general fitness of the  
26 applicant, managers, partners, officers, and directors are such as to command  
27 the confidence of the community and to warrant belief that the business will  
28 be operated fairly, honestly, and efficiently within the purposes of this chapter.
- 29 b. The applicant, managers, partners, officers, and directors have not been  
30 convicted of a felony or a misdemeanor or disciplined with respect to a license

1                   or are not currently the subject of a license disciplinary proceeding concerning  
2                   allegations involving dishonesty or untrustworthiness.

3                   c. The applicant, managers, partners, officers, and directors have not had a  
4                   record of having defaulted in the payment of money collected for others,  
5                   including the discharge of those debts through bankruptcy proceedings.

6                   d. The applicant or any managers, partners, officers, and directors previously  
7                   have not violated any provision of this chapter or any rule adopted by the  
8                   commissioner.

9                   e. The applicant has not made any false statement or representation to the  
10                   commissioner in applying for a license under this chapter.

11                  2. The commissioner shall deliver a license to the applicant to operate as a debt  
12                  settlement provider in accordance with this chapter at the location specified in the  
13                  application. The license remains in full force and effect until it is surrendered by  
14                  the debt settlement provider or revoked by the commissioner as provided in this  
15                  chapter; provided, however, that each license expires by its terms on December  
16                  thirty-first next following its issuance unless renewed as provided in this chapter. A  
17                  license may not be surrendered without the approval of the commissioner.

18                  **13-11-06. Expiration and renewal of license.** All licenses required under this chapter  
19                  expire on December thirty-first of each year and may be renewed. Renewals are effective the  
20                  succeeding January first. Applications for renewal must be submitted at least thirty days before  
21                  the expiration of the license and must be accompanied by the required annual fees, which are  
22                  not subject to refund. The form and content of renewal applications must be determined by the  
23                  commissioner, and a renewal application may be denied upon the same grounds as would  
24                  justify denial of an initial application. If a licensee has been delinquent in renewing the  
25                  licensee's license, the commissioner may charge an additional fee of fifty dollars for the renewal  
26                  of the license. A debt settlement provider license is not transferable. If the commissioner  
27                  determines that an ownership change has occurred in a sole proprietorship, partnership, limited  
28                  liability partnership, corporation, or limited liability corporation that was previously granted a  
29                  debt settlement provider license, the commissioner may require a new application from the  
30                  purchaser. The application must be filed at least thirty days before the date on which the  
31                  change of ownership is consummated.

1           **13-11-07. Applicant's obligation to update information.** An applicant or registered  
2 provider shall notify the commissioner within ten days after a change in the information provided  
3 within the application.

4           **13-11-08. Records - Annual reports.**

5           1. Every licensee shall maintain records in conformity with generally accepted  
6 accounting principles and practices in a manner that will enable the commissioner  
7 to determine whether the licensee is complying with this chapter. The records of a  
8 licensee may be maintained electronically provided all records can be reproduced  
9 upon request of the commissioner and within the required statutory timeframe  
10 outlined in this section.

11           2. Before August first of each year, the parent company of each licensee shall file  
12 with the commissioner a composite annual report in the form prescribed by the  
13 commissioner relating to services provided by licensees.

14           **13-11-09. Approval or denial of a license.** Any complete application for a license  
15 must be approved or denied within sixty days after the filing of the complete application with the  
16 commissioner.

17           **13-11-10. Revocation of license - Suspension of license - Surrender of license.**

18           1. If the commissioner has reason to believe that grounds for revocation of a license  
19 exist, the commissioner may send by certified mail to the licensee a notice of  
20 hearing stating the contemplated action and in general the grounds thereof and  
21 setting the time and place for a hearing thereon. Grounds for revocation of a  
22 license include:

23           a. Any debt settlement provider has failed to pay the annual license fee or to  
24 maintain in effect the bond required under this chapter;

25           b. The debt settlement provider has violated this chapter or any rule lawfully  
26 made by the commissioner implementing this chapter;

27           c. Any fact or condition exists that, if it had existed at the time of the original  
28 application for a license, would have warranted the commissioner in refusing  
29 its issuance; or

30           d. Any applicant has made any false statement or representation to the  
31 commissioner in applying for a license under this chapter.

1           2. If the commissioner finds that probable cause for revocation of any license exists  
2           and that enforcement of the chapter requires immediate suspension of that license  
3           pending investigation, the commissioner, upon written notice, may enter an order  
4           suspending that license for a period not exceeding thirty days, pending the holding  
5           of a hearing as prescribed in this chapter.

6           3. Any licensee may surrender the licensee's license by delivering the license to the  
7           commissioner with written notice of its surrender; however, surrender of the license  
8           does not affect the licensee's civil or criminal liability for acts committed before the  
9           surrender of the license.

10           **13-11-11. Suspension and removal of debt settlement provider officers and**  
11 **employees.**

12           1. The commissioner may issue and serve upon a debt settlement provider officer or  
13           employee, and upon the licensee involved, a complaint stating the basis for the  
14           commissioner's belief that the officer or employee is willfully engaging or has  
15           willfully engaged in any of the following conduct:

16           a. Violating a law, rule, order, or written agreement with the commissioner;

17           b. Engaging in harassment or abuse, the making of false or misleading  
18           representations, engaging in unfair practices involving debt settlement, or  
19           engaging in prohibited acts and practices under section 13-11-23; or

20           c. Performing an act of commission or omission or practice that is a breach of  
21           trust or a breach of fiduciary duty.

22           2. The complaint must contain a notice of opportunity for hearing.

23           3. If a hearing is not requested within twenty days of the date the complaint is served  
24           upon the officer or employee, or if a hearing is held and the commissioner finds  
25           that the record so warrants, the commissioner may enter an order suspending or  
26           temporarily removing the employee or officer from office for a period not exceeding  
27           three years from the effective date of the suspension or temporary removal.

28           4. A contested or default suspension or temporary removal order is effective  
29           immediately upon service of the order on the officer or employee and upon the  
30           licensee. A consent order is effective as agreed. An officer or employee  
31           suspended or temporarily removed from office pursuant to this section is not

1           eligible, while under suspension, for reinstatement to a position with a debt  
2           settlement provider.  
3           5. When an officer or employee, or other person participating in the conduct of the  
4           affairs of a licensee is charged with a felony in state or federal court which involves  
5           dishonesty or breach of trust, the commissioner immediately may suspend the  
6           person from office or prohibit the person from further participation in the affairs of  
7           the debt settlement provider, or both. The order is effective immediately upon  
8           service of the order on the licensee and the person charged and remains in effect  
9           until the criminal charge is finally disposed of or until modified by the  
10           commissioner. If a judgment of conviction, federal pretrial diversion, or similar  
11           state order or judgment is entered, the commissioner may order that the  
12           suspension or prohibition be made permanent. A finding of not guilty or other  
13           disposition of the charge does not preclude the commissioner from pursuing  
14           administrative or civil remedies.

15           **13-11-12. Advertising and marketing practices.**

16           1. A debt settlement provider may not represent, expressly or by implication, any  
17           results or outcomes of its debt settlement services in any advertising, marketing, or  
18           other communication to consumers unless the debt settlement provider possesses  
19           substantiation for the representation at the time the representation is made.  
20           2. A debt settlement provider may not make, expressly or by implication, any unfair or  
21           deceptive representations, or any omissions of material facts, in any of its  
22           advertising or marketing communications concerning debt settlement services.  
23           3. All advertising and marketing communications concerning debt settlement services  
24           must disclose the following material information clearly and conspicuously:  
25           Debt settlement services are not appropriate for everyone. Failure to pay your  
26           monthly bills in a timely manner will result in increased balances and will harm your  
27           credit rating. Not all creditors will agree to reduce principal balance, and they may  
28           pursue collection, including lawsuits.

29           **13-11-13. Contracts, books, and records.**

30           1. Upon request, each debt settlement provider shall furnish to the commissioner a  
31           copy of the contract entered between the debt settlement provider and the debtor.

1           The debt settlement provider shall furnish the debtor with a copy of the written  
2           contract at the time of execution which sets forth the charges, if any, agreed upon  
3           for the services of the debt settlement provider.

4           2. Each debt settlement provider shall maintain records and accounts that will enable  
5           any debtor contracting with the debt settlement provider, at any reasonable time, to  
6           ascertain the status of all the debtor's accounts with the debt settlement service  
7           provider, including the amount of any fees paid by the debtor, amount held in trust,  
8           if applicable, settlement offers made and received on each of the debtor's  
9           accounts, and legally enforceable settlements reached with the debtor's creditors.  
10          Within seven days after a request for that information by the debtor, the debt  
11          settlement provider shall furnish a statement showing the total amount received  
12          and the total disbursements to each creditor to any individual. Each debt  
13          settlement provider shall issue a receipt for each payment made by the debtor at a  
14          debt settlement provider office. Each debt settlement provider shall prepare and  
15          retain in the file of each debtor a written analysis of the debtor's income and  
16          expenses to substantiate that the plan of payment is feasible and practical.

17          **13-11-14. Trust funds - Requirements and restrictions.**

18          1. All funds received by a debt settlement provider or the provider's agent from and  
19          for the purpose of paying bills, invoices, or accounts of a debtor constitute trust  
20          funds owned by and belonging to the debtor from whom the funds were received.  
21          All such funds received by the debt settlement provider must be separated from the  
22          funds of the debt settlement provider not later than the end of the business day  
23          following receipt by the debt settlement provider. All such funds must be kept  
24          separate and apart at all times from funds belonging to the debt settlement  
25          provider or any of its officers, employees, or agents and may be used for no  
26          purpose other than paying bills, invoices, or accounts of the debtor. On or before  
27          the close of the business day following receipt, all such trust funds received at the  
28          main or branch offices of a debt settlement provider must be deposited in a bank in  
29          an account in the name of the debt settlement provider-designated trust account,  
30          or by some other appropriate name indicating that the funds are not the funds of  
31          the debt settlement provider or its officers, employees, or agents.

- 1           2. Such funds are not subject to attachment, lien, levy of execution, or sequestration  
2           by order of court except by a debtor for whom a debt settlement provider is acting  
3           as an agent in paying bills, invoices, or accounts.
- 4           3. At least once every month, the debt settlement provider shall render an accounting  
5           to the debtor that itemizes the total amount received from the debtor, the total  
6           amount paid each creditor, the amount of charges deducted, and any amount held  
7           in reserve, if applicable, and the status of each of the debtor's enrolled accounts.  
8           In addition, a debt settlement provider shall provide such an accounting to a debtor  
9           within seven days after written demand, but not more than three times per  
10          six-month period.
- 11          4. This chapter does not require the establishment of a trust account if no consumer  
12          funds other than earned settlement fees are held or controlled by a debt settlement  
13          provider.

14          **13-11-15. Requirement of good faith.** A provider shall act in good faith in all matters  
15 under this chapter.

16          **13-11-16. Customer service.** A provider that is required to be registered under this  
17 chapter shall maintain a toll-free communication system, staffed at a level that reasonably  
18 permits an individual to speak to a certified counselor or customer service representative, as  
19 appropriate, during ordinary business hours.

20          **13-11-17. Required presale consumer disclosures and warnings.**

- 21          1. Before the consumer signs a contract, the debt settlement provider shall provide an  
22          oral and written notice to the consumer that clearly and conspicuously discloses all  
23          of the following:
- 24              a. Debt settlement services may not be suitable for all consumers.
- 25              b. Using a debt settlement service likely will harm the consumer's credit history  
26              and credit score.
- 27              c. Using a debt settlement service does not stop creditor collection activity,  
28              including creditor lawsuits and garnishments.
- 29              d. Not all creditors will accept a reduction in the balance, interest rate, or fees a  
30              consumer owes.

- 1           e. The consumer should inquire about other means of dealing with debt,  
2           including nonprofit credit counseling and bankruptcy.
- 3           f. The consumer remains obligated to make periodic or scheduled payments to  
4           creditors while participating in a debt settlement plan, and that the debt  
5           settlement provider will not make any periodic or scheduled payments to  
6           creditors on behalf of the consumer.
- 7           g. The failure to make periodic or scheduled payments to a creditor is likely to:  
8           (1) Harm the consumer's credit history, credit rating, or credit score;  
9           (2) Lead the creditor to increase lawful collection activity, including  
10           litigation, garnishment of the consumer's wages, and judgment liens on  
11           the consumer's property; and  
12           (3) Lead to the imposition by the creditor of interest charges, late fees, and  
13           other penalty fees, increasing the principal amount of the debt.
- 14           h. The amount of time estimated to be necessary to achieve the represented  
15           results.
- 16           i. The estimated amount of money or the percentage of debt the consumer must  
17           accumulate before a settlement offer will be made to each of the consumer's  
18           creditors.
- 19           j. A statement indicating that debt settlement providers are licensed and  
20           regulated by the North Dakota department of financial institutions and any  
21           complaints regarding the services of a debt settlement provider should be  
22           directed to the North Dakota department of financial institutions, Bismarck,  
23           North Dakota.
- 24           2. The consumer shall sign and date an acknowledgment form entitled "Consumer  
25           Notice and Rights Form" that states: "I, the debtor, have received from the debt

27           Form". The debt settlement provider or its representative also shall sign and date  
28           the acknowledgment form, which includes the name and address of the debt  
29           settlement services provider. The acknowledgment form must be in duplicate and  
30           incorporated into the "Consumer Notice and Rights Form". The original  
31           acknowledgment form must be retained by the debt settlement provider, and the

1           duplicate copy must be retained within the form by the consumer. If the  
2           acknowledgment form is in electronic form, then the acknowledgment form must  
3           contain the consumer disclosures required by section 101(c) of the federal  
4           Electronic Signatures in Global and National Commerce Act [15 U.S.C. 7001(c)].  
5        3. The requirements of this section are satisfied if the provider provides the following  
6           warning verbatim, both orally and in writing, with the caption "CONSUMER  
7           NOTICE AND RIGHTS FORM" in at least twenty-eight-point font and the remaining  
8           portion in at least fourteen-point font to a consumer before the consumer signs a

3                   k. The amount of money or the percentage of debt the consumer must

12                   the debt settlement provider would perform, and upon that event:

13                   (1) The consumer is entitled to a full refund of all unearned fees and

27                   4. If a debt settlement provider communicates with a consumer primarily in a

- 1           1. A consumer may cancel a contract with a debt settlement provider at any time

3           settlement provider contracted to perform or represented that the debt settlement  
4           provider would perform.
- 5           2. If a consumer cancels a contract with a debt settlement provider, or at any time  
6           upon a material violation of this chapter on the part of the debt settlement provider,  
7           the debt settlement provider shall refund all fees and compensation, with the  
8           exception of the application fee and any earned settlement fee, as well as all funds  
9           paid by the consumer to the debt settlement provider that have accumulated in a  
10           consumer settlement account and that the debt settlement provider has not  
11           disbursed to creditors. Upon cancellation, all powers of attorney and direct debit  
12           authorizations granted to the debt settlement provider by the consumer are  
13           considered revoked and voided.
- 14           3. A debt settlement provider shall make any refund required under this section within  
15           seven days after the notice of cancellation and shall include with the refund a full  
16           statement of account showing fees received, fees refunded, savings held,

- 18           4. Upon the cancellation of a contract under this section, the debt settlement provider  
19           shall provide timely notice of the cancellation of the contract to each of the  
20           creditors with whom the debt settlement provider has had any prior communication  
21           on behalf of the consumer in connection with the provision of any debt settlement  
22           service.

23           **13-11-21. Fees.**

- 24           1. A debt settlement provider may not charge fees of any type or receive  
25           compensation from a consumer in a type, amount, or timing other than fees or  
26           compensation permitted in this section.
- 27           2. A debt settlement provider may not charge or receive from a consumer any  
28           enrollment fee, setup fee, upfront fee of any kind, or any maintenance fee, except  
29           for a one-time enrollment fee of no more than one hundred dollars.
- 30           3. A debt settlement provider may charge a settlement fee that may not exceed an  
31           amount greater than fifteen percent of the savings. If the amount paid by the debt

1           settlement provider to the creditor or negotiated by the debt settlement provider  
2           and paid by the consumer to the creditor pursuant to a settlement negotiated by  
3           the debt settlement provider on behalf of the consumer as full and complete  
4           satisfaction of the creditor's claim with regard to that debt is greater than the  
5           principal amount of the debt, the debt settlement provider is not entitled to any  
6           settlement fee.

7           4. A debt settlement provider may not collect any settlement fee from a consumer  
8           until a creditor enters into a legally enforceable agreement to accept funds in a  
9           specific dollar amount as full and complete satisfaction of the creditor's claim with  
10           regard to that debt and those funds are provided by the debt settlement provider on  
11           behalf of the consumer or are provided directly by the consumer to the creditor  
12           pursuant to a settlement negotiated by the debt settlement provider.

13           **13-11-22. Voluntary contributions.** A provider may not solicit a voluntary contribution  
14           from an individual or an affiliate of the individual for any service provided to the individual. A  
15           provider may accept voluntary contributions from an individual but, until thirty days after  
16           completion or termination of a plan, the aggregate amount of money received from or on behalf  
17           of the individual may not exceed the total amount the provider may charge the individual under  
18           section 13-11-21.

19           **13-11-23. Prohibited acts and practices.**

20           1. A provider directly or indirectly may not:  
21           a. Misappropriate or misapply money held in trust;  
22           b. Settle a debt on behalf of an individual for more than fifty percent of the  
23           principal amount of the debt owed a creditor, unless the individual assents to  
24           the settlement after the creditor has assented;  
25           c. Take a power of attorney that authorizes the provider to settle a debt, unless  
26           the power of attorney expressly limits the provider's authority to settle debts  
27           for not more than fifty percent of the principal amount of the debt owed a  
28           creditor;  
29           d. Exercise or attempt to exercise a power of attorney after an individual has  
30           terminated a contract;

- 1 e. Initiate a transfer from an individual's account at a bank or with another  
2 person unless the transfer is:  
3 (1) A return of money to the individual; or  
4 (2) Before termination of a contract, properly authorized by the contract  
5 and this chapter, and for:  
6 (a) Payment to one or more creditors pursuant to a plan; or  
7 (b) Payment of a fee;  
8 f. Offer a gift or bonus, premium, reward, or other compensation to an individual  
9 for executing a contract;  
10 g. Offer, pay, or give a gift or bonus, premium, reward, or other compensation to  
11 a person for referring a prospective customer, if the person making the  
12 referral has a financial interest in the outcome of debt management services  
13 provided to the customer, unless neither the provider nor the person making  
14 the referral communicates to the prospective customer the identity of the  
15 source of the referral;  
16 h. Receive a bonus, commission, or other benefit for referring an individual to a  
17 person;  
18 i. Structure a plan in a manner that would result in a negative amortization of  
19 any of an individual's debts, unless a creditor that is owed a negatively  
20 amortizing debt agrees to refund or waive the finance charge upon payment  
21 of the principal amount of the debt;  
22 j. Compensate the provider's employees on the basis of a formula that  
23 incorporates the number of individuals the employee induces to enter  
24 contracts;  
25 k. Settle a debt or lead an individual to believe that a payment to a creditor is in  
26 settlement of a debt to the creditor unless, at the time of settlement, the  
27 individual receives a certification by the creditor that the payment is in full  
28 settlement of the debt;  
29 l. Make a representation that:  
30 (1) The provider will furnish money to pay bills or prevent attachments;

- 1                   (2) Payment of a certain amount will permit satisfaction of a certain amount  
2                   or range of indebtedness; or
- 3                   (3) Participation in a plan will or may prevent litigation, garnishment,  
4                   attachment, repossession, foreclosure, eviction, or loss of employment;
- 5                   m. Misrepresent that the provider is authorized or competent to furnish legal  
6                   advice or perform legal services;
- 7                   n. Represent that it is a not-for-profit entity unless the provider is organized and  
8                   properly operating as a not-for-profit under the law of the state in which it was  
9                   formed or that it is a tax-exempt entity unless the provider has received  
10                   certification of tax-exempt status from the internal revenue service;
- 11                   o. Take a confession of judgment or power of attorney to confess judgment  
12                   against an individual; or
- 13                   p. Employ an unfair, unconscionable, or deceptive act or practice, including the  
14                   knowing omission of any material information.
- 15                   2. If a provider furnishes debt management services to an individual, the provider  
16                   may not, directly or indirectly:
- 17                   a. Purchase a debt or obligation of the individual;
- 18                   b. Receive from or on behalf of the individual:
- 19                   (1) A promissory note or other negotiable instrument other than a check or  
20                   a demand draft; or
- 21                   (2) A postdated check or demand draft;
- 22                   c. Lend money or provide credit to the individual, except as a deferral of a  
23                   settlement fee at no additional expense to the individual;
- 24                   d. Obtain a mortgage or other security interest from any person in connection  
25                   with the services provided to the individual;
- 26                   e. Except as permitted by federal law, disclose the identity or identifying  
27                   information of the individual or the identity of the individual's creditors, except  
28                   to:
- 29                   (1) The commissioner, upon proper demand;
- 30                   (2) A creditor of the individual, to the extent necessary to secure the  
31                   cooperation of the creditor in a plan; or

- 1                   (3) The extent necessary to administer the plan;
- 2           f. Except as otherwise provided in section 13-11-21, provide the individual less
- 3                   than the full benefit of a compromise of a debt arranged by the provider;
- 4           g. Charge the individual for or provide credit or other insurance, coupons for
- 5                   goods or services, membership in a club, access to computers or the internet,
- 6                   or any other matter not directly related to debt management services or
- 7                   educational services concerning personal finance; or
- 8           h. Furnish legal advice or perform legal services, unless the person furnishing
- 9                   that advice to or performing those services for the individual is licensed to
- 10                   practice law.
- 11       3. This chapter does not authorize any person to engage in the practice of law.
- 12       4. A provider may not receive a gift or bonus, premium, reward, or other
- 13                   compensation, directly or indirectly, for advising, arranging, or assisting an
- 14                   individual in connection with obtaining, an extension of credit or other service from
- 15                   a lender or service provider, except for educational or counseling services required
- 16                   in connection with a government-sponsored program.
- 17       5. Unless a person supplies goods, services, or facilities generally and supplies them
- 18                   to the provider at a cost no greater than the cost the person generally charges to
- 19                   others, a provider may not purchase goods, services, or facilities from the person if
- 20                   an employee or a person that the provider should reasonably know is an affiliate of
- 21                   the provider:
- 22           a. Owns more than ten percent of the person; or
- 23           b. Is an employee or affiliate of the person.

24           **13-11-24. Notice of litigation.** Within thirty days after a provider has been served with

25 notice of a civil action for violation of this chapter by or on behalf of an individual who resides in

26 this state at either the time of a contract or the time the notice is served, the provider shall notify

27 the commissioner in a record that it has been sued.

28           **13-11-25. Liability for the conduct of other persons.** If a provider delegates any of

29 its duties or obligations under a contract or this chapter to another person, including an

30 independent contractor, the provider is liable for conduct of the person which, if done by the

31 provider, would violate the contract or this chapter.

- 1           **13-11-26. Powers of the commissioner.** Insofar as consistent with other provisions  
2 of law, the commissioner may:
- 3           1. Determine the qualifications of all applicants based on financial responsibility,  
4 financial condition, business experience, character, and general fitness which  
5 must reasonably warrant the belief that the applicant's business will be  
6 conducted lawfully and fairly. In determining whether this qualification is met,  
7 and for the purpose of investigating compliance with this chapter, the  
8 commissioner may review and consider the relevant business records and  
9 capital adequacy of the applicant and the competence, experience, integrity,  
10 and financial ability of a person who is a member, partner, director, officer, or  
11 twenty-five percent or more shareholder of the applicant.
- 12           2. Conduct investigations and make an examination of any person, whether  
13 licensed or not, who is engaged in the debt settlement services business,  
14 including all records of such business, and to subpoena witnesses anytime  
15 the commissioner has reason to believe such is necessary. The licensee  
16 shall pay an examination or visitation fee and must be charged by the  
17 commissioner at an hourly rate to be set by the commissioner, sufficient to  
18 cover all reasonable expenses of the department associated with the  
19 examination or visitation provided for by this section. Fees must be deposited  
20 in the financial institutions regulatory fund.
- 21           3. Issue and serve upon any person or licensed debt settlement provider an order to  
22 cease and desist to take corrective action when the commissioner has reason to  
23 believe the person or agency is violating, has violated, or is about to violate the  
24 provisions of this chapter. An interested party may appeal issuance of a cease and  
25 desist order under chapter 28-32 by filing written notice of appeal within twenty  
26 days after service of the order.
- 27           4. Deny, suspend, revoke, condition, or decline to renew a license for a violation of  
28 this chapter, rules or regulations issued under this chapter, or an order or directive  
29 entered under this chapter.

1           5. Deny, suspend, revoke, condition, or decline to renew a license if an applicant or  
2           licensee withholds information or makes a material misstatement in an application  
3           for a license or renewal of a license.

4           **13-11-27. Enforcement authorities, violations, and penalties.**

5           1. Any person that violates this chapter or any rule or order of the commissioner  
6           under this chapter or which engages in any act, practice, or transaction declared by  
7           any provision of this chapter to be unlawful is guilty of a class C felony.

8           2. The commissioner may impose a civil money penalty not to exceed five thousand  
9           dollars per violation upon a person or agency that willfully violates a law, rule,  
10          written agreement, or order under this chapter. An interested party may appeal the  
11          assessment of a civil money penalty under chapter 28-32 by filing a written notice  
12          of appeal within twenty days after service of the assessment of civil money
