

September 2010

Introduced by

1 A concurrent resolution supporting the Northern Tier Network Technology Initiative and the  
2 related activities of the Legislative Management's interim Information Technology Committee.

3 **WHEREAS**, the Northern Tier Network Technology Initiative is the implementation of an  
4 information technology network from Seattle, Washington, to Chicago, Illinois, and from  
5 Winnipeg, Manitoba, to Omaha, Nebraska, with North Dakota's segments bordering Montana to  
6 the west, Minnesota to the east, the Canadian border to the north, and South Dakota to the  
7 south; and

8 **WHEREAS**, in 2007 the Legislative Assembly appropriated funds to the North Dakota  
9 University System to support the Northern Tier Network Technology Initiative; and

10 **WHEREAS**, during the 2007-08 and 2009-10 interims the Legislative Management's  
11 interim Information Technology Committee has received status reports on the implementation of  
12 North Dakota's portion of the Northern Tier Network;

13 **NOW, THEREFORE, BE IT RESOLVED BY THE \_\_\_\_\_ OF**  
14 **NORTH DAKOTA, THE \_\_\_\_\_ CONCURRING THEREIN:**

15 That the Sixty-second Legislative Assembly supports the Northern Tier Network  
16 Technology Initiative and the related activities of the Legislative Management's interim  
17 Information Technology Committee.

18 **BE IT FURTHER RESOLVED**, that the Secretary of State forward copies of this  
19 resolution to the members of the Northern Tier Network - North Dakota and the chairman of the  
20 Legislative Management's interim Information Technology Committee.
