DELIVERY OF ENROLLED BILLS AND RESOLUTIONS

The following bill was delivered to the Governor for approval on April 30, 2009: SB 2199.

MOTION

SEN. CHRISTMANN MOVED that the Senate stand in recess until 12:30 p.m., which motion prevailed.

THE SENATE RECONVENED pursuant to recess taken, with President Pro Tem Fischer presiding.

CORRECTION AND REVISION OF THE JOURNAL

MR. PRESIDENT: Your Committee on Correction and Revision of the Journal (Sen. Andrist, Chairman) has carefully examined the Journal of the Seventy-fifth Day and recommends that it be corrected as follows and when so corrected, recommends that it be approved:

Page 1610, line 43, after “if” insert “this language is not provided for in the lease or easement, payments at least equal to”
SEN. ANDRIST MOVED that the report be adopted, which motion prevailed.

MOTION

SEN. STENEHJEM MOVED that the Senate be on the Fifteenth order of business for the purpose of electing an Interim President Pro Tempore, which motion prevailed.

NOMINATIONS FOR INTERIM PRESIDENT PRO TEM

SEN. CHRISTMANN: Our colleague, Senator Jerry Klein, was elected to the Senate from the Fourteenth District in 1995. He has served with distinction on the Industry, Business, and Labor Committee and the Agriculture Committee, the last two sessions as Chairman of Industry, Business, and Labor. He also serves on the Executive Committee of the National Conference of Insurance Legislators. When I think back to his first experience of carrying a bill on the floor of the Senate, I have to acknowledge that then I did not envision him ever presiding. For those of you who do not recall what I am referring to, Senator Klein proceeded to start getting out charts and diagrams in true Washington, DC form before immediately being called to order by the Senate President. It was a shaky start. The good news though is that from that day forward he has proven to be one of the most conscientious and effective members of this body. He has proven that by the cordial relationship he has built with his Senate colleagues and he has proven it by attracting overwhelming approval from his constituents, all the way from the outskirts of the capital city to some of the most remote rural landscapes in North Dakota. The North Dakota Senate has a very long and proud tradition of electing some very worthy and capable members to serve as our presiding officer. My tenure in this body brings to mind no exceptions. Today I am completely confident that this tradition will continue, and I am honored to nominate Senator Jerry Klein for the position of Senate President Pro Tempore.

SEN. ANDERSON: Mr. President and members of the North Dakota Senate assembled: I've had the pleasure of serving with Connie Triplett in the North Dakota Senate for the past two sessions. I know of no one in the Upper Chamber who is quicker to absorb the essence of every piece of legislation which comes before us. Woe be the presenter of a bill--on either side of the aisle--if the facts are not straight or if Senator Triplett disagrees with the items under discussion--and her speeches are always so well structured we are all aware of the specific reason for her concerns. I could go on, but I think the chamber is well-aware of how she has proved to be a prized member of our Senate and brings great credit and recognition upon all of us serving within this chamber, and, with the citizens of North Dakota without. I am honored to be given the privilege to place the name of Connie Triplett before the members of this body for consideration as Interim President Pro Tem of the North Dakota Senate.

REMARKS BY SENATOR TRIPLETT

Mr. President, it is an honor to have been nominated by my colleagues for the position of Interim President Pro Tem. I would like to extend a special thank you to my good friend Senator Anderson for his warm and generous remarks in nominating me. Thanks to those of my colleagues who voted for me. This is only my third session in the legislature, so I am still learning the traditions of the Senate. I think the tradition that has the nominees voting for each other is a delightful tradition and one that I am happy to carry on, but I had thought that there was another tradition that more-or-less required the other members of each caucus to vote for their caucus nominee. So, you will understand that I am pretty traumatized (tongue-in-cheek) by the defection of one member of my own party. I'm trying to figure out how to deal with the defection. I think I'll recover before the next legislative session. Seriously, I do understand why my colleague from Bismarck chose to vote for Senator Klein. I believe that he was expressing his gratitude for Senator Klein's graciousness to members of both parties in his capacity as Chairman of the Industry, Business and Labor Committee.

Mr. President, I move that the Senate cast a unanimous ballot in favor of electing Sen. Klein as Interim President Pro Tem.

MOTION

SEN. TRIPLETT MOVED that the Senate cast a unanimous ballot in favor of electing Sen. Klein for Interim President Pro Tem, which motion prevailed.

OATH OF OFFICE

SEN. STENEHJEM MOVED that a committee of two be appointed to escort Interim President Pro Tem Klein to the rostrum, which motion prevailed.

PRESIDENT PRO TEM FISCHER APPOINTED Sens. Wanzek and Erbele to escort Sen. Klein to the rostrum for the Oath of Office, which was administered by President Pro Tem Fischer.
REMARKS OF INTERIM PRESIDENT PRO TEM KLEIN
Mr. President, Members of the Senate: Serving as your President Pro Tempore is a tremendous honor and privilege, and I would like to thank all of you for your support. I often talk about the time when I was asked to run and former Senator Streibel asking me if I had found anyone to run to take his place. I had told him that the people I had spoken to weren't quite ready. They were busy at work. He said, "I think we have found our candidate." I said, "Wow, that's great! Who did you find?" He said, "We think it's you." Certainly after my visit with my manager at home--I got the go-ahead. We all might remember our day when we decided we would run and do what certainly would be the important work of the people of North Dakota. Anxious, nervous, excited, enthusiastic, oh and outright a little scared might describe some of those early feelings. After these seven sessions, I have no regrets. I enjoy the challenge of each day . . . and the friendships that I have made on both sides of the aisle. I will do my best to treat each one of you with the utmost respect and to maintain the honor and integrity of this position. Once again, thank you all so much for this honor. I am very proud to be your President Pro Tem.

MOTION
SEN. CHRISTMANN MOVED that the remarks of Interim President Pro Tem Klein, and of Sens. Triplett, Anderson, and Christmann be printed in the Journal, which motion prevailed.

The certificate system also permits pari-mutuel wagering to be conducted through account wagering. The attorney general may not grant a license denied by the commission. An account wager may be made in person, by direct telephone communication, or through other electronic communication in accordance with rules adopted by the commission attorney general. Breakage for interstate or international combined wagering pools must be calculated in

**REPORT OF CONFERENCE COMMITTEE**

HB 1554, as engrossed:

Your conference committee (Sens. Cook, Dever, Nelson and Reps. Koppelman, Headland, J. Kelsh) recommends that the SENATE RECEDE from the Senate amendments on HJ pages 1310-1314, adopt amendments as follows, and place HB 1554 on the Seventh order:

That the Senate recede from its amendments as printed on pages 1310-1314 of the House Journal and pages 1120-1124 of the Senate Journal and that Engrossed House Bill No. 1554 be amended as follows:

Page 1, line 1, after "A BILL" replace the remainder of the bill with "for an Act to amend and reenact section 40-47-01.1 of the North Dakota Century Code, relating to extraterritorial zoning jurisdiction of cities; to provide legislative intent; and to declare an emergency.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

**SECTION 1. AMENDMENT.** Section 40-47-01.1 of the North Dakota Century Code is amended and reenacted as follows:

1. A city may, by ordinance, extend the application of a city's zoning regulations to any quarter quarter section of unincorporated territory if a majority of the quarter quarter section is located within the following distance of the corporate limits of the city:
   a. One half mile [.80 kilometer] if the city has a population of fewer than five thousand.
   b. One mile [1.61 kilometers] if the city has a population of five thousand or more, but fewer than twenty-five thousand.
   c. Two miles [3.22 kilometers] if the city has a population of twenty-five thousand or more.

2. Subject to subsections 5 and 6, a city, by ordinance, may extend the application of the city's zoning regulations to two times the distance allowed under subdivisions a, b, and c of subsection 1 if the extension is approved by at least five of six members of a committee established to review the proposed extension. The committee must consist of three members appointed by the governing body of the city and three members appointed, jointly, by the governing bodies of any political subdivision that is exercising zoning authority within the territory to be extraterritorially zoned.

3. If a quarter quarter section line divides a platted lot and the majority of that platted lot lies within the quarter quarter section, a city may apply its extraterritorial zoning authority to the remainder of that platted lot. If the
majority of the platted lot lies outside the quarter quarter section, the city may not apply its extraterritorial zoning authority to any of that platted lot.

4. A city exercising its extraterritorial zoning authority shall hold a zoning transition meeting if the territory to be extraterritorially zoned is currently zoned. The city’s zoning or planning commission shall provide at least fourteen days’ notice of the meeting to the zoning board or boards of all political subdivisions losing their partial zoning authority. The purpose of the zoning transition meeting is to review existing zoning rules, regulations, and restrictions currently in place in the territory to be extraterritorially zoned and to plan for an orderly transition. The zoning transition meeting must take place before the city’s adoption of an ordinance exercising extraterritorial zoning.

5. If two or more cities have boundaries at a distance where there is an overlap of extraterritorial zoning authority under this section, the governing bodies of the cities may enter into an agreement regarding the extraterritorial zoning authority of each city. The agreement must be for a specific term and is binding upon the cities unless the governing bodies of the cities agree to amend or rescind the agreement or unless determined otherwise by an administrative law judge in accordance with this chapter. If a dispute arises concerning the extraterritorial zoning authority of a city and the governing bodies of the cities involved fail to resolve the dispute, the dispute must be submitted to a committee for mediation. The committee must be comprised of one member appointed by the governor, one member of the governing body of each city, and one member of the planning commission of each city who resides outside the corporate city limits. The governor’s appointee shall arrange and preside over the meeting and act as mediator at the meeting. A meeting may be continued until the dispute has been resolved or until the mediator determines that continued mediation is no longer worthwhile.

6. If the mediation committee is unable to resolve the dispute to the satisfaction of the governing bodies of all the cities involved, the governing body of any of the cities may petition the office of administrative hearings to appoint an administrative law judge to determine the extraterritorial zoning authority of the cities in the disputed area. A hearing may not be held until after at least two weeks’ written notice has been given to the governing bodies of the cities involved in the dispute. At the hearing, the governor’s appointee who mediated the meetings under subsection 4 shall provide information to the administrative law judge on the dispute between the cities involved and any proposed resolutions or recommendations made by a majority of the committee members. Any resident of, or person owning property in, a city involved in the dispute or the unincorporated territory that is the subject of the proposed extraterritorial zoning, a representative of such a resident or property owner, and any representative of a city involved, may appear at the hearing and present evidence on any matter to be determined by the administrative law judge. A decision by the administrative law judge is binding upon all the cities involved in the dispute and remains effective until the governing bodies of the cities agree to a change in the zoning authority of the cities. The governing body of a city may request a review of a decision of an administrative law judge due to changed circumstances at any time ten years after the decision has become final. An administrative law judge shall consider the following factors in making a decision under this subsection:

a. The proportional extraterritorial zoning authority of the cities involved in the dispute;

b. The proximity of the land in dispute to the corporate limits of each city involved;

c. The proximity of the land in dispute to developed property in the cities involved;

d. Whether any of the cities has exercised extraterritorial zoning authority over the disputed land;

e. Whether natural boundaries such as rivers, lakes, highways, or other physical characteristics affecting the land are present;
f. The growth pattern of the cities involved in the dispute; and

g. Any other factor determined to be relevant by the administrative law judge.

7. For purposes of this section, the population of a city must be determined by the last official regular or special federal census. If a city has incorporated after a census, the population of the city must be determined by a census taken in accordance with chapter 40-22.

8. When a portion of the city is attached to the bulk of the city by a strip of land less than one hundred feet [30.48 meters] wide, that portion and strip of land must be disregarded when determining the extraterritorial zoning limits of the city. This subsection does not affect the ability of a city to zone land within its city limits.

9. For the purposes of this section, a quarter quarter section shall be determined in the manner provided by 2 Stat. 313 [43 U.S.C. 752]. When appropriate, the phrase "quarter quarter section" refers to the equivalent government lot.

(Effective after July 31, 2009) Extraterritorial zoning - Mediation - Determination by administrative law judge - Definition.

1. a. A city may, by ordinance, extend the application of a city's zoning regulations to any quarter quarter section of unincorporated territory if a majority of the quarter quarter section is located within the following distance of the corporate limits of the city:

   a. (1) One mile [1.61 kilometers] if the city has a population of less than five thousand. A city that has exercised its authority under this subdivision has joint zoning and subdivision regulation jurisdiction from one-half mile [0.80 kilometers] to one mile [1.61 kilometers] with the other political subdivision.

   b. (2) Two miles [3.22 kilometers] if the city has a population of five thousand or more, but less than twenty-five thousand. A city that has exercised its authority under this subdivision has joint zoning and subdivision regulation jurisdiction from one mile [1.61 kilometers] to two miles [3.22 kilometers] with the other political subdivision.

   c. (3) Four miles [6.44 kilometers] if the city has a population of twenty-five thousand or more. A city that has exercised its authority under this subdivision has joint zoning and subdivision regulation jurisdiction from two miles [3.22 kilometers] to four miles [6.44 kilometers] with the other political subdivision.

b. Any section or portion of a section of unincorporated territory within the area of joint zoning and subdivision regulation jurisdiction in which a plat or site plan has been presented before May 1, 2009, remains subject to the zoning designations and the regulations in place on May 1, 2009, unless changed as allowed under this section.

c. The extraterritorial zoning jurisdiction and authority to receive applications and issue permits under this section may be changed by written agreement between the city and the other political subdivision.

2. Joint jurisdiction is jurisdiction in which the other political subdivision has jurisdiction to receive applications and issue permits and impose administrative fees for applications and permits. In addition, under this jurisdiction the other political subdivision may adopt, modify, and enforce any zoning designation or regulation and approve any subdivision plat or regulation. For a decision to be final, the other political subdivision shall give written notice to the city. The city may request negotiation as to any decision made by the other political subdivision under the other political subdivision’s jurisdiction within thirty days of notice. If negotiation is not requested, the decision of the other political subdivision is final. If the governing body of the other political subdivision and the city do not come to
an agreement as to the disputed zone or subdivision regulation within thirty
days of request for negotiation, the dispute must be submitted to a
committee for mediation. The committee must be comprised of one
member appointed by the governor and two members of the governing
body of the other political subdivision and two members of the governing
body of the city. The governor's appointee shall arrange and preside over
the meeting and act as mediator at the meeting. A meeting may be
continued until the dispute has been resolved or until the mediator
determines that continued mediation is no longer worthwhile. If the
mediation committee is unable to resolve the dispute to the satisfaction of
the governing bodies, the dispute must be resolved by the board of county
commissioners.

3. Notwithstanding subsection 2, in any section or portion of a section of
unincorporated territory in which there would otherwise be joint jurisdiction
and in which a plat or site plan has been presented before May 1, 2009,
the city has jurisdiction to receive applications and issue permits and
impose administrative fees for applications and permits relating to zoning
and subdivision regulation. In addition, under this jurisdiction the city may
adopt, modify, and enforce any zoning designation or regulation and
approve any subdivision plat or regulation. For a decision of the city made
after May 1, 2009, to be final, the city shall give written notice of the
decision of the governing body of the political subdivision that would
otherwise have jurisdiction. The governing body may request negotiation
as to any decision made by the city under the city's jurisdiction within thirty
days of notice. If negotiation is not requested, the decision of the city is
final. If the city and governing body of the political subdivision that would
otherwise have jurisdiction do not come to an agreement as to the disputed
zoning or subdivision regulation within thirty days of the request for
negotiation, the dispute must be submitted to a committee for mediation.
The committee must be comprised of one member appointed by the
governor and two members of the governing body of the other political
subdivision and two members of the governing body of the city. The
governor's appointee shall arrange and preside over the meeting and act
as mediator at the meeting. A meeting may be continued until the dispute
has been resolved or until the mediator determines that continued
mediation is no longer worthwhile. If the mediation committee is unable to
resolve the dispute to the satisfaction of the governing bodies, the dispute
must be resolved by the board of county commissioners.

4. If a quarter quarter section line divides a platted lot and the majority of that
platted lot lies within the quarter quarter section, a city may apply its
extraterritorial zoning authority to the remainder of that platted lot. If the
majority of the platted lot lies outside the quarter quarter section, the city
may not apply its extraterritorial zoning authority to any of that platted lot.

5. A city exercising its extraterritorial zoning authority shall hold a zoning
transition meeting if the territory to be extraterritorially zoned is currently
zoned. The city's zoning or planning commission shall provide at least
fourteen days' notice of the meeting to the zoning board or boards of all
political subdivisions losing their partial zoning authority. The purpose of
the zoning transition meeting is to review existing zoning rules, regulations,
and restrictions currently in place in the territory to be extraterritorially
zoned and to plan for an orderly transition. The zoning transition meeting
must take place before the city's adoption of an ordinance exercising
extraterritorial zoning.

6. If two or more cities have boundaries at a distance where there is an
overlap of extraterritorial zoning authority under this section, the governing
bodies of the cities may enter into an agreement regarding the
extraterritorial zoning authority of each city. The agreement must be for a
specific term and is binding upon the cities unless the governing bodies of
the cities agree to amend or rescind the agreement or unless determined
otherwise by an administrative law judge in accordance with this chapter. If
a dispute arises concerning the extraterritorial zoning authority of a city and
the governing bodies of the cities involved fail to resolve the dispute, the
dispute must be submitted to a committee for mediation. The committee
must be comprised of one member appointed by the governor, one
member of the governing body of each city, and one member of the
planning commission of each city who resides outside the corporate city
limits. The governor’s appointee shall arrange and preside over the meeting and act as mediator at the meeting. A meeting may be continued until the dispute has been resolved or until the mediator determines that continued mediation is no longer worthwhile.

5. If the mediation committee is unable to resolve the dispute to the satisfaction of the governing bodies of all the cities involved, the governing body of any of the cities may petition the office of administrative hearings to appoint an administrative law judge to determine the extraterritorial zoning authority of the cities in the disputed area. A hearing may not be held until after at least two weeks’ written notice has been given to the governing bodies of the cities involved in the dispute. At the hearing, the governor’s appointee who mediated the meetings under subsection 4 shall provide information to the administrative law judge on the dispute between the cities involved and any proposed resolutions or recommendations made by a majority of the committee members. f. The growth pattern of the cities involved in the dispute; and
g. Any other factor determined to be relevant by the administrative law judge.

6. For purposes of this section, the population of a city must be determined by the last official regular or special federal census. If a city has incorporated after a census, the population of the city must be determined by a census taken in accordance with chapter 40-22.

7. When a portion of the city is attached to the bulk of the city by a strip of land less than one hundred feet (30.48 meters) wide, that portion and strip of land must be disregarded when determining the extraterritorial zoning limits of the city. This subsection does not affect the ability of a city to zone land within its city limits.

8. For the purposes of this section, a section or a quarter quarter section shall be is as determined in the manner provided by 2 Stat. 313 [43 U.S.C. 752]. When appropriate, the phrase “quarter quarter section” refers to the equivalent government lot.

A partnership, subchapter S corporation, limited partnership, limited liability company, or any other pass-through entity entitled to the credit under this section must be considered to be the taxpayer for purposes of this section, and the amount of the credit allowed must be determined at the pass-through entity level. The amount of the total credit determined at the entity level must be passed through to the partners, shareholders, or members in proportion to their respective interests in the pass-through entity.

b. A partnership, subchapter S corporation, or limited liability company that for tax purposes is treated like a partnership that is entitled to the credit under this section must be considered to be the taxpayer for purposes of calculating the credit. The amount of the allowable credit must be determined at the passthrough entity level. The total credit determined at the entity level must be passed through to the partners, shareholders, or members in proportion to their respective interests in the passthrough entity.

SECTION 19. AMENDMENT.  Section 57-38-01.25 of the North Dakota Century Code is amended and reenacted as follows:

57-38-01.25. Workforce recruitment credit for hard-to-fill employment positions. A taxpayer that is an employer in this state is entitled to a credit as determined under this section against state income tax liability under section 57-38-29, 57-38-30, or 57-38-30.3 for costs the taxpayer incurred during the tax year to recruit and hire employees for hard-to-fill employment positions within this state for which the annual salary for the position meets or exceeds the state average wage.

(4) Payment of a signing bonus, moving expenses, or nontypical fringe benefits.

b. "Hard-to-fill employment position" means a job that requires the employer to use extraordinary recruitment methods and for which the employer's recruitment efforts for the specific position have been unsuccessful for six consecutive calendar months.

c. "State average wage" means one hundred twenty-five percent of the state average wage published annually by job service North Dakota and which is in effect at the time the employee is hired.

3. The taxpayer may claim the credit in the first tax year beginning after the employee hired for the hard-to-fill position has completed the employee's first twelve consecutive months of employment in the hard-to-fill position with the taxpayer.

4. The credit under this section may not exceed a taxpayer's liability for the taxable year as determined under this chapter. Any amount of unused credit may be carried forward for up to four taxable years after the taxable year in which the credit could initially be claimed.

5. A partnership, subchapter S corporation, or limited liability company that for tax purposes is treated like a partnership that is entitled to the credit under this section must be considered to be the taxpayer for purposes of this section and the amount of the credit allowed must be determined at the pass-through entity level. A taxpayer is entitled to a credit against state income tax liability under section 57-38-29, 57-38-30, or 57-38-30.3 for an investment made in an angel fund that is incorporated in this state. The angel fund must be in compliance with the securities laws of this state for the investment to qualify for the tax credit under this section. The amount of the credit to which a taxpayer is entitled is forty-five percent of the amount invested by the taxpayer in an angel fund during the taxable year. The aggregate annual credit for which a taxpayer may obtain a tax credit is not more than forty-five thousand dollars. To be eligible for the credit, the investment must be at risk in the angel fund for at least three years. Investments placed in escrow do not qualify for the credit. The credit must be claimed in the taxable year in which the investment in the angel fund was received by the angel fund. The credit allowed may not exceed the liability for tax under this chapter. If the amount of credit determined under this section exceeds the liability for tax under this chapter, the excess may be carried forward to each of the four succeeding taxable years. A taxpayer claiming a credit under this section may not claim any credit available to the taxpayer as a result of an investment made by the angel fund in a qualified business under chapter 57-38.5 or 57-38.6.

levied against the individual's homestead in this state. For purposes of this section, "property taxes" does not include any special assessments.

SECTION 23. AMENDMENT. Subsection 1 of section 57-38-01.30 of the North Dakota Century Code is amended and reenacted as follows:

For purposes of this section, "property taxes" does not include any special assessments.

b. The amount of the credit under this section may not exceed the taxpayer's tax liability under this chapter.

c. The amount of the credit under this section may not exceed one thousand dollars for married persons filing a joint return or five hundred dollars for a single individual or married individual filing separate returns.

SECTION 24. AMENDMENT. Section 57-38-04 of the North Dakota Century Code is amended and reenacted as follows:

57-38-04. Allocation and apportionment of gross income of individuals. The gross income of individuals must be allocated and apportioned as follows:

1. a. Income from personal or professional services performed in this state by individuals must be assigned to this state regardless of the residence of the recipients of such income, except that income from such services performed within this state by an individual who resides and has the individual's place of abode in another state to which place of abode the individual customarily returns at least once a month must be excluded from the individual's income for the purposes of this chapter if such income is subject to an income tax imposed by the state in which the individual resides, provided that the state in which the individual resides allows a similar exclusion for income received from similar services performed in that state by residents of North Dakota.

b. Notwithstanding any other provision of this chapter, the compensation received from services performed within this state by an individual, who performs services for a common carrier engaged in interstate transportation and who resides and has the individual's place of abode to which the individual customarily returns at least once a month in another state, must be excluded from income to the extent that the income is subject to an income tax imposed by the state of the individual's residence; provided, that the state allows a similar exclusion of the compensation received by residents of North Dakota for similar services performed therein, or a credit against the tax imposed on the income of residents of this state that is substantially similar in effect. For purposes of this subdivision, the term an individual who performs services for a common carrier engaged in interstate transportation is limited to an individual who performs the services for a common carrier only during the course of making regular runs into North Dakota or from within North Dakota to outside North Dakota, or both, on the transportation system of the common carrier.

2. Income received from personal or professional services performed by residents of this state, regardless of where such services are performed, and income received by residents of this state from intangible personal property must be assigned to this state.
b. A resident individual, estate, or trust is entitled to a credit against the tax imposed under this chapter equal to the amount of income tax paid for the taxable year to another state or territory of the United States or the District of Columbia on income derived from sources in those jurisdictions that is also taxable under this section. The tax commissioner may require written proof of the tax paid to another state. The required proof must be provided in a form and manner as determined by the tax commissioner. For an individual, estate, or trust that is a resident of this state for the entire taxable year, the credit allowed under this subdivision may not exceed an amount equal to the tax imposed under this chapter multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction divided by total federal adjusted gross income less the amounts under subdivisions a and s of subsection 1 of section 57-38-01.2. For an individual, estate, or trust that is a resident of this state for only part of the taxable year, the credit allowed under this subdivision may not exceed the lesser of the following:

(1) The tax imposed under this chapter multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction received while a resident of this state divided by federal adjusted gross income derived from North Dakota sources less the amounts under this subsection.

(2) The tax paid to the other jurisdiction multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction received while a resident of this state divided by federal adjusted gross income derived from sources in the other states.

3. Income and gains received from tangible property not employed in the business and from tangible property employed in the business of the taxpayer, if such business consists principally of the holding of such property and collection of income and gains therefrom, must be assigned to this state without regard to the residence of the recipient if such property has a situs within this state.

4. Income derived from business activity carried on by an individual as a sole proprietorship, or through a partnership, subchapter S corporation, or other passthrough entity, must be assigned to this state without regard to the residence of the individual if the business activity is conducted wholly within this state. Income derived from gaming activity carried on in this state by an individual must be assigned to this state without regard to the residence of the individual.

5. Whenever business activity is carried on partly within and partly without this state by a nonresident of this state as a sole proprietorship, or through a partnership, subchapter S corporation, or other passthrough entity, the entire income therefrom must be allocated to this state and to other states, according to the provisions of chapter 57-38.1, providing for allocation and apportionment of income of corporations doing business within and without this state.

6. a. Income and gains received by a resident of this state from tangible property not employed in the business and from tangible property employed in the business of the taxpayer, if the business consists principally of the holding of the property and the collection of income and gains from the business, must be assigned to this state without regard to the situs of the property.

b. Income derived from business activity carried on by residents of this state, whether the business activity is conducted as a sole proprietorship, or through a partnership, subchapter S corporation, or other passthrough entity, must be assigned to this state without regard to where the business activity is conducted, and the provisions of chapter 57-38.1 do not apply. If the taxpayer believes the operation of this subdivision with respect to the taxpayer's income is unjust, the taxpayer may petition the tax commissioner who may allow use of another method of reporting income, including separate accounting.
A resident individual, estate, or trust is entitled to a credit against the tax imposed under this chapter equal to the amount of income tax paid for the taxable year to another state or territory of the United States or the District of Columbia on income derived from sources in those jurisdictions that is also subject to tax under this section. The tax commissioner may require written proof of the tax paid to another state. The required proof must be provided in a form and manner as determined by the tax commissioner. For an individual, estate, or trust that is a resident of this state for the entire taxable year, the credit allowed under this subdivision may not exceed an amount equal to the tax imposed under this chapter multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction divided by total federal adjusted gross income less the amounts under subdivisions a and s of subsection 1 of section 57-38-01.2. For an individual, estate, or trust that is a resident of this state for only part of the taxable year, the credit allowed under this subdivision may not exceed the lesser of the following:

1. The tax imposed under this chapter multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction received while a resident of this state divided by federal adjusted gross income derived from North Dakota sources less the amounts under subdivisions a and b of subsection 2.

2. The tax paid to the other jurisdiction multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction received while a resident of this state divided by federal adjusted gross income derived from sources in the other states.

7. All other items of gross income must be assigned to the taxpayer's domicile.

8. The privileges granted nonresidents apply only when other states grant to the residents of North Dakota the same privilege.

This section applies to every income year beginning after December 31, 1956.

SECTION 25. AMENDMENT. Subsection 2 of section 57-38-08.1 of the North Dakota Century Code is amended and reenacted as follows:

2. Resident partners, limited to individuals, estates, and trusts, must report their entire distributive share to this state as provided in subdivision b of subsection 6 of section 57-38-04, and may claim a credit for taxes paid to another state on that portion of their distributive share attributable to and taxed by another state, as provided in subdivision e of subsection 6 of section 57-38-04 and 57-38-30.3.

SECTION 26. AMENDMENT. Section 57-38-30.3 of the North Dakota Century Code is amended and reenacted as follows:

1. A tax is hereby imposed for each taxable year upon income earned or received in that taxable year by every resident and nonresident individual, estate, and trust. A taxpayer computing the tax under this section is only eligible for those adjustments or credits that are specifically provided for in this section. Provided, that for purposes of this section, any person required to file a state income tax return under this chapter, but who has not computed a federal taxable income figure, shall compute a federal taxable income figure using a pro forma return in order to determine a federal taxable income figure to be used as a starting point in computing state income tax under this section. The tax for individuals is equal to North Dakota taxable income multiplied by the rates in the applicable rate schedule in subdivisions a through d corresponding to an individual's filing status used for federal income tax purposes. For an estate or trust, the schedule in subdivision e must be used for purposes of this subsection.

### f. For an individual who is not a resident of this state for the entire year, or for a nonresident estate or trust, the tax is equal to the tax otherwise computed under this subsection multiplied by a fraction in which:

1. The numerator is the federal adjusted gross income allocable and apportionable to this state; and
(2) The denominator is the federal adjusted gross income from all sources reduced by the net income from the amounts specified in subdivisions a and b of subsection 2.

In the case of married individuals filing a joint return, if one spouse is a resident of this state for the entire year and the other spouse is a nonresident for part or all of the tax year, the tax on the joint return must be computed under this subdivision.

g. For taxable years beginning after December 31, 2001, the tax commission shall prescribe new rate schedules that apply in lieu of the schedules set forth in subdivisions a through e. The new schedules must be determined by increasing the minimum and maximum dollar amounts for each income bracket for which a tax is imposed by the cost-of-living adjustment for the taxable year as determined by the secretary of the United States treasury for purposes of section 1(f) of the United States Internal Revenue Code of 1954, as amended. For this purpose, the rate applicable to each income bracket may not be changed, and the manner of applying the cost-of-living adjustment must be the same as that used for adjusting the income brackets for federal income tax purposes.

h. The tax commissioner shall prescribe an optional simplified method of computing tax under this section that may be used by an individual taxpayer who is not entitled to claim an adjustment under subsection 2 or credit against income tax liability under subsection 7.

2. For purposes of this section, "North Dakota taxable income" means the federal taxable income of an individual, estate, or trust as computed under the Internal Revenue Code of 1986, as amended, adjusted as follows:

a. Reduced by interest income from obligations of the United States and income exempt from state income tax under federal statute or United States or North Dakota constitutional provisions.

b. Reduced by the portion of a distribution from a qualified investment fund described in section 57-38-01 which is attributable to investments by the qualified investment fund in obligations of the United States, obligations of North Dakota or its political subdivisions, and any other obligation the interest from which is exempt from state income tax under federal statute or United States or North Dakota constitutional provisions.

c. Reduced by the amount equal to the earnings that are passed through to a taxpayer in connection with an allocation and apportionment to North Dakota under chapter 57-35.3.

d. Reduced by thirty percent of the excess of the taxpayer's net long-term capital gain for the taxable year over the net short-term capital loss for that year, as computed for purposes of the Internal Revenue Code of 1986, as amended. The adjustment provided by this subdivision is allowed only to the extent the net long-term capital gain is allocated to this state.

e. Increased by the amount of a lump sum distribution for which income averaging was elected under section 402 of the Internal Revenue Code of 1986 [26 U.S.C. 402], as amended. This adjustment does not apply if the taxpayer received the lump sum distribution while a nonresident of this state and the distribution is exempt from taxation by this state under federal law.

f. Increased by an amount equal to the losses that are passed through to a taxpayer in connection with an allocation and apportionment to North Dakota under chapter 57-35.3.

g. Reduced by the amount received by the taxpayer as payment for services performed when mobilized under title 10 United States Code federal service as a member of the national guard or reserve member of the armed forces of the United States. This subdivision does not
apply to federal service while attending annual training, basic military training, or professional military education.

h. Reduced by income from a new and expanding business exempt from state income tax under section 40-57.1-04.

i. Reduced by interest and income from bonds issued under chapter 11-37.

j. Reduced by up to ten thousand dollars of qualified expenses that are related to a donation by a taxpayer or a taxpayer's dependent, while living, of one or more human organs to another human being for human organ transplantation. A taxpayer may claim the reduction in this subdivision only once for each instance of organ donation during the taxable year in which the human organ donation and the human organ transplantation occurs but if qualified expenses are incurred in more than one taxable year, the reduction for those expenses must be claimed in the year in which the expenses are incurred. For purposes of this subdivision:

(1) "Human organ transplantation" means the medical procedure by which transfer of a human organ is made from the body of one person to the body of another person.

(2) "Organ" means all or part of an individual's liver, pancreas, kidney, intestine, lung, or bone marrow.

(3) "Qualified expenses" means lost wages not compensated by sick pay and unreimbursed medical expenses as defined for federal income tax purposes, to the extent not deducted in computing federal taxable income, whether or not the taxpayer itemizes federal income tax deductions.

k. Increased by the amount of the contribution upon which the credit under section 57-38-01.21 is computed, but only to the extent that the contribution reduced federal taxable income.

l. Reduced by the amount of any payment received by a veteran or beneficiary of a veteran under section 37-28-03 or 37-28-04.

m. Reduced by the amount received by a taxpayer that was paid by an employer under paragraph 4 of subdivision a of subsection 2 of section 57-38-01.25 to hire the taxpayer for a hard-to-fill position under section 57-38-01.25, but only to the extent the amount received by the taxpayer is included in federal taxable income. The reduction applies only if the employer is entitled to the credit under section 57-38-01.25. The taxpayer must attach a statement from the employer in which the employer certifies that the employer is entitled to the credit under section 57-38-01.25 and which specifically identified the type of payment and the amount of the exemption under this section.

n. Reduced by the amount up to a maximum of five thousand dollars, or ten thousand dollars if a joint return is filed, for contributions made under a higher education savings plan administered by the Bank of North Dakota, pursuant to section 6-09-38.

o. Reduced by the amount of income of a taxpayer, who resides within the boundaries of any reservation in this state and who is an enrolled member of a federally recognized Indian tribe, from activities or sources within the boundaries of any reservation in this state.

3. Married individuals filing a joint federal income tax return shall file a joint state income tax return if the return is filed under this section. If separate federal income tax returns are filed, one spouse's state income tax return may be filed under this section and the other spouse's income tax return may be filed under the other provisions of this chapter.

4. a. A resident individual, estate, or trust is entitled to a credit against the tax imposed under this section for the amount of income tax paid by
the taxpayer for the taxable year by another state or territory of the United States or the District of Columbia on income derived from sources in those jurisdictions that is also subject to tax under this section.

b. For an individual, estate, or trust that is a resident of this state for the entire taxable year, the credit allowed under this subsection may not exceed an amount equal to the tax imposed under this section multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction divided by federal adjusted gross income less the amounts under subdivisions a and b of subsection 2.

c. For an individual, estate, or trust that is a resident of this state for only part of the taxable year, the credit allowed under this subsection may not exceed the lesser of the following:

(1) The tax imposed under this chapter multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction received while a resident of this state divided by federal adjusted gross income derived from North Dakota sources less the amounts under subdivisions a and b of subsection 2.

(2) The tax paid to the other jurisdiction multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction received while a resident of this state divided by federal adjusted gross income derived from sources in the other states.

d. The tax commissioner may require written proof of the tax paid to another state. The required proof must be provided in a form and manner as determined by the tax commissioner.

5. If an election to compute tax under this subsection is made, the tax imposed by subsection 1 for the taxable year must be equal to the sum of the following:

   (1) The tax computed under subsection 1 on North Dakota taxable income reduced by elected farm income.

   (2) The increase in tax imposed by subsection 1 which would result if North Dakota taxable income for each of the three prior taxable years were increased by an amount equal to one-third of the elected farm income. If prescribed by the tax commissioner, the tables must be followed by every individual, estate, or trust determining a tax under this section.

SECTION 27. AMENDMENT. Section 57-38-30.5 of the North Dakota Century Code is amended and reenacted as follows:

e. For the eleventh taxable year beginning after December 31, 2006, and for each subsequent taxable year in which the taxpayer conducts qualified research in this state, the credit is equal to twenty-five percent of the first one hundred thousand dollars of the qualified research expenses for the taxable year in excess of the base period research expenses and equal to eight percent of all qualified research expenses for the taxable year more than one hundred thousand dollars in excess of the base period research expenses.

f. The maximum annual credit a taxpayer may obtain under this section is two million dollars. Any credit amount earned in the taxable year in excess of two million dollars may not be carried back or forward as provided in subsection 7.

2. For taxpayers that have not earned or claimed a credit under this section in taxable years beginning before January 1, 2007, and which begin conducting qualified research in North Dakota in any of the first four taxable years beginning after December 31, 2006, the amount of the credit is equal to twenty-five percent of the first one hundred thousand dollars of the qualified research expenses for the taxable year in excess of the base period research expenses and equal to twenty percent of all qualified research expenses for the taxable year more than one hundred thousand dollars in excess of the base period research expenses.

a. This rate applies through the tenth taxable year beginning after December 31, 2006.

b. For the eleventh taxable year beginning after December 31, 2006, and for each subsequent taxable year in which the taxpayer conducts qualified research in this state, the credit is equal to twenty-five percent of the first one hundred thousand dollars of the qualified research expenses for the taxable year in excess of the base period research expenses and equal to eight percent of all qualified research expenses for the taxable year more than one hundred thousand dollars in excess of the base period research expenses.

3. For taxpayers that have not earned or claimed a credit under this section in taxable years beginning before January 1, 2007, and which begin conducting qualified research in North Dakota in any taxable year following the fourth taxable year beginning after December 31, 2006, the amount of the credit is equal to twenty-five percent of the first one hundred thousand dollars of the qualified research expenses for the taxable year in excess of
the base period research expenses and equal to eight percent of all qualified research expenses for the taxable year more than one hundred thousand dollars in excess of the base period research expenses.

4. For purposes of this section:
   a. "Base period research expenses" means base period research expenses as defined in section 41(c) of the Internal Revenue Code [26 U.S.C. 41(c)], except it does not include research conducted outside the state of North Dakota.
   b. "Director" means the director of the department of commerce division of economic development and finance.
   c. "Primary sector business" means a qualified business that through the employment of knowledge or labor adds value to a product, process, or service.
   d. "Qualified research" means qualified research as defined in section 41(d) of the Internal Revenue Code [26 U.S.C. 41(d)], except it does not include research conducted outside the state of North Dakota.
   e. "Qualified research and development company" means a taxpayer that is a primary sector business with annual gross revenues of less than seven hundred fifty thousand dollars and which has not conducted new research and development in North Dakota.
   f. "Qualified research expenses" means qualified research expenses as defined in section 41(b) of the Internal Revenue Code [26 U.S.C. 41(b)], except it does not include expenses incurred for basic research conducted outside the state of North Dakota.

5. The credit allowed under this section for the taxable year may not exceed the liability for tax under this chapter.

6. In the case of a taxpayer that is a partner in a partnership or a member in a limited liability company, the credit allowed for the taxable year may not exceed an amount separately computed with respect to the taxpayer's interest in the trade, business, or entity equal to the amount of tax attributable to that portion of the taxpayer's taxable income which is allocable or apportionable to the taxpayer's interest in the trade, business, or entity.

7. Except as provided in subsection 1, if the amount of the credit determined under this section for any taxable year exceeds the limitation under subsection 5, the excess may be used as a research credit carryback to each of the three preceding taxable years and a research credit carryover to each of the fifteen succeeding taxable years. The entire amount of the excess unused credit for the taxable year must be carried first to the earliest of the taxable years to which the credit may be carried and then to each successive year to which the credit may be carried and the amount of the unused credit which may be added under this subsection may not exceed the taxpayer's liability for tax less the research credit for the taxable year.

8. A taxpayer that is certified as a qualified research and development company by the director may elect to sell, transfer, or assign all or part of the unused tax credit earned under this section. The director shall certify whether a taxpayer that has requested to become a qualified research and development company meets the requirements of subsection 4. The director shall establish the necessary forms and procedures for certifying qualifying research and development companies. The director shall issue a certification letter to the taxpayer and the tax commissioner. A tax credit can be sold, transferred, or assigned subject to the following:
   a. A taxpayer's total credit assignment under this section may not exceed one hundred thousand dollars over any combination of taxable years.
b. If the taxpayer elects to assign or transfer an excess credit under this subsection, the tax credit transferor and the tax credit purchaser jointly shall file with the tax commissioner a copy of the purchase agreement and a statement containing the names, addresses, and taxpayer identification numbers of the parties to the transfer, the amount of the credit being transferred, the gross proceeds received by the transferor, and the taxable year or years for which the credit may be claimed. The taxpayer and the purchaser also shall file a document allowing the tax commissioner to disclose tax information to either party for the purpose of verifying the correctness of the transferred tax credit. The purchase agreement, supporting statement, and waiver must be filed within thirty days after the date the purchase agreement is fully executed.

c. The purchaser of the tax credit shall claim the credit beginning with the taxable year in which the credit purchase agreement was fully executed by the parties. A purchaser of a tax credit under this section has only such rights to claim and use the credit under the terms that would have applied to the tax credit transferor, except the credit purchaser may not carry back the credit as otherwise provided in this section. This subsection does not limit the ability of the tax credit purchaser to reduce the tax liability of the purchaser, regardless of the actual tax liability of the tax credit transferor.

d. The original purchaser of the tax credit may not sell, assign, or otherwise transfer the credit purchased under this section.

e. If the amount of the credit available under this section is changed as a result of an amended return filed by the transferor, or as the result of an audit conducted by the internal revenue service or the tax commissioner, the transferor shall report to the purchaser the adjusted credit amount within thirty days of the amended return or within thirty days of the final determination made by the internal revenue service or the tax commissioner. The tax credit purchaser shall file amended returns reporting the additional tax due or claiming a refund as provided in section 57-38-38 or 57-38-40, and the tax commissioner may audit these returns and assess or issue refunds, even though other time periods prescribed in these sections may have expired for the purchaser.

f. Gross proceeds received by the tax credit transferor must be assigned to North Dakota. The amount assigned under this subsection cannot be reduced by the taxpayer's income apportioned to North Dakota or any North Dakota net operating loss of the taxpayer.

g. The tax commissioner has four years after the date of the credit assignment to audit the returns of the credit transferor and the purchaser to verify the correctness of the amount of the transferred credit and if necessary assess the credit purchaser if additional tax is found due. This subdivision does not limit or restrict any other time period prescribed in this chapter for the assessment of tax.

h. The tax commissioner may adopt rules to permit verification of the validity and timeliness of the transferred tax credit.

9. If a taxpayer acquires or disposes of the major portion of a trade or business or the major portion of a separate unit of a trade or business in a transaction with another taxpayer, the taxpayer's qualified research expenses and base period must be adjusted in the manner provided by section 41(f)(3) of the Internal Revenue Code [26 U.S.C. 41(f)(3)].

10. If a taxpayer entitled to the credit provided by this section is a member of a group of corporations filing a North Dakota consolidated tax return using the combined reporting method, the credit may be claimed against the aggregate North Dakota tax liability of all the corporations included in the North Dakota consolidated return. This section does not apply to tax credits received or purchased under subsection 8.
11. An individual, estate, or trust that purchases a credit under this section is entitled to claim the credit against state income tax liability under section 57-38-29 or 57-38-30.3.

12. A partnership, subchapter S corporation, limited partnership, limited liability company, or any other pass-through entity entitled to the credit under this section must be considered to be the taxpayer for purposes of calculating the credit. The amount of the allowable credit must be determined at the pass-through entity level. The total credit determined at the entity level must be passed through to the partners, shareholders, or members in proportion to their respective interests in the pass-through entity. An individual taxpayer may take the credit passed through under this subsection against the individual’s state income tax liability under sections 57-38-29 and 57-38-30 section 57-38-30.3.

SECTION 28. AMENDMENT. Subdivision b of subsection 1 of section 57-38-40 of the North Dakota Century Code is amended and reenacted as follows:

b. An individual who filed a return of income as a resident of this state and is assessed tax by another state or territory of the United States or the District of Columbia on that income after the time for filing a claim has expired under this section is entitled to a credit or refund for the amount of tax paid to the other jurisdiction, not including penalty or interest, as provided under subsection 2 or 5 of section 57-38-04 1 or subsection 4 of section 57-38-30.3, notwithstanding the time limitations of this section. The claim for the credit or refund under this subdivision must be submitted to the commissioner within one year from the date the taxes were paid to the other jurisdiction. The taxpayer must submit sufficient proof to show entitlement to a credit or refund under this subdivision.

4. A pass-through entity that invests in a qualified business must be considered to be the taxpayer for purposes of the investment limitations in this section and the amount of the credit allowed with respect to a pass-through entity’s investment in a qualified business must be determined at the pass-through entity level. The amount of the total credit determined at the pass-through entity level must be allowed to the members in proportion to their respective interests in the pass-through entity.

For purposes of this subsection, "immediate family" means the taxpayer's spouse, parent, sibling, or child or the spouse of any such person.

9. The tax commissioner may disallow any credit otherwise allowed under this section if any representation by a business in the application for certification as a qualified business proves to be false or if the taxpayer or qualified business fails to satisfy any conditions under this section or any conditions consistent with this section otherwise determined by the tax commissioner. The commissioner has four years after the due date of the return or after the return was filed, whichever period expires later, to audit the credit and assess additional tax that may be found due to failure to comply with the provisions of this chapter. The amount of any credit disallowed by the tax commissioner that reduced the taxpayer's income tax liability for any or all applicable tax years, plus penalty and interest as provided under section 57-38-45, must be paid by the taxpayer.

10. An angel fund that invests in a qualified business must be considered to be the taxpayer for purposes of the investment limitations in this section. The amount of the credit allowed with respect to an angel fund's investment in a qualified business must be determined at the angel fund level. The amount of the total credit determined at the angel fund level must be allowed to the investors in the angel fund in proportion to the investor's respective interests in the fund. An angel fund that is subject to the tax imposed under chapter 57-38 is not eligible for the investment tax credit under this chapter.

SECTION 30. AMENDMENT. Section 57-38.6-03 of the North Dakota Century Code is amended and reenacted as follows:

The amount of the total credit determined at the passthrough entity level must be allowed to
the passthrough entity's owners, in proportion to their respective ownership interests in the passthrough entity.

5. An investment made in a qualified business from the assets of a retirement plan is deemed to be the retirement plan participant's investment for the purposes of this chapter if a separate account is maintained for the plan participant and the participant directly controls where the account assets are invested.

A qualified investment must be in the form of a purchase of ownership interests or the right to receive payment of dividends from the business. An investment for which a credit is received under this section must remain in the business for at least three years. An investment placed in escrow does not qualify for the credit.

7.
