3. "Executive committee" means the three-member committee selected by the advisory committee and charged with implementation and administration of the comprehensive plan.

4. "Tobacco prevention and control fund" consists of all principal and interest of the tobacco prevention and control trust fund established by section 54-27-25.

SECTION 12. AMENDMENT. Section 23-42-02 of the North Dakota Century Code is amended and reenacted as follows:

3. No individual may serve more than two consecutive three-year terms. However, terms of less than three years are not considered in determining an individual's eligibility for reappointment.

5. The advisory board shall:
   a. Select the executive committee;
   b. Fix the compensation of the advisory committee and the executive committee. However, compensation may not exceed compensation allowed to the legislature legislative assembly. Advisory and executive committee members are entitled to reimbursement for

d. Evaluate the effectiveness of the plan and its implementation and, before April first of each year, propose any necessary changes to the plan to the executive committee.

6. The governor may remove any member of the advisory committee for malfeasance in office, but the advisory committee is not subject to section 54-07-01.2.

7. No nomination to, or member of, the advisory committee shall have any past or current affiliation with the tobacco industry or any industry, contractor, agent, or organization that engages in the manufacturing, marketing, distributing, sale, or promotion of tobacco or tobacco-related products.

The executive committee shall prepare and submit a biennial budget to the office of management and budget and the legislative assembly.

The comprehensive plan must be funded at a level equal to or greater than the centers for disease control and prevention recommended funding level. Funding for the comprehensive plan must supplement and may not supplant any funding that in the absence of this chapter would be or has been provided for the community health trust fund or other health initiatives.

SECTION 15. AMENDMENT. Section 23-42-07 of the North Dakota Century Code is amended and reenacted as follows:

23-42-07. Audit. At least once a biennium, the executive committee shall provide for an independent review of the comprehensive plan to assure that the comprehensive plan is consistent with the centers for disease control and prevention best practices. The executive committee shall report the results of that review to the governor and to the state health officer on or before September first in each odd-numbered year.

SECTION 16. AMENDMENT. Section 54-27-25 of the North Dakota Century Code is amended and reenacted as follows:

1. There is created in the state treasury a tobacco settlement trust fund. The fund consists of the tobacco settlement dollars obtained by the state under subsection IX(c)(1) of the master settlement agreement and consent agreement adopted by the east central judicial district court in its judgment entered December 28, 1998 [Civil No. 98-3778] in State of North Dakota, ex rel. Heidi Heitkamp v. Philip Morris, Inc. Interest earned on the fund must be credited to the fund and deposited in the fund. Moneys received into the fund are to be administered by the executive committee for the purpose of creating and implementing the comprehensive plan provided for under chapter 23-42. If in any biennium, the tobacco prevention and control trust fund does not have adequate dollars to fund a comprehensive plan, the treasurer shall transfer money from the water development trust fund to the tobacco prevention and control trust fund in an amount equal to the amount determined necessary by the executive committee legislative assembly to fund a comprehensive plan.

3. Transfers to the funds under this section must be made within thirty days of receipt by the state.

SECTION 17. REPEAL. Chapter 23-38 of the North Dakota Century Code is repealed.

REMARKS OF MAJORITY LEADER STENEHJEM

Mr. President and Fellow Senators: I humbly stand before you and offer my appreciation for your hard work and dedication. We will leave here today after passing the largest tax reduction in state history... putting $400 million back into the pockets of hardworking North Dakotans all across this state. We have funded our priorities, made wise use of our surplus with important one-time investments, and we have saved enough in reserve to ensure that we can sustain this for years to come. You should all be proud of what has been accomplished. Thank you for your hard work.

Your work would not be possible without the tireless efforts of the remarkable staff that we have had the honor to work beside. On behalf of all my colleagues, I offer a special thank you to the Legislative Council, the Legal Staff, the Fiscal Staff, the Support Staff, the front desk, the office staff pages, committee clerks, sergeants-at-arms, and all other employees that make up our Senate family. Working for the legislature is often times a difficult task. Although the legislative session is a few short months, it also entails many long hours. You were the wheels that kept this legislative body in motion. We appreciate you. Rest assured that your efforts have made a difference and have bettered the lives of all North Dakotans.

To my caucus members, thank you. Once again you entrusted me as your leader. It was an honor and a privilege to serve and work with such a dignified group of Senators. I appreciate the work of Senator Jerry Klein as the Caucus Leader and Senator Randy Christmann as Assistant Majority Leader. These two positions are key to keeping the trains running around here. Your work and your friendship are deeply appreciated.

Thank you to our presiding officers. The Senate respects the dedication of Lieutenant Governor Jack Dalrymple as President, Senator Tom Fischer and Senator Jerry Klein as President Pro Tempore. Through their dedication the Senate was constantly moving forward.

Several months ago I stood before this body and announced that individually we could do nothing, but by working together we could accomplish great things. It is with great pride that I can report that we were successful in accomplishing great things. This chamber may be divided by political parties, but it will always be united behind that task of providing a better livelihood for the citizens of North Dakota. It was because of this common goal that we were able to work together across the aisle and achieve positive results. This is due in large part to my friend and fellow Leader, Senator David O'Connell. Working with Senator O'Connell has always been a sincere pleasure. I admire Senator O'Connell on many levels and appreciate his dedication to reaching beyond party lines for the good of this great state. This is the fourth session that I have had the honor to work with Senator O'Connell. He is a man of great integrity that I will always hold in high esteem.
The Sixty-first Legislation Session was unique in many ways. The citizens across North Dakota were beset with hardship caused by flooding over the past few months. Though the waters were rising, snow was falling, and the winds were blowing, the spirit of North Dakota was shining brightly. The nation stood in reverence as it witnessed what is truly great about North Dakota. Our citizens dropped what they were doing and selflessly went to the aid of those in danger. We stood together after the floods of 1997 and we stood together again this year. We passed legislation that provided the necessary funding to ensure an expedient recovery to all areas affected by the flood.

Over the biennium, North Dakota became the economic envy of the nation. We arrived at our current economic situation by making wise decisions. While we haven't been immune to the national recession, we are in a position that no other state is. In 2007, we passed a 4 and 4 percent pay increase to our valued state employees. This session we were able to provide a 5 and 5 percent increase. I am proud of the work of our state employees and I applaud their desire to hold state positions and better the lives of all North Dakotans.

A large concern of mine this session was the unprecedented amount of spending. This was largely due to the federal stimulus package and the surplus the state enjoyed over the biennium. It is my hope that as we move forward, we will continue to fight for limited spending and limited government. We must not forget that we arrived at these prosperous times through fiscal conservative principles.

In closing, I would like to thank the citizens of North Dakota. You have bestowed upon this body of Senators a great honor, that of representing you. Your participation is crucial to ensuring a better and brighter tomorrow. All of your letters were read, carefully considered and acted upon. I hope you are proud of the many accomplishments we have achieved on your behalf.

Thank you once again to all of you. During this legislative session, we all experienced defeats and triumphs. I encourage all of you to safely return to your respective districts and inform your constituents of the great works accomplished during this session. We have a lot to be proud of. Thank you.

REMARKS OF MINORITY LEADER O'CONNELL

Thank you, Mr. President.

I would like to thank my colleagues on both sides of the aisle for working through a sometimes tough but ultimately very productive legislative session.

I would like to thank my caucus for their hard work and advocacy this session, and I would like to thank the front desk staff and my office staff--Kathy, Matt, Jon, Kevin, and Wanda--for all their good work.

To Senator Stenehjem, I want to thank you for a good working relationship with the minority this session. We appreciate the open line of communication and that our caucuses can work together for the betterment of our state.

I hope everybody has a safe trip home and a happy and prosperous 2009.
