26 board if the board member has a conflict of interest. A conflict of interest means an
27 association, including an economic interest or personal association, that has the
28 potential to bias or have the appearance of biasing a board member's decisions in
29 matters related to the exchange or the conduct of activities under this Act. Each board
30 member shall file with the secretary of state a statement of interest in a manner as

19 described in this Act. For purposes of this subsection, an eligible entity may not be a
20 health carrier and must be a person that is incorporated under, and subject to the laws
21 of one or more states which has demonstrated experience on a state or regional basis
22 in the individual or small group health insurance markets, or in benefits administration
23 or which has demonstrated experience in particular functions necessary in the specific
24 operation of the exchange that is being contracted for.
- 25 4. The exchange may enter information sharing agreements with federal and state

9 filings by health carriers offering qualified health plans:
- 10 a. For premium rates approved as filed, the following certification by the health
11 carrier's qualified actuary: "In my opinion, the premium rates to which this
12 certification applies have been calculated according to generally accepted
13 actuarial practices and are neither excessive, inadequate, nor unfairly
14 discriminatory":
- 15 b. For premium rates modified through the rate approval process:
- 16 (1) The certification provided in subdivision a; and
- 17 (2) A statement by the commissioner's actuary identifying calculations or
18 assumptions or both underlying the carrier's filed rates that were
19 unreasonable to the actuary and which necessitated modification of the
20 premium rates;
- 21 c. For premium rates disapproved, a statement by the commissioner's actuary
22 identifying calculations or assumptions or both underlying the carrier's filed rates
23 that were unreasonable to the actuary and which necessitated disapproval.

25 dental benefits meeting the requirements of section 9832(c)(2)(A) of the Internal
26 Revenue Code of 1986 through the exchange, either separately or in conjunction with
27 a qualified health plan, if the plan provides pediatric dental benefits meeting the
28 requirements of section 1302(b)(1)(J) of the federal act.
- 29 5. Neither the exchange nor a carrier offering health benefit plans through the exchange
30 may charge an individual a fee or penalty for termination of coverage if the individual
31 enrolls in another type of minimum essential coverage because the individual has

2 sponsored coverage has become affordable under the standards of section 36B(c)(2)
3 (C) of the Internal Revenue Code of 1986.
- 4 6. In accordance with section 1312(b) of the federal act, the exchange may not prohibit a

- 8 7. The exchange may make a qualified health plan available notwithstanding any
9 provision of state law that may require benefits other than the essential health benefits
10 specified under section 1302(b) of the federal act. This section does not preclude a
11 qualified health plan from voluntarily offering benefits in addition to essential health
12 benefits specified under section 1302(b), including wellness programs.
- 13 8. As required by section 1311(d)(3)(B)(ii) of the federal act, to the extent that state law

15 the essential health benefits specified under section 1302(b), the state shall make
16 direct payments to an individual enrolled in a qualified health benefit plan or on behalf
17 of an individual in order to defray the cost of any additional benefits directly to the
18 qualified health benefit plan in which such individual is enrolled. To the extent that
19 such funding to defray the cost for such additional benefits is not provided by the state,
20 the qualified health plan is not required to provide such additional benefits.
- 21 9. Any standard or requirement adopted by the state pursuant to title I of the federal act,
22 or any amendment to state legislation made by title I of the federal act, must be
23 applied uniformly to all health benefit plans in each insurance market to which the
24 standard and requirements apply.
- 25 10. The exchange shall foster a competitive marketplace for insurance and may not solicit
26 bids or engage in the active purchasing of insurance.
- 27 11. The exchange may not preclude the sale of health benefit plans through mechanisms
28 outside the exchange, nor may the exchange preclude a qualified individual from
29 enrolling in, or a qualified employer from selecting for the qualified employer's
30 employees, a health benefit plan offered outside of the exchange.

1 12. The exchange may not prohibit a qualified individual from enrolling in any qualified
2 health plan, except that in the case of a catastrophic plan described in section 1302(e)
3 of the federal act, a qualified individual may enroll in the catastrophic plan only if the
4 individual is eligible to enroll under section 1302(e)(2) of the federal act.

5 13. For employers that choose to offer defined contribution plans to qualified individuals,
6 the exchange shall provide the option of choosing either an employee choice or an
7 employer choice method of enrollment into the exchange. For employers that choose
8 to offer defined benefit plans, the exchange shall allow the employer to designate the

15 licensed as an insurance producer under chapter 26.1-26.
- 16 4. In accordance with section 1312(c) of the federal act:
- 17 a. Except for grandfathered health plans, a health carrier shall consider all enrollees
18 in all health plans members of a single risk pool offered by such carrier in the
19 individual market, including those enrollees who do not enroll in such plans
20 through the individual exchange.
- 21 b. Other than grandfathered health plans, a health carrier shall consider all
22 enrollees in all health plans offered by such carrier in the small group market,
23 including those enrollees who do not enroll in such plans through the exchange,
24 to be members of a single risk pool.

25 **SECTION 9.**

26 **Health benefit plan certification.**

- 27 1. The exchange shall certify a health benefit plan as a qualified health plan if:
- 28 a. The health benefit plan provides the essential health benefits package described
29 in section 1302(a) of the federal act, except that the plan is not required to
30 provide essential benefits that duplicate the minimum benefits of qualified dental
31 plans, as provided in subsection 5, if:

- 1 (1) The exchange has determined that at least one qualified dental plan is
2 available to supplement the plan's coverage; and
- 3 (2) In a form approved by the exchange, the carrier makes prominent
4 disclosure at the time the carrier offers the plan that the plan does not
5 provide the full range of essential pediatric benefits and that qualified dental
6 plans providing those benefits and other dental benefits not covered by the
7 plan are offered through the exchange;
- 8 b. The premium rates and contract language have been approved by the
9 commissioner;
- 10 c. The health benefit plan provides at least a bronze level of coverage, as
11 determined pursuant to subsection 5 of section 7 of this Act, unless the plan is
12 certified as a qualified catastrophic plan, meets the requirements of section
13 1302(e) of the federal act for catastrophic plans, and will only be offered to
14 individuals eligible for catastrophic coverage;
- 15 d. The health benefit plan's cost-sharing requirements do not exceed the limits
16 established under section 1302(c)(1) of the federal act, and if the plan is offered
17 to a qualified employer, the plan's deductible does not exceed the limits
18 established under section 1302(c)(2) of the federal act;
- 19 e. The health carrier offering the health benefit plan:
- 20 (1) Is licensed and in good standing to offer health insurance coverage in North
21 Dakota;
- 22 (2) Offers through the exchange at least one qualified health plan in the silver
23 level and at least one plan in the gold level;
- 24 (3) Charges the same premium rate for each health benefit plan without regard
25 to whether the plan is offered through the exchange and without regard to
26 whether the plan is offered directly from the carrier or through an insurance
27 producer;
- 28 (4) Does not charge any cancellation fees or penalties in violation of
29 subsection 5 of section 6 of this Act; and

- 1 (5) Complies with the regulations developed by the secretary under section
2 1311(d) of the federal act and such other requirements as the exchange
3 may establish;
- 4 f. The health benefit plan meets the requirements of certification as promulgated by
5 the secretary under section 1311(c)(1) of the federal act, which include minimum
6 standards in the areas of marketing practices, network adequacy, essential
7 community providers in underserved areas, accreditation, quality improvement,
8 uniform enrollment forms and descriptions of coverage, and information on
9 quality measures for health benefit plan performance; and
- 10 g. The exchange determines that making the health benefit plan available through
11 the exchange is in the interest of qualified individuals and qualified employers in
12 this state.
- 13 2. The exchange may not exclude a health benefit plan:
- 14 a. On the basis that the plan is a fee-for-service plan;
- 15 b. Through the imposition of premium price controls by the exchange; or
- 16 c. On the basis that the health benefit plan provides treatments necessary to
17 prevent patients' deaths in circumstances the exchange determines are
18 inappropriate or too costly.
- 19 3. Notwithstanding subsection 2, a health carrier that does not offer a qualified health
20 plan in the exchange during the initial and subsequent annual open enrollment
21 periods, is prohibited from offering a qualified health plan in the exchange before the
22 following annual open enrollment period. The exchange may permit a health carrier
23 that did not offer a qualified health plan in the exchange during the initial and
24 subsequent annual open enrollment periods to begin offering a qualified health plan
25 before the following annual open enrollment period if the exchange determines that it
26 is in the interest of qualified individuals and qualified employers in this state.
- 27 4. Except as otherwise provided in subsections 2 and 3, a health carrier that ceases to
28 offer any qualified health plans in the exchange after January first of a plan year is
29 prohibited from offering a new qualified health plan in the exchange for a period of two
30 years from the date of the health carrier's exit from the exchange. This subsection
31 does not prohibit an affiliated health carrier from continuing to offer a qualified health

1 plan in the exchange. The exchange may permit a health carrier that ceases to offer
2 any qualified health plans in the exchange after January first of a plan year to begin
3 offering a new qualified health plan in the exchange if the exchange determines that
4 making the qualified health plan available through the exchange is in the interest of
5 qualified individuals and qualified employers in this state.

6 5. The exchange shall require each health carrier seeking certification of a health benefit
7 plan as a qualified health plan to:

8 a. Submit verification that any premium increase was approved by the
9 commissioner before implementation of that increase. The carrier shall post
10 prominently the information on the carrier's internet website. The exchange shall
11 take this information, along with the information and the recommendations
12 provided to the exchange by the commissioner under section 2794(b) of the
13 federal Public Health Service Act, into consideration when determining whether to
14 allow the carrier to make health benefit plans available through the exchange:

15 b. In plain language, as that term is defined in section 1311(e)(3)(B) of the federal
16 act, make available to the public and submit to the exchange, the secretary, and
17 the commissioner, accurate and timely disclosure of the following:

18 (1) Claims payment policies and practices;

19 (2) Periodic financial disclosures;

20 (3) Data on enrollment;

21 (4) Data on disenrollment;

22 (5) Data on the number of claims that are denied;

23 (6) Data on rating practices;

24 (7) Information on cost-sharing and payments with respect to any out-of-
25 network coverage;

26 (8) Information on enrollee and participant rights under title I of the federal act;
27 and

28 (9) Other information as determined appropriate by the secretary; and

29 c. Provide in a timely manner upon the request of the individual, the amount of cost-
30 sharing, including deductibles, copayments, and coinsurance under the
31 individual's health benefit plan or coverage that the individual would be

1 responsible for paying with respect to the furnishing of a specific item or service
2 by a participating provider. At a minimum, this information must be made
3 available to the individual through an internet website and through other means
4 for individuals without access to the internet.

5 6. The exchange may not exempt any health carrier seeking certification of a qualified
6 health plan, regardless of the type or size of the carrier, from state licensure or
7 solvency requirements and shall apply the criteria of this section in a manner that
8 ensures parity between or among health carriers participating in the exchange.

9 **SECTION 10.**

10 **Qualified dental plans.**

11 Except as otherwise provided under this section, to the extent relevant, the provisions of
12 this Act which are applicable to qualified health plans also apply to qualified dental plans. The
13 carrier must be licensed to offer dental coverage, but need not be licensed to offer other health
14 benefits; the plan must be limited to dental and oral health benefits, without substantially
15 duplicating the benefits typically offered by health benefit plans without dental coverage and at a
16 minimum must include the essential pediatric dental benefits prescribed by the secretary
17 pursuant to section 1302(b)(1)(J) of the federal act, and such other dental benefits as the
18 exchange or the secretary may specify by regulation; and carriers may jointly offer a
19 comprehensive plan through the exchange in which the dental benefits are provided by a carrier
20 through a qualified dental plan and the other benefits are provided by a carrier through a
21 qualified health plan, provided that the plans are priced separately and are also made available
22 for purchase separately at the same price.

23 **SECTION 11.**

24 **Funding - Publication of costs.**

- 25 1. As required by section 1311(d)(5)(a) of the federal act, the exchange must be self-
26 sustaining by January 1, 2015, or later as otherwise required by federal law. The
27 governor shall prepare a budget for the exchange and shall submit the budget to the
28 legislative assembly for approval.
- 29 2. The exchange may charge assessments or user fees or otherwise may generate
30 funding necessary to support exchange operations provided under this Act.

1 3. Services performed by the exchange on behalf of other state or federal programs may
2 not be funded with assessments or user fees collected from health carriers.

3 4. Any funding unspent by the exchange must be used for future state operation of the
4 exchange or returned to health carriers as a credit if the state charges fees to carriers.

5 5. The exchange shall publish the administrative and operational costs of the exchange,
6 on an internet website to educate consumers on such costs. The information
7 published must include the amount of premiums and federal premium subsidies
8 collected by the exchange; the amount and source of any other fees collected by the
9 exchange for purposes of supporting its operations; and any money lost to waste,
10 fraud, and abuse.

11 **SECTION 12.**

12 **Rules.**

13 The board shall adopt rules to implement this Act. Rules adopted under this Act may not
14 conflict with or prevent the application of regulations promulgated by the secretary under the
15 federal act or exceed the rules enforced by the commissioner.

16 **SECTION 13.**

17 **Application.**

18 This Act and actions taken by the exchange pursuant to this Act do not preempt or
19 supersede the authority of the commissioner to regulate the business of insurance within this
20 state. Except as expressly provided to the contrary in this Act, all health carriers offering
21 qualified health plans in this state shall comply with all applicable health insurance laws of this
22 state and rules adopted and orders issued by the commissioner.

23 **SECTION 14. CONTINGENT EXPIRATION DATE.** If section 1311 of the federal Patient
24 Protection and Affordable Care Act [Pub. L. 111-148], as amended by the federal Health Care
25 and Education Reconciliation Act of 2010 [Pub. L. 111-152], is repealed or invalidated by the
26 courts or otherwise rendered invalid by a final judicial decree or if the state is granted a federal
27 waiver before or after the establishment of the North Dakota health benefit exchange, this Act
28 expires August 1 following the next regular legislative session after the effective date of the
29 repeal, invalidation, or federal waiver unless the legislative assembly takes specific action to
30 extend the Act.

31 **SECTION 15. EMERGENCY.** This Act is declared to be an emergency measure.
