

**Sixty-second Legislative Assembly of North Dakota  
In Regular Session Commencing Tuesday, January 4, 2011**

HOUSE BILL NO. 1033  
(Legislative Management)  
(Higher Education Committee)

AN ACT to amend and reenact sections 54-44.1-04 and 54-44.1-06 of the North Dakota Century Code, relating to budget requests and block grant appropriations for the North Dakota university system; and to provide for a legislative management study.

**BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

**SECTION 1. AMENDMENT.** Section 54-44.1-04 of the North Dakota Century Code is amended and reenacted as follows:

**54-44.1-04. (Effective through July 31, 2011~~2013~~) Budget estimates of budget units filed with the office of the budget - Deadline.**

The head of each budget unit, not later than July fifteenth of each year next preceding the session of the legislative assembly, shall submit to the office of the budget, estimates of financial requirements of the person's budget unit for the next two fiscal years, on the forms and in the manner prescribed by the office of the budget, with such explanatory data as is required by the office of the budget and such additional data as the head of the budget unit wishes to submit. The budget estimates for the North Dakota university system must include block grants for the university system for a base funding component and for an initiative funding component for specific strategies or initiatives and a budget estimate for an asset funding component for renewal and replacement of physical plant assets at the institutions of higher education. The estimates so submitted must bear the approval of the board or commission of each budget unit for which a board or commission is constituted. The director of the budget in the director's discretion may extend the filing date for any budget unit if the director finds there is some circumstance that makes it advantageous to authorize the extension. If a budget unit has not submitted its estimate of financial requirements by the required date or within a period of extension set by the director of the budget, the director of the budget shall prepare the budget unit's estimate of financial requirements except the estimate may not exceed ninety percent of the budget unit's previous biennial appropriation. The director of the budget or a subordinate officer as the director designates shall examine the estimates and shall afford to the heads of budget units reasonable opportunity for explanation in regard thereto and, when requested, shall grant to the heads of budget units a hearing thereon which must be open to the public.

**(Effective after July 31, 2011~~2013~~) Budget estimates of budget units filed with the office of the budget - Deadline.** The head of each budget unit, not later than July fifteenth of each year next preceding the session of the legislative assembly, shall submit to the office of the budget, estimates of financial requirements of the person's budget unit for the next two fiscal years, on the forms and in the manner prescribed by the office of the budget, with such explanatory data as is required by the office of the budget and such additional data as the head of the budget unit wishes to submit. The estimates so submitted must bear the approval of the board or commission of each budget unit for which a board or commission is constituted. The director of the budget may extend the filing date for any budget unit if the director finds there is some circumstance that makes it advantageous to authorize the extension. If a budget unit has not submitted its estimate of financial requirements by the required date or within a period of extension set by the director of the budget, the director of the budget shall prepare the budget unit's estimate of financial requirements except the estimate may not exceed ninety percent of the budget unit's previous biennial appropriation. The director of the budget or a subordinate officer as the director shall designate shall examine the estimates and shall afford to the heads of budget units reasonable opportunity for explanation in regard thereto and, when requested, shall grant to the heads of budget units a hearing thereon which must be open to the public.

**SECTION 2. AMENDMENT.** Section 54-44.1-06 of the North Dakota Century Code is amended and reenacted as follows:

**54-44.1-06. (Effective through July 31, 2011~~2013~~) Preparation of the budget data - Contents.**

The director of the budget, through the office of the budget, shall prepare budget data which must contain and include the following:

1. Summary statements of the financial condition of the state, accompanied by the detailed schedules of assets and liabilities as the director of the budget determines desirable, which must include the following:
  - a. Summary statements of fund balances and assets showing in detail for each fund the surplus or deficit at the beginning of each of the two fiscal years of the previous biennium and the first fiscal year of the present biennium, the actual revenue for those years, the total appropriations for the previous and present biennium, and the total expenditures for those fiscal years; and
  - b. Similar summary statements of the estimated fund balances and assets for the current fiscal year and each of the fiscal years of the next biennium.

Summary statements may include a comparative consolidated balance sheet showing all the assets and liabilities of the state and the surplus or deficit, as the case may be, at the close of the first fiscal year of the current biennium.

2. Statements of actual revenue for the previous biennium, the first year of the present biennium, and the estimated revenue of the current fiscal year and of the next biennium, and a statement of unappropriated surplus expected to have accrued in the state treasury at the beginning of the next fiscal year. The statement of unappropriated surplus for the general fund must reflect any projected deficiency appropriations relating to expenditures from the general fund for the present biennium. The statements of revenue and estimated revenue must be classified by sources and by budget unit collecting them. Existing sources of revenue must be analyzed as to their equity, productivity, and need for revision, and any proposed new sources of revenue must be explained.
3. Summary statements of expenditures of the previous biennium and first year of the present biennium, itemized by budget units and classified as prescribed by the director of the budget.
4. Detailed comparative statements of expenditures and requests for appropriations by funds, budget units and classification of expenditures, showing the expenditures for the previous biennium, the first fiscal year of the present biennium, the budget of the current biennium, and the governor's recommendation for appropriations for each budget unit for the next biennium, all distributed according to the prescribed classification of expenditures. Following the lists of actual and proposed expenditures of each budget unit there must be a brief explanation of the functions of the unit and comments on its policies and plans and on any considerable differences among the amounts recommended, with any descriptive, quantitative, comparative, and other data as to work done, unit costs, and like information as may be considered necessary or desirable. For capital outlay expenditures involving construction projects to be completed in two or more fiscal years, there must be shown the total estimated cost of each such project and the amount thereof recommended to be appropriated and expended in each ensuing fiscal year until completion of the project. Capital outlay needs may be projected for at least two years beyond the period covered by the budget.
5. A detailed statement showing the estimate of all moneys required to be raised or appropriated for the payment of interest upon the funded debt of the state and its other obligations bearing interest, and the amount of money required to be contributed in the two next ensuing fiscal years to the general sinking funds maintained for the redemption and payment of the debts of the state.

6. A summary statement of the unappropriated fund balance estimated to be available at the beginning of the next biennium, and the estimated revenue of the next biennium, as compared with the total recommended amounts of appropriation for all classes of expenditures for the next biennium, and if the total of the recommended expenditures exceeds the total of the estimated resources, recommendations as to how the deficiency is to be met and estimates of any proposed additional revenue.
7. Drafts of proposed general and special appropriations acts embodying the budget data and recommendations of the governor for appropriations for the next biennium and drafts of such revenues and other acts recommended by the governor for putting into effect the proposed financial plan. The recommended general appropriation for each budget unit must be specified in a separate section of the general appropriations act. The draft of the proposed appropriations act for the North Dakota university system must include block grants for a base funding appropriation and for an initiative funding appropriation for specific strategies or initiatives and an appropriation for asset funding for renewal and replacement of physical plant assets at the institutions of higher education.
8. A list of every individual asset or service, excluding real estate, with a value of at least fifty thousand dollars and every group of assets and services comprising a single system with a combined value of at least fifty thousand dollars acquired through a capital or operating lease arrangement or debt financing arrangement by a state agency or institution. The list must include assets or services acquired in the current biennium and anticipated assets or services to be acquired in the next biennium.
9. Any other information as the director of the budget determines desirable or as is required by law.

**(Effective after July 31, 2014)** **Preparation of the budget data - Contents.** The director of the budget, through the office of the budget, shall prepare budget data which must contain and include the following:

1. Summary statements of the financial condition of the state, accompanied by the detailed schedules of assets and liabilities as the director of the budget determines desirable, which must include the following:
  - a. Summary statements of fund balances and assets showing in detail for each fund the surplus or deficit at the beginning of each of the two fiscal years of the previous biennium and the first fiscal year of the present biennium, the actual revenue for those years, the total appropriations for the previous and present biennium, and the total expenditures for those fiscal years; and
  - b. Similar summary statements of the estimated fund balances and assets for the current fiscal year and each of the fiscal years of the next biennium.

Summary statements may include a comparative consolidated balance sheet showing all the assets and liabilities of the state and the surplus or deficit, as the case may be, at the close of the first fiscal year of the current biennium.

2. Statements of actual revenue for the previous biennium, the first year of the present biennium, and the estimated revenue of the current fiscal year and of the next biennium, and a statement of unappropriated surplus expected to have accrued in the state treasury at the beginning of the next fiscal year. The statement of unappropriated surplus for the general fund must reflect any projected deficiency appropriations relating to expenditures from the general fund for the present biennium. The statements of revenue and estimated revenue must be classified by sources and by budget unit collecting them. Existing sources of revenue must be analyzed as to their equity, productivity, and need for revision, and any proposed new sources of revenue must be explained.

3. Summary statements of expenditures of the previous biennium and first year of the present biennium, itemized by budget units and classified as prescribed by the director of the budget.
4. Detailed comparative statements of expenditures and requests for appropriations by funds, budget units and classification of expenditures, showing the expenditures for the previous biennium, the first fiscal year of the present biennium, the budget of the current biennium, and the governor's recommendation for appropriations for each budget unit for the next biennium, all distributed according to the prescribed classification of expenditures. Following the lists of actual and proposed expenditures of each budget unit there must be a brief explanation of the functions of the unit and comments on its policies and plans and on any considerable differences among the amounts recommended, with any descriptive, quantitative, comparative, and other data as to work done, unit costs, and like information as may be considered necessary or desirable. For capital outlay expenditures involving construction projects to be completed in two or more fiscal years, there must be shown the total estimated cost of each such project and the amount thereof recommended to be appropriated and expended in each ensuing fiscal year until completion of the project. Capital outlay needs may be projected for at least two years beyond the period covered by the budget.
5. A detailed statement showing the estimate of all moneys required to be raised or appropriated for the payment of interest upon the funded debt of the state and its other obligations bearing interest, and the amount of money required to be contributed in the two next ensuing fiscal years to the general sinking funds maintained for the redemption and payment of the debts of the state.
6. A summary statement of the unappropriated fund balance estimated to be available at the beginning of the next biennium, and the estimated revenue of the next biennium, as compared with the total recommended amounts of appropriation for all classes of expenditures for the next biennium, and if the total of the recommended expenditures exceeds the total of the estimated resources, recommendations as to how the deficiency is to be met and estimates of any proposed additional revenue.
7. Drafts of a proposed general appropriations act and special appropriations acts embodying the budget data and recommendations of the governor for appropriations for the next biennium and drafts of such revenues and other acts recommended by the governor for putting into effect the proposed financial plan. The recommended general appropriation for each budget unit must be specified in a separate section of the general appropriations act.
8. A list of every individual asset or service, excluding real estate, with a value of at least fifty thousand dollars and every group of assets and services comprising a single system with a combined value of at least fifty thousand dollars acquired through a capital or operating lease arrangement or debt financing arrangement by a state agency or institution. The list must include assets or services acquired in the current biennium and anticipated assets or services to be acquired in the next biennium.
9. Any other information as the director of the budget determines desirable or as is required by law.

**SECTION 3. LEGISLATIVE MANAGEMENT STUDY - HIGHER EDUCATION.** During the 2011-12 interim, the legislative management chairman may appoint an interim higher education committee to study issues affecting higher education. The study may include a review of:

1. Higher education funding mechanisms, including:
  - a. Performance-based funding methods.
  - b. Funding based on student enrollment calculations.
  - c. Funding from grants.

- d. Funding based on program cost analysis.
2. Higher education budget methods, including:
- a. Block grant funding for operations based on institution type.
  - b. Block grant funding for specific initiatives based on institution type.
  - c. Funding for capital asset maintenance, including deferred maintenance.

The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-third legislative assembly.
