

**SECOND ENGROSSMENT
with Conference Committee Amendments
REENGROSSED SENATE BILL NO. 2298**

Introduced by

Senators Heckaman, Marcellais, Mathern

Representatives Delmore, Kilichowski, Metcalf

1 A BILL for an Act to create and enact a new section to chapter 50-11.1 of the North Dakota
2 Century Code, relating to the establishment of early childhood services inclusion support
3 services and a grant program for licensed early childhood services providers who care for
4 children with special needs; to provide a statement of legislative intent; to provide for a
5 legislative management study; to provide a continuing appropriation; and to provide an
6 appropriation.

7 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

8 **SECTION 1.** A new section to chapter 50-11.1 of the North Dakota Century Code is created
9 and enacted as follows:

10 **Early childhood services inclusion support services and grant program.**

- 11 1. The department may establish in collaboration with the department of commerce an
12 early childhood services inclusion grant program for licensed early childhood services
13 providers that provide care for children with disabilities or developmental delays. The
14 grant program must be designed to:
- 15 a. Increase the number of staff in the adult-to-child ratio to expand supervision and
16 the ability to care for children with disabilities or developmental delays; and
 - 17 b. Assist in modifying or adapting the early childhood services setting as needed to
18 address the health and safety needs of children with disabilities or developmental
19 delays.
- 20 2. The department may fund early childhood services specialists to make available
21 technical assistance to early childhood services providers that care for children with
22 special needs or developmental delays. The technical assistance program must be
23 designed to:

- 1 a. Assist early childhood services providers that request support and information
- 2 regarding caring for children with special needs or developmental delays;
- 3 b. Assist early childhood services providers in adapting the program environment
- 4 and care practices to meet the individual child's needs and to build the early
- 5 childhood services providers' capacity to serve children with special needs or
- 6 developmental delays;
- 7 c. In partnership with the child's parents and health care provider, assist the early
- 8 childhood services provider in the development or coordination of care plans for
- 9 children with special needs or special health care needs relevant to the care
- 10 setting;
- 11 d. In partnership with the child's parents, foster communication with the team of
- 12 specialists serving the child to ensure consistency in therapy practices and
- 13 appropriate approaches;
- 14 e. Provide classroom training to early childhood services providers to assist the
- 15 providers in the integration of children with special needs; and
- 16 f. As requested by the early childhood services providers, conduct one-on-one
- 17 training at the provider's business to assist the provider in the integration of
- 18 children with special needs.
- 19 3. The department may establish a grant review committee to assist in the development
- 20 of grant guidelines, the review of applications, and the determination of awards or
- 21 denials. The membership of the grant review committee must include representation
- 22 from each of the following:
- 23 a. The department of human services;
- 24 b. The department of public instruction;
- 25 c. The North Dakota training and information center;
- 26 d. North Dakota child care resource and referral; and
- 27 e. Parents of children with disabilities or at risk for developmental delays.
- 28 4. To be eligible for the grant program, the early childhood services provider must:
- 29 a. Be state-licensed;
- 30 b. Submit a letter from the provider's county social services office confirming the
- 31 provider's licensing status;

- 1 c. Submit a letter from a service provider that provides formal supports to the child
2 confirming an increased funding need to assist the provider in serving the child
3 with disabilities; and
- 4 d. Work with the child's family and an inclusion or health specialist to complete a
5 care plan appropriate for the child care setting.
- 6 5. The department shall give priority consideration to licensed early childhood services
7 providers that care for children with disabilities.
- 8 6. For purposes of this section, a child with disabilities or who is at risk for developmental
9 delays includes any child in this state between the ages of birth and twelve years who
10 receives support through either public or private services and includes a child who is in
11 the process of being evaluated for public or private formal support. A child who is at
12 risk for developmental delays includes any child between the ages of birth and twelve
13 years who received foster care services; who has a previous substantiated history as
14 a victim of child abuse, neglect, or domestic violence; who is homeless; who has
15 documented special health care needs; or who has a parent with a significant
16 disability.
- 17 7. The department may accept gifts, grants, and donations from any source to assist the
18 department in the establishment and implementation of the early childhood services
19 inclusion support services and grant program. Any gifts, grants, and donations
20 received are appropriated to the department on a continuing basis for the purpose of
21 funding the early childhood services inclusion support services and grant program
22 under this section.

23 **SECTION 2. APPROPRIATION.** There is appropriated out of any moneys in the general
24 fund in the state treasury, not otherwise appropriated, the sum of \$50,000, or so much of the
25 sum as may be necessary, to the department of human services for the purpose of funding the
26 early childhood services inclusion support services, for the biennium beginning July 1, 2011,
27 and ending June 30, 2013.

28 **SECTION 3. LEGISLATIVE INTENT - GRANT FUNDING.** It is the intent of the legislative
29 assembly that the funding source for grants provided under section 1 of this Act come from that
30 portion of the grant line item of the department of commerce appropriation attributable to the
31 department of commerce's grants for the early childhood facilities program. The total amount of

1 grants awarded under section 1 of this Act which are funded by the department of commerce
2 grant line item may not exceed fifty percent of the funds available under the department of
3 commerce's grants for the early childhood facilities program, and the grant under section 1 of
4 this Act must comply with the maximum grant amount and matching fund requirements of the
5 department of commerce's grants for the early childhood facilities program.

6 **SECTION 4. LEGISLATIVE MANAGEMENT STUDY - CHILDREN SERVICES FUNDING.**

7 During the 2011-12 interim, the legislative management shall consider studying the delivery of
8 early childhood services and programs aimed at providing services to children, such as head
9 start, temporary assistance to needy families, the early childhood comprehensive system
10 program, and department of public instruction-approved preschools and the funding sources for
11 the recipients and providers of these services. The study must include a review of the various
12 agencies involved in providing grants and other funding for the recipients and providers of these
13 services. The legislative management shall report its findings and recommendations, together
14 with any legislation required to implement the recommendations, to the sixty-third legislative
15 assembly.
