- 14 2. For purposes of this section:
 - 15 a. "Base year" means the taxing district's taxable year with the highest amount
16 levied in dollars in property taxes of the three taxable years immediately
17 preceding the budget year. For a park district general fund, the "amount levied in

19 for the general fund under section 57-15-12 including any additional levy
20 approved by the electors, the insurance reserve fund under section 32-12.1-08,
21 the employee health care program under section 40-49-12, the public recreation
22 system under section 40-55-09 including any additional levy approved by the
23 electors, forestry purposes under section 57-15-12.1 except any additional levy
24 approved by the electors, pest control under section 4-33-11, and handicapped

30 year plus the taxable value of the property exempt by local discretion or
31 charitable status, calculated in the same manner as the taxable property; and

- 1 d. "Property exempt by local discretion or charitable status" means property
2 exempted from taxation as new or expanding businesses under chapter 40-57.1;
3 improvements to property under chapter 57-02.2; or buildings belonging to
4 institutions of public charity, new single-family residential or townhouse or
5 condominium property, property used for early childhood services, or pollution
6 abatement improvements under section 57-02-08.
- 7 3. A taxing district may elect to levy the amount levied in dollars in the base year. Any
8 levy under this section must be specifically approved by a resolution approved by the
9 governing body of the taxing district. Before determining the levy limitation under this
10 section, the dollar amount levied in the base year must be:
- 11 a. Reduced by an amount equal to the sum determined by application of the base
12 year's calculated mill rate for that taxing district to the final base year taxable
13 valuation of any taxable property and property exempt by local discretion or
14 charitable status which is not included in the taxing district for the budget year but
15 was included in the taxing district for the base year.
- 16 b. Increased by an amount equal to the sum determined by the application of the
17 base year's calculated mill rate for that taxing district to the final budget year
18 taxable valuation of any taxable property or property exempt by local discretion or
19 charitable status which was not included in the taxing district for the base year
20 but which is included in the taxing district for the budget year.
- 21 c. Reduced to reflect expired temporary mill levy increases authorized by the
22 electors of the taxing district. For purposes of this subdivision, an expired
23 temporary mill levy increase does not include a school district general fund mill
24 rate exceeding one hundred ten mills which has expired or has not received
25 approval of electors for an extension under subsection 2 of section 57-64-03.
- 26 d. Increased, for a school district determining its levy limitation under this section,
27 by the amount the school district's mill levy reduction grant under section
28 57-64-02 and state aid under chapter 15.1-27 for the base year exceeds the
29 amount of the school district's ~~mill levy reduction grant under section~~
30 ~~57-64-02~~ state aid under chapter 15.1-27 for the budget year.

- 1 e. Reduced for a school district determining its levy limitation under this section, by
2 the amount the school district's mill levy reduction grant under section
3 ~~57-64-02~~state aid under chapter 15.1-27 for the budget year exceeds the amount
4 of the school district's mill levy reduction grant under section 57-64-02 and state
5 aid under chapter 15.1-27 for the base year.
- 6 4. In addition to any other levy limitation factor under this section, a taxing district may
7 increase its levy in dollars to reflect new or increased mill levies authorized by the
8 legislative assembly or authorized by the electors of the taxing district.
- 9 5. Under this section a taxing district may supersede any applicable mill levy limitations
10 otherwise provided by law, or a taxing district may levy up to the mill levy limitations
11 otherwise provided by law without reference to this section, but the provisions of this

14 article X of the Constitution of North Dakota.
- 15 b. The one-mill levy for the state medical center authorized by section 10 of article X
