If a test administered under section 39-20-01 or 39-20-03 was by urine sample or by drawing blood as provided in section 39-20-02 and the individual tested is not a resident of an area in which the law enforcement officer has jurisdiction, the law enforcement officer shall, on receiving the analysis of the urine or blood from the director of the state crime laboratory or the director's designee and if the analysis shows that individual had an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to an individual under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight, either proceed in accordance with subsection 1 during that individual's reappearance within the officer's jurisdiction, proceed in accordance with subsection 3, or notify a law enforcement agency having jurisdiction where the individual lives. On that

notification, that law enforcement agency shall, within twenty-four hours, forward a copy of the temporary operator's permit to the law enforcement agency making the arrest or to the director. The law enforcement agency shall issue to that individual a temporary operator's permit as provided in this section, and shall sign and date the permit as provided in subsection 1.

3. If the test results indicate an alcohol concentration at or above the legal limit, the law enforcement agency making the arrest may mail a temporary operator's permit to the individual who submitted to the blood or urine test, whether or not the individual is a resident of the area in which the law enforcement officer has jurisdiction. The third day after the mailing of the temporary operator's permit is considered the date of issuance. Actual notice of the opportunity for a hearing under this section is deemed to have occurred seventy-two hours after the notice is mailed by regular mail to the address submitted by the individual to the law enforcement officer. The temporary operator's permit serves as the director's official notification to the individual of the director's intent to revoke, suspend, or deny driving privileges in this state.
4. The law enforcement officer, within five days of the issuance of the temporary operator's permit, shall forward to the director a certified written report in the form required by the director. If the individual was issued a temporary operator's permit because of the results of a test, the report must show that the officer had reasonable grounds to believe the individual had been driving or was in actual physical control of a motor vehicle while in violation of section 39-08-01, or equivalent ordinance, that the individual was lawfully arrested, that the individual was tested for alcohol concentration under this chapter, and that the results of the test show that the individual had an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to an individual under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight. In addition to the operator's license and report, the law enforcement officer shall forward to the director a certified copy of the operational checklist and test records of a breath test and a copy of the certified copy of the analytical report for a blood or urine test for all tests administered at the direction of the officer.
5. An individual charged with a violation of section 39-08-01 or equivalent ordinance may elect to participate in the twenty-four seven sobriety program under chapter 54-12 in lieu of the administrative hearing under this chapter if the individual's driver's license is not subject to an unrelated suspension or revocation. Notwithstanding any other provision of law, an individual may not receive a temporary restricted operator's license until after fourteen days after the administrative hearing on the offense under this chapter has been waived or held, or after fourteen days of the final appeal, whichever is longer. The director shall issue a temporary restricted driver's license with the restriction the individual participate in the twenty-four seven sobriety program upon application by the individual with submission of proof of financial responsibility and proof of participation in the twenty-four seven sobriety program under chapter 54-12.

SECTION 14. AMENDMENT. Section 39-20-04 of the North Dakota Century Code is amended and reenacted as follows:

39-20-04. Revocation of privilege to drive motor vehicle upon refusal to submit to testing.

1. The law enforcement officer shall sign and note the date on the temporary operator's permit. The temporary operator's permit serves as the director's official notification to the person of the director's intent to revoke driving privileges in this state and of the hearing

procedures under this chapter. The director, upon the receipt of that person's operator's license and a certified written report of the law enforcement officer in the form required by the director, forwarded by the officer within five days after issuing the temporary operator's permit, showing that the officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while in violation of section 39-08-01 or equivalent ordinance or, for purposes of section 39-20-14, had reason to believe that the person committed a moving traffic violation or was involved in a traffic accident as a driver, and in conjunction with the violation or accident the officer has, through the officer's observations, formulated an opinion that the person's body contains alcohol, that the person was lawfully arrested if applicable, and that the person had refused to submit to the test or tests under section 39-20-01 or 39-20-14, shall revoke that person's license or permit to drive and any nonresident operating privilege for the appropriate period under this section, or if the person is a resident without a license or a permit to operate a motor vehicle in this state, the director shall deny to the person the issuance of a license or permit for the appropriate period under this section after the date of the alleged violation, subject to the opportunity for a prerevocation hearing and postrevocation review as provided in this chapter. In the revocation of the person's operator's license the director shall give credit for time in which the person was without an operator's license after the day of the person's refusal to submit to the test except that the director may not give credit for time in which the person retained driving privileges through a temporary operator's permit issued under this section or section 39-20-03.2. The period of revocation or denial of issuance of a license or permit under this section is:

- a. One ~~year~~hundred eighty days if the person's driving record shows that within the ~~five~~seven years preceding the most recent violation of this section, the person's operator's license has not previously been suspended, revoked, or issuance denied for a violation of this chapter or section 39-08-01 or equivalent ordinance.
 - b. ~~Three~~Two years if the person's driving record shows that within the ~~five~~seven years preceding the most recent violation of this section, the person's operator's license has been once previously suspended, revoked, or issuance denied for a violation of this chapter or section 39-08-01 or equivalent ordinance.
 - c. ~~Four~~Three years if the person's driving record shows that within the ~~five~~seven years preceding the most recent violation of this section, the person's operator's license has at least twice previously been suspended, revoked, or issuance denied under this chapter, or for a violation of section 39-08-01 or equivalent ordinance, or any combination of the same, and the suspensions, revocations, or denials resulted from at least two separate arrests.

 - b. The person mails an affidavit to the director within twenty-five days after the temporary operator's permit is issued. The affidavit must state that the person:

 - (2) Agrees that the person's driving privileges must be suspended as provided under section 39-06.1-10;
 - (3) Acknowledges the right to a section 39-20-05 administrative hearing and section 39-20-06 judicial review and voluntarily and knowingly waives these rights; and
 - (4) Agrees that the person's driving privileges must be revoked as provided under this section without an administrative hearing or judicial review, if the person does not

plead guilty within twenty-five days after the temporary operator's permit is issued, or the court does not accept the guilty plea, or the guilty plea is withdrawn;

- c. The person pleads guilty to violating section 39-08-01 or equivalent ordinance within twenty-five days after the temporary operator's permit is issued;
 - d. The court accepts the person's guilty plea and a notice of that fact is mailed to the director within twenty-five days after the temporary operator's permit is issued; and
 - e. A copy of the final order or judgment of conviction evidencing the acceptance of the person's guilty plea is received by the director prior to the return or reinstatement of the person's driving privileges; and

3. The court must mail a copy of an order granting a withdrawal of a guilty plea to violating section 39-08-01, or equivalent ordinance, to the director within ten days after it is ordered. Upon receipt of the order, the director shall immediately revoke the person's driving privileges as provided under this section without providing an administrative hearing.

SECTION 15. AMENDMENT. Section 39-20-04.1 of the North Dakota Century Code is amended and reenacted as follows:

39-20-04.1. Administrative sanction for driving or being in physical control of a vehicle while having certain alcohol concentration.

1. After the receipt of the certified report of a law enforcement officer and if no written request for hearing has been received from the arrested person under section 39-20-05, or if that hearing is requested and the findings, conclusion, and decision from the hearing confirm that the law enforcement officer had reasonable grounds to arrest the person and test results show that the arrested person was driving or in physical control of a vehicle while having an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to a person under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight at the time of the performance of a test within two hours after driving or being in physical control of a motor vehicle, the director shall suspend the person's driving privileges as follows:
 - a. For ninety-one days if the person's driving record shows that, within the ~~five~~seven years preceding the date of the arrest, the person has not previously violated section 39-08-01 or equivalent ordinance or the person's operator's license has not previously been suspended or revoked under this chapter and the violation was for an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to a person under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight, and under eighteen one-hundredths of one percent by weight.
 - b. For one hundred eighty days if the operator's record shows the person has not violated section 39-08-01 or equivalent ordinance within ~~five~~the seven years preceding the last violation and the last violation was for an alcohol concentration of at least eighteen one-hundredths of one percent by weight.
 - c. For three hundred sixty-five days if the person's driving record shows that, within the ~~five~~seven years preceding the date of the arrest, the person has once previously violated section 39-08-01 or equivalent ordinance or the person's operator's license has once previously been suspended or revoked under this chapter with the last violation or suspension for an alcohol concentration under eighteen one-hundredths of one percent by weight.

- d. For two years if the person's driving record shows that within the ~~five~~seven years preceding the date of the arrest, the person's operator's license has once been suspended, revoked, or issuance denied under this chapter, or for a violation of section 39-08-01 or equivalent ordinance, with the last violation or suspension for an alcohol concentration of at least eighteen one-hundredths of one percent by weight or if the person's driving record shows that within the ~~five~~seven years preceding the date of arrest, the person's operator's license has at least twice previously been suspended, revoked, or issuance denied under this chapter, or for a violation of section 39-08-01 or equivalent ordinance, or any combination thereof, and the suspensions, revocations, or denials resulted from at least two separate arrests with the last violation or suspension for an alcohol concentration of under eighteen one-hundredths of one percent by weight.
 - e. For three years if the operator's record shows that within ~~five~~the seven years preceding the date of the arrest, the person's operator's license has at least twice previously been suspended, revoked, or issuance denied under this chapter, or for a violation of section 39-08-01 or equivalent ordinance, or any combination thereof, and the suspensions, revocations, or denials resulted from at least two separate arrests and the last violation or suspension was for an alcohol concentration of at least eighteen one-hundredths of one percent by weight.
2. In the suspension of the person's operator's license the director shall give credit for the time the person was without an operator's license after the day of the offense, except that the director may not give credit for the time the person retained driving privileges through a temporary operator's permit issued under section 39-20-03.1 or 39-20-03.2.

SECTION 16. AMENDMENT. Section 39-20-05 of the North Dakota Century Code is amended and reenacted as follows:

39-20-05. Administrative hearing on request - Election to participate in the twenty-four seven sobriety program.

1. Before issuing an order of suspension, revocation, or denial under section 39-20-04 or 39-20-04.1, the director shall afford that person an opportunity for a hearing if the person mails or communicates by other means authorized by the director a request for the hearing to the director within ten days after the date of issuance of the temporary operator's permit. Upon completion of the hearing, an individual may elect to participate in the twenty-four seven sobriety program under chapter 54-12. The hearing must be held within thirty days after the date of issuance of the temporary operator's permit. If no hearing is requested within the time limits in this section, and no affidavit is submitted within the time limits under subsection 2 of section 39-20-04, and if the individual has not provided the director with written notice of election to participate in the twenty-four seven sobriety program under chapter 54-12, the expiration of the temporary operator's permit serves as the director's official notification to the person of the revocation, suspension, or denial of driving privileges in this state.
2. If the issue to be determined by the hearing concerns license suspension for operating a motor vehicle while having an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to an individual under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight, the hearing must be before a hearing officer assigned by the director and at a time and place designated by the director. The hearing must be recorded and its scope may cover only the issues of whether the arresting officer had reasonable grounds to believe the individual had been driving or was in actual physical control of a vehicle in violation of section 39-08-01 or equivalent ordinance or, with respect to an individual under twenty-one years of age, the individual had been driving or was in actual physical control of a vehicle while having an alcohol concentration of at least two one-hundredths of one percent by weight; whether the individual was placed under arrest, unless the individual was under twenty-one years of age and the alcohol concentration was less than eight one-hundredths of one percent by weight, then arrest is not required and is not

an issue under any provision of this chapter; whether the individual was tested in accordance with section 39-20-01 or 39-20-03 and, if applicable, section 39-20-02; and whether the test results show the individual had an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to an individual under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight. For purposes of this section, a copy of a certified copy of an analytical report of a blood or urine sample from the director of the state crime laboratory or the director's designee, or electronically posted by the director of the state crime laboratory or the director's designee on the crime laboratory information management system and certified by a law enforcement officer or individual who has authorized access to the crime laboratory management system through the criminal justice data information sharing system or a certified copy of the checklist and test records from a certified breath test operator, and a copy of a certified copy of a certificate of the director of the state crime laboratory designating the director's designees, establish prima facie the alcohol concentration or the presence of drugs, or a combination thereof, shown therein. Whether the individual was informed that the privilege to drive might be suspended based on the results of the test is not an issue.

3. If the issue to be determined by the hearing concerns license revocation for refusing to submit to a test under section 39-20-01 or 39-20-14, the hearing must be before a hearing officer assigned by the director at a time and place designated by the director. The hearing must be recorded. The scope of a hearing for refusing to submit to a test under section 39-20-01 may cover only the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a vehicle in violation of section 39-08-01 or equivalent ordinance or, with respect to a person under twenty-one years of age, the person had been driving or was in actual physical control of a vehicle while having an alcohol concentration of at least two one-hundredths of one percent by weight; whether the person was placed under arrest; and whether that person refused to submit to the test or tests. The scope of a hearing for refusing to submit to a test under section 39-20-14 may cover only the issues of whether the law enforcement officer had reason to believe the person committed a moving traffic violation or was involved in a traffic accident as a driver, whether in conjunction with the violation or the accident the officer has, through the officer's observations, formulated an opinion that the person's body contains alcohol and, whether the person refused to submit to the onsite screening test. Whether the person was informed that the privilege to drive would be revoked or denied for refusal to submit to the test or tests is not an issue.
4. At a hearing under this section, the regularly kept records of the director and state crime laboratory may be introduced. Those records establish prima facie their contents without further foundation. For purposes of this chapter, the following are deemed regularly kept records of the director and state crime laboratory:
 - a. Any copy of a certified copy of an analytical report of a blood or urine sample received by the director from the director of the state crime laboratory or the director's designee or electronically posted by the director of the state crime laboratory or the director's designee on the crime laboratory information management system and certified by, and received from, a law enforcement officer or an individual who has authorized access to the crime laboratory management system through the criminal justice data information sharing system, or a certified copy of the checklist and test records received by the director from a certified breath test operator; ~~and~~
 - b. Any copy of a certified copy of a certificate of the director of the state crime laboratory or the director's designee relating to approved methods, devices, operators, materials, and checklists used for testing for alcohol concentration or the presence of drugs received by the director from the director of the state crime laboratory or the director's designee, or that have been electronically posted with the state crime laboratory division of the attorney general at the attorney general website; and

- c. Any copy of a certified copy of a certificate of the director of the state crime laboratory designating the director's designees.
5. At the close of the hearing, the hearing officer shall notify the person of the hearing officer's findings of fact, conclusions of law, and decision based on the findings and conclusions and shall immediately deliver to the person a copy of the decision. If the hearing officer does not find in favor of the person, the copy of the decision serves as the director's official notification to the person of the revocation, suspension, or denial of driving privileges in this state. If the hearing officer finds, based on a preponderance of the evidence, that the person refused a test under section 39-20-01 or 39-20-14 or that the person had an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to a person under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight, the hearing officer shall immediately take possession of the person's temporary operator's permit issued under this chapter. If the hearing officer does not find against the person, the hearing officer shall sign, date, and mark on the person's permit an extension of driving privileges for the next twenty days and shall return the permit to the person. The hearing officer shall report the findings, conclusions, and decisions to the director within ten days of the conclusion of the hearing. If the hearing officer has determined in favor of the person, the director shall return the person's operator's license by regular mail to the address on file with the director under section 39-06-20.
6. If the person who requested a hearing under this section fails to appear at the hearing without justification, the right to the hearing is waived, and the hearing officer's determination on license revocation, suspension, or denial will be based on the written request for hearing, law enforcement officer's report, and other evidence as may be available. The hearing officer shall, on the date for which the hearing is scheduled, mail to the person, by regular mail, at the address on file with the director under section 39-06-20, or at any other address for the person or the person's legal representative supplied in the request for hearing, a copy of the decision which serves as the director's official notification to the person of the revocation, suspension, or denial of driving privileges in this state. Even if the person for whom the hearing is scheduled fails to appear at the hearing, the hearing is deemed to have been held on the date for which it is scheduled for purposes of appeal under section 39-20-06.

SECTION 17. AMENDMENT. Subsection 6 of section 39-20-07 of the North Dakota Century Code is amended and reenacted as follows:

6. The director of the state crime laboratory or the director's designee may appoint, train, certify, and supervise field inspectors of breath testing equipment and its operation, and the inspectors shall report the findings of any inspection to the director of the state crime laboratory or the director's designee for appropriate action. Upon approval of the methods or devices, or both, required to perform the tests and the individuals qualified to administer them, the director of the state crime laboratory or the director's designee shall prepare, certify, and electronically post a written record of the approval with the state crime laboratory division of the attorney general at the attorney general website, and shall include in the record:
- a. An annual register of the specific testing devices currently approved, including serial number, location, and the date and results of last inspection.
- b. An annual register of currently qualified and certified operators of the devices, stating the date of certification and its expiration.
- c. The operational checklist and forms prescribing the methods currently approved by the director of the state crime laboratory or the director's designee in using the devices during the administration of the tests.
- d. The certificate of the director of the state crime laboratory designating the director's designees.

- e. The certified records electronically posted under this section may be supplemented when the director of the state crime laboratory or the director's designee determines it to be necessary, and any certified supplemental records have the same force and effect as the records that are supplemented.
- e.f. The state crime laboratory shall make the certified records required by this section available for download in a printable format on the attorney general website.

SECTION 18. AMENDMENT. Subsection 9 of section 39-20-07 of the North Dakota Century Code is amended and reenacted as follows:

- 9. Notwithstanding any statute or rule to the contrary, a defendant who has been found to be indigent by the court in the criminal proceeding at issue may subpoena, without cost to the defendant, the individual who conducted the chemical analysis referred to in this section to testify at the trial on the issue of the amount of alcohol concentration or presence of other drugs, or a combination thereof in the defendant's blood, breath, or urine at the time of the alleged act. ~~If the state toxicologist, the director of the state crime laboratory, or any employee of either, or designee is subpoenaed to testify by a defendant who is not indigent and the defendant does not call the witness to establish relevant evidence, the court shall order the defendant to pay costs to the witness as provided in section 31-01-16. An indigent defendant may also subpoena the individual who withdrew the defendant's blood by following the same procedure.~~

SECTION 19. AMENDMENT. Subsection 10 of section 39-20-07 of the North Dakota Century Code is amended and reenacted as follows:

- 10. ~~A signed statement from the individual medically qualified to draw the blood sample for testing as set forth in subsection 5 is prima facie evidence that the blood sample was properly drawn and no further foundation for the admission of this evidence may be required. A law enforcement officer who has witnessed an individual who is medically qualified to draw the blood sample for testing may sign a verified statement that the law enforcement officer witnessed the individual draw the blood sample and the individual followed the approved methods of the state toxicologist. Further foundation is not required to establish that the blood sample was drawn according to the approved method of the state toxicologist.~~

SECTION 20. AMENDMENT. Section 39-20-14 of the North Dakota Century Code is amended and reenacted as follows:

39-20-14. Screening tests.

- 1. Any individual who operates a motor vehicle upon the public highways of this state is deemed to have given consent to submit to an onsite screening test or tests of the individual's breath for the purpose of estimating the alcohol concentration in the individual's breath upon the request of a law enforcement officer who has reason to believe that the individual committed a moving traffic violation or was involved in a traffic accident as a driver, and in conjunction with the violation or the accident the officer has, through the officer's observations, formulated an opinion that the individual's body contains alcohol.
- 2. An individual may not be required to submit to a screening test or tests of breath while at a hospital as a patient if the medical practitioner in immediate charge of the individual's case is not first notified of the proposal to make the requirement, or objects to the test or tests on the ground that such would be prejudicial to the proper care or treatment of the patient.
- 3. The screening test or tests must be performed by an enforcement officer certified as a chemical test operator by the director of the state crime laboratory or the director's designee and according to methods and with devices approved by the director of the state crime laboratory or the director's designee. The results of such screening test must be used only for determining whether or not a further test shall be given under the provisions of section

39-20-01. The officer shall inform the individual that North Dakota law requires the individual to take the screening test to determine whether the individual is under the influence of alcohol, that refusal to take the screening test is a crime, and that refusal of the individual to submit to a screening test willmay result in a revocation for at least one hundred eighty days and up to fourthree years of that individual's driving privileges. If such individual refuses to submit to such screening test or tests, none may be given, but such refusal is sufficient cause to revoke such individual's license or permit to drive in the same manner as provided in section 39-20-04, and a hearing as provided in section 39-20-05 and a judicial review as provided in section 39-20-06 must be available. ~~However, the~~

4. The director must not revoke an individual's driving privileges for refusing to submit to a screening test requested under this section if the individual provides a sufficient breath, blood, or urine sample for a chemical test requested under section 39-20-01 for the same incident.
5. No provisions of this section may supersede any provisions of chapter 39-20, nor may any provision of chapter 39-20 be construed to supersede this section except as provided herein.
6. For the purposes of this section, "chemical test operator" means an individual certified by the director of the state crime laboratory or the director's designee as qualified to perform analysis for alcohol in an individual's blood, breath, or urine.

SECTION 21. A new section to chapter 39-20 of the North Dakota Century Code is created and enacted as follows:

Restricted license upon twenty-four seven sobriety program participation.

Any driver suspended under this chapter may elect to participate in the twenty-four seven sobriety program under chapter 54-12. The director may issue a temporary restricted license that takes effect after fifteen days of the suspension have been served provided that the driver is not subject to any unrelated suspension. Notwithstanding any other provision of law, an individual may not receive a temporary restricted operator's license until after fourteen days after the administrative hearing on the offense under this chapter has been waived or held, or after fourteen days of the final appeal, whichever is longer.

SECTION 23. LEGISLATIVE MANAGEMENT STUDY - ADMINISTRATIVE PROCEDURE FOR DRIVING UNDER THE INFLUENCE. During the 2013-14 interim, the legislative management shall consider studying the administrative procedure for driving under the influence of alcohol and drugs. The study must include a review of the use of ignition interlock devices and of the effect of an individual refusing to submit to chemical testing. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-fourth legislative assembly.
