13 sobriety program under chapter 54-12, the director may issue a temporary restricted
14 license that takes effect after fifteen days of the suspension have been served. The
15 director may not issue a temporary restricted license to any offender whose operator's
16 license has been revoked under section 39-20-04 or suspended upon a second or

15 The fact that any person charged with violating this section is or has been legally
16 entitled to use alcohol or other drugs or substances is not a defense against any
17 charge for violating this section, unless a drug which predominately caused
18 impairment was used only as directed or cautioned by a practitioner who legally
19 prescribed or dispensed the drug to that person.

20 2. Unless as otherwise provided in section 39-08-01.2, an individual violating this section
21 or equivalent ordinance is guilty of a class B misdemeanor for the first ~~or second~~

2 section or equivalent ordinance, the court ~~must~~shall order the motor vehicle number
3 plates of all of the motor vehicles owned and operated by the offender at the time of

6 plates must be sent to the director who must retain them for the period of suspension
7 or revocation, subject to their disposition by the court. The court may make an
8 exception to this subsection, on an individual basis, to avoid undue hardship to an
9 individual who is completely dependent on the motor vehicle for the necessities of life,

11 vehicle, ~~but not including~~or if the offender is participating in the twenty-four seven
12 sobriety program.
- 13 4. A person convicted of violating this section, or an equivalent ordinance, must be
14 sentenced in accordance with this subsection. For purposes of this subsection, unless
15 the context otherwise requires, "drug court program" means a district court-supervised
16 treatment program approved by the supreme court which combines judicial

26 the drug court program as a condition of probation in accordance with rules
27 adopted by the supreme court. If the district court finds that a defendant has

10 A court may not order the department to be responsible for the costs of treatment
11 in a private treatment facility.
- 12 h. For purposes of this section, conviction of an offense under a law or ordinance of
13 another state which is equivalent to this section must be considered a prior

15 ~~subsection~~section.
- 16 i. An individual who operates a motor vehicle on a highway or on public or private
17 areas to which the public has a right of access for vehicular use in this state who

19 39-06.2-10.2, 39-20-01, or 39-20-14, is guilty of an offense under this section.
- 20 g-j. If the penalty mandated by this section includes imprisonment or placement upon
21 conviction of a violation of this section or equivalent ordinance, and if an
22 addiction evaluation has indicated that the defendant needs treatment, the court
23 may order the defendant to undergo treatment at an appropriate licensed
24 addiction treatment program and the time spent by the defendant in the treatment
25 must be credited as a portion of a sentence of imprisonment or placement under
26 this section.

17 ~~one year's~~two years' imprisonment if the individual was an adult at the time of the
18 offense.

19 2. If an individual is convicted of a first offense violating section 39-08-01, or section
20 39-08-03 based in part on the evidence of the individual's operation of a motor vehicle
21 while under the influence of alcohol or drugs, and the violation caused serious bodily
22 injury, as defined in section 12.1-01-04, to another individual, that individual is guilty of
23 a class A misdemeanor and the sentence must include at least ninety days'
24 imprisonment if the individual was an adult at the time of the offense.

25 3. If an individual is convicted of a second or subsequent offense in ten years of violating
26 section 39-08-01, or section 39-08-03 based in part on the evidence of the individual's

10 is by jury verdict, the verdict form must indicate that the jury found the elements that
11 create the minimum sentence.
- 12 6. An individual who is convicted under this section shall serve the sentence imposed by
13 the court without benefit of parole.

14 **SECTION 7. AMENDMENT.** Section 39-20-01 of the North Dakota Century Code is
15 amended and reenacted as follows:

16 **39-20-01. Implied consent to determine alcohol concentration and presence of drugs.**

- 17 1. Any individual who operates a motor vehicle on a highway or on public or private
18 areas to which the public has a right of access for vehicular use in this state is deemed
19 to have given consent, and shall consent, subject to the provisions of this chapter, to a
20 chemical test, or tests, of the blood, breath, or urine for the purpose of determining the
21 alcohol concentration or presence of other drugs, or combination thereof, in the
22 individual's blood, breath, or urine. As used in this chapter, the word "drug" means any
23 drug or substance or combination of drugs or substances which renders an individual
24 incapable of safely driving, and the words "chemical test" or "chemical analysis" mean
25 any test to determine the alcohol concentration or presence of other drugs, or
26 combination thereof, in the individual's blood, breath, or urine, approved by the
27 director of the state crime laboratory or the director's designee under this chapter.
- 28 2. The test or tests must be administered at the direction of a law enforcement officer
29 only after placing the individual, except individuals mentioned in section 39-20-03,
30 under arrest and informing that individual that the individual is or will be charged with
31 the offense of driving or being in actual physical control of a vehicle upon the public

1 highways while under the influence of intoxicating liquor, drugs, or a combination
2 thereof. For the purposes of this chapter, the taking into custody of a child under
3 section 27-20-13 or an individual under twenty-one years of age satisfies the
4 requirement of an arrest.

5 3. The law enforcement officer also shall ~~also~~ inform the individual charged that North
6 Dakota law requires the individual to take the test to determine whether the individual
7 is under the influence of alcohol, drugs, or a combination of alcohol and drugs, that
8 refusal to take the test directed by the law enforcement officer is a crime, and that
9 refusal of the individual to submit to the test ~~determined appropriate will~~ directed by the
10 law enforcement officer may result in a revocation for up to four years of the
11 individual's driving privileges. The law enforcement officer shall determine which of the
12 tests is to be used.

13 4. When an individual under the age of eighteen years is taken into custody for violating
14 section 39-08-01 or an equivalent ordinance, the law enforcement officer shall attempt
15 to contact the individual's parent or legal guardian to explain the cause for the custody.
16 Neither the law enforcement officer's efforts to contact, nor any consultation with, a
17 parent or legal guardian may be permitted to interfere with the administration of
18 chemical testing requirements under this chapter. The law enforcement officer shall
19 mail a notice to the parent or legal guardian of the minor within ten days after the test
20 results are received or within ten days after the minor is taken into custody if the minor
21 refuses to submit to testing. The notice must contain a statement of the test performed
22 and the results of that test; or if the minor refuses to submit to the testing, a statement
23 notifying of that fact. The attempt to contact or the contacting or notification of a parent
24 or legal guardian is not a precondition to the admissibility of chemical test results or
25 the finding of a consent to, or refusal of, chemical testing by the individual in custody.

26 **SECTION 8. AMENDMENT.** Section 39-20-03.1 of the North Dakota Century Code is
27 amended and reenacted as follows:

28 **39-20-03.1. Action following test result for a resident operator.**

29 If a person submits to a test under section 39-20-01, 39-20-02, or 39-20-03 and the test
30 shows that person to have an alcohol concentration of at least eight one-hundredths of one
31 percent by weight or, with respect to a person under twenty-one years of age, an alcohol

1 concentration of at least two one-hundredths of one percent by weight at the time of the
2 performance of a chemical test within two hours after the driving or being in actual physical
3 control of a vehicle, the following procedures apply:

- 4 1. The law enforcement officer shall immediately issue to that person a temporary
5 operator's permit if the person then has valid operating privileges, extending driving
6 privileges for the next twenty-five days, or until earlier terminated by the decision of a
7 hearing officer under section 39-20-05, or unless terminated by participation in the
8 twenty-four seven sobriety program as provided under subsection 5 of this section.

9 The law enforcement officer shall sign and note the date on the temporary operator's
10 permit. The temporary operator's permit serves as the director's official notification to
11 the person of the director's intent to revoke, suspend, or deny driving privileges in this
12 state.

- 13 2. If a test administered under section 39-20-01 or 39-20-03 was by urine sample or by
14 drawing blood as provided in section 39-20-02 and the individual tested is not a
15 resident of an area in which the law enforcement officer has jurisdiction, the law
16 enforcement officer shall, on receiving the analysis of the urine or blood from the
17 director of the state crime laboratory or the director's designee and if the analysis
18 shows that individual had an alcohol concentration of at least eight one-hundredths of
19 one percent by weight or, with respect to an individual under twenty-one years of age,
20 an alcohol concentration of at least two one-hundredths of one percent by weight,
21 either proceed in accordance with subsection 1 during that individual's reappearance
22 within the officer's jurisdiction, proceed in accordance with subsection 3, or notify a law
23 enforcement agency having jurisdiction where the individual lives. On that notification,
24 that law enforcement agency shall, within twenty-four hours, forward a copy of the
25 temporary operator's permit to the law enforcement agency making the arrest or to the
26 director. The law enforcement agency shall issue to that individual a temporary
27 operator's permit as provided in this section, and shall sign and date the permit as
28 provided in subsection 1.

- 29 3. If the test results indicate an alcohol concentration at or above the legal limit, the law
30 enforcement agency making the arrest may mail a temporary operator's permit to the
31 individual who submitted to the blood or urine test, whether or not the individual is a

1 resident of the area in which the law enforcement officer has jurisdiction. The third day
2 after the mailing of the temporary operator's permit is considered the date of issuance.
3 Actual notice of the opportunity for a hearing under this section is deemed to have
4 occurred seventy-two hours after the notice is mailed by regular mail to the address
5 submitted by the individual to the law enforcement officer. The temporary operator's
6 permit serves as the director's official notification to the individual of the director's
7 intent to revoke, suspend, or deny driving privileges in this state.

8 4. The law enforcement officer, within five days of the issuance of the temporary
9 operator's permit, shall forward to the director a certified written report in the form
10 required by the director. If the individual was issued a temporary operator's permit
11 because of the results of a test, the report must show that the officer had reasonable
12 grounds to believe the individual had been driving or was in actual physical control of a
13 motor vehicle while in violation of section 39-08-01, or equivalent ordinance, that the
14 individual was lawfully arrested, that the individual was tested for alcohol concentration
15 under this chapter, and that the results of the test show that the individual had an
16 alcohol concentration of at least eight one-hundredths of one percent by weight or,
17 with respect to an individual under twenty-one years of age, an alcohol concentration
18 of at least two one-hundredths of one percent by weight. In addition to the operator's
19 license and report, the law enforcement officer shall forward to the director a certified
20 copy of the operational checklist and test records of a breath test and a copy of the
21 certified copy of the analytical report for a blood or urine test for all tests administered
22 at the direction of the officer.

23 5. An individual charged with a violation of section 39-08-01 or equivalent ordinance may
24 elect to participate in the twenty-four seven sobriety program under chapter 54-12 in
25 lieu of the administrative hearing under this chapter if the individual's driver's license is
26 not subject to an unrelated suspension or revocation. The director shall issue a
27 temporary restricted driver's license with the restriction the individual participate in the
28 twenty-four seven sobriety program upon application by the individual with submission
29 of proof of financial responsibility and proof of participation in the twenty-four seven
30 sobriety program under chapter 54-12.

1 **SECTION 9. AMENDMENT.** Section 39-20-04 of the North Dakota Century Code is
2 amended and reenacted as follows:

3 **39-20-04. Revocation of privilege to drive motor vehicle upon refusal to submit to**
4 **testing.**

5 1. If a person refuses to submit to testing under section 39-20-01 or 39-20-14, none may
6 be given, but the law enforcement officer shall immediately take possession of the
7 person's operator's license if it is then available and shall immediately issue to that
8 person a temporary operator's permit, if the person then has valid operating privileges,
9 extending driving privileges for the next twenty-five days or until earlier terminated by a
10 decision of a hearing officer under section 39-20-05. The law enforcement officer shall
11 sign and note the date on the temporary operator's permit. The temporary operator's
12 permit serves as the director's official notification to the person of the director's intent
13 to revoke driving privileges in this state and of the hearing procedures under this
14 chapter. The director, upon the receipt of that person's operator's license and a
15 certified written report of the law enforcement officer in the form required by the
16 director, forwarded by the officer within five days after issuing the temporary operator's
17 permit, showing that the officer had reasonable grounds to believe the person had
18 been driving or was in actual physical control of a motor vehicle while in violation of
19 section 39-08-01 or equivalent ordinance or, for purposes of section 39-20-14, had
20 reason to believe that the person committed a moving traffic violation or was involved
21 in a traffic accident as a driver, and in conjunction with the violation or accident the
22 officer has, through the officer's observations, formulated an opinion that the person's
23 body contains alcohol, that the person was lawfully arrested if applicable, and that the
24 person had refused to submit to the test or tests under section 39-20-01 or 39-20-14,
25 shall revoke that person's license or permit to drive and any nonresident operating
26 privilege for the appropriate period under this section, or if the person is a resident
27 without a license or a permit to operate a motor vehicle in this state, the director shall
28 deny to the person the issuance of a license or permit for the appropriate period under
29 this section after the date of the alleged violation, subject to the opportunity for a
30 prerevocation hearing and postrevocation review as provided in this chapter. In the
31 revocation of the person's operator's license the director shall give credit for time in

1 which the person was without an operator's license after the day of the person's
2 refusal to submit to the test except that the director may not give credit for time in
3 which the person retained driving privileges through a temporary operator's permit
4 issued under this section or section 39-20-03.2. The period of revocation or denial of
5 issuance of a license or permit under this section is:

- 6 a. One year if the person's driving record shows that within the ~~five~~ten years
7 preceding the most recent violation of this section, the person's operator's license
8 has not previously been suspended, revoked, or issuance denied for a violation
9 of this chapter or section 39-08-01 or equivalent ordinance.
- 10 b. Three years if the person's driving record shows that within the ~~five~~ten years
11 preceding the most recent violation of this section, the person's operator's license
12 has been once previously suspended, revoked, or issuance denied for a violation
13 of this chapter or section 39-08-01 or equivalent ordinance.
- 14 c. Four years if the person's driving record shows that within the ~~five~~ten years
15 preceding the most recent violation of this section, the person's operator's license
16 has at least twice previously been suspended, revoked, or issuance denied under
17 this chapter, or for a violation of section 39-08-01 or equivalent ordinance, or any
18 combination of the same, and the suspensions, revocations, or denials resulted
19 from at least two separate arrests.

20 2. A person's driving privileges are not subject to revocation under subdivision a of
21 subsection 1 if all of the following criteria are met:

- 22 a. An administrative hearing is not held under section 39-20-05;
- 23 b. The person mails an affidavit to the director within twenty-five days after the
24 temporary operator's permit is issued. The affidavit must state that the person:
- 25 (1) Intends to voluntarily plead guilty to violating section 39-08-01 or equivalent
26 ordinance within twenty-five days after the temporary operator's permit is
27 issued;
- 28 (2) Agrees that the person's driving privileges must be suspended as provided
29 under section 39-06.1-10;

- 1 (3) Acknowledges the right to a section 39-20-05 administrative hearing and
2 section 39-20-06 judicial review and voluntarily and knowingly waives these
3 rights; and
- 4 (4) Agrees that the person's driving privileges must be revoked as provided
5 under this section without an administrative hearing or judicial review, if the
6 person does not plead guilty within twenty-five days after the temporary
7 operator's permit is issued, or the court does not accept the guilty plea, or
8 the guilty plea is withdrawn;
- 9 c. The person pleads guilty to violating section 39-08-01 or equivalent ordinance
10 within twenty-five days after the temporary operator's permit is issued;
- 11 d. The court accepts the person's guilty plea and a notice of that fact is mailed to
12 the director within twenty-five days after the temporary operator's permit is
13 issued; and
- 14 e. A copy of the final order or judgment of conviction evidencing the acceptance of
15 the person's guilty plea is received by the director prior to the return or
16 reinstatement of the person's driving privileges; ~~and~~
- 17 ~~f. The person has never been convicted under section 39-08-01 or equivalent~~
18 ~~ordinance.~~
- 19 3. The court must mail a copy of an order granting a withdrawal of a guilty plea to
20 violating section 39-08-01, or equivalent ordinance, to the director within ten days after
21 it is ordered. Upon receipt of the order, the director shall immediately revoke the
22 person's driving privileges as provided under this section without providing an
23 administrative hearing.

24 **SECTION 10. AMENDMENT.** Section 39-20-04.1 of the North Dakota Century Code is
25 amended and reenacted as follows:

26 **39-20-04.1. Administrative sanction for driving or being in physical control of a**
27 **vehicle while having certain alcohol concentration.**

- 28 1. After the receipt of the certified report of a law enforcement officer and if no written
29 request for hearing has been received from the arrested person under section
30 39-20-05, or if that hearing is requested and the findings, conclusion, and decision
31 from the hearing confirm that the law enforcement officer had reasonable grounds to

1 arrest the person and test results show that the arrested person was driving or in
2 physical control of a vehicle while having an alcohol concentration of at least eight
3 one-hundredths of one percent by weight or, with respect to a person under
4 twenty-one years of age, an alcohol concentration of at least two one-hundredths of
5 one percent by weight at the time of the performance of a test within two hours after
6 driving or being in physical control of a motor vehicle, the director shall suspend the
7 person's driving privileges as follows:

- 8 a. For ninety-one days if the person's driving record shows that, within the five~~ten~~
9 years preceding the date of the arrest, the person has not previously violated
10 section 39-08-01 or equivalent ordinance or the person's operator's license has
11 not previously been suspended or revoked under this chapter and the violation
12 was for an alcohol concentration of at least eight one-hundredths of one percent
13 by weight or, with respect to a person under twenty-one years of age, an alcohol
14 concentration of at least two one-hundredths of one percent by weight, and under
15 eighteen one-hundredths of one percent by weight.
- 16 b. For one hundred eighty days if the operator's record shows the person has not
17 violated section 39-08-01 or equivalent ordinance within five~~ten~~ years preceding
18 the last violation and the last violation was for an alcohol concentration of at least
19 eighteen one-hundredths of one percent by weight.
- 20 c. For three hundred sixty-five days if the person's driving record shows that, within
21 the five~~ten~~ years preceding the date of the arrest, the person has once previously
22 violated section 39-08-01 or equivalent ordinance or the person's operator's
23 license has once previously been suspended or revoked under this chapter with
24 the last violation or suspension for an alcohol concentration under eighteen
25 one-hundredths of one percent by weight.
- 26 d. For two years if the person's driving record shows that within the five~~ten~~ years
27 preceding the date of the arrest, the person's operator's license has once been
28 suspended, revoked, or issuance denied under this chapter, or for a violation of
29 section 39-08-01 or equivalent ordinance, with the last violation or suspension for
30 an alcohol concentration of at least eighteen one-hundredths of one percent by
31 weight or if the person's driving record shows that within the five years preceding

1 the date of arrest, the person's operator's license has at least twice previously
2 been suspended, revoked, or issuance denied under this chapter, or for a
3 violation of section 39-08-01 or equivalent ordinance, or any combination thereof,
4 and the suspensions, revocations, or denials resulted from at least two separate
5 arrests with the last violation or suspension for an alcohol concentration of under
6 eighteen one-hundredths of one percent by weight.

7 e. For three years if the operator's record shows that within ~~five~~ten years preceding
8 the date of the arrest, the person's operator's license has at least twice previously
9 been suspended, revoked, or issuance denied under this chapter, or for a
10 violation of section 39-08-01 or equivalent ordinance, or any combination thereof,
11 and the suspensions, revocations, or denials resulted from at least two separate
12 arrests and the last violation or suspension was for an alcohol concentration of at
13 least eighteen one-hundredths of one percent by weight.

14 2. In the suspension of the person's operator's license the director shall give credit for the
15 time the person was without an operator's license after the day of the offense, except
16 that the director may not give credit for the time the person retained driving privileges
17 through a temporary operator's permit issued under section 39-20-03.1 or 39-20-03.2.

18 **SECTION 11. AMENDMENT.** Section 39-20-05 of the North Dakota Century Code is
19 amended and reenacted as follows:

20 **39-20-05. Administrative hearing on request - Election to participate in the**
21 **twenty-four seven sobriety program.**

22 1. Before issuing an order of suspension, revocation, or denial under section 39-20-04 or
23 39-20-04.1, the director shall afford that person an opportunity for a hearing if the
24 person mails or communicates by other means authorized by the director a request for
25 the hearing to the director within ten days after the date of issuance of the temporary
26 operator's permit. Before the hearing, an individual may elect to participate in the
27 twenty-four seven sobriety program under chapter 54-12. The hearing must be held
28 within thirty days after the date of issuance of the temporary operator's permit. If no
29 hearing is requested within the time limits in this section, and no affidavit is submitted
30 within the time limits under subsection 2 of section 39-20-04, and if the individual has
31 not provided the director with written notice of election to participate in the twenty-four

1 seven sobriety program under chapter 54-12, the expiration of the temporary
2 operator's permit serves as the director's official notification to the person of the
3 revocation, suspension, or denial of driving privileges in this state.

- 4 2. If the issue to be determined by the hearing concerns license suspension for operating
5 a motor vehicle while having an alcohol concentration of at least eight one-hundredths
6 of one percent by weight or, with respect to an individual under twenty-one years of
7 age, an alcohol concentration of at least two one-hundredths of one percent by weight,
8 the hearing must be before a hearing officer assigned by the director and at a time and
9 place designated by the director. The hearing must be recorded and its scope may
10 cover only the issues of whether the arresting officer had reasonable grounds to
11 believe the individual had been driving or was in actual physical control of a vehicle in
12 violation of section 39-08-01 or equivalent ordinance or, with respect to an individual
13 under twenty-one years of age, the individual had been driving or was in actual
14 physical control of a vehicle while having an alcohol concentration of at least two
15 one-hundredths of one percent by weight; whether the individual was placed under
16 arrest, unless the individual was under twenty-one years of age and the alcohol
17 concentration was less than eight one-hundredths of one percent by weight, then
18 arrest is not required and is not an issue under any provision of this chapter; whether
19 the individual was tested in accordance with section 39-20-01 or 39-20-03 and, if
20 applicable, section 39-20-02; and whether the test results show the individual had an
21 alcohol concentration of at least eight one-hundredths of one percent by weight or,
22 with respect to an individual under twenty-one years of age, an alcohol concentration
23 of at least two one-hundredths of one percent by weight. For purposes of this section,
24 a copy of a certified copy of an analytical report of a blood or urine sample from the
25 director of the state crime laboratory or the director's designee, or electronically posted
26 by the director of the state crime laboratory or the director's designee on the crime
27 laboratory information management system and certified by a law enforcement officer
28 or individual who has authorized access to the crime laboratory management system
29 through the criminal justice data information sharing system, or a certified copy of the
30 checklist and test records from a certified breath test operator, and a copy of a certified
31 copy of a certificate of the director of the state crime laboratory designating the

1 director's designee, establish prima facie the alcohol concentration or the presence of
2 drugs, or a combination thereof, shown therein. Whether the individual was informed
3 that the privilege to drive might be suspended based on the results of the test is not an
4 issue.

- 5 3. If the issue to be determined by the hearing concerns license revocation for refusing to
6 submit to a test under section 39-20-01 or 39-20-14, the hearing must be before a
7 hearing officer assigned by the director at a time and place designated by the director.
8 The hearing must be recorded. The scope of a hearing for refusing to submit to a test
9 under section 39-20-01 may cover only the issues of whether a law enforcement
10 officer had reasonable grounds to believe the person had been driving or was in actual
11 physical control of a vehicle in violation of section 39-08-01 or equivalent ordinance or,
12 with respect to a person under twenty-one years of age, the person had been driving
13 or was in actual physical control of a vehicle while having an alcohol concentration of
14 at least two one-hundredths of one percent by weight; whether the person was placed
15 under arrest; and whether that person refused to submit to the test or tests. The scope
16 of a hearing for refusing to submit to a test under section 39-20-14 may cover only the
17 issues of whether the law enforcement officer had reason to believe the person
18 committed a moving traffic violation or was involved in a traffic accident as a driver,
19 whether in conjunction with the violation or the accident the officer has, through the
20 officer's observations, formulated an opinion that the person's body contains alcohol
21 and, whether the person refused to submit to the onsite screening test. Whether the
22 person was informed that the privilege to drive would be revoked or denied for refusal
23 to submit to the test or tests is not an issue.

- 24 4. At a hearing under this section, the regularly kept records of the director and state
25 crime laboratory may be introduced. Those records establish prima facie their contents
26 without further foundation. For purposes of this chapter, the following are deemed
27 regularly kept records of the director and state crime laboratory:
28 a. Any copy of a certified copy of an analytical report of a blood or urine sample
29 received by the director from the director of the state crime laboratory or the
30 director's designee or electronically posted by the director of the state crime
31 laboratory or the director's designee on the crime laboratory information

- 1 management system and certified by, and received from, a law enforcement
2 officer or individual who has authorized access to the crime laboratory
3 management system through the criminal justice data information sharing system
4 or a certified copy of the checklist and test records received by the director from a
5 certified breath test operator; ~~and~~
- 6 b. Any copy of a certified copy of a certificate of the director of the state crime
7 laboratory or the director's designee relating to approved methods, devices,
8 operators, materials, and checklists used for testing for alcohol concentration or
9 the presence of drugs received by the director from the director of the state crime
10 laboratory or the director's designee, or that have been electronically posted with
11 the state crime laboratory division of the attorney general at the attorney general
12 website; and
- 13 c. Any copy of a certified copy of a certificate of the director of the state crime
14 laboratory designating the director's designees.
- 15 5. At the close of the hearing, the hearing officer shall notify the person of the hearing
16 officer's findings of fact, conclusions of law, and decision based on the findings and
17 conclusions and shall immediately deliver to the person a copy of the decision. If the
18 hearing officer does not find in favor of the person, the copy of the decision serves as
19 the director's official notification to the person of the revocation, suspension, or denial
20 of driving privileges in this state. If the hearing officer finds, based on a preponderance
21 of the evidence, that the person refused a test under section 39-20-01 or 39-20-14 or
22 that the person had an alcohol concentration of at least eight one-hundredths of one
23 percent by weight or, with respect to a person under twenty-one years of age, an
24 alcohol concentration of at least two one-hundredths of one percent by weight, the
25 hearing officer shall immediately take possession of the person's temporary operator's
26 permit issued under this chapter. If the hearing officer does not find against the
27 person, the hearing officer shall sign, date, and mark on the person's permit an
28 extension of driving privileges for the next twenty days and shall return the permit to
29 the person. The hearing officer shall report the findings, conclusions, and decisions to
30 the director within ten days of the conclusion of the hearing. If the hearing officer has

1 determined in favor of the person, the director shall return the person's operator's
2 license by regular mail to the address on file with the director under section 39-06-20.
3 6. If the person who requested a hearing under this section fails to appear at the hearing
4 without justification, the right to the hearing is waived, and the hearing officer's
5 determination on license revocation, suspension, or denial will be based on the written
6 request for hearing, law enforcement officer's report, and other evidence as may be
7 available. The hearing officer shall, on the date for which the hearing is scheduled,
8 mail to the person, by regular mail, at the address on file with the director under
9 section 39-06-20, or at any other address for the person or the person's legal
10 representative supplied in the request for hearing, a copy of the decision which serves
11 as the director's official notification to the person of the revocation, suspension, or
12 denial of driving privileges in this state. Even if the person for whom the hearing is
13 scheduled fails to appear at the hearing, the hearing is deemed to have been held on
14 the date for which it is scheduled for purposes of appeal under section 39-20-06.

15 7. An individual charged with a violation of section 39-08-01 or equivalent ordinance may
16 elect to participate in the twenty-four seven sobriety program under chapter 54-12 in
17 lieu of the administrative hearing under this chapter if the individual's driver's license is
18 not subject to an unrelated suspension or revocation. The director shall issue a
19 temporary restricted driver's license with the restriction the individual participate in the
20 twenty-four seven program upon application by the individual with submission of proof
21 of financial responsibility and proof of participation in the twenty-four seven sobriety
22 program.

23 **SECTION 12. AMENDMENT.** Subsection 6 of section 39-20-07 of the North Dakota
24 Century Code is amended and reenacted as follows:

25 6. The director of the state crime laboratory or the director's designee may appoint, train,
26 certify, and supervise field inspectors of breath testing equipment and its operation,
27 and the inspectors shall report the findings of any inspection to the director of the state
28 crime laboratory or the director's designee for appropriate action. Upon approval of the
29 methods or devices, or both, required to perform the tests and the individuals qualified
30 to administer them, the director of the state crime laboratory or the director's designee
31 shall prepare, certify, and electronically post a written record of the approval with the

- 1 state crime laboratory division of the attorney general at the attorney general website,
2 and shall include in the record:
- 3 a. An annual register of the specific testing devices currently approved, including
4 serial number, location, and the date and results of last inspection.
 - 5 b. An annual register of currently qualified and certified operators of the devices,
6 stating the date of certification and its expiration.
 - 7 c. The operational checklist and forms prescribing the methods currently approved
8 by the director of the state crime laboratory or the director's designee in using the
9 devices during the administration of the tests.
 - 10 d. The certificate of the director of the state crime laboratory designating the
11 director's designees.
 - 12 e. The certified records electronically posted under this section may be
13 supplemented when the director of the state crime laboratory or the director's
14 designee determines it to be necessary, and any certified supplemental records
15 have the same force and effect as the records that are supplemented.
 - 16 e.f. The state crime laboratory shall make the certified records required by this
17 section available for download in a printable format on the attorney general
18 website.

19 **SECTION 13. AMENDMENT.** Section 39-20-14 of the North Dakota Century Code is
20 amended and reenacted as follows:

21 **39-20-14. Screening tests.**

- 22 1. Any individual who operates a motor vehicle upon the public highways of this state is
23 deemed to have given consent to submit to an onsite screening test or tests of the
24 individual's breath for the purpose of estimating the alcohol concentration in the
25 individual's breath upon the request of a law enforcement officer who has reason to
26 believe that the individual committed a moving traffic violation or was involved in a
27 traffic accident as a driver, and in conjunction with the violation or the accident the
28 officer has, through the officer's observations, formulated an opinion that the
29 individual's body contains alcohol.
- 30 2. An individual may not be required to submit to a screening test or tests of breath while
31 at a hospital as a patient if the medical practitioner in immediate charge of the

1 individual's case is not first notified of the proposal to make the requirement, or objects
2 to the test or tests on the ground that such would be prejudicial to the proper care or
3 treatment of the patient.

4 3. The screening test or tests must be performed by an enforcement officer certified as a
5 chemical test operator by the director of the state crime laboratory or the director's
6 designee and according to methods and with devices approved by the director of the
7 state crime laboratory or the director's designee. The results of such screening test
8 must be used only for determining whether or not a further test shall be given under
9 the provisions of section 39-20-01. The officer shall inform the individual that North
10 Dakota law requires the individual to take the screening test to determine whether the
11 individual is under the influence of alcohol, that refusal to take the screening test is a
12 crime, and that refusal of the individual to submit to a screening test ~~will~~may result in a
13 revocation for up to four years of that individual's driving privileges. If such individual
14 refuses to submit to such screening test or tests, none may be given, but such refusal
15 is sufficient cause to revoke such individual's license or permit to drive in the same
16 manner as provided in section 39-20-04, and a hearing as provided in section
17 39-20-05 and a judicial review as provided in section 39-20-06 must be available.

18 ~~However, the~~

19 4. The director must not revoke an individual's driving privileges for refusing to submit to
20 a screening test requested under this section if the individual provides a sufficient
21 breath, blood, or urine sample for a chemical test requested under section 39-20-01
22 for the same incident.

23 5. No provisions of this section may supersede any provisions of chapter 39-20, nor may
24 any provision of chapter 39-20 be construed to supersede this section except as
25 provided herein.

26 6. For the purposes of this section, "chemical test operator" means an individual certified
27 by the director of the state crime laboratory or the director's designee as qualified to
28 perform analysis for alcohol in an individual's blood, breath, or urine.

29 **SECTION 14. LEGISLATIVE MANAGEMENT STUDY - DRIVING UNDER THE**

30 **INFLUENCE.** During the 2013-14 interim, the legislative management shall consider studying
31 the feasibility and desirability of North Dakota Century Code provisions that relate to

1 administrative hearings and administrative sanctions for driving while under the influence of
2 alcohol or drugs. With the assistance of the department of corrections and rehabilitation and the
3 department of human services, the study must include the need for supervision, methods of
