22 contributions by the employee. If the state determines not to pay the contributions, the
23 amount that would have been paid must continue to be deducted from the employee's
24 compensation. If contributions are paid by the employer, they must be treated as
25 employer contributions in determining tax treatment under this code and the federal
26 Internal Revenue Code. If contributions are paid by the employer, they may not be

7 subsection shall report its choice to the board in writing.

9 under section 54-52-06.1 and the job service North Dakota retirement plan, and not

11 contributions by the member. All contributions paid by the employer under this
12 subsection must be treated as employer contributions in determining tax treatment
13 under this code and the Internal Revenue Code. Contributions paid by the employer
14 under this subsection may not be included as gross income of the member in
15 determining tax treatment under this code and the Internal Revenue Code until the
16 contributions are distributed or made available. Contributions paid by the employer in
17 accordance with this subsection must be treated for the purposes of this chapter in the
18 same manner and to the same extent as member contributions made before the date
19 the contributions were assumed by the employer. The employer shall pay these
20 member contributions from the same source of funds used in paying compensation to
21 the employee. The employer shall pay these contributions by effecting an equal cash

8 deferred member may otherwise be entitled.

- 9 3. An eligible employee who elects to participate in the retirement plan established under
10 this chapter must remain a participant even if that employee returns to the classified
11 service or becomes employed by a political subdivision that participates in the public
12 employees retirement system. The contribution amount must be as provided in this
13 chapter, regardless of the position in which the employee is employed.

14 Notwithstanding the irrevocability provisions of this chapter, if a member who elects to
15 participate in the retirement plan established under this chapter becomes a supreme
16 or district court judge, becomes a member of the highway patrol, becomes employed
17 in a position subject to teachers' fund for retirement membership, or becomes an
18 employee of the board of higher education or state institution under the jurisdiction of
19 the board who is eligible to participate in an alternative retirement program established
20 under subsection 6 of section 15-10-17, the member's status as a member of the
21 defined contribution retirement plan is suspended, and the member becomes a new
22 member of the retirement plan for which that member's new position is eligible. The
23 member's account balance remains in the defined contribution retirement plan, but no
24 new contributions may be made to that account. The member's service credit and
25 salary history that were forfeited as a result of the member's transfer to the defined
26 contribution retirement plan remain forfeited, and service credit accumulation in the
27 new retirement plan begins from the first day of employment in the new position. If the
28 member later returns to employment that is eligible for the defined contribution plan,
29 the member's suspension must be terminated, the member again becomes a member
30 of the defined contribution retirement plan, and the member's account resumes
31 accepting contributions. At the member's option, and pursuant to rules adopted by the

1 board, the member may transfer any available balance as determined by the
2 provisions of the alternate retirement plan into the member's account under this
3 chapter.

- 4 4. After consultation with its actuary, the board shall determine the method by which a
5 participating member or deferred member may make a written election under this
6 section. If the participating member or deferred member is married at the time of the
7 election, the election is not effective unless the election is signed by the individual's
8 spouse. However, the board may waive this requirement if the spouse's signature
9 cannot be obtained because of extenuating circumstances. ~~At the time of hire the~~
10 ~~board shall provide an opportunity for an eligible employee to elect to participate in the~~
11 ~~defined contribution retirement plan under this chapter in lieu of the public employees~~
12 ~~retirement system under chapter 54-52, pursuant to rules adopted by the board. A new~~
13 ~~hire may exercise this election anytime from the time of hire until the expiration of thirty~~
14 ~~days following the completion of a probationary period. If an eligible employee's terms~~
15 ~~of employment do not provide for a probationary period, that eligible employee has~~
16 ~~thirty days following the first day of employment within which to exercise this~~
17 ~~election.~~ The board shall provide an opportunity for eligible employees who are new
18 members of the public employees retirement system under chapter 54-52 to transfer
19 to the defined contribution plan under this chapter pursuant to the rules and policies
20 adopted by the board. An election made by an eligible employee to participate in a
21 member of the public employees retirement system under chapter 54-52 to transfer to
22 the defined contribution retirement plan under this chapter is irrevocable. In the case
23 of an eligible employee who makes an election after the date of hire, the election will
24 have the effect of that eligible employee transferring. For an individual who elects to
25 transfer membership from the public employees retirement system under chapter
26 54-52 to the defined contribution retirement plan under this chapter, ~~and~~ the board
27 shall transfer a lump sum amount from the public employees retirement system fund to
28 the participating member's account in the defined contribution retirement plan under
29 this chapter. However, if the individual terminates employment prior to receiving the
30 lump sum transfer under this section, the election made is ineffective and the
31 individual remains a member of the public employees retirement system under chapter

1 ~~54-52 and retains all the rights and privileges under that chapter. The board shall~~
2 ~~calculate the actuarial present value of the individual's accumulated benefit obligation~~
3 ~~under the public employees retirement system based on the assumption that the~~
4 ~~individual will retire under the earliest applicable normal retirement age.~~ This section
5 ~~does not affect an individual's right to health benefits or retiree health benefits under~~
6 ~~chapter 54-52.1.~~

7 ~~5-2.~~ If the board receives notification from the internal revenue service that this section or
8 any portion of this section will cause the public employees retirement system or the
9 retirement plan established under this chapter to be disqualified for tax purposes
10 under the Internal Revenue Code, then the portion that will cause the disqualification
11 does not apply.

12 ~~6-3.~~ A participating member who becomes a temporary employee may still participate in
13 the defined contribution retirement plan upon filing an election with the board within
14 one hundred eighty days of transferring to temporary employee status. The
15 participating member may not become a member of the defined benefit plan as a
16 temporary employee. The temporary employee electing to participate in the defined
17 contribution retirement plan shall pay monthly to the fund an amount equal to eight
18 and twelve-hundredths percent times the temporary employee's present monthly
19 salary. The amount required to be paid by a temporary employee increases by two
20 percent times the temporary employee's present monthly salary beginning with the
21 monthly reporting period of January 2012, and increases annually by two percent,
22 beginning with the monthly reporting period of January 2013, January 2014, and
23 January 2015. The temporary employee shall also pay the required monthly
24 contribution to the retiree health benefit fund established under section 54-52.1-03.2.
25 This contribution must be recorded as a member contribution pursuant to section
26 54-52.1-03.2. An employer may not pay the temporary employee's contributions. A
27 temporary employee may continue to participate as a temporary employee until
28 termination of employment or reclassification of the temporary employee as a
29 permanent employee.

30 ~~7-4.~~ A former participating member who has accepted a retirement distribution pursuant to
31 section 54-52.6-13 and who subsequently becomes employed by an entity different

1 from the employer with which the member was employed at the time the member
2 retired but which does participate in any state-sponsored retirement plan may, before
3 reenrolling in the defined contribution retirement plan, elect to permanently waive
4 future participation in the defined contribution retirement plan, whatever plan in which
5 the new employing entity participates, and the retiree health program and maintain
6 that member's retirement status. Neither the member nor the employer are required to
7 make any future retirement contributions on behalf of that employee.

8 **SECTION 13. AMENDMENT.** Section 54-52.6-09 of the North Dakota Century Code is
9 amended and reenacted as follows:

10 **54-52.6-09. Contributions - Penalty.**

- 11 1. Each participating member shall contribute monthly four percent of the monthly salary
12 or wage paid to the participant, and this assessment must be deducted from the
13 participant's salary in equal monthly installments commencing with the first month of
14 participation in the defined contribution retirement plan established under this chapter.
15 Participating member contributions increase by one percent of the monthly salary or
16 wage paid to the participant beginning with the monthly reporting period of
17 January 2012, and ~~with an additional~~ increase ~~of~~ annually by one percent, beginning
18 with the reporting period of January 2013, January 2014, and January 2015.
- 19 2. The employer shall contribute an amount equal to four and twelve-hundredths percent
20 of the monthly salary or wage of a participating member. Employer contributions
21 increase by one percent of the monthly salary or wage of a participating member
22 beginning with the monthly reporting period of January 2012, and with an additional
23 increase ~~of~~ annually by one percent, beginning with the monthly reporting period of
24 January 2013, January 2014, and January 2015. If the employee's contribution is paid
25 by the employer under subsection 3, the employer shall contribute, in addition, an
26 amount equal to the required employee's contribution. The employer shall pay monthly
27 such contribution into the participating member's account from its funds appropriated
28 for payroll and salary or any other funds available for such purposes. If the employer
29 fails to pay the contributions monthly, it is subject to a civil penalty of fifty dollars and,
30 as interest, one percent of the amount due for each month of delay or fraction thereof
31 after the payment became due.

1 3. Each employer, at its option, may pay the employee contributions required by this
2 section for all compensation earned after December 31, 1999. The amount paid must
3 be paid by the employer in lieu of contributions by the employee. If the employer
4 decides not to pay the contributions, the amount that would have been paid will
5 continue to be deducted from the employee's compensation. If contributions are paid
6 by the employer, they must be treated as employer contributions in determining tax
7 treatment under this code and the federal Internal Revenue Code. Contributions paid
8 by the employer may not be included as gross income of the employee in determining
9 tax treatment under this code and the federal Internal Revenue Code until they are
10 distributed or made available. The employer shall pay these employee contributions
11 from the same source of funds used in paying compensation to the employee. The
12 employer shall pay these contributions by effecting an equal cash reduction in the
13 gross salary of the employee or by an offset against future salary increases or by a
14 combination of a reduction in gross salary and offset against future salary increases.
15 Employee contributions paid by the employer must be treated for the purposes of this
16 chapter in the same manner and to the same extent as employee contributions made
17 before the date on which employee contributions were assumed by the employer. An
18 employer shall exercise its option under this subsection by reporting its choice to the
19 board in writing.

20 **SECTION 14. AMENDMENT.** Section 54-52.6-15 of the North Dakota Century Code is
21 amended and reenacted as follows:

22 **54-52.6-15. Board to provide information.**

23 The board shall provide information to ~~new hires and~~ employees who are eligible to elect to
24 become participating members under this chapter. The information must include at a minimum
25 the employee's current account balance, the assumption of investment risk under a defined
26 contribution retirement plan, administrative and investment costs, coordination of benefits
27 information, and a comparison of projected retirement benefits under the public employees
28 retirement system under chapter 54-52 and the retirement plan established under this chapter.
29 Notwithstanding any other provision of law, the board is not liable for any election or investment
30 decision made by an employee based upon information provided to an employee under this
31 chapter.

1 **SECTION 15. REPEAL.** Section 54-52.6-03 of the North Dakota Century Code is repealed.

2 **SECTION 16. LEGISLATIVE MANAGEMENT STUDY - NORTH DAKOTA RETIREMENT**

3 **PLANS.** During the 2013-14 interim, the legislative management shall consider studying the
4 feasibility and desirability of existing and possible state retirement plans. The study must include
5 an analysis of both a defined benefit plan and a defined contribution plan with considerations
6 and possible consequences for transitioning to a state defined contribution plan. The study may
7 not be conducted by the employee benefits committee. The legislative management shall report
8 its findings and recommendations, together with any legislation needed to implement the
9 recommendations, to the sixty-fourth legislative assembly.

10 **SECTION 17. APPROPRIATION.** There is appropriated from special funds derived from
11 public employees retirement system income not otherwise appropriated, the sum of \$22,000, or
12 so much of the sum as may be necessary, to the public employees retirement system board for
13 the purpose of implementing this Act, for the biennium beginning July 1, 2013, and ending
14 June 30, 2015.

15 **SECTION 18. EFFECTIVE DATE.** Sections 3, 10, 12, 14, and 15 of this Act become
16 effective on October 1, 2013.

17 **SECTION 19. EXPIRATION DATE.** This Act is effective through July 31, 2017.
