20 delivering, or consuming alcoholic beverages;
21 d. If the individual is a law enforcement officer or other public official who enters the
22 premises in the performance of official duty; or

1 e. If the individual enters the premises for training, education, or research purposes
2 under the supervision of an individual twenty-one or more years of age with prior
3 notification of the local licensing authority.

4 3. Notwithstanding any other provision of law, an individual at least eighteen years of age
5 who is a current member of the active uniformed services of the United States, may
6 purchase and consume alcoholic beverages within the boundaries of a military
7 installation in this state if the purchase and consumption of alcoholic beverages by
8 individuals between the ages of eighteen and twenty-one is authorized by the
9 commanding officer of the military installation.

10 ~~3.4.~~ A violation of this section is a class B misdemeanor. For a violation of subsection 2,
11 the court also shall sentence a violator to alcohol and drug education.

12 ~~4.5.~~ The court, under this section, may refer the individual to an outpatient addiction facility
13 licensed by the department of human services for evaluation and appropriate
14 counseling or treatment.

15 ~~5.6.~~ The offense of consumption occurs in the county of consumption or the county where
16 the offender is arrested.

17 ~~6.7.~~ An individual under twenty-one years of age is immune from criminal prosecution
18 under this section if that individual contacted law enforcement or emergency medical
19 services and reported that another individual under twenty-one years of age was in
20 need of medical assistance due to alcohol consumption, provided assistance to the
21 individual in need of medical assistance until assistance arrived and remained on the
22 scene, or was the individual in need of medical assistance and cooperated with
23 medical assistance and law enforcement personnel on the scene. The maximum
24 number of individuals that may be immune for any one occurrence is five individuals.
