A concurrent resolution to amend and reenact section 2 of article III of the Constitution of North Dakota, relating to the fiscal impact of initiated measures.

STATEMENT OF INTENT

This measure would require that initiated measures that are estimated to have a major fiscal impact of twenty million dollars or more must be placed on the general election ballot.

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF NORTH DAKOTA, THE SENATE CONCURRING THEREIN:

That the following proposed amendment to section 2 of article III of the Constitution of North Dakota is agreed to and must be submitted to the qualified electors of North Dakota at the general election to be held in 2016, in accordance with section 16 of article IV of the Constitution of North Dakota.

SECTION 1. AMENDMENT. Section 2 of article III of the Constitution of North Dakota is amended and reenacted as follows:

Section 2. A petition to initiate or to refer a measure must be presented to the secretary of state for approval as to form. A request for approval must be presented over the names and signatures of twenty-five or more electors as sponsors, one of whom must be designated as chairman of the sponsoring committee. The secretary of state shall approve the petition for circulation if it is in proper form and contains the names and addresses of the sponsors and the full text of the measure.

The legislative assembly may provide by law for a procedure through which the legislative council may establish an appropriate method for determining the fiscal impact of an initiative measure and for making the information regarding the fiscal impact of the measure available to the public. If the legislative council determines the fiscal impact of an initiated measure will be twenty million dollars or more, or have a major fiscal impact, as determined by law, during the next full biennium after the measure is due to become effective and the
secretary of state determines the petition includes the required number of signatures and
qualifies to be placed on the ballot as provided under this article, the secretary of state shall
place the measure on the next general election ballot.
