- 2 A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

This Bill requires the Water Commission to conduct studies of the Fargo Diversion project. We are unable to determine the fiscal impact of this bill at this time.

- B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

The Fargo Diversion project is a federal project, the Corps of Engineers looked at retention as an alternative when completing the Environmental Impact Statement. We would need to discuss with Legislators how much of that analysis could be used for this subsequent study before setting out the parameters and seeking bids from engineering firms. As for the study of the impact of the project on the areas outside the area the Corps of Engineers determined mitigation was required, we do not have a history of contracting for this type of study and are unable to estimate its cost.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

- A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

- B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.*
