

PROPOSED AMENDMENTS TO HOUSE RULE 511

1 **SECTION 1. AMENDMENT.** House Rule 511 is amended as follows:

2 **511. Limitation on changes to measures rereferred.** The Appropriations Committee may
3 not change the intent of any measure rereferred to it after a hearing in another standing
4 committee of the House, unless necessitated by consideration of the appropriation contained in
5 the measure. If the Appropriations Committee recommends any amendment of the measure
6 other than an amendment of the appropriation, the Appropriations Committee shall report the
7 measure back to the House at least two legislative days before the deadline for reporting bills
8 back from committee for immediate action to consider the amendment and rereferral to the
9 standing committee that first heard the measure for its recommendation if the amendment is
10 adopted.
