"SECTION 1. AMENDMENT. Section 15-08.1-08 of the North Dakota Century Code is amended and reenacted as follows:

15-08.1-08. Income - Expenses - Reimbursement - Creation of strategic investment and improvements fund - Legislative intent–Contingent transfer to legacy fund.

The income derived from the sale, lease, and management of the mineral interests acquired by the board of university and school lands pursuant to this chapter and other funds as provided by law must, after deducting the expenses of sale, lease, and management of the property, be deposited in a fund to be known as the strategic investment and improvements fund. The corpus and interest of such trust may be expended as the legislative assembly may provide for one-time expenditures relating to improving state infrastructure or for initiatives to improve the efficiency and effectiveness of state government. It is the intent of the legislative assembly that moneys in the fund may be included in draft appropriation acts under section 54-44.1-06 and may be appropriated by the legislative assembly, but only to the extent that the moneys are estimated to be available at the beginning of the biennium in which the appropriations are authorized. ~~If the unobligated balance in the fund at the end of any month exceeds three hundred million dollars, twenty-five percent of any revenues received for deposit in the fund in the subsequent month must be deposited instead into the legacy fund. For purposes of this section, "unobligated balance in the fund" means the balance in the fund reduced by appropriations or transfers from the fund authorized by the legislative assembly, guarantee reserve fund requirements under section 6-09.7-05, and any fund balance designated by the board of university and school lands relating to potential title disputes related to certain riverbed leases."~~

Page 17, replace lines 10 through 13 with "and must be distributed based on oil and gas gross production tax distribution payments to school districts. The distribution to each school district must be proportional to each school district's total distribution payments under subdivision b of subsection 1, subdivision b of subsection 4, or subdivision b of subsection 5 of section 57-51-15, for the period beginning September 1, 2013, and ending August 31, 2014, relative to the combined total of all distribution payments to school districts under subdivision b of subsection 1, subdivision b of subsection 4, and subdivision b of subsection 5 of section 57-51-15, for the period beginning September 1, 2013, and ending August 31, 2014.

3. \$10,000,000, or so much of the sum as may be necessary, for grants to law enforcement agencies impacted by oil and gas development. The director of the energy infrastructure and impact office, in consultation with the drug and violent crime policy board of the attorney general's office, shall adopt grant procedures and requirements necessary for the distribution of grants under this subsection. The grants must be distributed to law enforcement agencies in oil-impacted counties where crime-related activities have increased or in other counties if the crime-related activities in oil-impacted counties originated in any of those counties.
4. Notwithstanding chapter 57-62, \$10,000,000, or so much of the sum as may be necessary, for grants to critical access hospitals in oil-producing counties and in counties contiguous to an oil-producing county to address the effects of oil and gas-related economic development activities. The director of the energy infrastructure and impact office, in consultation with the department of human services, shall adopt grant procedures and requirements necessary for the distribution of grants under this subsection. One-half of the grant funding must be distributed in January of each year of the biennium.
5. Notwithstanding chapter 57-62, \$8,000,000, or so much of the sum as may be necessary, for grants to certain eligible counties. The grants must be distributed in equal amounts to each eligible county. For purposes of this subsection, "eligible counties" means the two counties that received the fifth and sixth highest amount of total allocations under subsection 2 of section 57-51-15, for the period beginning September 1, 2013, and ending August 31, 2014.
6. Notwithstanding chapter 57-62, \$6,000,000, or so much of the sum as may be necessary, for grants to emergency medical services providers for expenditures that would mitigate negative effects of oil and gas-related development affecting emergency medical services providers providing services in oil-producing counties, including the need for increased emergency medical services providers services, staff, equipment, coverage, and personnel training. The director of the energy infrastructure

and impact office may develop grant procedures and requirements necessary for the distribution of grants under this subsection.

7. \$5,000,000, or so much of the sum as may be necessary, for grants to eligible political subdivisions. For purposes of this subsection, "eligible political subdivisions" means counties, cities, organized townships, or other taxing districts in the seven counties that individually received total allocations of less than \$5,000,000 under subsection 2 of section 57-51-15, for the period beginning September 1, 2013, and ending August 31, 2014.
8. Notwithstanding chapter 57-62, \$4,000,000, or so much of the sum as may be necessary, for grants to nursing homes, basic care facilities, and providers of home health services and hospice programs in oil-producing counties to address the effects of oil and gas and related development activities. The director of the energy infrastructure and impact office, in consultation with key stakeholders, shall adopt grant procedures and requirements necessary for the distribution of grants under this subsection. Of the \$4,000,000, up to \$500,000 must be distributed to home health services and hospice programs in the two hub cities as defined under section 57-51-01 that received the two highest total allocations under subsection 1 of section 57-51-15 for the period beginning September 1, 2013, and ending August 31, 2014. The remaining amount must be distributed to nursing homes and basic care facilities.
9. \$3,000,000, or so much of the sum as may be necessary, for grants to fire protection districts for expenditures that would mitigate negative effects of oil and gas-related development affecting fire protection districts providing services in oil-producing counties, including the need for increased fire protection district services, staff, equipment, coverage, and personnel training. The director of the energy infrastructure and impact office may develop grant procedures and requirements necessary for the distribution of grants under this subsection.
10. Notwithstanding chapter 57-62, \$2,000,000, or so much of the sum as may be necessary, for grants to providers that serve individuals with developmental disabilities located in oil-producing counties to address the effects of oil and gas-related development activities. The director of the energy infrastructure and impact office, in consultation with the department of human services, shall adopt grant procedures and requirements necessary for the distribution of grants under this subsection. The grants must be distributed in January of each year of the biennium, based on the number of full-time equivalent positions of each provider as determined by the department of human services. When setting rates for the entities receiving grants under this section, the department of human services shall exclude grant income received under this section as an offset to costs.
11. Notwithstanding chapter 57-62, \$2,000,000, or so much of the sum as may be necessary, for grants to domestic violence sexual assault organizations as defined in section 14-07.1-01 that are located in oil-producing counties to address the effects of oil and gas-related development activities. The director of the energy infrastructure and impact office, in consultation with the department of commerce, shall adopt grant procedures and requirements necessary for the distribution of grants under this subsection.

The requirements must include required local matching funds of at least two dollars of nonstate funds for each dollar of grant funds.

12. \$2,000,000, or so much of the sum as may be necessary, for grants to local district health units that are located in oil-producing counties to address the effects of oil and gas-related development activities. The director of the energy infrastructure and impact office, in consultation with the state department of health, shall adopt grant procedures and requirements necessary for the distribution of grants under this subsection.

13. \$1,700,000, or so much of the sum as may be necessary, to each eligible city. For purposes of this subsection, an "eligible city" means a city in an area impacted by oil and gas development with a population of more than 1,453, but fewer than 1,603 according to the last official decennial federal census."

Page 17, after line 25, insert:

"SECTION 6. LEGISLATIVE MANAGEMENT STUDY - OIL AND GAS TAX REVENUE ALLOCATION FORMULAS. During the 2015-16 interim, the legislative management shall consider studying the oil and gas tax revenue allocation formulas. The study must include consideration of current and historical allocations to political subdivisions and the appropriate level of oil and gas tax revenue allocations to political subdivisions based on infrastructure and other needs. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-fifth legislative assembly."

Page 17, line 26, after the second boldfaced period insert "Section 1 of this Act is effective for tax collections received by the tax commissioner and for royalty, bonus, and other revenues received for deposit into the strategic investment and improvements fund after June 30, 2015."

 - \$2 million for domestic violence sexual assault organizations
 - \$2 million local district health units
 - \$800,000 to certain eligible cities

- Appropriates \$139.3 million (\$140 million allocated to the fund less approximately \$700,000 for administrative costs) from the oil and gas impact grant fund to the Department of Trust Lands for oil impact grants. Based on the proposed changes, approximately \$6.8 million is undesignated and \$132.5 million is designated as follows:
 - \$48 million for airports
 - \$30 million for school districts
 - \$10 million for law enforcement agencies
 - \$10 million for critical access hospitals
 - \$8 million for certain eligible counties
 - \$6 million for emergency medical services providers
 - \$5 million for eligible political subdivisions
 - \$4 million for nursing homes and hospice programs
 - \$3 million for fire protection districts
 - \$2 million for providers serving individuals with developmental disabilities
 - \$2 million for domestic violence sexual assault organizations
 - \$2 million local district health units
 - \$1.7 million to an eligible city
 - \$800,000 to certain eligible cities

- Provides for a legislative management study of oil and gas tax allocations
