4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1.** A new section to chapter 54-35 of the North Dakota Century Code is created
6 and enacted as follows:

7 **Legislative interim committee review of economic development tax incentives.**

8 The legislative assembly enacts economic development tax incentives with the intent to
9 encourage businesses to locate, grow, and remain in the state; to enhance employment
10 opportunities for citizens; and to foster the most advantageous direction, diversity, and growth of
11 the state economy. The legislative assembly requires systematic, detailed analysis of enacted
12 economic development tax incentives to assure that incentives are, and will continue, serving
13 the intended purposes in a cost-effective and equitable manner consistent with the intent of the
14 legislative assembly. To serve this intent and requirement:

- 15 1. During each interim, the legislative management shall assign to a legislative

19 management.
- 20 2. The legislative management interim committee assigned the study responsibility under
21 this section shall analyze each incentive, applying considerations relevant to the
22 perceived goals of the incentive, including any or all of the following:

- 10 out-of-state concerns.
- 11 f. The employment opportunities generated by the incentive and the extent those
- 12 represent career opportunities.
- 13 g. Whether the incentive is the most effective use of state resources to achieve
- 14 desired goals.
- 15 h. If the committee's analysis of the incentive is constrained by lack of data, whether
- 16 statutory or administrative changes should be made to improve collection and
- 17 availability of data.
- 18 3. The legislative management interim committee assigned the study responsibility under
- 19 this section may examine economic development tax incentives, shall complete
- 20 analysis of the state-imposed tax aspects of the incentives it designates for analysis
- 21 during the interim, and shall approve a plan to provide that each of the economic
- 22 development tax incentives listed in this subsection is subject to a complete analysis
- 23 within each six-year period. The interim committee may include in its
- 24 recommendations any amendments to this section, including amendments to add or
- 25 remove incentives from the list of incentives subject to analysis under this subsection.
