2 condition. A written certification must affirm that it is made in the course of a bona fide
3 practitioner-patient relationship and must specify the qualifying patient's debilitating
4 medical condition.

5 **19-24-02. Protections for the medical use of cannabis.**

6 1. A cardholder who possesses a valid registry identification card is not subject to arrest,
7 prosecution, or penalty in any manner under chapter 19-03.1 or 19-03.4, or denial of
8 any right or privilege, including any civil penalty or disciplinary action by a court or
9 occupational or professional licensing board or bureau for:

10 a. The medical use of cannabis under this chapter, if the cardholder does not

22 medical use, to a nonresident cardholder, or to a dispensary if nothing of value is
23 transferred in return and the individual giving the cannabis does not knowingly
24 cause the recipient to possess more than the allowable amount of cannabis.

25 2. A nonresident cardholder may not be subject to arrest, prosecution, or penalty under
26 chapter 19-03.1 or 19-03.4, or denied any right or privilege, including civil penalty or
27 disciplinary action by a business or occupational or professional licensing board or
28 entity, for transporting, purchasing, possessing, or using medical cannabis under this
29 chapter if the nonresident cardholder does not possess more than two ounces of
30 cannabis and the quantity of cannabis products established by department regulation.

- 1 3. There is a presumption that a qualifying patient or designated caregiver is engaged in
2 the medical use of cannabis pursuant to this chapter if the cardholder is in possession
3 of a registry identification card and an amount of cannabis which does not exceed the
4 allowable amount of cannabis. The presumption may be rebutted by evidence that

7 qualifying patient's debilitating medical condition pursuant to this chapter.
- 8 4. A practitioner may not be subject to arrest, prosecution, or penalty in any manner, or
9 denied any right or privilege, including civil penalty or disciplinary action by the state
10 board of medical examiners or by any other occupational or professional licensing

12 in the practitioner's professional opinion, a patient is likely to receive therapeutic or
13 palliative benefit from the medical use of cannabis to treat or alleviate the patient's
14 serious or debilitating medical condition or symptoms associated with the serious or
15 debilitating medical condition, provided nothing in this chapter prevents a practitioner
16 from being sanctioned for:
- 17 a. Issuing a written certification to a patient with whom the practitioner does not
18 have a bona fide practitioner-patient relationship; or
- 19 b. Failing to properly evaluate a patient's medical condition.
- 20 5. An attorney may not be subject to disciplinary action by the state bar association or
21 other professional licensing association for providing legal assistance to prospective or
22 registered medical cannabis establishments or others related to activity that is no
23 longer subject to criminal penalties under state law pursuant to this chapter.
- 24 6. An individual may not be subject to arrest, prosecution, or penalty in any manner
25 under chapter 19-03.1 or 19-03.4, or denied any right or privilege, including any civil
26 penalty or disciplinary action by a court or occupational or professional licensing board
27 or bureau, for:
- 28 a. Providing or selling cannabis paraphernalia to a cardholder, nonresident
29 cardholder, or to a medical cannabis establishment;
- 30 b. Being in the presence or vicinity of the medical use of cannabis which are exempt
31 from criminal penalties under this chapter;

- 1 c. Allowing the individual's property to be used for activities that are exempt from
2 criminal penalties under this chapter; or

4 cannabis.
- 5 7. A dispensary or a dispensary agent is not subject to prosecution, search, or
6 inspection, except by the department under this chapter, seizure, or penalty in any
7 manner, and may not be denied any right or privilege, including civil penalty or
8 disciplinary action by a court or business licensing board or entity, for acting pursuant
9 to this chapter and rules authorized by this chapter to:
- 10 a. Possess, transport, and store cannabis and cannabis products;
11 b. Deliver, transfer, and transport cannabis to testing facilities and compensate
12 testing facilities for services provided;
- 13 c. Accept cannabis offered by a cardholder or nonresident cardholder if nothing of
14 value is exchanged in return;

19 cannabis paraphernalia, and related supplies and educational materials to
20 cardholders, nonresident cardholders, and dispensaries.
- 21 8. A cultivation facility or a cultivation facility agent is not subject to prosecution, search,
22 or inspection, except by the department under this chapter, seizure, or penalty in any
23 manner, and may not be denied any right or privilege, including civil penalty or
24 disciplinary action by a court or business licensing board or entity for acting under this
25 chapter and rules authorized by this chapter to:
- 26 a. Possess, plant, propagate, cultivate, grow, harvest, produce, process,
27 manufacture, compound, convert, prepare, pack, repack, or store cannabis;

- 7 dispensaries.
- 8 9. A cannabis product manufacturing facility or a cannabis product manufacturing facility
- 9 agent is not subject to prosecution, search, or inspection, except by the department
- 10 under this chapter, seizure, or penalty in any manner, and may not be denied any right
- 11 or privilege, including civil penalty or disciplinary action by a court or business
- 12 licensing board or entity for acting under this chapter and rules authorized by this
- 13 chapter to:
- 14 a. Purchase or otherwise acquire cannabis from cultivation facilities, and cannabis
- 15 products or cannabis from cannabis product manufacturing facilities;
- 16 b. Possess, produce, process, manufacture, compound, convert, prepare, pack,
- 17 repack, and store cannabis and cannabis products;
- 18 c. Deliver, transfer, or transport cannabis, cannabis products, cannabis
- 19 paraphernalia, and related supplies and educational materials to dispensaries

- 25 product manufacturing facilities or dispensaries.
- 26 10. A testing facility or testing facility agent is not subject to prosecution, search, or
- 27 inspection, except by the department under this chapter, seizure, or penalty in any
- 28 manner, and may not be denied any right or privilege, including civil penalty or

- 10 seeds to cultivation facilities.
- 11 12. Any cannabis, cannabis product, cannabis paraphernalia, or other interest in or right to
- 12 property that is possessed, owned, or used in connection with the medical use of
- 13 cannabis as allowed under this chapter, or acts incidental to that use, may not be
- 14 seized or forfeited. This chapter may not prevent the seizure or forfeiture of cannabis
- 15 exceeding the amounts allowed under this chapter, nor prevent seizure or forfeiture if
- 16 the basis for the action is unrelated to the cannabis that is possessed, manufactured,
- 17 transferred, or used under this chapter.
- 18 13. Possession of, or application for, a registry identification card does not constitute
- 19 probable cause or reasonable suspicion, nor may it be used to support a search of the
- 20 individual or property of the individual possessing or applying for the registry
- 21 identification card, or otherwise subject the individual or property of the individual to
- 22 inspection by any governmental agency.
- 23 14. For the purposes of state law, activities related to medical cannabis must be
- 24 considered lawful as long as the activities are in accordance with this chapter.

25 **19-24-03. Limitations.**

- 26 1. This chapter does not authorize any person to engage in, and does not prevent the
- 27 imposition of any civil, criminal, or other penalties for engaging in, the following
- 28 conduct:
- 29 a. Undertaking any task under the influence of cannabis, when doing so would
- 30 constitute negligence or professional malpractice;

- 1 b. Possessing cannabis or otherwise engaging in the medical use of cannabis in
2 any correctional facility;
- 3 c. Operating, navigating, or being in actual physical control of any motor vehicle,
4 aircraft, train, or motorboat while under the influence of cannabis, except that a
5 registered qualifying patient or nonresident cardholder may not be considered to
6 be under the influence of cannabis solely because of the presence of metabolites
7 or components of cannabis that appear in insufficient concentration to cause
8 impairment.

9 **19-24-04. Discrimination prohibited.**

- 10 1. A school or landlord may not refuse to enroll or lease to and may not otherwise
11 penalize an individual solely for the individual's status as a cardholder, unless failing to
12 do so would violate federal law or regulations or cause the school or landlord to lose a
13 monetary or licensing-related benefit under federal law or regulations.
- 14 2. For the purposes of medical care, including organ and tissue transplants, a registered
15 qualifying patient's use of cannabis according to this chapter is considered the
16 equivalent of the authorized use of any other medication used at the discretion of a
17 practitioner and does not constitute the use of an illicit substance or otherwise
18 disqualify a qualifying patient from necessary medical care.
- 19 3. An individual may not be denied primary residential responsibility of or parenting time
20 with a minor solely for the individual's status as a cardholder, and there may not be a
21 presumption of neglect or child endangerment for conduct allowed under this chapter,
22 unless the individual's behavior is such that it creates an unreasonable danger to the
23 safety of the minor as established by clear and convincing evidence.
- 24 4. Except as provided in this chapter, a registered qualifying patient who uses cannabis
25 for medical purposes must be afforded all the same rights under state and local law,
26 including those guaranteed under chapter 14-02.4, as the individual would be afforded
27 if the patient were solely prescribed pharmaceutical medications, as it pertains to:
- 28 a. Any interaction with a individual's employer;
- 29 b. Drug testing by a individual's employer; or
- 30 c. Drug testing required by any state or local law, agency, or government official.

1 5. The rights provided by this section do not apply to the extent the rights conflict with an
2 employer's obligations under federal law or regulations or to the extent the rights
3 would disqualify an employer from a monetary or licensing-related benefit under
4 federal law or regulations.

5 6. An employer is not required to allow the ingestion of cannabis in any workplace or to
6 allow any employee to work while under the influence of cannabis. A registered
7 qualifying patient may not be considered to be under the influence of cannabis solely
8 because of the presence of metabolites or components of cannabis that appear in
9 insufficient concentration to cause impairment.

10 7. A school, landlord, or employer may not be penalized or denied any benefit under
11 state law for enrolling, leasing to, or employing a cardholder.

12 **19-24-05. Addition of debilitating medical conditions.**

13 Any resident of the state may petition the department to add serious medical conditions or
14 the condition's treatments to the list of debilitating medical conditions listed in this chapter. The
15 department shall consider petitions in the manner required by department regulation, including
16 public notice and hearing. The department shall approve or deny a petition within one hundred
17 eighty days of its submission. The approval or denial of any petition is a final decision of the
18 department, subject to judicial review.

19 **19-24-06. Acts not required - Acts not prohibited.**

20 1. This chapter does not require:

21 a. Medial assistance or a private insurer to reimburse an individual for costs
22 associated with the medical use of cannabis; or

23 b. A landlord to allow the cultivation of cannabis on the rental property.

24 2. This chapter does not prohibit an employer from disciplining an employee for ingesting
25 cannabis in the workplace or for working while under the influence of cannabis.

26 **19-24-07. Issuance - Denial.**

27 1. The department shall begin issuing registry identification cards to qualifying patients
28 no later than one hundred forty days after the effective date of this Act who submit the
29 following, in accordance with the department's regulations:

30 a. A written certification issued by a practitioner within ninety days immediately
31 preceding the date of an application;

- 1 b. The application or renewal fee;
- 2 c. The name, address, and date of birth of the qualifying patient, except if the
3 applicant is homeless, no address is required;
- 4 d. The name, address, and telephone number of the qualifying patient's practitioner;
- 5 e. The name, address, and date of birth of the designated caregiver, or designated
6 caregivers, chosen by the qualifying patient;

- 10 g. The name of no more than two dispensaries that the qualifying patient
11 designates; and
- 12 h. If the qualifying patient designates a designated caregiver, a designation as to
13 whether the qualifying patient or designated caregiver will be allowed under state
14 law to possess and cultivate cannabis plants for the qualifying patient's medical
15 use.
- 16 2. If the qualifying patient is unable to submit the information required by this section due
17 to the individuals' age or medical condition, the person responsible for making medical
18 decisions for the qualifying patient may do so on behalf of the qualifying patient.
- 19 3. Except as provided in subdivision d, the department shall:
- 20 a. Verify the information contained in an application or renewal submitted pursuant
21 to this chapter and approve or deny an application or renewal within fifteen days
22 of receiving a completed application or renewal application;
- 23 b. Issue registry identification cards to a qualifying patient and the patient's
24 designated caregivers within five days of approving the application or renewal. A
25 designated caregiver must have a registry identification card for each of the
26 designated caregiver's qualifying patients; and
- 27 c. Enter the registry identification number of the dispensary or dispensaries the
28 patient designates into the verification system.
- 29 4. The department may conduct a background check of the prospective designated
30 caregiver in order to carry out this provision.

- 1 5. The department may not issue a registry identification card to a qualifying patient who
2 is younger than eighteen years of age unless:
 - 3 a. The qualifying patient's practitioner has explained the potential risks and benefits
4 of the medical use of cannabis to the custodial parent or legal guardian with
5 responsibility for health care decisions for the qualifying patient; and
 - 6 b. The custodial parent or legal guardian with responsibility for health care decisions
7 for the qualifying patient consents in writing to:
 - 8 (1) Allow the qualifying patient's medical use of cannabis;
 - 9 (2) Serve as the qualifying patient's designated caregiver; and
 - 10 (3) Control the acquisition of the cannabis, the dosage, and the frequency of
11 the medical use of cannabis by the qualifying patient.
- 12 6. The department may deny an application or renewal of a qualifying patient's registry
13 identification card only if the applicant:
 - 14 a. Did not provide the required information, fee, or materials;
 - 15 b. Previously had a registry identification card revoked; or
 - 16 c. Provided false information.
- 17 7. The department may deny an application or renewal for a designated caregiver
18 chosen by a qualifying patient whose registry identification card was granted only if:
 - 19 a. The designated caregiver does not meet the requirements of this chapter;
 - 20 b. The applicant did not provide the information required;
 - 21 c. The designated caregiver previously had a registry identification card revoked; or
 - 22 d. The applicant or the designated caregiver provided false information.
- 23 8. The department shall give written notice to the qualifying patient of the reason for
24 denying a registry identification card to the qualifying patient or to the qualifying
25 patient's designated caregiver.
- 26 9. Denial of an application or renewal is considered a final department action, subject to
27 judicial review.
- 28 10. A copy of the individual's application, written certification, and proof the application
29 was submitted to the department must be deemed a registry identification card until a
30 qualifying patient who has submitted an application and the required fee to the
31 department receives a registry identification card or a rejection.

- 1 11. A copy of the qualifying patient's application, written certification, and proof the
2 application was submitted to the department must be deemed a registry identification
3 card until a designated caregiver whose qualifying patient has submitted an
4 application and the required fee receives a registry identification card or a rejection.
5 a. A valid, written certification issued within the previous year must be deemed a
6 registry identification card for a qualifying patient until twenty-five days after the
7 department makes applications available.
8 12. The following must be deemed a designated caregiver registry identification card until
9 twenty-five days after the department makes applications available:
10 a. A copy of a qualifying patient's valid written certification issued within the previous
11 year; and
12 b. A signed affidavit attesting that the individual has significant responsibility for
13 managing the well-being of the patient and that the individual has been chosen to
14 assist the qualifying patient.

15 **19-24-08. Registry identification cards.**

- 16 1. A registry identification card must contain:
17 a. The name of the cardholder;
18 b. A designation of whether the cardholder is a qualifying patient or a designated
19 caregiver;
20 c. The date of issuance and expiration date;
21 d. A random ten-digit alphanumeric identification number, containing at least four
22 numbers and at least four letters, which is unique to the cardholder;
23 e. If the cardholder is a designated caregiver, the random identification number of
24 the qualifying patient the designated caregiver will assist;
25 f. A photograph of the cardholder, if the department's regulations require one; and
26 g. The phone number or website address where the card can be verified.
27 2. Except as provided in this subsection, the expiration date must be one year after the
28 date of issuance.
29 3. If the practitioner stated in the written certification that the qualifying patient would
30 benefit from cannabis until a specified earlier date, the registry identification card
31 expires on that date.

1 **19-24-09. Verification system.**

- 2 1. The department shall maintain a confidential list of the individuals to whom the
3 department has issued registry identification cards and those individuals' addresses,
4 phone numbers, and registry identification numbers. This confidential list must not be
5 combined or linked in any manner with any other list or database, or be used for any
6 purpose not provided for in this chapter.
- 7 2. Within one hundred twenty days of the effective date of this Act, the department shall
8 establish a secure telephone or web-based verification system. The verification
9 system must allow law enforcement personnel and medical cannabis establishments
10 to enter a registry identification number and determine whether the number
11 corresponds with a current, valid registry identification card. The system may disclose
12 only:
- 13 a. Whether the identification card is valid;
 - 14 b. The name of the cardholder;
 - 15 c. Whether the cardholder is a qualifying patient or a designated caregiver;
 - 16 d. The registry identification number of any affiliated registered qualifying patient;
17 and
 - 18 e. The registry identification of the qualifying patient's dispensary or dispensaries, if
19 any.

20 **19-24-10. Notification to department - Civil penalty.**

- 21 1. The following notifications and department responses are required:

23 change in name or address, or if the registered qualifying patient ceases to have
24 a debilitating medical condition.
 - 25 b. A registered designated caregiver shall notify the department within ten days of
26 any change in name or address, or if the designated caregiver becomes aware
27 the qualifying patient passed away.
 - 28 c. The qualifying patient shall notify the department before a registered qualifying
