

Sixty-fifth  
Legislative Assembly  
of North Dakota

## ENGROSSED HOUSE BILL NO. 1155

Introduced by

Representatives Delzer, Bellew, Carlson, Monson, Streyle

1 A BILL for an Act to amend and reenact sections 54-27.2-01, 54-27.2-03, and 54-44.1-12 of the  
2 North Dakota Century Code, relating to the balance of the budget stabilization fund, transfers  
3 and expenditures from the budget stabilization fund, and the allotment of funds; and to declare  
4 an emergency.

5 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

6 **SECTION 1. AMENDMENT.** Section 54-27.2-01 of the North Dakota Century Code is  
7 amended and reenacted as follows:

8 **54-27.2-01. Budget stabilization fund.**

9 The budget stabilization fund is a special fund in the state treasury. The state investment  
10 board shall supervise investment of the budget stabilization fund in accordance with chapter  
11 21-10. Any interest or other budget stabilization fund earnings must be ~~deposited~~ credited to  
12 the fund. Any amounts provided by law for deposit in the fund and any interest or earnings of  
13 the fund which would bring the balance in the fund at the end of any fiscal year to an amount  
14 greater than ~~nine and one-half~~ fifteen percent of the current biennial state general fund budget,  
15 as finally approved by the most recently adjourned special or regular session of the legislative  
16 assembly, may not be deposited ~~or retained in~~ or credited to the fund but must be deposited  
17 instead in the state general fund.

18 **SECTION 2. AMENDMENT.** Section 54-27.2-03 of the North Dakota Century Code is  
19 amended and reenacted as follows:

20 **54-27.2-03. Transfers and expenditures from budget stabilization fund.**

21 ~~If the director of the office of management and budget projects that general fund revenues~~  
22 ~~for the biennium will be at least two and one-half percent less than estimated by the most~~  
23 ~~recently adjourned special or regular session of the legislative assembly, and if the governor~~  
24 ~~orders a transfer, which must be reported to the budget section of the legislative management,~~

1 the state treasurer shall transfer the appropriate funds from the budget stabilization fund to the  
2 state general fund to offset the decrease in general fund revenues. The amount transferred from  
3 the budget stabilization fund upon order of the governor may not exceed the difference between  
4 an amount two and one-half percent below the general fund revenue projections for the  
5 biennium of the most recently adjourned special or regular session of the legislative assembly  
6 and the general fund revenue projections for the biennium by the director of the office of  
7 management and budget. The amount

8 1. The governor may order transfers from the budget stabilization fund to the general  
9 fund as follows:

- 10 a. After general fund allotments totaling at least three percent have been made  
11 during the biennium under section 54-44.1-12, the governor may order a transfer  
12 up to an amount equal to three percent of general fund appropriations.
- 13 b. If the maximum transfer from the budget stabilization fund is made to the general  
14 fund under subdivision a and an additional general fund allotment of at least one  
15 percent is made under section 54-44.1-12, the governor may order a transfer up  
16 to an amount equal to two percent of general fund appropriations.
- 17 c. If the maximum transfer from the budget stabilization fund is made to the general  
18 fund under subdivision b and an additional general fund allotment of at least one  
19 percent is made under section 54-44.1-12, the governor may order a transfer up  
20 to an amount equal to three percent of general fund appropriations.
- 21 d. If the maximum transfer from the budget stabilization fund is made to the general  
22 fund under subdivision c and an additional general fund allotment of at least one  
23 percent is made under section 54-44.1-12, the governor may transfer any  
24 remaining funds in the budget stabilization fund to the general fund.
- 25 e. The amount of a transfer made under any subdivision of this subsection may not  
26 exceed the difference between the general fund revenue projections for the  
27 biennium of the most recently adjourned special or regular session of the  
28 legislative assembly and the revised general fund revenue projections for the  
29 biennium, less the amounts of any allotments ordered under section 54-44.1-12  
30 during the biennium, as determined by the director of the office of management  
31 and budget. For purposes of this subsection, "general fund revenue projections

1 for the biennium" includes the general fund balance at the beginning of the  
2 biennium.

3 f. For purposes of this subsection, the calculation of total percentage general fund  
4 allotments made under section 54-44.1-12 must be based on total general fund  
5 allotments after any allotment exemption granted by the director of the budget  
6 compared to total general fund appropriations.

7 2. Any amounts transferred from the budget stabilization fund upon order of the governor  
8 to the state general fund may be expended within the limits of legislative guidelines  
9 and general fund appropriations of the most recently adjourned special or regular  
10 session of the legislative assembly. For purposes of this section, "general fund  
11 revenues for the biennium" and "general fund revenue projections for the biennium"  
12 include the general fund balance at the beginning of the biennium appropriations"  
13 includes total biennium general fund appropriations approved by the most recently  
14 adjourned special or regular session of the legislative assembly. The director of the  
15 office of management and budget must provide a report to the budget section of the  
16 legislative management when a transfer is made under this section.

17 **SECTION 3. AMENDMENT.** Section 54-44.1-12 of the North Dakota Century Code is  
18 amended and reenacted as follows:

19 **54-44.1-12. Control over rate of expenditures.**

20 1. The director of the budget shall exercise continual control over the execution of the  
21 budget affecting the departments and agencies of state government, with the  
22 exception of the legislative and judicial branches. Execution means the analysis and  
23 approval of all commitments for conformity with the program provided in the budget,  
24 frequent comparison of actual revenues and budget estimates, and on the basis of  
25 these analyses and comparisons control the rate of expenditures through a system of  
26 allotments. The allotment must be made by specific fund and all departments and  
27 agencies that receive moneys from that fund must be allotted on a uniform percentage  
28 basis; ~~except that appropriations to the department of public instruction for state~~  
29 ~~school aid, transportation aid, and special education aid may only be allotted to the~~  
30 ~~extent that the allotment can be offset by transfers from the foundation aid stabilization~~  
31 ~~fund as follows:~~

1 a. ~~The first two and one-half percent allotment from the general fund must be offset~~  
2 ~~with a transfer from the foundation aid stabilization fund.~~

3 b. ~~Any general fund allotment in excess of two and one-half percent that is~~  
4 ~~necessary, after all moneys available in the budget stabilization fund have been~~  
5 ~~transferred to the general fund under section 54-27.2-03, may be offset with a~~  
6 ~~transfer from the foundation aid stabilization fund.~~

7 a. The following appropriations may be allotted only to the extent that the allotment  
8 can be offset by transfers from the foundation aid stabilization fund:

9 (1) General fund appropriations to the department of public instruction for state  
10 school aid, transportation aid, and special education aid; and

11 (2) General fund appropriations to the department of career and technical  
12 education for grants to school districts.

13 b. The director of the budget may exempt the following appropriations from up to  
14 one percent of an allotment each biennium:

15 (1) General fund appropriations to the department of corrections and  
16 rehabilitation; and

17 (2) General fund appropriations to the department of human services for direct  
18 care programs.

19 2. Before an allotment is made which will reduce the amount of funds which can be  
20 disbursed pursuant to an appropriation or before an allotment disallowing a specific  
21 expenditure is made, the director shall find one or more of the following circumstances  
22 to exist:

23 a. The moneys and estimated revenues in a specific fund from which the  
24 appropriation is made are insufficient to meet all legislative appropriations from  
25 the fund.

26 b. The payment or the obligation incurred is not authorized by law.

27 c. The expenditure or obligation is contrary to legislative intent as recorded in any  
28 reliable legislative records, including:

29 (1) Statements of legislative intent expressed in enacted appropriation  
30 measures or other measures enacted by the legislative assembly; and

1                   (2) Statements of purpose of amendment explaining amendments to enacted  
2                   appropriation measures, as recorded in the journals of the legislative  
3                   assembly.

4           d. Circumstances or availability of facts not previously known or foreseen by the  
5           legislative assembly which make possible the accomplishment of the purpose of  
6           the appropriation at a lesser amount than that appropriated.

7           **SECTION 4. EMERGENCY.** This Act is declared to be an emergency measure.
