7 by credited service in excess of twenty-five years, with the increased
8 benefits payable beginning August 1, 2001.
- 9 b. Early retirement benefits are normal retirement benefits accrued to the date of
10 termination of employment, but actuarially reduced to account for benefit
11 payments beginning before the normal retirement date.
- 12 c. Postponed retirement benefits, for all contributors reaching the postponed
13 retirement date, are calculated in the same manner as normal retirement
14 benefits.
- 15 d. Disability retirement benefits are payable monthly and are:
- 16 (1) Seventy percent of the contributor's final average salary, reduced by any
17 workforce safety and insurance benefits paid. The minimum monthly
18 disability retirement benefit under this subsection is one hundred dollars.
- 19 (2) An individual or that person's beneficiary who, on July 31, 2001, is receiving
20 a disability retirement benefit is entitled to receive an increase in benefits
21 equal to six percent of the individual's present benefits, with the increase
22 payable beginning August 1, 2001.
- 23 5. On termination of employment after completing ten years of eligible employment but
24 before the normal retirement date, a contributor who does not elect to receive early
25 retirement benefits is eligible to receive deferred vested retirement benefits. The
26 deferred benefits are payable beginning on the contributor's normal retirement date in
27 one of the forms provided in this section. Contributors who have delayed or
28 inadvertently failed to apply for retirement benefits to commence on their normal
29 retirement date may choose to receive either a lump sum payment equal to the
30 amount of missed payments, or an actuarial increase to the form of benefit the
31 member has selected, which increase must reflect the missed payments. The final

1 average salary used for calculating deferred vested retirement benefits must be
2 increased annually, from the later of the date of termination of employment or July 1,
3 1991, until the date the contributor begins to receive retirement benefits from the fund,
4 at a rate as determined by the boardoffice not to exceed a rate that would be
5 approximately equal to annual salary increases provided state employees pursuant to
6 action by the legislative assembly.

7 6. If before retiring a contributor dies after completing ten years of eligible employment,
8 the boardoffice shall pay the contributor's accumulated deductions to the contributor's
9 designated beneficiary as provided in this subsection. If the contributor has designated
10 an alternate beneficiary with the surviving spouse's written consent, the boardoffice
11 shall pay the contributor's account balance to the named beneficiary. If the contributor
12 has named more than one primary beneficiary, the boardoffice shall pay the
13 contributor's account balance to the named primary beneficiaries in the percentages
14 designated by the contributor or, if the contributor has not designated a percentage for
15 the beneficiaries, in equal percentages. If one or more of the primary beneficiaries has
16 predeceased the contributor, the boardoffice shall pay the predeceased beneficiary's
17 share to the remaining primary beneficiaries. If there are no remaining primary
18 beneficiaries, the boardoffice shall pay the contributor's account balance to the
19 contingent beneficiaries in the same manner. If there are no remaining designated
20 beneficiaries, the boardoffice shall pay the contributor's account balance to the
21 contributor's estate. If the contributor has not designated an alternate beneficiary
22 under this section or the surviving spouse is the beneficiary, the surviving spouse of
23 the contributor may select one of the following optional forms of payment:

- 24 a. A lump sum payment of the contributor's accumulated deductions as of the date
25 of death.
26 b. Payment of a monthly retirement benefit equal to fifty percent of the deceased
27 contributor's accrued normal retirement benefits until the spouse dies.

28 7. If a contributor not eligible for the benefits of subsection 6 terminates employment for
29 any reason before retirement, the contributor or the contributor's designated
30 beneficiary is entitled to the contributor's accumulated deductions at termination.

1 8. The surviving spouse of a member receiving retirement benefits must be the
2 member's primary beneficiary unless there is no surviving spouse or the surviving
3 spouse designates an alternate beneficiary in writing. If a contributor receiving
4 retirement benefits, or a contributor's surviving spouse receiving retirement benefits,
5 dies before the total amount of benefits paid to them equals the amount of the
6 contributor's accumulated deductions at retirement, the difference must be paid to the
7 named beneficiary of the recipient or, if there is no named beneficiary, to the
8 recipient's estate.

9 9. The ~~board~~office shall adopt rules providing for the receipt of retirement benefits in the
10 following optional forms:

- 11 a. An actuarially equivalent joint and survivor one hundred percent option.
- 12 b. An actuarially equivalent life with ten-year or twenty-year certain options.
- 13 c. An actuarially equivalent partial lump sum distribution option with a twelve-month
14 maximum lump sum distribution.
- 15 d. An actuarially equivalent graduated benefit option with either a one percent or
16 two percent increase to be applied the first day of January of each year.

17 Unless a contributor requests that the contributor receive benefits according to one of
18 these options at the time of applying for retirement, all retirement benefits must be in
19 the form of a lifetime monthly pension, with a fifty percent option to the surviving
20 spouse.

21 **SECTION 19. AMENDMENT.** Section 39-03.1-11.2 of the North Dakota Century Code is
22 amended and reenacted as follows:

23 **39-03.1-11.2. Internal Revenue Code compliance.**

24 The ~~board~~office shall administer the plan in compliance with the following sections of the
25 Internal Revenue Code, as amended, as it applies for governmental plans.

- 26 1. Section 415, including the defined benefit dollar limitation under section 415(b)(1)(A)
27 of the Internal Revenue Code.
 - 28 a. The defined benefit dollar limitation under section 415(b)(1)(A) of the Internal
29 Revenue Code, as approved by the legislative assembly, must be adjusted under
30 section 415(d) of the Internal Revenue Code, effective January first of each year
31 following a regular legislative session. The adjustment of the defined benefit

1 dollar limitation under section 415(d) applies to participating members who have
2 had a separation from employment, but that member's benefit payments may not
3 reflect the adjusted limit prior to January first of the calendar year in which the
4 adjustment applies.

5 b. If a participating member's benefit is increased by plan amendment after the
6 commencement of benefit payments, the member's annual benefit may not
7 exceed the defined benefit dollar limitation under section 415(b)(1)(A) of the
8 Internal Revenue Code, as adjusted under section 415(d) for the calendar year in
9 which the increased benefit is payable.

10 c. If a participating member is, or ever has been, a participant in another defined
11 benefit plan maintained by the employer, the sum of the participant's annual
12 benefits from all the plans may not exceed the defined benefit dollar limitation
13 under section 415(b)(1)(A) of the Internal Revenue Code. If the participating
14 member's employer-provided benefits under all such defined benefit plans would
15 exceed the defined benefit dollar limitation, the benefit must be reduced to
16 comply with section 415 of the Internal Revenue Code. This reduction must be
17 made pro rata between the plans, in proportion to the participating member's
18 service in each plan.

19 2. The minimum distribution rules under section 401(a)(9) of the Internal Revenue Code,
20 including the incidental death benefit requirements under section 401(a)(9)(G), and the
21 regulations issued under that provision to the extent applicable to governmental plans.
22 Accordingly, benefits must be distributed or begin to be distributed no later than a
23 member's required beginning date, and the required minimum distribution rules
24 override any inconsistent provision of this chapter. A member's required beginning
25 date is April first of the calendar year following the later of the calendar year in which
26 the member attains age seventy and one-half or terminates employment.

27 3. The annual compensation limitation under section 401(a)(17) of the Internal Revenue
28 Code, as adjusted for cost-of-living increases under section 401(a)(17)(B).

29 4. The rollover rules under section 401(a)(31) of the Internal Revenue Code. Accordingly,
30 a distributee may elect to have an eligible rollover distribution, as defined in
31 section 402(c)(4) of the Internal Revenue Code, paid in a direct rollover to an eligible

1 retirement plan, as defined in section 402(c)(8)(B) of the Internal Revenue Code,
2 specified by the distributee.

- 3 5. If the plan of retirement benefits set forth in this chapter is terminated or discontinued,
4 the rights of all affected participating members to accrued retirement benefits under
5 this chapter as of the date of termination or discontinuance is nonforfeitable, to the
6 extent then funded.

7 **SECTION 20. AMENDMENT.** Section 39-03.1-11.3 of the North Dakota Century Code is
8 amended and reenacted as follows:

9 **39-03.1-11.3. Supplemental retiree benefit payment.**

10 If the **boardoffice** determines that the fund has obtained a total return on investments of
11 nine and six hundredths percent or higher for the fiscal year ending June 30, 2007, or June 30,
12 2008, the **boardoffice** shall authorize an additional payment equal to seventy-five percent of the
13 January retirement allowance following the fiscal yearend to each eligible retiree in pay status
14 as of that January, including joint and survivor and term certain beneficiaries, under this chapter.
15 The **boardoffice** may only make one payment under this section.

16 **SECTION 21. AMENDMENT.** Section 39-03.1-14.1 of the North Dakota Century Code is
17 amended and reenacted as follows:

18 **39-03.1-14.1. Multiple plan membership - Eligibility for benefits - Amount of benefits.**

- 19 1. For the purpose of determining eligibility for benefits under this chapter, a member's
20 years of service is the total of the years of service earned under this chapter and the
21 years of service employment or years of service credit earned in any number of the
22 following, the total of which may not exceed twelve months of credit per year:
- 23 a. The public employees retirement system.
 - 24 b. The teachers' fund for retirement.
 - 25 c. The teachers' insurance and annuity association of America - college retirement
26 equities fund (TIAA-CREF), for service credit earned while employed by North
27 Dakota institutions of higher education.
- 28 2. If a member terminates eligible employment under this chapter, if that member has not
29 received a refund of the member's accumulated deductions, and if that member
30 begins eligible employment in a plan described in subdivision a or b of subsection 1,
31 that member may elect to remain an inactive member of the system without refund of

1 the member's accumulated deductions. The election must be made within ninety days
2 after beginning the eligible employment. The **boardoffice** shall terminate the inactive
3 status of a member under this subsection if the member gains eligible employment
4 under this chapter or if the member terminates eligible employment under a plan
5 described in subdivision a or b of subsection 1.

6 3. Pursuant to rules adopted by the **boardoffice**, a member who has service credit in the
7 system and in any of the alternate plans described in subdivision a or b of
8 subsection 1 is entitled to benefits under this chapter. The employee may elect to have
9 benefits calculated using the benefit formula in section 39-03.1-11 under either of the
10 following calculation methods:

- 11 a. By using the final average salary as calculated in section 39-03.1-11. If the
12 participating member has worked for less than thirty-six months at retirement, the
13 final average salary is the average salary for the total months of employment.
14 b. Using the final average salary as calculated in section 39-03.1-11, with service
15 credit not to exceed one month in any month when combined with the service
16 credit earned in the alternate retirement system.

17 The **boardoffice** shall calculate benefits for an employee under this subsection by
18 using only those years of service employment earned under this chapter.

19 **SECTION 22. AMENDMENT.** Section 39-03.1-14.2 of the North Dakota Century Code is
20 amended and reenacted as follows:

21 **39-03.1-14.2. Benefit payments to alternate payee under qualified domestic relations**
22 **order.**

- 23 1. The **boardoffice** shall pay retirement benefits in accordance with the applicable
24 requirements of any qualified domestic relations order. The **boardoffice** shall review a
25 domestic relations order submitted to it to determine if the domestic relations order is
26 qualified under this section and under rules established by the **boardoffice** for
27 determining the qualified status of domestic relations orders and administering
28 distributions under the qualified orders. Upon determination that a domestic relations
29 order is qualified, the **boardoffice** shall notify the contributor and the named alternate
30 payee of its receipt of the qualified domestic relations order.

1 2. A "qualified domestic relations order" for purposes of this section means any
2 judgment, decree, or order, including approval of a property settlement agreement,
3 which relates to the provision of child support, spousal support, or marital property
4 rights to a spouse, former spouse, child, or other dependent of a contributor, is made
5 pursuant to a North Dakota domestic relations law, and which creates or recognizes
6 the existence of an alternate payee's right to, or assigns to an alternate payee the right
7 to, receive all or a part of the benefits payable to the contributor. A qualified domestic
8 relations order may not require the **boardoffice** to provide any type or form of benefit,
9 or any option, not otherwise provided under the retirement system, or to provide
10 increased benefits as determined on the basis of actuarial value. However, a qualified
11 domestic relations order may require the payment of benefits at the early retirement
12 date notwithstanding that the contributor has not terminated eligible employment. A
13 qualified domestic relations order must specify:

- 14 a. The name and the last-known mailing address of the contributor and the name
15 and mailing address of each alternate payee covered by the order;
16 b. The amount or percentage of the contributor's benefits to be paid by the plan to
17 each alternate payee;

22 **39-03.1-25. Fraud - Correction of errors.**

23 No person may knowingly make any false statement, or may falsify or permit to be falsified
24 any record or records of the retirement system herein established in any attempt to defraud
25 such system. Should any such change in records fraudulently made or any mistake in records
26 inadvertently made result in any contributor or other beneficiary receiving more or less than the
27 person would have been entitled to had the records been correct, then, on the discovery of such
28 error, the **boardoffice** shall correct such error and shall adjust the payments which shall be
29 made to the contributor in such manner that the benefit to which the contributor was correctly
30 entitled shall be paid.

1 **SECTION 24. AMENDMENT.** Section 39-03.1-28 of the North Dakota Century Code is
2 amended and reenacted as follows:

3 **39-03.1-28. Confidentiality of records.**

20 **SECTION 45. AMENDMENT.** Section 54-52-17 of the North Dakota Century Code is
21 amended and reenacted as follows:

22 **54-52-17. Formulation of plan.**

23 Participating members shall receive benefits according to this section and according to
24 rules adopted by the ~~board~~office, not inconsistent with this chapter. No person is entitled to
25 receive a prior service benefit if the person was not continuously employed by a governmental
26 unit in North Dakota for a period of not less than two years immediately prior to eligibility for
27 retirement.

28 1. Participating members shall receive credit for full-time employment or its equivalent
29 from the date they attain eligibility until their normal retirement date, postponed
30 retirement date, or early retirement date, as defined in this section. Part-time

1 employment will be recognized as full-time employment on a prorated basis as the
2 ~~board~~office may prescribe.

- 3 2. Retirement benefits are calculated from the participating member's final average
4 salary, which is the average of the highest salary received by the member for any
5 thirty-six months employed during the last one hundred twenty months of employment.
6 For members who terminate employment on or after August 1, 2010, final average
7 salary is the average of the highest salary received by the member for any thirty-six
8 months employed during the last one hundred eighty months of employment. For
9 members who terminate employment between July 31, 2005, and August 1, 2010, final
10 average salary is the average of the highest salary received by the member for any
11 thirty-six months employed during the period for which the ~~board~~office has appropriate
12 and accurate salary records on its electronic database, but that period may not be
13 more than the last one hundred eighty months of employment. Months not employed
14 are excluded in arriving at the thirty-six months to be used for the purpose of
15 computing an average. If the participating member has worked for less than thirty-six
16 months at the normal retirement date, the final average salary is the average salary for
17 the total months of employment.

- 18 3. Retirement dates are defined as follows:
- 19 a. Normal retirement date, except for a national guard security officer or firefighter
20 or a peace officer or correctional officer employed by the bureau of criminal
21 investigation or by a political subdivision, is:
- 22 (1) The first day of the month next following the month in which the member
23 attains the age of sixty-five years; or
- 24 (2) When the member has a combined total of years of service credit and years
25 of age equal to eighty-five and has not received a retirement benefit under
26 this chapter.
- 27 b. Normal retirement date for members first enrolled after December 31, 2015,
28 except for a national guard security officer or firefighter, a peace officer or
29 correctional officer employed by the bureau of criminal investigation or by a
30 political subdivision, or a supreme court or district court judge, is:

- 1 (1) The first day of the month next following the month in which the member
2 attains the age of sixty-five years; or
- 3 (2) When the member has a combined total of years of service credit and years
4 of age equal to ninety and the member attains a minimum age of sixty and
5 has not received a retirement benefit under this chapter.
- 6 c. Normal retirement date for a national guard security officer or firefighter is:
- 7 (1) The first day of the month next following the month in which the national
8 guard security officer or firefighter attains the age of fifty-five years and has
9 completed at least three eligible years of employment; or
- 10 (2) When the national guard security officer or firefighter has a combined total
11 of years of service credit and years of age equal to eighty-five and has not
12 received a retirement benefit under this chapter.
- 13 d. Normal retirement date for a peace officer or correctional officer employed by a
14 political subdivision is:
- 15 (1) The first day of the month next following the month in which the peace
16 officer or correctional officer attains the age of fifty-five years and has
17 completed at least three eligible years of employment; or
- 18 (2) When the peace officer or correctional officer has a combined total of years
19 of service credit and years of age equal to eighty-five and has not received
20 a retirement benefit under this chapter.
- 21 e. Normal retirement date for a peace officer employed by the bureau of criminal
22 investigation is:
- 23 (1) The first day of the month next following the month in which the peace
24 officer attains the age of fifty-five years and has completed at least three
25 eligible years of employment; or
- 26 (2) When the peace officer has a combined total of years of service credit and
27 years of age equal to eighty-five and has not received a retirement benefit
28 under this chapter.
- 29 f. Postponed retirement date is the first day of the month next following the month
30 in which the member, on or after July 1, 1977, actually severs or has severed the
31 member's employment after reaching the normal retirement date.

1 g. Early retirement date, except for a national guard security officer or firefighter or a
2 peace officer or correctional officer employed by the bureau of criminal
3 investigation or by a political subdivision, is the first day of the month next
4 following the month in which the member attains the age of fifty-five years and
5 has completed three years of eligible employment. For a national guard security
6 officer or firefighter, early retirement date is the first day of the month next
7 following the month in which the national guard security officer or firefighter
8 attains the age of fifty years and has completed at least three years of eligible
9 employment. For a peace officer or correctional officer employed by the bureau of
10 criminal investigation or by a political subdivision, early retirement date is the first
11 day of the month next following the month in which the peace officer or
12 correctional officer attains the age of fifty years and has completed at least three
13 years of eligible employment.

14 h. Disability retirement date is the first day of the month after a member becomes
15 permanently and totally disabled, according to medical evidence called for under
16 the rules of the [boardoffice](#), and has completed at least one hundred eighty days
17 of eligible employment. For supreme and district court judges, permanent and
18 total disability is based solely on a judge's inability to perform judicial duties
19 arising out of physical or mental impairment, as determined pursuant to rules
20 adopted by the [boardoffice](#) or as provided by subdivision a of subsection 3 of
21 section 27-23-03. A member is eligible to receive disability retirement benefits
22 only if the member:

- 23 (1) Became disabled during the period of eligible employment; and
- 24 (2) Applies for disability retirement benefits within twelve months of the date the
25 member terminates employment.

26 A member is eligible to continue to receive disability benefits as long as the
27 permanent and total disability continues and the member submits the necessary
28 documentation and undergoes medical testing required by the [boardoffice](#), or for
29 as long as the member participates in a rehabilitation program required by the
30 [boardoffice](#), or both. If the [boardoffice](#) determines that a member no longer meets
31 the eligibility definition, the [boardoffice](#) may discontinue the disability retirement

1 benefit. The boardoffice may pay the cost of any medical testing or rehabilitation
2 services itthe office deems necessary and these payments are appropriated from
3 the retirement fund for those purposes.

4 4. The boardoffice shall calculate retirement benefits as follows:

5 a. Normal retirement benefits for all retirees, except supreme and district court
6 judges, reaching normal retirement date equal an annual amount, payable
7 monthly, comprised of a service benefit and a prior service benefit, as defined in
8 this chapter, which is determined as follows:

9 (1) Service benefit equals two percent of final average salary multiplied by the
10 number of years of service employment.

11 (2) Prior service benefit equals two percent of final average salary multiplied by
12 the number of years of prior service employment.

13 b. Normal retirement benefits for all supreme and district court judges under the
14 public employees retirement system reaching normal retirement date equal an
15 annual amount, payable monthly, comprised of a benefit as defined in this
16 chapter, determined as follows:

17 (1) Benefits must be calculated from the time of appointment or election to the
18 bench and must equal three and one-half percent of final average salary
19 multiplied by the first ten years of judicial service, two and eighty hundredths
20 percent of final average salary multiplied by the second ten years of judicial
21 service, and one and one-fourth percent of final average salary multiplied by
22 the number of years of judicial service exceeding twenty years.

23 (2) Service benefits must include, in addition, an amount equal to the percent
24 specified in subdivision a of final average salary multiplied by the number of
25 years of nonjudicial employee service and employment.

26 c. Postponed retirement benefits are calculated as for single life benefits for those
27 members who retired on or after July 1, 1977.

28 d. Early retirement benefits are calculated as for single life benefits accrued to the
29 date of termination of employment, but must be actuarially reduced to account for
30 benefit payments beginning prior to the normal retirement date, which is the
31 earlier of age sixty-five or the age at which current service plus age equals

1 eighty-five. Except for a national guard security officer or firefighter, a peace
2 officer or correctional officer employed by the bureau of criminal investigation or
3 by a political subdivision, or a supreme court or district court judge, early
4 retirement benefits for members first enrolled after December 31, 2015, are
5 calculated for single life benefits accrued to the date of termination of
6 employment, but must be reduced by fixed rate of eight percent per year to
7 account for benefit payments beginning before the normal retirement date. A
8 retiree, other than a supreme or district court judge, is eligible for early retirement
9 benefits only after having completed three years of eligible employment. A
10 supreme or district court judge retiree is eligible for early retirement benefits only
11 after having completed five years of eligible employment.

12 e. Except for supreme and district court judges, disability retirement benefits are
13 twenty-five percent of the member's final average salary. Disability retirement
14 benefits for supreme and district court judges are seventy percent of final
15 average salary reduced by the member's primary social security benefits and by
16 any workforce safety and insurance benefits paid. The minimum monthly
17 disability retirement benefit under this section is one hundred dollars.

18 5. Upon termination of employment after completing three years of eligible employment,
19 except for supreme and district court judges, who must complete five years of eligible
20 employment, but before normal retirement date, a member who does not elect to
21 receive early retirement benefits is eligible to receive deferred vested retirement
22 benefits payable commencing on the member's normal retirement date in one of the
23 optional forms provided in subsection 9. Members who have delayed or inadvertently
24 failed to apply for retirement benefits to commence on their normal retirement date
25 may choose to receive either a lump sum payment equal to the amount of missed
26 payments, or an actuarial increase to the form of benefit the member has selected,
27 which increase must reflect the missed payments.

28 6. If before retiring a member dies after completing three years of eligible employment,
29 except for supreme and district court judges, who must have completed five years of
30 eligible employment, the ~~board~~office shall pay the member's account balance to the
31 member's designated beneficiary as provided in this subsection. If the member has

1 designated an alternate beneficiary with the surviving spouse's written consent, the
2 **boardoffice** shall pay the member's account balance to the named beneficiary. If the
3 member has named more than one primary beneficiary, the **boardoffice** shall pay the
4 member's account balance to the named primary beneficiaries in the percentages
5 designated by the member or, if the member has not designated a percentage for the
6 beneficiaries, in equal percentages. If one or more of the primary beneficiaries has
7 predeceased the member, the **boardoffice** shall pay the predeceased beneficiary's
8 share to the remaining primary beneficiaries. If any beneficiary survives the member,
9 yet dies before distribution of the beneficiary's share, the beneficiary must be treated
10 as if the beneficiary predeceased the member. If there are no remaining primary
11 beneficiaries, the **boardoffice** shall pay the member's account balance to the
12 contingent beneficiaries in the same manner. If there are no remaining designated
13 beneficiaries, the **boardoffice** shall pay the member's account balance to the member's
14 estate. If the member has not designated an alternate beneficiary or the surviving
15 spouse is the beneficiary, the surviving spouse of the member may select a form of
16 payment as follows:

- 17 a. If the member was a supreme or district court judge, the surviving spouse may
18 select one of the following optional forms of payment:
- 19 (1) A lump sum payment of the member's retirement account as of the date of
20 death.
 - 21 (2) Payments as calculated for the deceased member as if the member was of
22 normal retirement age at the date of death, payable until the spouse dies.
- 23 b. The surviving spouse of all other members may select one of the following
24 options:
- 25 (1) A lump sum payment of the member's retirement account as of the date of
26 death.
 - 27 (2) Payment of a monthly retirement benefit equal to fifty percent of the
28 deceased member's accrued single life retirement benefits until the spouse
29 dies.
 - 30 (3) If the member dies on or after the member's normal retirement date, the
31 payment of a monthly retirement benefit equal to an amount that would have

1 been paid to the surviving spouse if the member had retired on the day of
2 the member's death and had selected a one hundred percent joint and
3 survivor annuity, payable until the spouse dies. A surviving spouse who
4 received a benefit under this subsection as of July 31, 1995, is entitled to
5 the higher of that person's existing benefit or the equivalent of the accrued
6 benefit available under the one hundred percent joint and survivor provision
7 as if the deceased member were of normal retirement age, with the increase
8 payable beginning August 1, 1995.

9 7. If a member not coming under the provisions of subsection 6 terminates employment
10 because of death, permanent and total disability, or any voluntary or involuntary
11 reason prior to retirement, the member or the member's designated beneficiary is
12 entitled to the member's account balance at termination. The boardoffice automatically
13 shall refund a member's account balance if the member has completed less than three
14 years of eligible employment, has an account balance of less than one thousand
15 dollars, and was not a supreme or district court judge. If the member was a supreme
16 or district court judge, the boardoffice automatically shall refund a member's account
17 balance if the member completed less than five years of eligible employment. A
18 member may waive the refund if the member submits a written statement to the
19 boardoffice, within thirty days after termination, requesting that the member's account
20 balance remain in the fund.

21 8. The surviving spouse of a member receiving retirement benefits must be the
22 member's primary beneficiary unless there is no surviving spouse or the surviving
23 spouse designates an alternate beneficiary in writing. If a member receiving retirement
24 benefits or the member's surviving spouse receiving retirement benefits dies before
25 the total amount of benefits paid to either or both equals the amount of the member's
26 account balance at retirement, the difference must be paid to the named beneficiary of
27 the recipient or, if there is no named beneficiary, to the recipient's estate.

28 9. The boardoffice shall adopt rules providing for the receipt of retirement benefits in the
29 following optional forms:

30 a. Single life.

- 1 b. An actuarially equivalent joint and survivor option, with fifty percent or one
- 2 hundred percent options.
- 3 c. Actuarially equivalent life with ten-year or twenty-year certain options.
- 4 d. An actuarially equivalent partial lump sum distribution option with a twelve-month
- 5 maximum lump sum distribution.
- 6 e. An actuarially equivalent graduated benefit option with either a one percent or
- 7 two percent increase to be applied the first day of January of each year.

8 Except for supreme and district court judges, unless a member specifically requests
9 that the member receive benefits according to one of these options at the time of
10 applying for retirement, all retirement benefits must be in the form of a single life
11 benefit. For supreme and district court judges, unless a member specifically requests
12 that the member receive benefits according to one of these options at the time of
13 applying for retirement, all retirement benefits must be in the form of a lifetime monthly
14 pension with fifty percent of the benefit continuing for the life of the surviving spouse, if
15 any.

- 16 10. The fund may accept rollovers from other eligible plans under rules adopted by the
- 17 boardoffice for the purchase of additional service credit, but only to the extent the
- 18 transfer is a rollover contribution that meets the requirement of section 408 of the
- 19 Internal Revenue Code.
- 20 11. The boardoffice may accept trustee-to-trustee transfers as permitted by Internal
- 21 Revenue Code section 403(b)(13) and section 457(e)(17) from an Internal Revenue
- 22 Code section 403(b) annuity or Internal Revenue Code section 457 deferred
- 23 compensation plan for the purchase of permissive service credit, as defined in Internal
- 24 Revenue Code section 415(n)(3)(A) or as repayment of a cashout from a
- 25 governmental plan under Internal Revenue Code section 415(k)(3).
- 26 12. The boardoffice may establish individual retirement accounts and individual retirement
- 27 annuities as permitted under section 408(q) of the Internal Revenue Code to allow
- 28 employees to make voluntary employee contributions. The boardoffice may adopt
- 29 rules to implement and administer the accounts and annuities under this section.

30 **SECTION 46. AMENDMENT.** Section 54-52-17.2 of the North Dakota Century Code is
31 amended and reenacted as follows:

54-52-17.2. Multiple plan membership - Eligibility for benefits - Amount of benefits.

1. a. For the purpose of determining eligibility for benefits under this chapter, an employee's years of service credit is the total of the years of service credit earned in the public employees retirement system and the years of service credit earned in any number of the following:

(1) The teachers' fund for retirement.

(2) The highway patrolmen's retirement system.

(3) The teachers' insurance and annuity association of America - college retirement equities fund (TIAA-CREF), for service credit earned while employed by North Dakota institutions of higher education.

Service credit may not exceed twelve months of credit per year.

b. Pursuant to rules adopted by the [boardoffice](#), an employee who has service credit in the system and in any of the plans described in paragraphs 1 and 2 of subdivision a is entitled to benefits under this chapter. The benefits of a temporary employee employed after July 31, 2015, must be calculated using the benefit formula in section 54-52-17. A permanent employee or a temporary employee employed before August 1, 2015, may elect to have benefits calculated using the benefit formula in section 54-52-17 under either of the following methods:

(1) The final average salary as calculated in section 54-52-17. If the participating member has worked for less than thirty-six months at retirement, the final average salary is the average salary for the total months of employment.

(2) The final average salary as calculated in section 54-52-17 for employment with any of the three eligible employers under this subdivision, with service credit not to exceed one month in any month when combined with the service credit earned in the alternate retirement system.

The [boardoffice](#) shall calculate benefits for an employee under this subsection by using only those years of service credit earned under this chapter.

2. a. If an employee who is eligible to participate in the public employees retirement system is also employed in any position when membership in an alternate

1 retirement system is required, then, for purposes of current participation, the
2 employee is a member of each applicable retirement system. The employer shall
3 pay over to each retirement system the member assessment and employer
4 contributions at the rates currently existing for that retirement system.

- 5 b. If an employee described in subdivision a was employed prior to August 1, 2003,
6 and has dual membership rights, the employee may elect to begin participation in
7 the alternate plan pursuant to the plan provisions on August 1, 2003, or may
8 continue participation according to the plan provisions in effect on July 31, 2003.
9 An employee's election under this subdivision is ineffective unless delivered to
10 the public employees retirement system administrative offices by five p.m. on
11 October 31, 2003. If an election is not received by the public employees
12 retirement system, the participation and benefit calculation requirements in effect
13 on July 31, 2003, apply to that employee.

14 **SECTION 47. AMENDMENT.** Section 54-52-17.3 of the North Dakota Century Code is
15 amended and reenacted as follows:

16 **54-52-17.3. Purchase of legislative service credit.**

17 A member may purchase service credit for the time during each legislative session spent
18 serving as a member of the legislative assembly while holding eligible employment under this

20 assessments and employer contributions plus interest as established by the [board office](#).
21 Service credit for legislative sessions prior to July 1, 1985, must be purchased before

23 year after the adjournment of that legislative session.

25 amended and reenacted as follows:

26 **54-52-17.4. Purchase of additional credit.**

- 27 1. A participating member may elect to purchase credit for years of service and prior
28 service for which the participating member is not presently receiving credit. A
29 participating member is entitled to purchase additional credit under this section for the
30 following service or prior service, except this service is not eligible for credit if the
31 years claimed also qualify for retirement benefits from another retirement system:

- 1 a. Active prior employment in the armed forces of the United States, except as
2 provided in section 54-52-17.14, for up to four years of credit.
- 3 b. Employment as a permanent employee by a public employer either within or
4 outside the state of North Dakota.

29 **boardoffice** an amount equal to the actuarial cost to the fund of providing the credit. If
30 the participating member purchases credit pursuant to subdivision d of subsection 1,
31 the participating member must pay to the **boardoffice** an amount equal to the greater

9 actuarial rate of return. The participating member or the participating member's
10 employer shall also pay to the retiree health benefits fund established under section
11 54-52.1-03.2 an amount equal to the actuarial cost to that fund for the additional credit.

25 **order.**

26 1. The ~~board~~office shall pay retirement benefits in accordance with the applicable

30 determining the qualified status of domestic relations orders and administering
31 distributions under the qualified orders. Upon determination that a domestic relations

8 recognizes the existence of an alternate payee's right to, or assigns to an alternate
9 payee the right to, receive all or a part of the benefits payable to the participating
10 member. A qualified domestic relations order may not require the **boardoffice** to
11 provide any type or form of benefit, or any option, not otherwise provided under the
12 public employees retirement system, or to provide increased benefits as determined
13 on the basis of actuarial value. However, a qualified domestic relations order may
14 require the payment of benefits at the early retirement date notwithstanding that the
15 participating member has not terminated eligible employment. A qualified domestic
16 relations order must specify:

- 17 a. The name and the last-known mailing address of the participating member and
18 the name and mailing address of each alternate payee covered by the order;
19 b. The amount or percentage of the participating member's benefits to be paid by
20 the plan to each alternate payee;
21 c. The number of payments or period to which the order applies; and
22 d. Each retirement plan to which the order applies.

4 increases.

5 **SECTION 51. AMENDMENT.** Section 54-52-17.13 of the North Dakota Century Code is
6 amended and reenacted as follows:

7 **54-52-17.13. Supplemental retiree benefit payment.**

9 nine and six hundredths percent or higher for the fiscal year ending June 30, 2007, or June 30,
10 2008, the ~~board~~office shall authorize an additional payment equal to seventy-five percent of the

21 of the employee benefits programs committee. Any plan modifications made by the ~~board~~office

SECTION 54. AMENDMENT. Section 54-52-28 of the North Dakota Century Code is amended and reenacted as follows:

54-52-28. Internal Revenue Code compliance.

The **boardoffice** shall administer the plan in compliance with the following sections of the Internal Revenue Code, as amended, as it applies for governmental plans.

1. Section 415, including the defined benefit dollar limitation under section 415(b)(1)(A) of the Internal Revenue Code.
 - a. The defined benefit dollar limitation under section 415(b)(1)(A) of the Internal Revenue Code, as approved by the legislative assembly, must be adjusted under section 415(d) of the Internal Revenue Code, effective January first of each year following a regular legislative session. The adjustment of the defined benefit dollar limitation under section 415(d) applies to participating members who have had a separation from employment, but that member's benefit payments may not reflect the adjusted limit prior to January first of the calendar year in which the adjustment applies.
 - b. If a participating member's benefit is increased by plan amendment after the commencement of benefit payments, the member's annual benefit may not exceed the defined benefit dollar limitation under section 415(b)(1)(A) of the Internal Revenue Code, as adjusted under section 415(d) for the calendar year in which the increased benefit is payable.
 - c. If a participating member is, or ever has been, a participant in another defined benefit plan maintained by the employer, the sum of the participant's annual

1 benefits from all the plans may not exceed the defined benefit dollar limitation
2 under section 415(b)(1)(A) of the Internal Revenue Code. If the participating
3 member's employer-provided benefits under all such defined benefit plans would
4 exceed the defined benefit dollar limitation, the benefit must be reduced to
5 comply with section 415 of the Internal Revenue Code. The reduction must be
6 made pro rata between the plans, in proportion to the participating member's
7 service in each plan.

- 8 2. The minimum distribution rules under section 401(a)(9) of the Internal Revenue Code,
9 including the incidental death benefit requirements under section 401(a)(9)(G), and the
10 regulations issued under that provision to the extent applicable to governmental plans.
11 Accordingly, benefits must be distributed or begin to be distributed no later than a
12 member's required beginning date, and the required minimum distribution rules
13 override any inconsistent provision of this chapter. A member's required beginning
14 date is April first of the calendar year following the later of the calendar year in which
15 the member attains age seventy and one-half or terminates employment.
- 16 3. The annual compensation limitation under section 401(a)(17) of the Internal Revenue
17 Code, as adjusted for cost-of-living increases under section 401(a)(17)(B).
- 18 4. The rollover rules under section 401(a)(31) of the Internal Revenue Code. Accordingly,
19 a distributee may elect to have an eligible rollover distribution, as defined in
20 section 402(c)(4) of the Internal Revenue Code, paid in a direct rollover to an eligible
21 retirement plan, as defined in section 402(c)(8)(B) of the Internal Revenue Code,
22 specified by the distributee.
- 23 5. If the plan of retirement benefits set forth in this chapter is terminated or discontinued,
24 the rights of all affected participating members to accrued retirement benefits under
25 this chapter as of the date of termination or discontinuance is nonforfeitable, to the
26 extent then funded.

27 **SECTION 55. AMENDMENT.** Section 54-52-29 of the North Dakota Century Code is
28 amended and reenacted as follows:

29 **54-52-29. Employer service purchases.**

30 A participating employer may purchase additional service credit on behalf of a member
31 under the following conditions:

- 1 1. The member may not be given the option to choose between an employer service
- 2 purchase and an equivalent amount paid in cash.
- 3 2. The member must meet one of the following conditions at the time the purchase is
- 4 made:
- 5 a. The member's age plus service credit must be equal to or greater than
- 6 seventy-five; or
- 7 b. The member's age must be at least fifty-five and the member must have at least
- 8 three years of service credit.
- 9 3. The ~~board~~office must determine the purchase price on an actuarially equivalent basis,
- 10 taking into account the contributions necessary for both the retirement program and
- 11 the retiree health benefits fund.
- 12 4. The purchase must be completed before the member's retirement.
- 13 5. The employer may purchase a maximum of five years of service credit on behalf of the
- 14 member.
- 15 6. The employer must pay the purchase price for the service credit purchased under this
- 16 section in a lump sum.

15 **54-52.1-02. Uniform group insurance program created - Formation into subgroups.**

16 In order to promote the economy and efficiency of employment in the state's service, reduce
17 personnel turnover, and offer an incentive to high-grade individuals to enter and remain in the
18 service of state employment, there is created a uniform group insurance program. The uniform
19 group must be composed of eligible and retired employees and be formed to provide hospital
20 benefits coverage, medical benefits coverage, and life insurance benefits coverage in the
21 manner set forth in this chapter. The uniform group may be divided into the following subgroups
22 at the discretion of the ~~board~~office:

- 23 1. Medical and hospital benefits coverage group consisting of active eligible employees
24 and retired employees not eligible for medicare, except for employees who first retire
25 after the effective date of this section and are not eligible for medicare on their
26 retirement. In determining premiums for coverage under this subsection for retired
27 employees not eligible for medicare, the rate for a non-medicare retiree single plan is
28 one hundred fifty percent of the active member single plan rate, the rate for a
29 non-medicare retiree family plan of two people is twice the non-medicare retiree single
30 plan rate, and the rate for a non-medicare retiree family plan of three or more persons
31 is two and one-half times the non-medicare retiree single plan rate.

1 2. In addition to the coverage provided in subsection 1, another coverage option may be
2 provided for retired employees not eligible for medicare, except for employees who
3 first retire after the effective date of this section and are not eligible for medicare on
4 their retirement, provided the option does not increase the implicit subsidy as
5 determined by the governmental accounting standards board's other postemployment
6 benefit reporting procedure. In offering this additional option, the **boardoffice** may have
7 an open enrollment but thereafter enrollment for this option must be as specified in
8 section 54-52.1-03.

22 **Benefits to continue upon retirement or termination.**

23 1. Any eligible employee may be enrolled in the uniform group insurance program
24 created by this chapter by requesting enrollment with the employing department. If an
25 eligible employee does not enroll in the uniform group insurance program at the time
26 of beginning employment, in order to enroll at a later time the eligible employee must
27 meet minimum requirements established by the **boardoffice**. An employing department
28 may not require an active eligible employee to request coverage under the uniform
29 group insurance program as a prerequisite to receive the minimum employer-paid life
30 insurance benefits coverage or employee assistance program benefits coverage.

- 1 2. Within five days after the expiration of the payroll period during which enrollment was
2 requested, the employing department shall enroll the employee with the boardoffice.
3 The employee's insurance coverage becomes effective on the date of enrollment.
- 4 3. A retiree who has accepted a periodic distribution from the defined contribution
5 retirement plan pursuant to section 54-52.6-13 who the boardoffice determines is
6 eligible for participation in the uniform group insurance program or has accepted a
7 retirement allowance from the public employees retirement system, the highway
8 patrolmen's retirement system, the teachers' insurance and annuity association of
9 America - college retirement equities fund for service credit earned while employed by
10 North Dakota institutions of higher education, the retirement system established by job
11 service North Dakota under section 52-11-01, the judges' retirement system
12 established under chapter 27-17, or the teachers' fund for retirement may elect to
13 participate in the uniform group under this chapter without meeting minimum
14 requirements at age sixty-five, when the member's spouse reaches age sixty-five,
15 upon the receipt of a benefit, or when the spouse terminates employment. If a retiree
16 or surviving spouse does not elect to participate at the times specified in this
17 subsection, the retiree or surviving spouse must meet the minimum requirements
18 established by the boardoffice. Subject to sections 54-52.1-03.2 and 54-52.1-03.3,
19 each retiree or surviving spouse shall pay directly to the boardoffice the premiums in
20 effect for the coverage then being provided. A retiree or surviving spouse who has met
21 the initial eligibility requirements of this subsection to begin participation in the uniform
22 group insurance program remains eligible as long as the retiree maintains the retiree's
23 participation in the program by paying the required premium pursuant to rules adopted
24 by the boardoffice.
- 25 4. Upon the termination of employment when the employee is not eligible to participate
26 under subsection 3 or 5 or applicable federal law, that employee cannot continue as a
27 member of the uniform group.
- 28 5. A member or former member of the legislative assembly or that person's surviving
29 spouse may elect to continue membership in the uniform group within the applicable
30 time limitations after either termination of eligible employment as a member of the
31 legislative assembly or termination of other eligible employment or, for a surviving

1 spouse, upon the death of the member or former member of the legislative assembly.

2 The member or former member of the legislative assembly or that person's surviving
3 spouse shall pay the premiums in effect for the coverage provided directly to the
4 **boardoffice**.

5 6. Each eligible employee requesting enrollment shall furnish the appropriate person in
6 the employing department, board, or agency with such information and in such form as
7 prescribed by the **boardoffice** to enable the enrollment of the employee, or employee
8 and dependents, in the uniform group insurance program created by this chapter.

9 7. If the participating employee is a faculty member in a state charitable, penal, or
10 educational institution who receives a salary or wages on less than a twelve-month
11 basis and has signed a contract to teach for the next ensuing school year, the agency
12 shall make arrangements to include that employee in the insurance program on a
13 twelve-month basis and make the contribution authorized by this section for each
14 month of the twelve-month period.

15 **SECTION 59. AMENDMENT.** Section 54-52.1-03.1 of the North Dakota Century Code is

19 If eligible under federal law, a political subdivision may extend the benefits of the uniform
20 group insurance program under this chapter to its permanent employees, subject to minimum
21 requirements established by the **boardoffice** and a minimum period of participation of sixty
22 months. If the political subdivision withdraws from participation in the uniform group insurance
23 program, before completing sixty months of participation, unless federal or state laws or rules
24 are modified or interpreted in a way that makes participation by the political subdivision in the
25 uniform group insurance program no longer allowable or appropriate, the political subdivision
26 shall make payment to the **boardoffice** in an amount equal to any expenses incurred in the
27 uniform group insurance program that exceed income received on behalf of the political
28 subdivision's employees as determined under rules adopted by the **boardoffice**. The Garrison
29 Diversion Conservancy District, and district health units required to participate in the public
30 employees retirement system under section 54-52-02, shall participate in the uniform group
31 insurance program under the same terms and conditions as state agencies. A retiree who has

1 accepted a retirement allowance from a participating political subdivision's retirement plan may
2 elect to participate in the uniform group under this chapter without meeting minimum
3 requirements at age sixty-five, when the employee's spouse reaches age sixty-five, upon the
4 receipt of a benefit, when the political subdivision joins the uniform group insurance plan if the
5 retiree was a member of the former plan, or when the spouse terminates employment. If a
6 retiree or surviving spouse does not elect to participate at the times specified in this section, the
7 retiree or surviving spouse must meet the minimum requirements established by the
8 **boardoffice**. Each retiree or surviving spouse shall pay directly to the **boardoffice** the premiums
9 in effect for the coverage then being provided. The **boardoffice** may require documentation that
10 the retiree has accepted a retirement allowance from an eligible retirement plan other than the
11 public employees retirement system.

12 **SECTION 60. AMENDMENT.** Section 54-52.1-03.2 of the North Dakota Century Code is

16 North Dakota for the purpose of prefunding and providing hospital benefits coverage
17 and medical benefits coverage and prescription drug coverage under any health
18 insurance program and dental, vision, and long-term care benefits coverage under the
19 uniform group insurance program for retired eligible employees or surviving spouses
20 of retired eligible employees and their dependents as provided in this chapter. The
21 state shall contribute monthly to the retiree health benefits fund an amount equal to
22 one and fourteen hundredths percent of the monthly salaries and wages of all
23 participating members of the highway patrolmen's retirement system under chapter
24 39-03.1, and one and fourteen hundredths percent of the monthly salaries of all
25 supreme or district court judges who are participating members of the public

11 not otherwise appropriated, are hereby appropriated for the purpose of making payments to
12 employees participating in the program. The ~~board~~public employees retirement system office
13 shall transfer any surplus in the pretax benefits account at the end of the plan year to the payroll
14 clearing account.

16 pursuant to rules adopted by the [boardoffice](#).

17 **SECTION 104. AMENDMENT.** Section 54-52.6-02 of the North Dakota Century Code is
18 amended and reenacted as follows:

19 **54-52.6-02. (Effective through July 31, 2017) Election.**

- 20 1. The [boardoffice](#) shall provide an opportunity for eligible employees who are new
21 members of the public employees retirement system under chapter 54-52 to transfer
22 to the defined contribution plan under this chapter pursuant to the rules and policies
23 adopted by the [boardoffice](#). An election made by a member of the public employees
24 retirement system under chapter 54-52 to transfer to the defined contribution
25 retirement plan under this chapter is irrevocable. For an individual who elects to
26 transfer membership from the public employees retirement system under chapter
27 54-52 to the defined contribution retirement plan under this chapter, the [boardoffice](#)
28 shall transfer a lump sum amount from the public employees retirement system fund to
29 the participating member's account in the defined contribution retirement plan under
30 this chapter. However, if the individual terminates employment prior to receiving the
31 lump sum transfer under this section, the election made is ineffective and the

1 individual remains a member of the public employees retirement system under chapter
2 54-52 and retains all the rights and privileges under that chapter. This section does not
3 affect an individual's right to health benefits or retiree health benefits under chapter
4 54-52.1.

5 2. If the ~~board~~office receives notification from the internal revenue service that this
6 section or any portion of this section will cause the public employees retirement
7 system or the retirement plan established under this chapter to be disqualified for tax
8 purposes under the Internal Revenue Code, then the portion that will cause the
9 disqualification does not apply.

10 3. A participating member who becomes a temporary employee may still participate in
11 the defined contribution retirement plan upon filing an election with the ~~board~~office
12 within one hundred eighty days of transferring to temporary employee status. The
13 participating member may not become a member of the defined benefit plan as a
14 temporary employee. The temporary employee electing to participate in the defined
15 contribution retirement plan shall pay monthly to the fund an amount equal to eight
16 and twelve-hundredths percent times the temporary employee's present monthly
17 salary. The amount required to be paid by a temporary employee increases by two
18 percent times the temporary employee's present monthly salary beginning with the
19 monthly reporting period of January 2012, and with an additional increase of two
20 percent, beginning with the monthly reporting period of January 2013, and with an
21 additional increase of two percent, beginning with the monthly reporting period of
22 January 2014. The temporary employee shall also pay the required monthly
23 contribution to the retiree health benefit fund established under section 54-52.1-03.2.
24 This contribution must be recorded as a member contribution pursuant to section
25 54-52.1-03.2. An employer may not pay the temporary employee's contributions. A
26 temporary employee may continue to participate as a temporary employee until
27 termination of employment or reclassification of the temporary employee as a
28 permanent employee.

29 4. A former participating member who has accepted a retirement distribution pursuant to
30 section 54-52.6-13 and who subsequently becomes employed by an entity different
31 from the employer with which the member was employed at the time the member

1 retired but which does participate in any state-sponsored retirement plan may, before
2 re-enrolling in the defined contribution retirement plan, elect to permanently waive
3 future participation in the defined contribution retirement plan, whatever plan in which
4 the new employing entity participates, and the retiree health program and maintain
5 that member's retirement status. Neither the member nor the employer are required to
6 make any future retirement contributions on behalf of that employee.

7 **(Effective after July 31, 2017) Election.**

- 8 1. The **boardoffice** shall provide an opportunity for each eligible employee who is a
9 member of the public employees retirement system on September 30, 2001, and who
10 has not made a written election under this section to transfer to the defined
11 contribution retirement plan before October 1, 2001, to elect in writing to terminate
12 membership in the public employees retirement system and elect to become a
13 participating member under this chapter. Except as provided in section 54-52.6-03, an
14 election made by an eligible employee under this section is irrevocable. The
15 **boardoffice** shall accept written elections under this section from eligible employees
16 during the period beginning on July 1, 1999, and ending 12:01 a.m. December 14,
17 2001. An eligible employee who does not make a written election or who does not file
18 the election during the period specified in this section continues to be a member of the
19 public employees retirement system. An eligible employee who makes and files a
20 written election under this section ceases to be a member of the public employees
21 retirement system effective twelve midnight December 31, 2001; becomes a
22 participating member in the defined contribution retirement plan under this chapter
23 effective 12:01 a.m. January 1, 2002; and waives all of that person's rights to a
24 pension, annuity, retirement allowance, insurance benefit, or any other benefit under
25 the public employees retirement system effective December 31, 2001. This section
26 does not affect a person's right to health benefits or retiree health benefits under
27 chapter 54-52.1. An eligible employee who is first employed and entered upon the
28 payroll of that person's employer after September 30, 2001, may make an election to
29 participate in the defined contribution retirement plan established under this chapter at
30 any time during the first six months after the date of employment. If the **boardoffice**, in
31 its sole discretion, determines that the employee was not adequately notified of the

1 employee's option to participate in the defined contribution retirement plan, the
2 **boardoffice** may provide the employee a reasonable time within which to make that
3 election, which may extend beyond the original six-month decision window.

- 4 2. If an individual who is a deferred member of the public employees retirement system
5 on September 30, 2001, is re-employed and by virtue of that employment is again
6 eligible for membership in the public employees retirement system under chapter
7 54-52, the individual may elect in writing to remain a member of the public employees
8 retirement system or if eligible to participate in the defined contribution retirement plan
9 established under this chapter to terminate membership in the public employees
10 retirement system and become a participating member in the defined contribution
11 retirement plan established under this chapter. An election made by a deferred
12 member under this section is irrevocable. The **boardoffice** shall accept written
13 elections under this section from a deferred member during the period beginning on
14 the date of the individual's re-employment and ending upon the expiration of six
15 months after the date of that re-employment. If the **boardoffice**, in its sole discretion,
16 determines that the employee was not adequately notified of the employee's option to
17 participate in the defined contribution retirement plan, the **boardoffice** may provide the
18 employee a reasonable time within which to make that election, which may extend
19 beyond the original six-month decision window. A deferred member who makes and
20 files a written election to remain a member of the public employees retirement system
21 retains all rights and is subject to all conditions as a member of that retirement system.
22 A deferred member who does not make a written election or who does not file the
23 election during the period specified in this section continues to be a member of the
24 public employees retirement system. A deferred member who makes and files a
25 written election to terminate membership in the public employees retirement system
26 ceases to be a member of the public employees retirement system effective on the
27 last day of the payroll period that includes the date of the election; becomes a
28 participating member in the defined contribution retirement plan under this chapter
29 effective the first day of the payroll immediately following the date of the election; and
30 waives all of that person's rights to a pension, an annuity, a retirement allowance,
31 insurance benefit, or any other benefit under the public employees retirement system

1 effective the last day of the payroll that includes the date of the election. This section
2 does not affect any right to health benefits or retiree health benefits to which the
3 deferred member may otherwise be entitled.

- 4 3. An eligible employee who elects to participate in the retirement plan established under
5 this chapter must remain a participant even if that employee returns to the classified
6 service or becomes employed by a political subdivision that participates in the public
7 employees retirement system. The contribution amount must be as provided in this
8 chapter, regardless of the position in which the employee is employed.

9 Notwithstanding the irrevocability provisions of this chapter, if a member who elects to
10 participate in the retirement plan established under this chapter becomes a supreme
11 or district court judge, becomes a member of the highway patrol, becomes employed
12 in a position subject to teachers' fund for retirement membership, or becomes an
13 employee of the board of higher education or state institution under the jurisdiction of
14 the board who is eligible to participate in an alternative retirement program established
15 under subsection 6 of section 15-10-17, the member's status as a member of the
16 defined contribution retirement plan is suspended, and the member becomes a new
17 member of the retirement plan for which that member's new position is eligible. The
18 member's account balance remains in the defined contribution retirement plan, but no
19 new contributions may be made to that account. The member's service credit and
20 salary history that were forfeited as a result of the member's transfer to the defined
21 contribution retirement plan remain forfeited, and service credit accumulation in the
22 new retirement plan begins from the first day of employment in the new position. If the
23 member later returns to employment that is eligible for the defined contribution plan,
24 the member's suspension must be terminated, the member again becomes a member
25 of the defined contribution retirement plan, and the member's account resumes
26 accepting contributions. At the member's option, and pursuant to rules adopted by the
27 ~~board~~office, the member may transfer any available balance as determined by the
28 provisions of the alternate retirement plan into the member's account under this
29 chapter.

- 30 4. After consultation with its actuary, the ~~board~~office shall determine the method by which
31 a participating member or deferred member may make a written election under this

1 section. If the participating member or deferred member is married at the time of the
2 election, the election is not effective unless the election is signed by the individual's
3 spouse. However, the [boardoffice](#) may waive this requirement if the spouse's
4 signature cannot be obtained because of extenuating circumstances.

5 5. If the [boardoffice](#) receives notification from the internal revenue service that this
6 section or any portion of this section will cause the public employees retirement
7 system or the retirement plan established under this chapter to be disqualified for tax
8 purposes under the Internal Revenue Code, then the portion that will cause the
9 disqualification does not apply.

10 6. A participating member who becomes a temporary employee may still participate in
11 the defined contribution retirement plan upon filing an election with the [boardoffice](#)
12 within one hundred eighty days of transferring to temporary employee status. The
13 participating member may not become a member of the defined benefit plan as a
14 temporary employee. The temporary employee electing to participate in the defined
15 contribution retirement plan shall pay monthly to the fund an amount equal to eight
16 and twelve-hundredths percent times the temporary employee's present monthly
17 salary. The amount required to be paid by a temporary employee increases by two
18 percent times the temporary employee's present monthly salary beginning with the
19 monthly reporting period of January 2012, and with an additional increase of two
20 percent, beginning with the monthly reporting period of January 2013, and with an
21 additional increase of two percent, beginning with the monthly reporting period of
22 January 2014. The temporary employee shall also pay the required monthly
23 contribution to the retiree health benefit fund established under section 54-52.1-03.2.
24 This contribution must be recorded as a member contribution pursuant to section
25 54-52.1-03.2. An employer may not pay the temporary employee's contributions. A
26 temporary employee may continue to participate as a temporary employee until
27 termination of employment or reclassification of the temporary employee as a
28 permanent employee.

29 7. A former participating member who has accepted a retirement distribution pursuant to
30 section 54-52.6-13 and who subsequently becomes employed by an entity different
31 from the employer with which the member was employed at the time the member

1 retired but which does participate in any state-sponsored retirement plan may, before
2 re-enrolling in the defined contribution retirement plan, elect to permanently waive
3 future participation in the defined contribution retirement plan, whatever plan in which
4 the new employing entity participates, and the retiree health program and maintain
5 that member's retirement status. Neither the member nor the employer are required to
6 make any future retirement contributions on behalf of that employee.

7 **SECTION 105. AMENDMENT.** Section 54-52.6-03 of the North Dakota Century Code is
8 amended and reenacted as follows:

9 **54-52.6-03. (Suspended from October 1, 2013, through July 31, 2017) Transfer of**
10 **accumulated fund balances.**

11 For an individual who elects to terminate membership in the public employees retirement
12 system under chapter 54-52, the **boardoffice** shall transfer a lump sum amount from the
13 retirement fund to the participating member's account in the defined contribution retirement plan
14 under this chapter. However, if the individual terminates employment prior to receiving the lump
15 sum transfer under this section, the election made under section 54-52.6-02 is ineffective and
16 the individual remains a member of the public employees retirement system under chapter
17 54-52 and retains all the rights and benefits provided under that chapter. The **boardoffice** shall
18 calculate the amount to be transferred for persons employed before October 1, 2001, using the
19 two following formulas, and shall transfer the greater of the two amounts obtained:

- 20 1. The actuarial present value of the individual's accumulated benefit obligation under the
21 public employees retirement system based on the assumption that the individual will
22 retire under the earliest applicable normal retirement age, plus interest from January 1,
23 2001, to the date of transfer, at the rate of one-half of one percent less than the
24 actuarial interest assumption at the time of the election; or
- 25 2. The actual employer contribution made, less vested employer contributions made
26 pursuant to section 54-52-11.1, plus compound interest at the rate of one-half of one
27 percent less than the actuarial interest assumption at the time of the election plus the
28 employee account balance.

29 The **boardoffice** shall calculate the amount to be transferred for persons employed after
30 September 30, 2001, using only the formula contained in subsection 2.

1 | **SECTION 106. AMENDMENT.** Section 54-52.6-03.1 of the North Dakota Century Code is
2 | amended and reenacted as follows:

3 | **54-52.6-03.1. Changes to election.**

- 4 | 1. In this section the term "participating member" is limited in application to a participating
5 | member who elected to participate in the defined contribution retirement plan
6 | established under this chapter as an active employee of a participating employer, is an
7 | actively participating member of the defined contribution plan as of July 1, 2015, and is
8 | an active employee with a participating employer on the date an election is made
9 | under this section. The term does not include a participant who is not actively
10 | employed with a participating employer on the date of transfer of the funds under this
11 | section, has taken a distribution from the defined contribution plan, is retired, is no
12 | longer actively employed with a participating employer, or who is a member who has a
13 | qualified domestic relations order or other court order on the member's account.
- 14 | 2. Notwithstanding any other provision of law, the **boardoffice** shall provide an
15 | opportunity for each participating member to elect in writing to terminate membership
16 | in the defined contribution retirement plan under this chapter and to elect to become a
17 | participating member in the public employees retirement system under chapter 54-52.
- 18 | 3. The **boardoffice** shall establish a three-calendar-month election period beginning not
19 | later than February 1, 2016. A participating member who does not make a written
20 | election or who does not file the election with the North Dakota public employees
21 | retirement system office during the period specified in this section continues to be a
22 | member of the defined contribution plan. A participating member who makes and files
23 | a written election with the North Dakota public employees retirement system office
24 | under this section ceases to be a member of the defined contribution plan upon receipt
25 | by the public employees retirement system of the accumulated fund balance of the
26 | member's defined contribution plan under this chapter and waives all rights to that
27 | employee's accumulated fund balance under the defined contribution plan. If the
28 | executive director of the North Dakota public employees retirement system determines
29 | a participating member was not adequately notified of the option to make an election
30 | under this section, the executive director may provide that participating member a
31 | reasonable time, not to exceed three months, within which to make that election.

- 1 4. The public employees retirement system shall credit the transferring employee with
2 the service credit and salary history reflected on the public employees retirement
3 system's electronic database.
- 4 5. The ~~board~~office shall determine the method by which a participating member may
5 make a written election under this section. If the participating member is married at the
6 time of the election, the election is not effective unless the election is signed by the
7 individual's spouse. However, the executive director of the North Dakota public
8 employees retirement system may waive this spousal signature requirement if the
9 spouse's signature cannot be obtained because of extenuating circumstances.
- 10 6. For a participating member who elects to terminate membership in the defined
11 contribution plan under this section, the ~~board~~office shall transfer that member's
12 accumulated fund balance, less any rollovers from other plans made into the defined
13 contribution plan, to the public employees retirement system under chapter 54-52. If
14 funds are transferred from the defined contribution plan to the defined benefit plan
15 under an election made under this section, the ~~board~~office shall record this transfer to
16 the defined benefit plan as employee and employer contributions in the same manner
17 as transferred by the defined contribution provider. If a participating member has a
18 separate account attributable to rollover contributions to the defined contribution plan
19 pursuant to section 54-52.6-09.1, the participating member shall make an election to
20 receive a distribution of the entire amount held in the rollover account at the time of
21 transfer.
- 22 7. A participating member who elects a transfer under this section is entitled to vested
23 employer contribution amounts under section 54-52-11.1 prospectively from the date
24 of transfer. A participating member who elects a transfer under this section must be
25 assessed and required to pay monthly to the defined benefit plan an additional
26 employee contribution of an additional two percent of the monthly salary or wages paid
27 to the member.

28 **SECTION 107. AMENDMENT.** Section 54-52.6-04 of the North Dakota Century Code is
29 amended and reenacted as follows:

1 **54-52.6-04. Administration.**

2 The boardoffice shall administer the defined contribution retirement plan established under
3 this chapter and the boardoffice or vendors contracted for by the boardoffice shall invest the
4 assets of the plan. The boardoffice is the fiduciary and the trustee of the plan. The boardoffice
5 has the exclusive authority and responsibility to employ or contract with personnel and for
6 services that the boardoffice determines necessary for the proper administration of and
7 investment of assets of the plan, including managerial, professional, legal, clerical, technical,
8 and administrative personnel or services.

9 **SECTION 108. AMENDMENT.** Section 54-52.6-05 of the North Dakota Century Code is
10 amended and reenacted as follows:

11 **54-52.6-05. Direction of investments.**

12 Each participating member shall direct the investment of the individual's accumulated
13 employer and employee contributions and earnings to one or more investment choices within
14 available categories of investment provided by the boardoffice.

15 **SECTION 109. AMENDMENT.** Section 54-52.6-06 of the North Dakota Century Code is
16 amended and reenacted as follows:

17 **54-52.6-06. Administrative expenses - Continuing appropriation.**

18 The administrative expenses of the plan must be paid by the participating members in a
19 manner determined by the boardoffice. The boardoffice or vendors contracted for by the
20 boardoffice may charge reasonable administrative expenses and deduct those expenses from a
21 participating member's account in the defined contribution retirement plan established under
22 this chapter. The boardoffice shall place any money deducted in an administrative expenses
23 account with the state treasurer. The boardoffice may also use funds from the payroll clearing
24 account established pursuant to section 54-52.3-03 to pay for consulting expenses. All moneys
25 in the payroll clearing account, not otherwise appropriated, or so much of the moneys as may
26 be necessary, are appropriated to the boardoffice on a continuing basis for the purpose of
27 retaining a consultant as required for the administration of this chapter.

28 **SECTION 110. AMENDMENT.** Section 54-52.6-08 of the North Dakota Century Code is
29 amended and reenacted as follows:

1 **54-52.6-08. Credit of transfers.**

2 The **board**office shall promptly credit the plan account of a participating member who makes
3 an election under this chapter to terminate membership in the public employees retirement
4 system under chapter 54-52 with any amount transferred from the public employees retirement
5 system.

6 **SECTION 111. AMENDMENT.** Section 54-52.6-09 of the North Dakota Century Code is
7 amended and reenacted as follows:

8 **54-52.6-09. Contributions - Penalty.**

9 1. Each participating member shall contribute monthly four percent of the monthly salary
10 or wage paid to the participant, and this assessment must be deducted from the
11 participant's salary in equal monthly installments commencing with the first month of
12 participation in the defined contribution retirement plan established under this chapter.
13 Participating member contributions increase by one percent of the monthly salary or
14 wage paid to the participant beginning with the monthly reporting period of
15 January 2012, and with an additional increase of one percent, beginning with the
16 reporting period of January 2013, and with an additional increase of one percent,
17 beginning with the monthly reporting period of January 2014.

18 2. The employer shall contribute an amount equal to four and twelve-hundredths percent
19 of the monthly salary or wage of a participating member. Employer contributions
20 increase by one percent of the monthly salary or wage of a participating member
21 beginning with the monthly reporting period of January 2012, and with an additional
22 increase of one percent, beginning with the monthly reporting period of January 2013,
23 and with an additional increase of one percent, beginning with the monthly reporting
24 period of January 2014. If the employee's contribution is paid by the employer under
25 subsection 3, the employer shall contribute, in addition, an amount equal to the
26 required employee's contribution. The employer shall pay monthly such contribution
27 into the participating member's account from its funds appropriated for payroll and
28 salary or any other funds available for such purposes. If the employer fails to pay the
29 contributions monthly, it is subject to a civil penalty of fifty dollars and, as interest, one
30 percent of the amount due for each month of delay or fraction thereof after the
31 payment became due.

1 3. Each employer, at its option, may pay the employee contributions required by this
2 section for all compensation earned after December 31, 1999. The amount paid must
3 be paid by the employer in lieu of contributions by the employee. If the employer
4 decides not to pay the contributions, the amount that would have been paid will
5 continue to be deducted from the employee's compensation. If contributions are paid
6 by the employer, they must be treated as employer contributions in determining tax
7 treatment under this code and the federal Internal Revenue Code. Contributions paid
8 by the employer may not be included as gross income of the employee in determining
9 tax treatment under this code and the federal Internal Revenue Code until they are
10 distributed or made available. The employer shall pay these employee contributions
11 from the same source of funds used in paying compensation to the employee. The
12 employer shall pay these contributions by effecting an equal cash reduction in the
13 gross salary of the employee or by an offset against future salary increases or by a
14 combination of a reduction in gross salary and offset against future salary increases.
15 Employee contributions paid by the employer must be treated for the purposes of this
