12 registered designated caregiver is connected to the registered qualifying patient
13 through the department's registration process.

14 b. For receiving compensation for costs associated with assisting a registered
15 qualifying patient with the acquisition, use, or possession of usable marijuana or
16 related supplies under this chapter, if the registered designated caregiver is
17 connected to the registered qualifying patient through the department's
18 registration process.

19 3. It is presumed a registered qualifying patient is engaged in, or a registered designated
20 caregiver is assisting with, the acquisition, use, or possession of usable marijuana or
21 related supplies in accordance with this chapter if the registered qualifying patient or
22 registered designated caregiver is in possession of a valid registry identification card
23 and is not in possession of usable marijuana in an amount that exceeds what is
24 authorized under this chapter. This presumption may be rebutted by evidence the
25 conduct related to acquisition, use, or possession of usable marijuana or related
26 supplies was not for the purpose of treating or alleviating the registered qualifying
27 patient's debilitating medical condition under this chapter.

28 4. A person is not subject to arrest or prosecution or the denial of any right or privilege,

7 department designee or manufacturing facility in accordance with this chapter.

10 chapter to:
- 11 a. Purchase usable marijuana from a manufacturing facility and conducting related
12 activities for the sole purpose of dispensing usable marijuana, selling related
13 supplies, and and providing educational materials to registered qualifying patients
14 and designated caregivers; or
- 15 b. Transfer usable marijuana to and from a department designee or related
16 marijuana facility in accordance with this chapter.
- 17 7. A registered compassion center agent is not subject to arrest or prosecution or the
18 denial of any right or privilege, including a civil penalty or disciplinary action by a court

- 22 8. The sale and possession of marijuana paraphernalia by a dispensary is lawful if in
23 accordance with this chapter.
- 24 9. The medical use of marijuana by a registered cardholder or the producing and

- 27 10. A health care provider is not subject to arrest or prosecution or the denial of any right
28 or privilege, including a civil penalty or disciplinary action by a court or occupational or

30 stating in the health care provider's professional opinion a patient is likely to receive
31 therapeutic or palliative benefit from the medical use of usable marijuana to treat or

1 alleviate the patient's debilitating medical condition or for refusing to provide written
2 certification or a statement. This chapter does not release a health care provider from
3 the duty to exercise a professional standard of care for evaluating or treating a
4 patient's medical condition.

5 11. A cardholder or registered compassion center is not subject to arrest or prosecution for
6 use of drug paraphernalia or possession with intent to use drug paraphernalia in a
7 manner consistent with this chapter.

10 not be subject to arrest or prosecution for that possession or transportation.

11 13. A person in possession of marijuana or medical marijuana in the course of performing
12 laboratory tests as provided under this chapter and rules adopted under this chapter
13 may not be subject to arrest or prosecution for that possession or testing.

14 **19-24.1-33. Limitations.**

15 This chapter does not authorize a person to engage in, and does not prevent the imposition
16 of any civil liability or criminal liability or other penalties for engaging in the following conduct:

29 4. Using a combustible delivery form of usable marijuana or vaporizing usable marijuana
30 under this chapter if the smoke or vapor would be inhaled by a minor who is not the
31 registered qualifying patient for whom the usable marijuana is intended.

- 1 5. Operating, navigating, or being in actual physical control of a motor vehicle, aircraft,
2 train, or motorboat, while under the influence of marijuana. However, a registered
3 qualifying patient may not be considered to be under the influence of marijuana solely
4 because of the presence of metabolites or components of marijuana that appear in
5 insufficient concentration to cause impairment.

6 **19-24.1-34. Acts not prohibited - Acts not required.**

- 7 1. This chapter does not require:

29 combustion.
- 30 d. Consumption of usable marijuana is limited to a place specified by the facility.

1 2. A facility listed in subsection 1 may not unreasonably limit a registered qualifying
2 patient's medical use of marijuana as authorized under this chapter unless failing to do
3 so would cause the facility to lose a monetary or licensing-related benefit under federal
4 law or regulations.

5 **19-24.1-36. Health council - Rules.**

- 6 1. The health council shall adopt rules as necessary for the implementation and
7 administration of this chapter, including transportation and storage of marijuana and
