The results of such screening test must be used only for determining whether or not a further test shall be given under the provisions of section 39-20-01. The officer shall inform the individual that North Dakota law requires the individual to take the screening test to determine whether the individual is under the influence of alcohol; ~~that refusal to take the screening test is a crime~~, and that refusal of the individual to submit to a screening test may result in a revocation for at least one hundred eighty days and up to three years of that individual's driving privileges. If such individual refuses to submit to such screening test or tests, none may be given, but such refusal is admissible in a court proceeding if the individual was arrested in violation of 39-08-01 and did not take any additional chemical tests requested by the law enforcement officer. Such refusal is sufficient cause to revoke such individual's license or permit to drive in the same manner as provided in section 39-20-04, and a hearing as provided in section 39-20-05 and a judicial review as provided in section 39-20-06 must be available.
