- 2 A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

HB 1163 repeals sections of the Century Code dealing with Sunday closing laws.

- B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

If enacted, HB 1163, by repealing certain Sunday closing statutes, will enable retail establishments to open for business Sunday mornings, if they choose to do so. This may increase stores' hours of operation by 3% for mall stores and up to 8% for big box retail 24-hour stores.

Studies indicate a portion of retail trade occurs impulsively, due to the availability and the opportunity to purchase retail items. These types of purchases will result in the possibility of a net positive fiscal impact associated with this bill. It is not possible to estimate this impact, however, as the degree to which retail businesses will choose to open early on Sundays is not known.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

- A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

- B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

- C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.*
