- 2 A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

This bill allows the NDDOT to enter into cooperative agreements whereby private entities could cover the cost of construction of items on the state highway system.

- B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

This bill would have a fiscal impact. However, we have no way of quantifying the impact at this time as it would depend on the nature of the construction project. This bill could have a positive fiscal impact to the state ranging from tens of thousands of dollars for a small project to millions of dollars for a large project.
