POINT OF PERSONAL PRIVILEGE

REMARKS OF REPRESENTATIVE TROTTIER

MR. SPEAKER: Mr. Speaker and Members of the Assembly,

Today, March 29th has been proclaimed "Vietnam Veteran's Day", as a tribute, marking this day, as the 42nd anniversary of the end of American involvement in the Vietnam conflict.

It is also with this announcement, I was asked to offer a big "thank you" to the legislature and the State of North Dakota from the North Dakota Vietnam Veterans ASSN.

For those of you that were serving in the 2013 & 2015 legislative sessions, you may recall the legislature appropriated 50,000 dollars in each session to help the North Dakota Vietnam veterans in making their omrades aware of the problems of Agent Orange exposure. Agent Orange was a chemical used to defoliate the foliage, in Vietnam, and was approved by the department of defense, after being warned by the chemical companies, that this combination should never be used near any living being. As we learned, approximately 58,000 American soldiers lost their lives in the Vietnam conflict, and since then, over 350,000 have died from afflictions due to agent orange exposure, and that these afflictions and symptoms may be passed on for up to 5-7 generations. We heard in committee, actual testimonials from veteran's, that have children and grandchildren diagnosed with the afflictions.

The Vietnam veterans used the appropriations to travel to areas across the state, to reach out to afflicted veterans that did not trust the VA, because of VA's denial of Agent Orange health issues for over 25 years after the Vietnam conflict.

They held educational & informational meetings around the state, 27 counties to be exact, and put up billboards on the interstates, making the veterans aware of where to go to get medical help and information.

The groups commander, Dan Stenvold, contacted me, and said they had nearly accomplished their mission. They have \$5,200 left from the 2015 session appropriation, and their plans are to complete some of the remaining counties.

Finally, a few months ago, the North Dakota Vietnam Veterans group was nationally named "The Council of the Year" for all the work they had accomplished with Agent Orange education. Their commander, Dan Stenvold, Park River, ND, was also awarded the "Commendation Medal" for his leadership for this very project. Their billboard idea, has spread throughout many other states.

Again, the North Dakota Vietnam Veterans group thanks you all, Commander Dan Stenvold says, you all should be commended, as patriots, for your support of this project, for without your help, many veterans and their families would be left in the dark, about Agent Orange!!!!

Thank you Mr. Speaker
