¹ Funding for employee health insurance in adjusted to reflect the updated premium amount of \$1,241 per month.

² Funding for 1 FTE position and related funding is removed. The Senate also removed 1 FTE position, resulting in a total of 2 FTE positions removed from the base budget.

³ Funding for service dogs training is reduced by \$25,000 from the general fund, to provide a total of \$25,000 for training up to two service dogs to assist North Dakota veterans with posttraumatic stress disorder. The Senate provided \$50,000 to train up to four service dogs. Section 4 is also adjusted to reflect this revised amount.

⁴ Funding of \$15,000 from the general fund is moved from the veterans' affairs line item to a transport vans line item. An additional \$3,600 is also added from the general fund to the transport vans line item.

⁵ One-time funding of \$18,600 is added from the general fund for transport vans, resulting in total funding of \$37,200 for transport vans. The cost to purchase a transport van is approximately \$18,600. As amended by the House, the Department of Veterans' Affairs would have authority to purchase two transport vans during the 2017-19 biennium, using \$18,600 of ongoing funding and \$18,600 of one-time funding. The Senate approved funding of \$15,000 for transport vans.

This amendment also adds a section to identify the amount of funding included in the bill for the increase in employee health insurance premiums.
