REMARKS OF SENATOR WARDNER

MR. PRESIDENT AND MEMBERS OF THE SENATE: Thank you for all your dedicated work. You have been a part of making major investments in North Dakota. First I want to recognize the staff and your contributions to the legislative process that allowed the Senators to do their work.

Legislative Council

You are all a part of the Senate family. Working for the legislature is often times a difficult task. The legislative session is a short four months and it entails many long hours. You are the engine that kept this legislative body in motion. We appreciate you and you can be rest assured that your efforts have made a difference for the people of North Dakota. Mr. President thank you for your quick study and keeping us on track presiding over the Senate. You also have become a part of the Senate family. Thanks!!

Second, I need to recognize the Majority Caucus for their loyalty and drive to get the job done. Third, I want the Minority Caucus to know that I appreciated their dedication and contributions to North Dakota. To all of you that work or serve in the Senate I feel an esprit de corps in this chamber.

The Medical Marijuana bill is a product of both parties and both chambers working together for the good of the people of North Dakota.

This was a challenging session because our resources were limited, however, everyone dug in and produced a product we can all live with. There is no question that this legislature has a commitment to elementary and secondary education, holding K-12 harmless for the most part. Past legislatures helped us set the table by placing more dollars in the Common Schools Trust Fund and putting in place the Foundation Aid Stabilization Fund. Expanded Medicaid has made a difference for our citizens who are not so fortunate and the legislature has committed to funding the program this biennium. Also, the Justice reinvestment legislation is a start in the area of behavioral health as we deal with mental health and drug addiction in our society, steering people toward treatment rather than incarceration.

It has been an honor to be your leader because you all have worked together as a team, working together to improve the quality of life in North Dakota. The goals of the majority and minority parties are the same; it's just that we all have different ways to get to those goals.

I believe we have much to look forward to in North Dakota in the areas of energy development and new technology, unmanned aircraft industry, added value in agriculture, oil and gas, and the potential of the Legacy Fund to affect the future of North Dakota.

Mr. President I have a great deal of respect for each and everyone of you! Thanks for all you do! Have a safe trip home, you can feel good about your accomplishments this session.

Thank you and God Bless each one of you!

REMARKS OF SENATOR HECKAMAN

MR. PRESIDENT: This time of the session is a time of thanks and appreciation for everyone who has been part of this chamber and the work we do together.

I want to start by saying a big thank you to all of the following:

To you, Mr. President, for stepping in and stepping up to the challenge. We have appreciated

your work in keeping us focused and on task.

To the Governor and opportunity to work with his new staff.

To my leadership team. As a first in both appropriations and as assistant leader, the Senator to my right has been outstanding. And to our caucus chair, Senator Nelson has brought her experience and expertise forward in keeping our caucus focused.

To our staff, I couldn't ask for a more professional group. I have a seasoned administrative assistant, Kathy, who keeps me focused. The work from both the communications directors and research assistant was outstanding. You three rock!

To Renae, for your work with our staff. We appreciate your kind offers to work together and keep this session rolling.

To the front desk staff, our pages and Sergeant of arms staff, as well as Julie in the supply room, and the gals at the kiosk. You are instrumental in our day to day process.

To our friends and colleagues across the hall.

To our friendly lobbyists and observers in the back of the chamber. Your direction is crucial in the work we do here for the people of North Dakota.

To the Legislative Council staff. We could not have done this without you. Your professional manner kept us grounded.

And to the IT staff. It is always comforting knowing you are in the back of the chamber ready and willing to get us through another session.

To Senator Kilzer for your work and steady, calm demeanor. You have served this chamber with your dignity and wisdom. Proud to know you and work with you.

I have also enjoyed the opportunity to work with the majority leader. I don't know how many of you know that the majority leader and the senator from district 39 both have connections from college with my husband. One of the first things I mentioned to them to see if I could leverage legislation is that I am sure my husband has a few stories about them from college days. And they reassured me that they had more stories about him, so they were certain that my husband would remain silent. Thank you, Senator Wardner for placing your trust in me this session and working with me as a rookie leader.

Finally, a huge thanks to my caucus for the opportunity to serve as your leader and for placing your confidence in me this session. You have taken on the challenge in committees and carry the load for us there. Your determination and ability to move forward with collaboration and compromise is to be commended. Words cannot express my appreciation to you.

And to the entire Senate, thank you for the privilege to work with all of you and serve not only my legislative district and my caucus, but to also have the great honor to work with all of you on important pieces of legislation.

We have not always agreed on policy or on funding programs and agencies, but our respect for each other is the factor at the end of the day that makes me proud to serve as the minority leader in the North Dakota Senate.

So until we gather again, always be humble and kind.

REMARKS OF PRESIDENT SANFORD

I want to begin by thanking the leadership.

Senator Wardner – leadership, wisdom, strategy, our coach. I will always be grateful for you receiving me into the Senate team on day 1. It has been a pleasure to watch your strong, but respectful and empowering style of leadership throughout the session. Thank you for once again leading us through the maze.

Senator Heckaman – grace, diplomacy, class, the eloquent voice of dissent... when needed. But as the Governor has pointed out numerous times, with the amount of 47-0 votes that happen in the Senate, evidently there aren't a lot of cases where it is needed.

Senator Klein – sense of humor, attention to detail, keeping us moving along. With the deepest gratitude, I want to thank you for preparing me at the beginning of the session to get me up and running, and of course for the ongoing assistance with 'wording' suggestions. Like when I asked how to introduce the page for the day and you said, "maybe something like: And our page for the day, all the way from District 36 is...".

Thank you Senator Klein. I will miss checking in with you daily for marching orders for the next 20 months. We'll have to schedule a Main Street Initiative fieldtrip for Fessenden soon.

Next I would like to thank the Senate Front Desk Staff.

I have a lot of bosses in here. I'm not sure if the Senate and observers behind the rail notice the subtle pointers I get from the folks up here or not, but I know that it's time to stop and take notice if Shanda quickly turns around, or if Joe leans my direction, or if Senator Klein raises his eyebrows.

Shanda and Joe run the floor sessions with professionalism and speed. We all appreciate Shanda's smile and her speed reading, and her strategic use of the term "various sections" to help move us along. Joe knows every step before we take it. He knows the answer to every question. Thank you Joe for not retiring and being here to mentor me through this session as your 4th Lieutenant Governor to train in. We'll see you back here in 20 months.

Rachel, Audrey, and Kassy are a little more subtle but they keep us organized and keep the bills moving through. Liz makes you all famous putting your eloquent floor speeches into permanent record. And Jack... what can I say... I think I've finally gotten to the point when you bring up the chaplain for the day, that I don't double check to see if I forgot and wore jeans. Thank you to all the Senate staff for your hard work getting us to the finish line.

Last, but certainly not least, I would like to thank the Senators.

To the Senators – For 77 days I have marveled at the decorum of this place. The civil and courteous behavior you exhibit to each other. You are respectful of the process yet work very hard to try to make a positive difference for the lives of the citizens of North Dakota. This session we tackled justice reinvestment, shifting the focus to behavioral health and substance abuse with less emphasis on corrections. We passed permanent property tax relief that also closes a very large unfunded mandate placed on the counties by funding county social services. We also made great strides in tax cleanup, water infrastructure continuation and protecting homesteaders mineral rights. We prepared for the future with creation of the DEQ, continued investment in Higher Ed, and new technologies like UAS and lignite research. We also kept our commitment to K-12 and human services.

There is a lot of strategy and diplomacy, emotion and passion involved to make or change a law. Tempers can flare. But in the end, here we are. Calm and civil. Ready to hand the product over to the executive branch to take the marching orders and reinvent government and serve the citizens of the State. Democracy is a wonderful thing. We are very blessed to live in this amazing country and this amazing State.

Thank you all, and I truly look forward to the 2019 session!
