Senator Unruh

Representative Porter

A BILL for an Act to amend and reenact subsection 7 of section 49-22-09 of the North Dakota

- 2 Century Code, relating to factors to be considered in evaluating applications and designations
- 3 of sites, corridors, and routes; and to provide for a legislative management study of a long-term
- 4 energy plan for the state.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Subsection 7 of section 49-22-09 of the North Dakota Century Code is amended and reenacted as follows:

7. The direct and indirect economic impacts of impact and need for the proposed facility.

SECTION 2. LEGISLATIVE MANAGEMENT STUDY - STATE ENERGY PLAN. During the 2017-19 interim, the legislative managementenergy development and transmission committee, in conjunction with the empower commission, shall consider studyingstudy the long-term energy plan for the state. The study must include consideration of multiple energy sources including coal, wind, natural gas, solar, and hydroelectric energy sources; analysis of the sustainability and reliability of various energy sources; an assessment of how the present tax environment affects the availability of energy from various sources; and the distribution of revenue from energy sources. The study must consider the needs of the state, political subdivisions, and industry when assessing various energy sources. The legislative managementenergy development and transmission committee shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-sixth legislative assembly.
