1 A concurrent resolution urging Congress to amend the 2014 farm bill to allow counties to use
2 raw yield data from insurance companies to supplement the national agriculture statistics
3 survey to calculate payments under the Agriculture Risk Coverage program when an insufficient
4 number of surveys are returned to accurately calculate payments.

5 **WHEREAS**, the Agriculture Risk Coverage program was authorized by the 2014 federal
6 farm bill; and

7 **WHEREAS**, the Agriculture Loss Coverage-County program provides revenue loss
8 coverage at the county level when the actual crop revenue of a covered commodity is less than
9 the program guarantee for the covered commodity; and

10 **WHEREAS**, to qualify to receive payments, commodity producers in a county must
11 complete and return a national agriculture statistics survey relating to yields; and

12 **WHEREAS**, multiple counties and producers in North Dakota have not qualified and will not
13 receive payments under the program because there has been an insufficient number of yield
14 data surveys returned from the county to accurately calculate payments;

15 **NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF**
16 **NORTH DAKOTA, THE SENATE CONCURRING THEREIN:**
