<sup>1</sup> The following funding is adjusted for the 2019-21 biennium salary adjustments of 2 percent with a minimum monthly increase of \$120 and a maximum monthly increase of \$200 on July 1, 2019, and a 2.5 percent increase on July 1, 2020, and increases in health insurance premiums from \$1,241 to \$1,427 per month:

**Other Funds**

Salary increase	\$152,584
Health insurance increase	<u>53,544</u>
Total	\$206,128

Funding adjusted for state employee salary increases results in total salary increases proposed by the House of \$1,435,111. The Senate proposed salary increases of 2 percent on July 1, 2019, and 3 percent on July 1, 2020, to provide total salary increases of \$1,282,527. Funding of \$53,544 is added for increases in health insurance premiums for 12 FTE positions the Senate transferred to the Information Technology Department for the information technology unification initiative. The House has not approved the information technology unification initiative and restored the 12 FTE positions transferred by the Senate.

<sup>2</sup> The House has not approved the information technology unification initiative previously approved by the Senate, resulting in the following adjustments to funding and FTE positions:

	<u>FTE</u>	<u>Other Funds</u>
Restores 12 FTE positions	12.00	\$2,532,319
