1. Credentials for teachers of students who have specific learning disabilities;
2. Credentials for superintendents;
3. Credentials for teachers of students who have vision impairments;
4. Credentials for dyslexia specialists;
5. Credentials for teachers of students who are deaf or hard of hearing; and

SECTION 2. A new section to chapter 15.1-32 of the North Dakota Century Code is created and enacted as follows:

Dyslexia screening - Report to legislative management.

1. Each public elementary school shall offer to administer dyslexia screenings to each enrolled student by the end of the second grade. A parent or legal guardian of a student may refuse a dyslexia screening offered by the school.
2. The board of a school district may contract with, employ, and compensate dyslexia specialists, credentialed by the superintendent of public instruction under section 15.1-02-16, to educate and train district teachers in appropriate dyslexia screening methods, identification, and intervention. A dyslexia specialist hired by the board of a school district must be trained in proven dyslexia remediation strategies, such as the institute for multi-sensory education's comprehensive Orton-Gillingham training.
3. The superintendent of public instruction shall adopt rules, in consultation with teachers, school administrators, and other stakeholders, setting forth the criteria for administering dyslexia screenings and for notifying the student's parent or legal guardian of the results of the screening.
4. A school district must provide a student identified as having dyslexia with education services pursuant to this chapter. The education services must include instruction that is:
   a. Research and phonetically-based;
   b. Multisensory; and
   c. Systematic.
5. The board of each school district shall report annually to the superintendent of public instruction regarding the district's efforts to screen and identify students with dyslexia.
Sixty-sixth
Legislative Assembly

Before June first of each even-numbered year, the superintendent of public instruction shall compile the information and report to the legislative management.

6.5. For purposes of this section, "dyslexia" means a specific learning disability that is neurological in origin and characterized by difficulties with accurate or fluent recognition of words and poor spelling and decoding abilities, independent of the individual's general intelligence level.

SECTION 3. A new section to chapter 15.1-34 of the North Dakota Century Code is created and enacted as follows:

Dyslexia - Training to teachers, administrators, and ancillary staff - Intervention.

1. At least once every year, each school district shall provide to elementary school teachers and administrators a minimum of one hour of professional development on dyslexia identification and intervention. Each school district shall encourage ancillary and support staff to participate in the professional development. The training must include:

   a. Phonological awareness;
   b. Sound symbol recognition;
   c. Alphabet knowledge;
   d. Decoding skills;
   e. Rapid naming skills; and
   f. Encoding.

2. Each school district shall report the professional development hours to the department of public instruction.

3. The superintendent of public instruction shall collaborate with regional education associations to disseminate information, training materials, and notice of training opportunities to school districts and nonpublic schools regarding dyslexia identification and intervention. If public school personnel identify a student as having dyslexia, a trained teacher employed or contracted by the school may provide dyslexia intervention services to the student.
