13 nursing from an accredited program, and who is functioning within the scope of
14 practice in one of the population foci as approved by the state board of nursing. This

16 treatment program other than hospitalization is adequate to meet the respondent's
17 treatment needs and is sufficient to prevent ~~harm or injuries which the individual may~~
18 ~~inflict upon the individual or others~~serious risk of harm, the court shall order the
19 respondent to receive whatever treatment, other than hospitalization, is appropriate for
20 a period of ninety days.

21 2. If the respondent is not complying with the alternative treatment order or the
22 alternative treatment has not been sufficient to prevent ~~harm or injuries that the~~

27 located to modify the alternative treatment order. The court shall hold a hearing within

13 alternative treatment is not sufficient to prevent serious risk of harm ~~or injuries to the~~
14 ~~respondent or others~~, and that considerations of time and safety do not allow
15 intervention by a court, the designated professional may cause the respondent to be
16 taken into custody and detained at a treatment facility as provided in subsection 3 of
17 section 25-03.1-25 and, within twenty-four hours, shall file a notice with the court
18 stating the circumstances and factors of the case. The state hospital or public

2 court, and direct the ~~individual to~~respondent undergo another program of
3 alternative treatment for the remainder of the commitment period; or
4 c. Enter a new order directing ~~that~~ the respondent remain hospitalized until
5 discharged from the hospital under section 25-03.1-30.
6 4. If, at the date of expiration of an order of alternative treatment, it is believed ~~that~~ an
7 individual continues to require treatment, a petition for a determination that the
8 individual continues to be a person requiring treatment may be filed with the court
9 where the individual is located.

10 **SECTION 5. AMENDMENT.** Section 25-03.1-30 of the North Dakota Century Code is

25 person shall terminate the alternative treatment ~~when~~if the patient no longer is a
26 person requiring treatment and shall notify the court upon that termination.
27 5. If, upon the discharge of a hospitalized patient or the termination of alternative
28 treatment of an individual under this chapter, the individual would benefit from further
29 treatment, the hospital or provider of alternative treatment shall offer appropriate
30 treatment on a voluntary basis or shall aid the individual to obtain treatment from
31 another source on a voluntary basis.

- 1 a. With the individual's consent, the superintendent or director shall notify the
2 appropriate community agencies or persons of the release and of the suggested
3 release plan. Community agencies include regional mental health centers, state
4 and local counseling services, public and private associations ~~whose~~the function
5 of which is to assist mentally ill or chemically dependent persons, and the
6 individual's physician.

21 a hearing on the merits of the protest.

22 **SECTION 6. LEGISLATIVE MANAGEMENT STUDY - REPORT - BEHAVIORAL HEALTH**
23 **CIVIL COMMITMENT AND INTERVENTION BEFORE VIOLENCE.**

- 24 1. During the 2019-20 interim, the legislative management shall consider studying the
25 state's civil commitment laws and procedures under chapters 25-03.1 and 25-03.2 and
26 the behavioral health and civil justice systems to determine whether:
- 27 a. Steps could be taken to prevent and to decrease the incidence of violence
28 committed by persons who are mentally ill, including the temporary removal of
29 firearms;

- 1 b. Law enforcement has the authority to confiscate a weapon from an individual
2 who appears to be at serious risk of harm and whether this is applied uniformly
3 by law enforcement across the state;
- 4 c. Our behavioral health and civil justice systems could take steps to be more
5 effective in intervening in the early stages of an individual's mental illness to treat
6 the illness and avoid violence and possible contact with law enforcement; and
- 7 d. There is a lack of uniformity in how early intervention and civil commitment is
8 implemented across the state, and to the extent there may be a lack of uniformity,
9 to what this lack of uniformity is attributable to and whether education and
10 training of stakeholders may help facilitate more uniformity.
- 11 2. If the legislative management conducts this study, the judicial branch shall provide the
12 legislative management with court data necessary to conduct the study, including data
13 from each of the counties in the state regarding civil commitment proceedings and
14 outcomes.
- 15 3. The legislative management shall report its findings and recommendations, together
16 with any legislation necessary to implement the recommendations, to the sixty-seventh
17 legislative assembly.
