"SECTION 3. AMENDMENT. Section 15.1-27-35 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-35. Average daily membership - Calculation.

1. Average daily membership is calculated at the conclusion of the school year by adding the total number of days that each student in a given grade, school, or school district is in attendance during a school calendar and the total number of days that each student in a given grade, school, or school district is absent during a school calendar, and then dividing the sum by the greater of:
 - a. ~~The school district's calendar;~~
 - b. ~~One hundred eighty-two.~~
2. For purposes of calculating average daily membership, all students are deemed to be in attendance on:
 - a. The three holidays listed in subdivisions b through j of subsection 1 of section 15.1-06-02 and selected by the school board in consultation with district teachers;
 - b. The two days set aside for professional development activities under section 15.1-06-04; and
 - c. The two full days, or portions thereof, during which parent-teacher conferences are held or which are deemed by the board of the district to be compensatory time for parent-teacher conferences held outside regular school hours.
3. For purposes of calculating average daily membership:

- a. A student enrolled full time in any grade from one through twelve may not exceed an average daily membership of 1.00. The membership may be prorated for a student who is enrolled less than full time.
- b. A student enrolled full time in an approved regular education kindergarten program may not exceed an average daily membership of 1.00. The membership may be prorated for a student who is enrolled less than full time.
- c. A student enrolled full time, as defined by the superintendent of public instruction, in an approved early childhood special education program may not exceed an average daily membership of 1.00. The membership may be prorated for a student who is enrolled less than full time."
