AN ACT to provide a legislative management study relating to regulating the installation, maintenance, testing, and repair of sewage treatment systems.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. LEGISLATIVE MANAGEMENT STUDY - SEWAGE TREATMENT SYSTEM REGULATION. During the 2019-20 interim, the legislative management shall consider studying the regulation of sewage treatment system installation, maintenance, testing, and repair. The study must include consideration of a uniform set of rules; uniform occupational licensing requirements; testing and education requirements for occupations that install, maintain, test, and repair sewage treatment systems; the regulatory agency best able to regulate sewage treatment systems; options for maintaining local government control over sewage treatment system regulation; and issues relevant to these considerations. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-seventh legislative assembly.
This certifies that the within bill originated in the Senate of the Sixty-sixth Legislative Assembly of North Dakota and is known on the records of that body as Senate Bill No. 2241.
