BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Subsection 1 of section 50-10.1-03 of the North Dakota Century Code is amended and reenacted as follows:

1. Investigate and resolve complaints about administrative actions that may adversely affect or may have adversely affected the health, safety, welfare, or personal or civil rights of persons in long-term care facilities or persons who have been discharged from long-term care facilities within one month of the complaint against the facility.

SECTION 2. AMENDMENT. Section 50-25.2-02 of the North Dakota Century Code is amended and reenacted as follows:

50-25.2-02. Adult protective services program - Rules.

The department, with the advice and cooperation of county social service boards, shall develop, administer, and cause to be implemented a program of protective services for vulnerable adults consistent with this chapter. In developing and administering the program, the department, within the limits of legislative appropriation, shall allocate and distribute funds for the purpose of providing adult protective services. All law enforcement agencies, courts of competent jurisdiction, and appropriate state and local agencies shall cooperate in the implementation and enforcement of this chapter. The department may adopt rules in accordance with chapter 28-32 for the purpose of implementing the provisions of this chapter.
SECTION 3. AMENDMENT. Subsection 1 of section 50-25.2-03 of the North Dakota Century Code is amended and reenacted as follows:

1. Any medical or mental health professional or personnel, law enforcement officer, firefighter, member of the clergy, or caregiver having knowledge a vulnerable adult has been subjected to abuse or neglect, or who observes a vulnerable adult being subjected to conditions or circumstances that reasonably would result in abuse or neglect, shall report the information to the department, or the department's designee, or to an appropriate law enforcement agency if the knowledge is derived from information received by that individual in that individual's official or professional capacity. A member of the clergy, however, is not required to report the information if the knowledge is derived from information received in the capacity of spiritual adviser. 

An individual in the position of a long-term care ombudsman is not a mandated reporter of suspected abuse or neglect. For purposes of this subsection, "medical or mental health professional or personnel" means a professional or personnel providing health care or services to a vulnerable adult, on a full-time or part-time basis, on an individual basis or at the request of a caregiver, and includes a medical examiner, coroner, dentist, dental hygienist, optometrist, pharmacist, chiropractor, podiatrist, physical therapist, occupational therapist, tier 1 through tier 4 mental health professional as defined under section 25-01-01, emergency medical services personnel, hospital personnel, nursing home personnel, congregate care personnel, or any other person providing medical and mental health services to a vulnerable adult.

SECTION 4. AMENDMENT. Section 50-25.2-04 of the North Dakota Century Code is amended and reenacted as follows:

50-25.2-04. Referral of complaints concerning long-term care facilities.

Any report received by the department or the department's designee under section 50-25.2-03 complaining of any administrative action, as defined in section 50-10.1-01, that may adversely affect or may have adversely affected the health, safety, welfare, or personal or civil rights of a resident in a long-term care facility, as defined in section 50-10.1-01, or a person who was discharged from a long-term care facility within nine months of the complaint, must be referred to the state long-term care ombudsman for investigation pursuant to chapter 50-10.1.
SECTION 5. AMENDMENT. Subsection 1 of section 50-25.2-05 of the North Dakota Century Code is amended and reenacted as follows:

1. The department or the department's designee shall immediately evaluate and assess any report received by the department or the department's designee under section 50-25.2-03, including the residence of the alleged vulnerable adult and the circumstances surrounding the report. For the purpose of evaluating a report or providing other adult protective services, the department or the department's designee may:

a. Interview the alleged vulnerable adult, with or without notice to the caregiver or any other person, and interview the caregiver and any other individual who may have knowledge of the circumstances surrounding the report;

b. Enter any premises in which the alleged vulnerable adult is an occupant, with the consent of the alleged vulnerable adult or the caregiver;

c. Have access to all records of the vulnerable adult:
   (1) If the vulnerable adult, or the caregiver or legal representative of the vulnerable adult, has authorized the department or the department's designee to have access; or
   (2) If the vulnerable adult, because of a substantial functional or mental impairment, is unable to authorize the department or the department's designee to have such access, does not have a legal guardian or other legal representative, and is an individual with respect to whom a report was received by the department or the department's designee; and
   (3) If the vulnerable adult, because of a substantial functional or mental impairment, is unable to authorize the department or the department's designee to have such access, the legal guardian or other legal representative is alleged to cause the circumstances surrounding the report, and is an individual with respect to whom a report was received by the department or the department's designee;

d. Coordinate the assessment and the provision of other adult protective services with other state or local agencies, departments, or institutions, including the agency of the protection and advocacy project, or private agencies,
organizations, and professionals providing services necessary or advisable for
the vulnerable adult; and

e. Request records, except as prohibited under title 42, Code of Federal
Regulations, part 2, from a medical, dental, or mental health professional,
hospital, medical or mental health facility, or health care clinic regarding a
vulnerable adult with respect to whom a report was received by the department
or the department’s designee. A medical, dental, or mental health professional,
hospital, medical or mental health facility, or health care clinic shall disclose to the
department or the department’s designee, upon request, the records of a patient
or client which are relevant to a vulnerable adult evaluation, assessment or other
adult protective services. The department, or the department’s designee, shall
limit the request for records to the minimum amount of records necessary to
enable a determination to be made or to support other adult protective services.

amended and reenacted as follows:
