The estimate shall be certified by the president and secretary to the proper county auditor or county auditors, on or before June thirtieth of each year. In the year for which the levy is sought, a board of directors of a rural ambulance service district seeking approval of a property tax levy under this chapter must file with the county auditor of the counties within the rural ambulance service district, at a time and in a format prescribed by the county auditors, a financial report for the preceding calendar year showing the ending balances of each fund held by the rural ambulance service district during that year. The board or boards of county commissioners may levy a tax not to exceed the mill rate approved by the electors of the district under section 11-28.3-04, and in no event exceeding a mill rate of ten fifteen mills upon the taxable property within the district for the maintenance of the rural ambulance service district for the fiscal year as provided by law. A rural ambulance service district may be dissolved by approval of electors of the district as provided in section 11-28.3-13.
