"SECTION 4. A new section to chapter 54-11 of the North Dakota Century Code is created and enacted as follows:

Legacy income tax rate reduction fund - State treasurer - Tax commissioner - Income tax rate adjustment - Transfers to the general fund - Continuing appropriation.

1. There is created in the state treasury the legacy income tax rate reduction fund. The fund consists of all moneys deposited in the fund pursuant to section 5 of this Act. All moneys in the fund are appropriated to the state treasurer on a continuing basis for the purpose of providing transfers to the general fund to reduce the individual income tax imposed under section 57-38-30.3 and the corporate income tax imposed under section 57-38-30.

2. If money is transferred into the fund pursuant to section 5 of this Act, the tax commissioner shall publish reduced individual and corporate income tax rates and notify taxpayers of the reduced rates by November first of the first fiscal year of the biennium. The tax commissioner may determine the form and manner for publishing the reduced rates and notifying taxpayers, including any notification that taxpayers are not required to file returns or pay taxes. The tax commissioner shall reduce the individual income tax rates and the corporate income tax rates based on the following:
a. The percentage reduction to the individual and corporate income tax rates is equal to the rate reduction amount divided by the total estimated tax collections, including both the individual tax collections and corporate income tax collections, for the second year of the biennium.

b. Any reductions to the individual income tax rates and the corporate income tax rates apply to tax years after December 31, 2021.

c. The reductions to the individual income tax rates and the corporate income tax rates must be proportional to the estimated tax collections for each tax relative to the combined total estimated tax collections for both taxes.

d. The reductions to the individual income tax rates and the corporate income tax rates must be applied equally to all tax brackets for each tax.

e. The reduced individual income tax rates and corporate income tax rates must be rounded to the nearest one-hundredth of a percent.

3. If no money is transferred to the fund pursuant to section 5 of this Act, the tax commissioner may not reduce the individual and corporate income tax rates currently in effect.

4. a. If the income tax rate reduction results in a disproportionate amount of tax to be deducted and withheld under section 57-38-59, the tax commissioner may adjust the percentage that, when withheld, will as closely as possible pay the income tax liability imposed.

b. This section does not limit or suspend any provision in chapter 57-38 which is not in conflict with this section, including provisions for assessment and refund under sections 57-38-34.4, 57-38-38, and 57-38-40.

5. In April of each year, the state treasurer shall transfer the amounts certified by the tax commissioner from the legacy fund income tax reduction fund to the general fund. The amount transferred to the general fund each year may not be less than the rate reduction amount determined for the current biennium plus the rate reduction amount determined for each preceding biennium.

6. For purposes of this section:

a. "Base funding amount" means the total amount transferred from the legacy income tax rate reduction fund to the general fund in the preceding biennium.

b. "Estimated tax collections" means the income tax collection amounts included in the revenue forecast of the current biennial state budget as approved by the most recently adjourned special or regular session of the legislative assembly.

c. "Rate reduction amount" means one-third of any legacy fund earnings deposited in the legacy income tax rate reduction fund exceeding the base funding amount.

SECTION 5. A new section to chapter 54-27 of the North Dakota Century Code is created and enacted as follows:

Transfer of legacy fund earnings - Limitations.

Fifty percent of any legacy fund earnings transferred to the general fund at the end of each biennium in accordance with section 26 of article X of the Constitution of North Dakota must be transferred immediately by the state treasurer.
to the legacy income tax rate reduction fund. The state treasurer may not transfer
legacy fund earnings to the income tax rate reduction fund if the amount of legacy
fund earnings to be transferred to the legacy income tax rate reduction fund is less
than fifty million dollars."

<sup>1</sup> Funding is added to provide for employee salary increases of 2 percent on July 1, 2019, with a minimum monthly increase of $120 and a maximum monthly increase of $200, and an increase of 2.5 percent on July 1, 2020. The House provided funding for a salary increase of 2 percent on July 1, 2019, and a 2 percent increase on July 1, 2020.

<sup>2</sup> Funding is added for health insurance increases related to an information technology unification FTE position not removed and the 2 FTE positions related to the supremacy of federal programs.
Two of the contingent FTE positions provided by the House and related funding for salaries and wages are added in the 1st year of the biennium for the supremacy of federal programs. The House provided contingent funding and 10 FTE positions in the 2nd year of the biennium for the supremacy of federal programs.

Two of the contingent 10 FTE positions provided by the House in the 2nd year of the biennium for the supremacy of federal programs and related funding for salaries and wages are removed because they are added in the 1st year of the biennium by the Senate, to provide 8 FTE positions in the 2nd year of the biennium.

Funding provided for the boiler inspection program, including funding for salaries and wages of $793,249 and operating expenses of $89,000, is provided from the general fund instead of the state fire and tornado fund.

This amendment also:

- Removes a section identifying funding from the state fire and tornado fund for the boiler inspection program because funding for the program is provided from the general fund;
- Adds a section to identify funding from the petroleum release compensation fund for expenses related to the petroleum release program;
- Adjusts the contingent appropriation from the general fund for federal program supremacy to reduce total funding and FTE added in the 2nd year of the biennium;
- Adds a section to provide for petroleum tank fees to be assessed until the Department of Environmental Quality adopts rules regarding fees;
- Amends the section created to transfer the boiler inspection program to the Department of Environmental Quality to require fees collected under the section are deposited in the general fund, which will result in an estimated increase in general fund revenues of $600,000;
- Adds a section to require that the Department of Environmental Quality review the boiler inspection program during the 2019-20 interim, develop a plan for program fees to meet program expenses, and report to the Legislative Management regarding the plan before June 30, 2020; and
- Adds a section to provide for a contingent expiration date for the section which provides for petroleum tank fees to be assessed until the Department of Environmental Quality adopts rules regarding fees.

1 Funding of $8,622 is added for 2019-21 biennium salary increases of 2 percent with a minimum monthly increase of $120 and a maximum monthly increase of $200 on July 1, 2019, and 2.5 percent on July 1, 2020, to provide total salary increases of $1,415,465, of which $1,052,155 is from the general fund and $363,310 is from other funds. The Senate approved salary increases of 2 percent on July 1, 2019, and 3 percent on July 1, 2020, to provide total salary increases of $1,406,843, of which $1,033,650 was from the general fund and $373,193 was from other funds.

This amendment also reduces funding of $17,848, of which $1,338 is from the general fund and $16,510 is from other funds, for health insurance premiums related to the House removing 3 FTE Medicaid Fraud Control Unit positions and 1 FTE Deputy Fire Marshal position previously authorized by the Senate.

2 Funding of $770,524, of which $77,053 is from the general fund and $693,471 is from federal funds, is reduced for the Medicaid Fraud Control Unit program, to provide total funding of $1,046,802 for the program, of which $104,680 is from the general fund and $942,122 is from federal funds. The Senate approved a total of $1,817,326 for the program, of which $181,733 was from the general fund and $1,635,593 was from federal funds. The reduction includes the removal of 3 FTE positions, including 1 attorney, 1 auditor, and 1 administrative assistant. The Senate approved 7 FTE positions for the program, including 2 attorneys, 2 auditors, 2 criminal investigators, and 1 administrative assistant.

3 Funding of $381,943, of which $270,177 is from the general fund, $74,510 is from federal funds, and $37,256 is from special funds, is transferred from the Adjutant General to the Attorney General, including 2 Criminal Justice Information Sharing FTE positions.

4 Funding of $169,924 from the Attorney General's operating fund is removed for 1 FTE Deputy Fire Marshal position. The Senate authorized funding of $169,924 for the position. The position was unfunded during the 2017-19 biennium.

5 Funding of $625,000 from the general fund is reduced for the human trafficking victims grant program, to provide a total of $1 million from the general fund for the program. The Senate approved a total of $1,625,000 from the general fund for the program.

6 One-time funding from the general fund is reduced by $150,000 for the replacement of Bureau of Criminal Investigation undercover vehicles to provide a total appropriation of $150,000 from the general fund. The Senate approved total one-time funding of $300,000 from the general fund for the replacement of 12 undercover vehicles.

7 One-time funding of $250,000 included in the Senate version is removed by the House for additional federal or other funds received during the 2019-21 biennium. This amount was appropriated by the Senate in a separate section of the bill. This amendment removes that section.
This amendment also:
- Amends a section related to the Attorney General's salary for the 2019-21 biennium.
- Amends a section related to the human trafficking victims grant program to provide a total appropriation of $1 million from the general fund for the program compared to the Senate version of $1,625,000 for the program.
- Adds a section identifying $150,000 in the operating expenses line item for prosecution witness fees, which includes a reallocation of funding in the operating expenses line item to increase prosecution witness fees from $95,000 to $150,000 and to decrease other operating expenses by $55,000. The section provides legislative intent that if the funding provided for prosecution witness fees is insufficient, the Attorney General further reduce other operating expenses to the extent necessary to provide adequate funding for prosecution witness fees for the 2019-21 biennium. The Attorney General is required to report to the appropriations committees of the 67th Legislative Assembly regarding the use of this funding.

Before any license is effective for any public warehouseman under this chapter, the applicant for the license shall file a bond with the commissioner which must:

2. Be continuous, unless the corporate surety by certified mail notifies the licensee and the commissioner that the surety bond will be canceled ninety days after receipt of the notice of cancellation.

3. Run to the state of North Dakota for the benefit of all persons storing or selling grain in that warehouse.

4. Be conditioned:

8. The commissioner shall set the amount of the bond and may require an increase in the amount of any bond, from time to time, as the commissioner deems necessary to accomplish the purposes of this section. The surety on the bond must be a corporate surety company, approved by the commissioner, and authorized to do business within the state. Unless the warehouseman files a new bond at least thirty days before liability ceases, the commissioner, without hearing, shall immediately suspend the warehouseman's license and the suspension may not be removed until a new bond has been filed and approved by the commissioner. When a license is so suspended, the warehouseman shall give notice of such suspension to each receiptholder having grain stored in the warehouse. The warehouseman shall further notify each receiptholder having grain stored in the warehouse that the grain must be removed from the warehouse or the grain will be priced and redeemed in cash in accordance with section 60-02-41.

SECTION 22. AMENDMENT. Section 60-02-10.1 of the North Dakota Century Code is amended and reenacted as follows:

60-02-10.1. Revocation and suspension.

The commissioner may suspend or revoke the license of any warehouseman for cause upon notice and hearing. Notwithstanding any other provisions of this chapter, the license of a warehouseman must automatically be suspended for failure at any time to have or to maintain either a bond or insurance policy in the amount and type required. During a suspension of a license the warehouseman may, upon the commissioner's approval, operate the warehouse and purchase or redeliver grain previously received, but may not receive additional grain for purchase, storage, shipping, or processing. Grain may be sold only with the prior approval of the commissioner.

SECTION 23. AMENDMENT. Section 60-02-11 of the North Dakota Century Code is amended and reenacted as follows:

60-02-11. Scale ticket - Contents - Conversion.

1. a. Every public warehouseman, upon receiving grain into the warehouse, shall issue a uniform scale ticket for each load of grain received. The scale tickets must be numbered consecutively, and one copy of each ticket must be retained and remain as a permanent record. The original ticket must be delivered to the person from whom the grain is received, upon receipt of each load of grain.

b. All scale tickets must be converted into cash, noncredit-sale contracts, credit-sale contracts, or warehouse receipts, within forty-five days after the grain is delivered to the warehouse, unless:

(1) The person to whom the scale ticket is issued signs a form waiving all rights to trust benefits under section 60-04-03.1;

(2) The form identifies by number each scale ticket to which the waiver applies; and

(3) The form is signed by the warehouseman.

c. The commissioner shall prepare the waiver form required by subdivision b and make the form available to each warehouse.

d. The warehouseman shall keep one copy of the signed waiver form with the records of the warehouse, provide one copy to the person who was issued the scale ticket and signed the form, and file one copy with the commissioner.

2. Nothing in this chapter requires a warehouseman to receive grain for storage. A warehouseman shall publish and post, in a conspicuous place in the warehouse, a publication identifying whether storage will be
available to patrons or whether grain will be accepted via cash or a credit-sale contract arrangement.

SECTION 24. AMENDMENT. Section 60-02-14 of the North Dakota Century Code is amended and reenacted as follows:

60-02-14. Warehouse receipts - Copy.

Provision shall must be made for a stub record or copy of each warehouse receipt issued by a warehouseman, showing:

1. The serial number and date of receipt.
2. The kind and grade of grain.
3. The dockage and net weight of the grain.

The record or copy shall must remain in the possession of the warehouseman for inspection by the commissioner and persons properly interested.

SECTION 25. AMENDMENT. Section 60-02-17 of the North Dakota Century Code is amended and reenacted as follows:

60-02-17. Warehouse and storage contract - Storage rates - Terminal delivery.

1. A warehouse receipt must contain, either on its face or reverse side, the following warehouse and storage contract:

This grain is received, insured, and stored subject to the laws and rules of the state of North Dakota, the terms of this contract, and the charges and conditions stated herein and as filed with the North Dakota public service commission agriculture commissioner. Upon surrender of this receipt and payment or tender of all applicable charges, the amount, kind, and grade of grain identified in this receipt will be delivered to the person named above or the person's order as rapidly as due diligence, care, and prudence will permit. At the option of the holder of this receipt, the amount, kind, and grade of grain for which this receipt is issued, upon demand, must be delivered back to the holder at any terminal point customarily shipped to, or at the place where received, upon the payment of any charges for receiving, handling, storage, and insurance and in case of terminal delivery, the payment in addition to the above of the regular freight charges on the gross amount called for by this ticket or in lieu thereof, a receipt issued by a bonded warehouse or elevator company doing business at the terminal point. This receipt does not require the delivery of the identical grain specified herein, but an equal amount of grain of the same kind and grade must be delivered.

2. A warehouseman shall publish and post, in a conspicuous place in its warehouse, the fees that will be assessed for receiving, storing, processing, or redelivering grain and the termination date of its warehouse receipts. This publication must be filed with the commissioner as a part of the warehouse license process or annual renewal. The fees and termination date must be stated on the warehouse receipt issued for the grain. The fees or termination date may be changed upon filing a revised publication with the commissioner.

SECTION 26. AMENDMENT. Section 60-02-24 of the North Dakota Century Code is amended and reenacted as follows:

60-02-24. Reports to be made by public warehouseman - Penalty for failure.

Each licensed and bonded public warehouseman shall:
1. Prepare for each month a report giving facts and information called for on the form of report prepared by the commissioner. The report must contain or be verified by a written declaration that the report is made under the penalties of perjury. The report may be called for more frequently if the commissioner deems it necessary. Information pertaining to the volume of grain handled is a confidential trade secret and is not a public record. The commissioner may make the information available for use by other governmental entities, but the commissioner may not release the information in a manner that jeopardizes the confidentiality of individual licensees.

2. File the report with the commissioner not later than the last day of the following month, and failure to file this report promptly will be considered cause for revoking the warehouse license after due notice and hearing.

3. Keep a separate account of the grain business, if the warehouseman is engaged in handling or selling any other commodity, and under no circumstances shall the grain account and other accounts be mixed. The commissioner may refuse to renew a license to any public warehouseman who fails to make a required report.

SECTION 27. AMENDMENT. Section 60-02-27 of the North Dakota Century Code is amended and reenacted as follows:

60-02-27. Federal grades to control - Grades to be posted.

All public warehousemen shall purchase and store grain except dry edible beans in accordance with the official grades established from time to time by the secretary of agriculture of the United States, except as otherwise provided in rules and regulations applicable thereto adopted by federal officials pursuant to law. Public warehousemen shall post in a conspicuous place in their warehouse the official grades so established and also any change that may be made from time to time. Warehousemen of dry edible beans shall purchase, store, and deliver beans in accordance with the policy of the warehousemen which must be filed with the commissioner and posted in a conspicuous place in their warehouse of the public warehousemen. Other grading standards may be used if mutually agreed to in writing by the warehouseman and the owner of the grain. However, the owner may demand the use of federal grading standards. The commissioner, after hearing, may prohibit the use of nonfederal grades.

SECTION 28. AMENDMENT. Section 60-02-35.1 of the North Dakota Century Code is amended and reenacted as follows:

60-02-35.1. Insurance - Cancellation - Suspension of license.

An insurance company shall give at least sixty days' notice to the commissioner and the insured by certified mail return receipt requested before cancellation of an insurance policy required in section 60-02-35. Unless the warehouseman files proof of new or renewed insurance at least thirty days before the existing policy ceases, the commissioner, without hearing, shall immediately suspend the warehouseman's license and the suspension may not be removed until a new policy has been filed and approved by the commissioner. When a license is so suspended, the warehouseman shall give notice of the suspension to each receiptholder having grain stored in the warehouse. The warehouseman shall further notify each receiptholder having grain stored in the warehouse that the grain must be removed from the warehouse or it will be priced and redeemed in cash in accordance with section 60-02-41.

SECTION 29. AMENDMENT. Section 60-02-38 of the North Dakota Century Code is amended and reenacted as follows:

When, if requested in writing, the commissioner shall refund the license fee of a public warehouse, or so much as in its judgment is just and reasonable, when satisfactory proof is furnished that the warehouse has been transferred to some other person, and the new owner has obtained a license for the same warehouse for the unexpired period for which the original license was issued. When a warehouse is destroyed by fire or other cause, the license fee may be prorated as the commissioner may determine.

SECTION 30. AMENDMENT. Section 60-02-40 of the North Dakota Century Code is amended and reenacted as follows:

60-02-40. Transfer of warehouse - Redemption of receipts.

Whenever a public warehouseman desires to transfer a warehouse, either by sale or lease to any other individual, firm, or corporation, the warehouseman shall:

1. Notify the commissioner first of its intention to transfer the warehouse, giving the name and address of the proposed lessee or purchaser.

2. Furnish a statement of all proper claims that may be filed or pending against the warehouseman pertaining to the storage, inspection, and marketing of grain, together with a statement of:
   a. The number of bushels [cubic meters] of grain of each kind and grade in store in the warehouse;
   b. The number and amount of receipts outstanding; and
   c. The names and addresses of the receiptholders.

3. Serve notice by registered or certified mail, at least thirty days before the transfer, upon all receiptholders having claims against the warehouse to call for delivery of the grain covered by the receipts, and to pay all storage charges due, the warehouseman in such case to make no charge for redelivery. The commissioner may waive the thirty-day notice period upon receipt of written consent of all receiptholders.

4. Transfer all stored grain undelivered at the expiration of such thirty-day period to its successor, if licensed, or to the nearest licensed warehouse for restorage, taking receipts in favor of the owner of the grain so transferred.

5. Surrender to the commissioner the warehouseman's license for cancellation and at which time the proposed lessee or purchaser shall file in due form for a new license and tender a new bond for review by the commissioner, whereupon, if commissioner, at which time, the commissioner, first being duly satisfied that all the outstanding receipts have been redeemed, or that the redemption thereof has been provided for, the commissioner may permit a new license to become effective for the lessee or purchaser.

No sale, lease, or transfer of any warehouse will be recognized by the commissioner except when made in accordance with the provisions of this section.

SECTION 31. AMENDMENT. Section 60-02-41 of the North Dakota Century Code is amended and reenacted as follows:

The holder of such receipts, upon due notice, must accept this price and surrender the receipts. Any public warehouseman who voluntarily ceases business or fails to renew an existing warehouse license whose warehouse license is revoked shall notify the commissioner and all outstanding receipt-holders of such closing and redeem all outstanding unconverted scale tickets or warehouse receipts at the price prevailing on the date the warehouse closed or at the option of the owner of the receipt redeliver the kind, grade, and quantity of grain called for by the unconverted scale ticket or warehouse receipt. On commingled grain the value of over and under deliveries in quantity, grade, and protein shall be settled in cash and priced on the market on the day of closing.

Only one bond may be required for any series of facilities operated by a facility-based grain buyer, and the bond must be construed to cover those facilities as a whole and not a specific amount for each.

SECTION 44. AMENDMENT. Section 60-02.1-09 of the North Dakota Century Code is amended and reenacted as follows:

Grain may be sold only with the prior approval of the commissioner.

The commissioner may make this information available for use by other governmental entities, but the information may not be released by those entities in a manner that jeopardizes the confidentiality of individual licensees.

2. File the report with the commissioner not later than the last day of the following month. Failure to file this report promptly will be considered cause for revoking the grain buyer license after due notice and hearing.

A facility-based grain buyer shall post in a conspicuous place in the buyer's facility the official grades so established and also any change that may be made from time to time. A grain buyer of dry edible beans shall purchase and deliver beans in accordance with the buyer's policy, which must be filed with the commissioner and, if applicable, posted in a conspicuous place in the buyer's facility. Other grading standards may be used if mutually agreed to in writing by the grain buyer and the owner of the grain. However, the owner may demand the use of federal grading standards. 2. Provide related information as may be required by the commission commissioner.

3. Surrender to the commission commissioner the grain buyer's license for cancellation and at that time the proposed lessee or purchaser shall file in due form for a new license and tender a new bond for review by the commission commissioner, whereupon, it first being duly satisfied that all the outstanding receipts have been redeemed, or that the redemption thereof has been provided for, the commission commissioner may permit a new license to become effective for the lessee or purchaser.

Upon such notice to the warehouseman as the court shall prescribe, but not exceeding twenty days, or upon waiver of such notice in writing by the warehouseman, the court shall proceed to hear and determine such application in a summary manner. If it shall appear to the court that such warehouseman is insolvent within the meaning of this chapter and that it would be for the best interests of the receiptholders that the commissioner secure and execute such trust, the court shall issue an order granting the application, without bond, whereupon at which time the commissioner shall proceed to exercise its authority without further direction from the court.

Upon the filing of the commissioner’s application, the court may issue ex parte such temporary order as may be necessary to preserve or protect the
assets of the trust fund, or the value thereof, until the court issues its order granting or denying the application.

2. The trust fund consists of the following:

The notices must require outstanding receiptholders and credit-sale contract claimants to file their claims against the warehouseman with the commissioner along with the receipts, contracts, or any other evidence of the claims as required by the commissioner. If an outstanding receiptholder or credit-sale contract claimant fails to submit a claim within forty-five days after the last publication of the notice or a longer time as prescribed by the commissioner, the commissioner is relieved of further duty or action under this chapter on behalf of the receiptholder or credit-sale contract claimant and the receiptholder or credit-sale contract claimant may be barred from payment for any amount due. The report must also contain the proposed reimbursement to the commissioner for the expenses of administering the insolvency, a proposed distribution of the trust fund assets, less expenses incurred by the commissioner in the administration of this chapter, and the proposed credit-sale contract indemnity fund payments to credit-sale contract claimants as their interests of the claimants are determined. If the trust fund is insufficient to redeem all receiptholder claims in full, the fund must be shown prorated in the report in the manner the commissioner deems fair and equitable.

The court shall set a hearing and the appropriate notice for interested persons to show cause why the commissioner's report should not be approved and credit-sale contract indemnity fund payments and distribution of the trust fund be made as proposed, and payments from the credit-sale contracts be made as proposed. "SECTION 2. AMENDMENT. Section 12.1-22-03 of the North Dakota Century Code is amended and reenacted as follows:

12.1-22-03. Criminal trespass - Noncriminal offense on posted property.

1. An individual is guilty of a class C felony if, knowing that that individual is not licensed or privileged to do so, the individual enters or remains in a dwelling or in highly secured premises.

2. An individual is guilty of a class A misdemeanor if, knowing that that individual is not licensed or privileged to do so, the individual:

   a. Enters or remains in or on any building, occupied structure, or storage structure, or separately secured or occupied portion thereof;
   
   b. Enters or remains in any place so enclosed as manifestly to exclude intruders of a building or structure, or any other place the individual is not licensed or privileged to be, except as provided in subsection 3.

3. a. An individual is guilty of a class B misdemeanor if, knowing that that individual is not licensed or privileged to do so, the individual enters or remains in any place as to which notice against trespass is given by actual communication to the actor by the individual in charge of the premises or other authorized individual or by posting in a manner reasonably likely to come to the attention of intruders. The name of the person posting the premises must appear on each sign in legible characters.

   b. Even if the conduct of the owner, tenant, or individual authorized by the owner varies from the provisions of subdivision a, an individual may be found guilty of violating subdivision a if the owner, tenant, or individual authorized by the owner substantially complied with subdivision a and notice against trespass is clear from the circumstances.

   c. An individual who violates subdivision a is guilty of a class A misdemeanor for the second or subsequent offense within a two-year period.

4. a. An individual, knowing the individual is not licensed or privileged to do so, may not enter or remain in a place as to which notice against trespass is given by posting in a manner reasonably likely to come to the attention of intruders on property that is privately owned and open to the public after being requested to leave the property by a duly authorized individual. A violation of this subdivision is a noncriminal offense.

   b. A peace officer shall cite an individual who violates subdivision a with a fine of two hundred fifty dollars for each violation.

   c. The peace officer citing the individual shall:
(1) Take the name and address of the individual; and

(2) Notify the individual of the right to request a hearing if posting bond by mail.

d. The peace officer may not take the individual into custody or require the individual to proceed with the peace officer to any other location for the purpose of posting bond. The officer shall provide the individual with an envelope for use in mailing the bond.

e. An individual cited may appear before the designated official and pay the statutory fine for the violation at or before the time scheduled for hearing.

f. If the individual has posted bond, the individual may forfeit bond by not appearing at the designated time.

g. If the individual posts bond by mail, the bond must be submitted within fourteen days of the date of the citation and the individual cited shall indicate on the envelope or citation whether a hearing is requested. If the individual does not request a hearing within fourteen days of the date of the citation, the bond is deemed forfeited and the individual is deemed to have admitted to the violation and to have waived the right to a hearing on the issue of commission of the violation. If the individual requests a hearing, the court for the county in which the citation is issued shall issue a summons to the individual requesting the hearing notifying the individual of the date of the hearing before the designated official.

h. Upon appearing at the hearing scheduled in the citation or otherwise scheduled at the individual's request, the individual may make a statement in explanation of the individual's action. The official may at that time waive or suspend the statutory fine or bond.

i. A citing peace officer may not receive the statutory fine or bond.

j. The bond required to secure appearance before the judge must be identical to the statutory fine established in subdivision b.

5. An individual is guilty of a class B misdemeanor if that individual remains upon the property of another after being requested to leave the property by a duly authorized individual. An individual who violates this subsection is guilty of a class A misdemeanor for the second or subsequent offense within a two-year period.

6. This section does not apply to:

a. A peace officer in the course of discharging the peace officer's official duties; or

b. An individual who enters land to access buried and aboveground infrastructure for operations, inspection, repair, or maintenance purposes, if the individual has a right to operate, inspect, repair, or maintain the infrastructure.

SECTION 3. AMENDMENT. Section 20.1-01-17 of the North Dakota Century Code is amended and reenacted as follows:

20.1-01-17. Posting of lands by owner to prohibit hunting - How posted - Signs defaced.

1. Only the owner or tenant or an individual authorized by the owner of land may post the land. Land may be posted by placing signs alongside the public highway or the land giving notice that hunting is not permitted on the land or by designating the land as closed to hunters in a database or
other electronic application available to the public which is operated and maintained by the state for purposes of electronic posting. If land is physically posted, the name of the person posting the land must appear on each sign in legible characters. The signs must be readable from the outside of the land and must be placed conspicuously not more than eight hundred eighty yards [804.68 meters] apart. As to land entirely enclosed by a fence or other enclosure, posting of signs at or on all gates through the fence or enclosure constitutes a posting of all the enclosed land.

2. A person may not deface, take down, destroy posting signs, or post property without the permission of the owner or tenant or an individual authorized by the owner.

3. Even if the conduct of the owner, tenant, or individual authorized by the owner varies from the provisions of subsection 1, an individual may be found guilty of violating section 20.1-01-18 if the owner, tenant, or individual authorized by the owner substantially complied with subsection 1 and notice against hunting or trespassing is clear from the circumstances.

"SECTION 5. AMENDMENT. Section 20.1-01-18 of the North Dakota Century Code is amended and reenacted as follows:

No person may hunt or pursue game, or enter for those purposes, upon legally posted privately owned land belonging to another without first obtaining the permission of the person legally entitled to grant the same. No person may enter
upon privately owned land for the purpose of trapping protected fur-bearing animals without first gaining the written permission of the owner or operator of that land.
