Thereafter, all licenses issued under this section must be for a period of two years and terminate on the thirty-first day of July in the year of expiration.

b. (1) Notwithstanding the provisions of subdivision a, the commissioner shall license a warehouse annually, for the first six years of the warehouse's operation.

2. The storage space used by the receiving station is used solely by the receiving station and is not licensed as part of the warehouse that is located at that site.

3. The grain taken in by the receiving station is not commingled with other grain at that site.

4. The warehouseman establishing the station requests and receives permission from the commissioner to increase licensed capacity to include the space to be used at the receiving station.

5. Grain received at the receiving station is recorded on scale tickets issued by the warehouseman who established the station and is covered by that warehouseman's bond.

6. Warehouse-receipted grain received at the receiving station is available for redelivery to the receiptholder at that location even if the station has been closed. A charge for redelivery must be stated in the warehouseman's redelivery policy.

The storage space used by a receiving station need not be physically disconnected from the facilities of the other licensed warehouse located at that site.

SECTION 21. AMENDMENT. Section 60-02-09 of the North Dakota Century Code is amended and reenacted as follows:

60-02-09. Bond filed by public warehouseman.

Before any license is effective for any public warehouseman under this chapter, the applicant for the license shall file a bond with the commissioner which must:

1. Be in a sum not less than five thousand dollars for any one warehouse.

2. Be continuous, unless the corporate surety by certified mail notifies the licensee and the commissioner that the surety bond will be canceled ninety days after receipt of the notice of cancellation.
3. Run to the state of North Dakota for the benefit of all persons storing or selling grain in that warehouse.

4. Be conditioned:
   a. For the faithful performance of the licensee's duties as a public warehouseman.
   b. For compliance with the provisions of law and the rules of the commissioner relating to the storage and purchase of grain by such warehouseman.

5. Specify the location of each public warehouse intended to be covered by such bond.

6. Be for the specific purpose of:

   b. Covering the costs incurred by the commissioner in the administration of chapter 60-04 in the event of the licensee's insolvency.

7. Not accrue to the benefit of any person entering into a credit-sale contract with a public warehouseman.

8. The aggregate liability of the surety under a bond does not accumulate for each successive annual license renewal period during which the bond is in force but, for losses during any annual license renewal period, is limited in the aggregate to the bond amount stated or changed by appropriate endorsement or rider.

The commissioner shall set the amount of the bond and may require an increase in the amount of any bond, from time to time, as the commissioner deems necessary to accomplish the purposes of this section. The surety on the bond must be a corporate surety company, approved by the commissioner, and authorized to do business within the state. The commissioner may accept cash, a negotiable instrument, or a bond executed by personal sureties in lieu of a surety bond when, in its judgment, the cash, negotiable instrument, or personal surety bond properly will protect the holders of outstanding receipts. One bond only may be given for any line of elevators, mills, or warehouses, owned, controlled, or operated by one individual, firm, corporation, or limited liability company, and the bond must be construed to cover such elevators, mills, or warehouses, as a whole and not a specific amount for each.

SECTION 22. AMENDMENT. Section 60-02-09.1 of the North Dakota Century Code is amended and reenacted as follows:

60-02-09.1. Bond cancellation - Release of surety.

The surety on a bond is released from all future liability accruing on the bond after the expiration of ninety days from the date of receipt by the commissioner of notice of cancellation by the surety or on a later date specified by the surety. This provision does not operate to relieve, release, or discharge the surety from any liability already accrued or which accrues before the expiration of the ninety-day period. Unless the warehouseman files a new bond at least thirty days before liability ceases, the commissioner, without hearing, shall immediately suspend the warehouseman's license and the suspension may not be removed until a new bond has been filed and approved by the commissioner. When a license is so suspended, the warehouseman shall give notice of such suspension to each receiptholder having grain stored in the warehouse. The warehouseman shall further notify each receiptholder having grain stored in the warehouse that the grain must be removed from the warehouse or the grain will be priced and redeemed in cash in accordance with section 60-02-41.
SECTION 23. AMENDMENT. Section 60-02-10.1 of the North Dakota Century Code is amended and reenacted as follows:

60-02-10.1. Revocation and suspension.

The commissioner may suspend or revoke the license of any warehouseman for cause upon notice and hearing. Notwithstanding any other provisions of this chapter, the license of a warehouseman must automatically be suspended for failure at any time to have or to maintain either a bond or insurance policy in the amount and type required. During a suspension of a license the warehouseman may, upon the commissioner’s approval, operate the warehouse and purchase or redeliver grain previously received, but may not receive additional grain for purchase, storage, shipping, or processing. Grain may be sold only with the prior approval of the commissioner.

SECTION 24. AMENDMENT. Section 60-02-11 of the North Dakota Century Code is amended and reenacted as follows:

60-02-11. Scale ticket - Contents - Conversion.

1. a. Every public warehouseman, upon receiving grain into the warehouse, shall issue a uniform scale ticket for each load of grain received. The scale tickets must be numbered consecutively, and one copy of each ticket must be retained and remain as a permanent record. The original ticket must be delivered to the person from whom the grain is received, upon receipt of each load of grain.

b. All scale tickets must be converted into cash, noncredit-sale contracts, credit-sale contracts, or warehouse receipts, within forty-five days after the grain is delivered to the warehouse, unless:

(1) The person to whom the scale ticket is issued signs a form waiving all rights to trust benefits under section 60-04-03.1;

(2) The form identifies by number each scale ticket to which the waiver applies; and

(3) The form is signed by the warehouseman.

c. The commissioner shall prepare the waiver form required by subdivision b and make the form available to each warehouse.

d. The warehouseman shall keep one copy of the signed waiver form with the records of the warehouse, provide one copy to the person who was issued the scale ticket and signed the form, and file one copy with the commissioner.

2. Nothing in this chapter requires a warehouseman to receive grain for storage. A warehouseman shall publish and post, in a conspicuous place in the warehouse, a publication identifying whether storage will be available to patrons or whether grain will be accepted via cash or a credit-sale contract arrangement.

SECTION 25. AMENDMENT. Section 60-02-14 of the North Dakota Century Code is amended and reenacted as follows:

60-02-14. Warehouse receipts - Copy.

Provision shall be made for a stub record or copy of each warehouse receipt issued by a warehouseman, showing:

1. The serial number and date of receipt.

2. The kind and grade of grain.
3. The dockage and net weight of the grain.

The record or copy shall must remain in the possession of the warehouseman for inspection by the commissioner and persons properly interested.

SECTION 26. AMENDMENT. Section 60-02-17 of the North Dakota Century Code is amended and reenacted as follows:

60-02-17. Warehouse and storage contract - Storage rates - Terminal delivery.

1. A warehouse receipt must contain, either on its face or reverse side, the following warehouse and storage contract:

This grain is received, insured, and stored subject to the laws and rules of the state of North Dakota, the terms of this contract, and the charges and conditions stated herein and as filed with the North Dakota public service commissioner. Upon surrender of this receipt and payment or tender of all applicable charges, the amount, kind, and grade of grain identified in this receipt will be delivered to the person named above or the person's order as rapidly as due diligence, care, and prudence will permit. At the option of the holder of this receipt, the amount, kind, and grade of grain for which this receipt is issued, upon demand, must be delivered back to the holder at any terminal point customarily shipped to, or at the place where received, upon the payment of any charges for receiving, handling, storage, and insurance and in case of terminal delivery, the payment in addition to the above of the regular freight charges on the gross amount called for by this ticket or in lieu thereof, a receipt issued by a bonded warehouse or elevator company doing business at the terminal point. This receipt does not require the delivery of the identical grain specified herein, but an equal amount of grain of the same kind and grade must be delivered.

2. A warehouseman shall publish and post, in a conspicuous place in its warehouse, the fees that will be assessed for receiving, storing, processing, or redelivering grain and the termination date of its warehouse receipts. This publication must be filed with the commissioner as a part of the warehouse license process or annual renewal. The fees and termination date must be stated on the warehouse receipt issued for the grain. The fees or termination date may be changed upon filing a revised publication with the commissioner.

SECTION 27. AMENDMENT. Section 60-02-24 of the North Dakota Century Code is amended and reenacted as follows:

60-02-24. Reports to be made by public warehouseman - Penalty for failure.

Each licensed and bonded public warehouseman shall:

1. Prepare for each month a report giving facts and information called for on the form of report prepared by the commissioner. The report must contain or be verified by a written declaration that the report is made under the penalties of perjury. The report may be called for more frequently if the commissioner deems it necessary. Information pertaining to the volume of grain handled is a confidential trade secret and is not a public record. The commissioner may make the information available for use by other governmental entities, but the commissioner may not release the information in a manner that jeopardizes the confidentiality of individual licensees.

2. File the report with the commissioner not later than the last day of the following month, and failure to file this report promptly will be
considered cause for revoking the warehouse license after due notice and hearing.

3. Keep a separate account of the grain business, if the warehouseman is engaged in handling or selling any other commodity, and under no circumstances shall the grain account and other accounts be mixed.

The commissioner may refuse to renew a license to any public warehouseman who fails to make a required report.

**SECTION 28. AMENDMENT.** Section 60-02-27 of the North Dakota Century Code is amended and reenacted as follows:

**60-02-27. Federal grades to control - Grades to be posted.**

All public warehousemen shall purchase and store grain except dry edible beans in accordance with the official grades established from time to time by the secretary of agriculture of the United States, except as otherwise provided in rules and regulations applicable thereto adopted by federal officials pursuant to law. Public warehousemen shall post in a conspicuous place in their warehouse the official grades so established and also any change that may be made from time to time. Warehousemen of dry edible beans shall purchase, store, and deliver beans in accordance with their policy which must be filed with the commissioner and posted in a conspicuous place in their warehouse of the public warehousemen. Other grading standards may be used if mutually agreed to in writing by the warehouseman and the owner of the grain. However, the owner may demand the use of federal grading standards. The commissioner, after hearing, may prohibit the use of nonfederal grades.

**SECTION 29. AMENDMENT.** Section 60-02-35.1 of the North Dakota Century Code is amended and reenacted as follows:

**60-02-35.1. Insurance - Cancellation - Suspension of license.**

An insurance company shall give at least sixty days’ notice to the commissioner and the insured by certified mail return receipt requested before cancellation of an insurance policy required in section 60-02-35. Unless the warehouseman files proof of new or renewed insurance at least thirty days before the existing policy ceases, the commissioner, without hearing, shall immediately suspend the warehouseman’s license and the suspension may not be removed until a new policy has been filed and approved by the commissioner. When a license is so suspended, the warehouseman shall give notice of the suspension to each receiptholder having grain stored in the warehouse. The warehouseman shall further notify each receiptholder having grain stored in the warehouse that the grain must be removed from the warehouse or it will be priced and redeemed in cash in accordance with section 60-02-41.

**SECTION 30. AMENDMENT.** Section 60-02-38 of the North Dakota Century Code is amended and reenacted as follows:

**60-02-38. Refund of license fee by commissioner.**

When requested in writing, the commissioner shall refund the license fee of a public warehouse, or so much as in his judgment is just and reasonable, when satisfactory proof is furnished that the warehouse has been transferred to some other person, and the new owner has obtained a license for the same warehouse for the unexpired period for which the original license was issued. When a warehouse is destroyed by fire or other cause, the license fee may be prorated as the commissioner may determine.

1. Notify the commissioner of the warehouseman's intention to transfer the warehouse, giving the name and address of the proposed lessee or purchaser.

2. Furnish a statement of all proper claims that may be filed or pending against the warehouseman pertaining to the storage, inspection, and marketing of grain, together with a statement of:
   a. The number of bushels [cubic meters] of grain of each kind and grade in store in the warehouse;
   b. The number and amount of receipts outstanding; and
   c. The names and addresses of the receiptholders.

3. Serve notice by registered or certified mail, at least thirty days before the transfer, upon all receiptholders having claims against the warehouse to call for delivery of the grain covered by the receipts, and to pay all storage charges due, the warehouseman in such case to make no charge for redelivery. The commissioner may waive the thirty-day notice period upon receipt of written consent of all receiptholders.

A facility-based grain buyer must obtain a license for each receiving location operated in the state. If a grain buyer operates two or more facilities in the same city or siding, in conjunction with each other and with the same working force, and where but one set of books and records is kept for all such facilities, and scale tickets and checks of but one series are issued for the grain, purchased, only one license is required for the operation of all such facilities. If required to obtain United States department of agriculture approval of the commissioner's grain buyer inspection program, the commissioner may require that grain buyers submit a current financial statement prepared in accordance with generally accepted accounting principles.    a. Protecting the sellers of grain.
   b. Covering the costs incurred by the commission in the administration of the licensee's insolvency.

7. Not accrue to the benefit of any person entering into a credit-sale contract with a grain buyer.

8. The aggregate liability of the surety under a bond does not accumulate for each successive annual license renewal period during which the bond is in force but, for losses during any annual license renewal period, is limited in the aggregate to the bond amount stated or changed by appropriate endorsement or rider.

The commissioner may require an increase in the amount of any bond, from time to time, as it deems necessary to accomplish the purposes of this section. The surety on the bond must be a corporate surety company, approved by the commissioner, and authorized to do business within the state. The commissioner may accept cash, a negotiable instrument, or a bond executed by personal sureties in lieu of a surety bond when, in its judgment, cash, a negotiable instrument, or a personal surety bond properly will protect the holders of outstanding receipts. Only one bond may be required for any series of facilities operated by a facility-based grain buyer, and the
bond must be construed to cover those facilities as a whole and not a specific amount for each.

SECTION 43. AMENDMENT. Section 60-02.1-09 of the North Dakota Century Code is amended and reenacted as follows:

This provision does not operate to relieve, release, or discharge the surety from any liability already accrued or which accrues before the expiration of the ninety-day period. Unless the grain buyer files a new bond at least thirty days before liability ceases, the commissioner, without hearing, shall immediately suspend the grain buyer's license and the suspension may not be removed until a new bond has been filed and approved by the commissioner.

During a suspension of a license a facility-based grain buyer, upon the commissioner's approval, may operate its facility and purchase or redeliver grain previously received, but may not receive additional grain for purchase, shipping, or processing. Grain may be sold only with the prior approval of the commissioner.

SECTION 45. AMENDMENT. Section 60-02.1-16 of the North Dakota Century Code is amended and reenacted as follows:

60-02.1-16. Records required to be kept by grain buyers.

The commissioner at all times shall have access to such accounts, records, and memoranda.

SECTION 46. AMENDMENT. Section 60-02.1-17 of the North Dakota Century Code is amended and reenacted as follows:

60-02.1-17. Reports to be made by grain buyers - Penalty for failure.

The report must contain or be verified by a written declaration that the report is made under the penalties of perjury. The report may be called for more frequently if the commissioner deems it necessary. Information pertaining to the volume of grain handled is a confidential trade secret and is not a public record. The commissioner may make this information available for use by other governmental entities, but the information may not be released by those entities in a manner that jeopardizes the confidentiality of individual licensees.
2. File the report with the commissioner not later than the last day of the following month. Failure to file this report promptly will be considered cause for revoking the grain buyer license after due notice and hearing.

3. Keep a separate account of the grain business, if the grain buyer is engaged in handling or selling any other commodity, and under no circumstances may the grain account and other accounts be mixed.

The commissioner may refuse to renew a license to any grain buyer who fails to make a required report.

A facility-based grain buyer shall post in a conspicuous place in the buyer's facility the official grades so established and also any change that may be made from time to time. A grain buyer of dry edible beans shall purchase and deliver beans in accordance with the buyer's policy, which must be filed with the commissioner and, if applicable, posted in a conspicuous place in the buyer's facility. Other grading standards may be used if mutually agreed to in writing by the grain buyer and the owner of the grain. However, the owner may demand the use of federal grading standards. After hearing, the commissioner may prohibit the use of nonfederal grades.

Unless the grain buyer files proof of new or renewed insurance at least thirty days before the existing policy ceases, the commissioner, without hearing, shall immediately suspend the grain buyer's license and the suspension may not be removed until a new policy has been filed and approved by the commissioner.

SECTION 49. AMENDMENT. Section 60-02.1-26 of the North Dakota Century Code is amended and reenacted as follows:

Whenever a facility-based grain buyer desires to transfer a facility, either by sale or lease to any other individual, firm, or corporation, the grain buyer shall:

1. Notify the commissioner first of its intention to transfer the facility, giving the name and address of the proposed lessee or purchaser.

2. Provide related information as may be required by the commissioner.

3. Surrender to the commissioner the grain buyer's license for cancellation and at that time the proposed lessee or purchaser shall file in due form for a new license and tender a new bond for review by the commissioner, whereupon, it first being duly satisfied that all the outstanding receipts have been redeemed, or that the redemption
thereof has been provided for, the commissioner may permit a new license to become effective for the lessee or purchaser.

The holder of such receipts, upon due notice, must accept this price and surrender the receipts. Any facility-based grain buyer who voluntarily ceases business or fails to renew an existing grain buyer license or whose grain buyer license is revoked shall notify the commissioner and all receiptholders of such closing and redeem all such receipts at the price prevailing on the date the business closed or at the option of the owner of the receipt redeliver the kind, grade, and quantity of grain called for by the receipt. Upon notice to the licensee as the court prescribes, but not exceeding twenty days, or upon waiver of notice in writing by the licensee, the court shall hear and determine the application in a summary manner. If the court determines that the licensee is insolvent within the meaning of this chapter and that it would be in the best interests of the receiptholders that the commissioner secure and execute the trust, the court shall issue an order granting the application, without bond, and the commissioner shall proceed to exercise its authority without further direction from the court.

Upon the filing of the commissioner’s application, the court may issue ex parte a temporary order to preserve or protect the assets of the trust fund until the court issues its order granting or denying the application.

h. Unencumbered grain product assets.

SECTION 65. AMENDMENT. Section 60-04-03.2 of the North Dakota Century Code is amended and reenacted as follows:

60-04-03.2. Possession of grain.

Upon the commissioner's appointment by the district court, the commissioner shall seek possession of the grain to be included in the trust fund. Upon the commissioner's possession of any grain in the warehouse, the commissioner shall sell such grain and apply the proceeds to the trust fund.

SECTION 66. AMENDMENT. Section 60-04-03.3 of the North Dakota Century Code is amended and reenacted as follows:

60-04-03.3. Joinder of surety - Deposit of proceeds.

The surety on the warehouseman's bond must be joined as a party to the insolvency proceeding upon a motion by the commissioner if the commissioner believes that proceeds from the warehouseman's bond may be needed to redeem outstanding receipts issued by the warehouseman. When it appears in the best interests of the receiptholders, the court may order the surety to deposit the penal sum of the bond, or so much thereof as may be deemed necessary, into the trustee's trust account pending a final determination of the surety's liability under the bond.

SECTION 67. AMENDMENT. Section 60-04-04 of the North Dakota Century Code is amended and reenacted as follows:

60-04-04. Notice to receiptholders and credit-sale contract claimants.

Upon the commissioner's appointment by the district court, the commissioner may take possession of relevant books and records of the warehouseman. The commissioner shall cause a notice of
commissioner's appointment to be published once each week for two consecutive weeks in a newspaper in the county in which the warehouse is located and may notify by ordinary mail the holders of record of outstanding receipts and those who are potential credit-sale contract claimants, as shown by the warehouseman's records. The notices must require outstanding receiptholders and credit-sale contract claimants to file their claims against the warehouseman with the commissioner along with the receipts, contracts, or any other evidence of the claims as required by the commissioner. If an outstanding receiptholder or credit-sale contract claimant fails to submit a claim within forty-five days after the last publication of the notice or a longer time as prescribed by the commissioner, the commissioner is relieved of further duty or action under this chapter on behalf of the receiptholder or credit-sale contract claimant and the receiptholder or credit-sale contract claimant may be barred from payment for any amount due. Outstanding receiptholders and credit-sale contract claimants are not parties to the insolvency action unless admitted by the court upon a motion for intervention.

SECTION 68. AMENDMENT. Section 60-04-05 of the North Dakota Century Code is amended and reenacted as follows:

60-04-05. Remedy of receiptholders.

No receiptholder has a separate claim for relief upon the warehouseman's bond, nor for insurance, nor against any person converting grain, nor against any other receiptholder, except through the trustee, unless, upon demand of five or more receiptholders, the commissioner fails or refuses to apply for its own appointment from the district court or unless the district court denies the application for appointment. This chapter does not prohibit or prevent any receiptholder, either individually or in conjunction with other receiptholders, from pursuing concurrently such other remedy against the person or property of the warehouseman, for the whole, or any deficiency occurring in the redemption, of the receipts.

SECTION 69. AMENDMENT. Section 60-04-06 of the North Dakota Century Code is amended and reenacted as follows:

60-04-06. Commissioner to marshall trust assets.

Upon the commissioner's appointment by the district court, the commissioner may maintain suits at law or in equity, or any special proceeding, in the name of the state of North Dakota, upon its own relation, but for the benefit of all such receiptholders against:

1. The insurers of grain;
2. The warehouseman's bond;
3. Any person who may have converted any grain; or
4. Any receiptholder who shall have received more than its just and pro rata share of grain,

for the purpose of marshalling all of the trust fund assets and distributing the same among the receiptholders. The commissioner shall seek possession of any grain in the warehouse before recourse is had against the insurers of grain, and the remedy against the insurers of grain must be exhausted before recourse is had against the bond, and against the bond before recourse is had against the person honestly converting grain, unless the commissioner deems it necessary to the redemption of the receipts that all the above remedies be pursued at the same time.

SECTION 70. AMENDMENT. Section 60-04-07 of the North Dakota Century Code is amended and reenacted as follows:
60-04-07. Power of commission commissioner to prosecute or compromise claims.

The commission commissioner may:

1. Prosecute any action provided in this chapter in any court in this state or in any other state.

2. Appeal from any adverse judgment to the courts of last resort.

3. Settle and compromise any action whenever it is in the best interests of the receiptholders.

4. Settle and compromise any action when it is in the best interests of the credit-sale contract claimants.

5. Upon payment of the amount of the compromise or of the full amount of any insurance policy, bond, or conversion claim, exonerate the person so compromising or paying in full from further liability growing out of the action.

SECTION 71. AMENDMENT. Section 60-04-08 of the North Dakota Century Code is amended and reenacted as follows:

60-04-08. Money received by trustee - Deposited in Bank of North Dakota.

All moneys collected and received by the commission commissioner as trustee under this chapter, pending the marshalling of the fund, shall must be deposited in the Bank of North Dakota.

SECTION 72. AMENDMENT. Section 60-04-09 of the North Dakota Century Code is amended and reenacted as follows:

Upon the receipt and evaluation of claims filed with the commission commissioner, the commission commissioner shall file with the court a report showing the amount and validity of each claim after recognizing:

1. Any proper liens or pledges thereon the claims.

2. Assignments thereof of the claims.

3. Deductions therefrom from the claims by reason of advances or offsets accrued in favor of the warehouseman.

4. In case of cash claims or checks, the amount thereof of the claims or checks.

5. In the case of scale tickets or warehouse receipts, the amount thereof based upon the market price prevailing on the date the commission commissioner first received a copy of the written demand required by section 60-04-02.

6. In the case of a credit-sale or noncredit-sale contract, the amount remaining to be paid based on the terms of the contract.

The report must also contain the proposed reimbursement to the commission commissioner for the expenses of administering the insolvency, a proposed distribution of the trust fund assets, less expenses incurred by the commission commissioner in the administration of this chapter, and the proposed credit-sale contract indemnity fund payments to credit-sale contract claimants as their interests of the claimants are determined. If the trust fund is insufficient to
redeem all receiptholder claims in full, the fund must be shown prorated in the report in the manner the commissioner deems fair and equitable.

The court shall set a hearing and the appropriate notice for interested persons to show cause why the commissioner's report should not be approved and credit-sale contract indemnity fund payments and distribution of the trust fund be made as proposed, and payments from the credit-sale contracts be made as proposed. Copies of the report and notice of hearing must be served by the commissioner by certified mail upon the warehouseman and the surety and by ordinary mail upon all persons having claims filed with the commissioner.

Any aggrieved person having an objection to the commissioner's report shall file the objection with the court and serve copies on the commissioner, the warehouseman, and the surety at least twenty days before the hearing. Failure to file and serve objections in the time set is a waiver of the objection.

Following hearing, the court shall approve or modify the report and issue an order directing payment of the necessary bond proceeds, distribution of the trust fund, payments from the credit-sale contract indemnity fund, and discharge of the commissioner from its trust.

SECTION 73. AMENDMENT. Section 60-04-10 of the North Dakota Century Code is amended and reenacted as follows:

60-04-10. Filing fees and court costs - Expenses.

In any action in a state court in this state, the commissioner may not be required to pay any filing fee or other court costs or disbursements if the fees accrue to the county or to the state. The attorney general may employ outside legal services to assist the commissioner in the prosecution of such action as in the attorney general's judgment may be necessary and the commissioner shall deduct the expenses of the same from the trust fund and the credit-sale contract indemnity fund as appropriate. All other necessary expenses incurred by the commissioner in carrying out the provisions of this chapter, including adequate insurance to protect the commissioner, the commissioner's employees, and others engaged in carrying out the provisions of this chapter, must be reimbursed to the commissioner from the trust fund and credit-sale indemnity funds as appropriate.

When such examination has been made, the examiner shall report immediately the results of the examination to the president and the secretary of such association, copartnership, corporation, or limited liability company and to the commissioner.

1 Funding of $51,014, of which $24,675 is from the general fund and $26,339 is from other funds, is added for 2019-21 biennium salary increases of 2 percent with a minimum monthly increase of $120 and a maximum monthly increase of $200 on July 1, 2019, and 2.5 percent on July 1, 2020. The Senate provided funding for salary increases of 2 percent on July 1, 2019, and 3 percent increase on July 1, 2020. Funding of $4,462 is also added from the
general fund for increases in health insurance premiums related to the transfer of 1 FTE from the Public Service Commission.

2 Funding of $159,852 is added from the Department of Agriculture operating fund for temporary salaries. The Senate and House did not add funding for temporary salaries.

3 Funding of $127 is reduced from the general fund to provide a salary equity increase of $14,586, including increases for fringe benefits, for the Agriculture Commissioner. Of this amount, $5,889 is related to a salary equity increase, the same salary equity increase provided to the State Treasurer. The Senate provided total funding for a salary equity increase for the Agriculture Commissioner of $14,713 to align the Agriculture Commissioner's salary to the Tax Commissioner's salary. The House did not provide a salary equity increase for the Agriculture Commissioner.

4 The funding source for $49,400 for wildlife services operating fees is changed to the environment and rangeland protection fund rather than the general fund to provide total funding of $1,457,400 for wildlife services, the same amount as the Senate. The House also provided for this funding source change to provide a total of $1,457,400 for the program.

5 Funding for the Agricultural Products Utilization Commission (APUC) is adjusted as follows:

MOTION

THE SPEAKER APPOINTED Reps. Longmuir, Jones, and Dobervich.

MOTION
REP. LOUSER MOVED that a committee of three by appointed to notify the Governor that the House has completed its business and is about to adjourn, which motion prevailed on a voice vote.

REMARKS OF MINORITY LEADER REP. BOSCHEE
Members of the Assembly, it's been an honor to work with you all during this very productive legislative session. We all have worked hard to address a variety of needs that have not been able to be addressed in the previous biennium due to a limited budget. As we have experienced a stronger economy and forecast, we have been afforded the opportunity to address providing a strong salary increase for our hard-working state employees who have dealt with more of a workload and little increase in compensation. We have increased the per-pupil funding and have begun to move toward on-time payment that helps our fast-growing school districts throughout the state. We have increased reimbursements for our providers taking care of some of our most vulnerable citizens whether they live independently, in group homes or long-term care facilities. Our criminal justice system is continuing to experience an overhaul as we try to reduce our prison population through diversion programs, expanding behavioral health services and addiction treatment. Now we are taking the next step of studying our various facilities and how we can do a better job of holding citizens accountable, but also preparing them better to re-enter our society as better neighbors, co-workers and family members.

We couldn't have done all this important work without the help of the dedicated staff
throughout the chamber, in our committee rooms and especially those that work hard in our respective offices. We know the days can be long and the work can be tedious, but it's the important work that makes sure our branch of government grinds forward, hopefully to make progress from one biennium to the next. A special note of thanks to Michael, Tina and Chris who have taken good care of our caucus for the past four months!

To my colleague, Rep. Pollert: We were both new to the leadership positions our caucuses provided us, but I feel we have done a great job of growing into our respective positions together. While we didn't know where our work together would land us, we can say today that we trust one another as leaders who stand by their word. Thank you for the respect you have provided the caucus members I lead, which has - for the most part - been afforded to them by the rest of the majority caucus. For the most part, the Dem-NPL caucus members have been a part of important discussions and played an integral role in shaping policy, small and large, in collaboration with the majority party. While there were moments where individuals could have worked together better or been more respectful of one another, I hope that throughout the interim, you and I can continue to lead by example on how to treat each other professionally, respectfully and uphold our oath of office in the highest possible way.

To my fellow caucus members: I am extremely proud of the work you have done this session. You showed up and got to work since day one, making sure that we accomplished sound policy with the majority party when we agreed and, when we didn't, worked tirelessly to improve policy. While our numbers are small, we have made a big impact this session, and I am confident we will continue to do so throughout the interim.

Mr. Speaker, members of the Assembly, it is an honor for any of us to hold the title Representative, to be elected by our neighbors, family and friends to come to the Capitol every two years for 80 days….or less - and try our best to leave the state in a better position than when we arrived. It's natural for us not to agree and in fact it is good. When there is healthy competition in the marketplace of ideas, the outcome is better policy. It is this debate that makes our government work better than any other on this Earth. Let us remember this session as one of progress, because we focused more on accomplishing shared goals, rather than letting partisanship divide us.

REQUEST
REP. LONGMUIR REQUESTED that the committee, appointed to notify the Senate that the House has completed its business and is about to adjourn, has completed its task and requests to be discharged, which request was granted.

REQUEST
REP. KASPER REQUESTED that the committee, appointed to notify the Governor that the House has completed its business and is about to adjourn, has completed its task and requests to be discharged, which request was granted.

REMARKS OF REP. BECKER
Mr. Speaker, Members of the Assembly, I stand to explain my No vote on SB 2015, the Office of Management and Budget bill. There were several concerns including the increase in spending in section 1, the increased spending in section 2, and several grants in the subsequent sections.

Why the No vote? This as well as all appropriation bills have to pass - what can possibly be accomplished? I didn’t vote No as an attempt to get attention, or out of obstinance, and not because of naive idealism. It's because of three simple assertions.

The first is that our system of a representative democracy is a good one, and that means we were elected to do what we individually believe is right, rather than what other individuals or groups want.

The second is that our only true power as citizen legislators is our individual vote. We ought not permit that power, however small, be compromised.

The third is the very nature of principles. We must show consistency in our convictions. If we’re not consistent- adhering to a principle only when convenient, the principle ceases to be, devolving into merely a loose guideline.

We all agree that an implicit responsibility of our office is the prudent and careful spending of
the taxpayers’ dollars. Many of us also state that we believe limited taxation and free market principles lead to greater prosperity for all citizens, and that government should be constrained to a role in which it can carry out only its necessary functions. By voting No, I am staying true to a platform of limited government, lower taxes, and personal responsibility.

Some facts to consider

Since 2009:

- State spending increased by 160 percent (take note - a 3 percent per year inflationary increase would only amount to a 38 percent increase). We are currently spending $2.5 billion more per year than if we had only increased spending to an annualized inflationary 3 percent.

- State spending per capita increased by 122 percent, which eliminates the argument that the spending was required due to population increase. We are spending $2.1 billion more per year than if we had increased per capita spending to an annualized inflationary 3 percent.

- South Dakota, a state very much like North Dakota, but without the oil revenue, increased per capita state spending by 32 percent over the last 10 years. Ten years ago our spending was $33 million less than South Dakota. Now we spend well over $2 billion more than South Dakota per calendar year.

If we did not continue to increase spending as we just did, we could provide remarkable tax relief. We have been saying for years that the citizens’ number one concern is their property tax. With our overspending in the range of $2 billion to $2.5 billion per year, and total property tax revenue at about $1 billion per year, we can easily accomplish the single best thing for our taxpayers in one fell swoop by abolishing the property tax.

After eliminating the property tax, $1 billion to $1.5 billion in relative overspending remains, so that’s a great opportunity to reduce income tax rates to zero percent. If we do that, we still have $600 million to $1.1 billion left. In fairness, I want to account for the increase of $200 million in required spending on Medicaid due to FMAP changes. After removing that minor factor, $400 million to $900 million remain in extra spending after accomplishing the single greatest benefit to taxpayers of any state in the union over the last 150 years.

One might say that will never happen. But why? It only requires believing in principles, acting according to those beliefs, and looking to the welfare of the entire state. It all can be done with the little power we have in our individual vote and being consistent in applying the principles in which we believe. Consider that just as we reduce our budget when forced by lower revenues, we can do it when forced by being true to principle.

I believe we allowed ourselves to fall victim to incrementalism. Like the frog in a pot of water brought slowly to a boil, we voted yes on this bit and that bit. We were convinced of this plea and that for increased funding. We were convinced of myriad new, critical needs. And perhaps without fully appreciating the enormity of it, we have been part of one of the biggest growths of any state government in the history of the United States.

That, Mr. Speaker, is why I voted against this spending bill. As we finish this session, I believe it will be important for us to take stock in what we've done, and how each of us can use the power of our individual vote next session.

MOTION

REP. ERTEL T MOVED that the remarks of Rep. Becker be printed in the journal, which motion prevailed on a voice vote.

REMARKS OF SPEAKER KLEMIN

Before we adjourn, I have some comments I'd like to make. It's been a very interesting experience for me to serve as Speaker. I certainly couldn't have done it without the assistance of a lot of people in the chamber and outside of the chamber.

Our front desk has done a remarkable job in keeping us going this session.

I'd also like to thank the sergeants-at-arms and the pages who also helped us greatly during
Although she's not here, I want to thank my administrative assistant, Arlene Melarvie, who did a lot of work with the scripts that many of you received and many other things. She did a remarkable job as well.

My thanks also to the Legislative Council staff for assisting me as needed from time to time with legal questions and other procedural matters.

I'd also like to thank Rep. Pollert. We made a very good team working together. It just shows you what two Carrington boys can do.

I also want to thank Rep. Louser, who worked very closely with me on all of the procedural matters. Without his assistance, we couldn't have gotten things done as well as we did. Thank you very much.

Finally, I'd like to thank all of you, the members of the House, for electing me to serve as your Speaker this session. It's been a great experience for me. It's been a highlight of my legislative career, which is now 21 years in the Legislature. It certainly is a high point in my life. As a member of the Senate told me, it's something I can put in my obituary.

I really want to thank you for allowing me to serve as your Speaker this session. It's been a great experience. Thank you.

REMARKS OF MAJORITY LEADER REP. POLLERT
This was my first session as your majority leader and I will say that most days I've enjoyed the session. I have something for Speaker Klemin to show my appreciation. It is the state seal, Mr. Speaker, thank you for your work; I hope that you will enjoy it.

We've all grown in this endeavor, and I appreciate the opportunity to be your majority leader of the citizens' legislature. It's truly been an honor, and I appreciate that. I want to thank the minority leader, and I tried to have open debate with the folks on the other side of the aisle.

I want to put a special thank you out to my gatekeeper, Angela Dinius. Angela has been by my side for four sessions, so thank you very much. To my assistant Bethany Berntson, thank you. As Speaker Klemin talked, there's been a lot of work at the front desk. Anytime I came up there, you folks were quick. I want to thank the sergeant-at-arms and his crew; it's just phenomenal what they would do when we had high schools coming in here. They got everything taken care of, and I very much appreciate it.

This has truly been an honor for me. I've learned a lot and I've tried to promote open debate. I tried to be fair to folks; everybody should have an opinion. I don't talk a lot, but I do believe in a team effort of getting things done. I told you when I ran for this office, that's how I do things. I hope I've lived up to that. To the freshmen that got elected, great job. I'm not going to talk about all our accomplishments, but we did a lot; between infrastructure, economic development and everything we've done here, we as a legislature can go home proud. I want to thank you all for your hard work. Mr. Speaker, I will try to smile a little more after I get out of here. Thank you folks. It's been quite a ride. Thank you very much.
