57-39.4-04. (303) Seller registration.

Each member state shall participate in an online sales and use tax registration system in cooperation with the other member states. Under this system:

1. A seller registering under the agreement shall be registered in each one or more of the member states utilizing the central registration system provided in article IV of the agreement.

2. A model 2, model 3, or model 4 seller may elect to be registered in one or more states as a seller which anticipates making no sales into the state or states if it has not had sales into the state or states for the preceding twelve months. This election does not relieve the seller of its agreement under section 401(B) to collect taxes on all sales into the states or its liability for remitting to the proper states any taxes collected. A certified service provider may require a seller registering under the agreement to register in all of the full-member states as a condition of receiving certified service provider services.

3. The member states agree not to require the payment of any registration fees or other charges for a seller registering through the central registration system in a state in which the seller has no legal requirement to register.

4. A written signature from the seller is not required."

7. Nothing in this section shall be construed to relieve a seller of any legal obligation it may have under a state's laws to register in that state or its obligation to collect and remit taxes for at least thirty-six months in a state and meet all other requirements for amnesty set out in section 402 of the agreement in order to be eligible for amnesty in the state.

8. Whenever a state joins the agreement, sellers already registered under the agreement shall be registered in the new state notified by the governing board and the sellers may elect to also be registered in the new state as follows:

A member state may provide information to sellers concerning other tax return filing options in that state.

A state shall allow a model 1 seller to file both part 1 and part 2 of the SER. A model 1 seller which chooses to file both part 1 and part 2 of the SER shall still be required to file the audit reports provided for in article V of the rules and procedures of the agreement.

(2) Model 2 and model 3 sellers must file an SER in all member states other than states for which they have indicated that they anticipate making no sales in which they are registered under the agreement. The sellers shall only be required to file part 2 of the SER for any state which has notified the governing board that it will require the submission of the part 2 information under subdivision b.

(3) Every member state shall allow model 4 sellers to file an SER. The sellers shall file part 1 of the SER every month unless a state allows less frequent filing. Model 4 sellers which have a legal requirement to register in the state shall have the following options for meeting their obligation to furnish part 2 information:

(b) File part 2 of the SER at the same time part 1 of the SER for the month of December is due. Part 2 information filed
under this option shall cover the month of December and all previous months of the same calendar year and shall only require annual and not monthly totals.

A state may, but is not required to, allow a seller to regain such filing exemption upon such terms and conditions as the state may impose.
