1       **SECTION 3.** A new section to chapter 50-06 of the North Dakota Century Code is created  
2 and enacted as follows:

3       **Peer support certification.**

4       The behavioral health division shall establish and implement a program for the certification  
5 of peer support specialists. In developing the program, the division shall:

- 6       1. Define a peer support specialist;
- 7       2. Establish eligibility requirements for certification;
- 8       3. Establish application procedures and standards for the approval or disapproval of  
9       applications for certification;
- 10      4. Enter reciprocity agreements with other states as deemed appropriate to certify  
11      nonresident applicants registered under the laws of other states having requirements  
12      for peer support specialists; and
- 13      5. Establish continuing education and certification renewal requirements.

14      **SECTION 4.** A new section to chapter 50-06 of the North Dakota Century Code is created  
15 and enacted as follows:

16      **Community behavioral health program.**

- 17      1. The department of human services shall establish and implement a community  
18      behavioral health program to provide comprehensive community-based services for  
19      individuals who have serious behavioral health conditions.
- 20      2. In developing the program, the department shall:
  - 21      a. Establish a referral and evaluation process for access to the program.
  - 22      b. Establish eligibility criteria that includes consideration of behavioral health  
23      condition severity.
  - 24      c. Establish discharge criteria and processes.
  - 25      d. Develop program oversight and evaluation processes that include outcome and  
26      provider reporting metrics.
  - 27      e. Establish a system through which the department:
    - 28      (1) Contracts with and pays behavioral health service providers.
    - 29      (2) Supervises, supports, and monitors referral caseloads and the provision of  
30      services by contract behavioral health service providers.

- 1        2.    The department ~~of human services~~ shall inform new enrollees in the medical  
2            assistance expansion program that benefits may be reduced or eliminated if federal  
3            participation decreases or is eliminated.
- 4        3.    The department shall implement the expansion by bidding through private carriers or  
5            utilizing the health insurance exchange.
- 6        4.    The contract between the department and the private carrier must:
  - 7            a.    Provide a reimbursement methodology for all medications and dispensing fees  
8            which identifies the minimum amount paid to pharmacy providers for each  
9            medication. The reimbursement methodology, at a minimum, must:
    - 10            (1)    Be available on the department's website; and
    - 11            (2)    Encompass all types of pharmacy providers regardless of whether the  
12            pharmacy benefits are being paid through the private carrier or contractor or  
13            subcontractor of the private carrier under this section.
  - 14            b.    Provide full transparency of all costs and all rebates in aggregate.
  - 15            c.    Allow an individual to obtain medication from a pharmacy that provides mail order  
16            service; however, the contract may not require mail order to be the sole method  
17            of service and must allow for all contracted pharmacy providers to dispense any  
18            and all drugs included in the benefit plan and allowed under the pharmacy  
19            provider's license.
  - 20            d.    Ensure that pharmacy services obtained in jurisdictions other than this state and  
21            its three contiguous states are subject to prior authorization and reporting to the  
22            department for eligibility verification.
  - 23            e.    Ensure the payments to pharmacy providers do not include a required payback  
24            amount to the private carrier or one of the private carrier's contractors or  
25            subcontractors which is not representative of the amounts allowed under the  
26            reimbursement methodology provided in subdivision a.
- 27        5.    The contract between the department and the private carrier must provide the  
28            department with full access to provider reimbursement rates. The department shall  
29            consider provider reimbursement rate information in selecting a private carrier under  
30            this section. Before August first of each even-numbered year, the department shall  
31            submit a report to the legislative management regarding provider reimbursement rates

1 under the medical assistance expansion program. This report may provide cumulative  
2 data and trend data but may not disclose identifiable provider reimbursement rates.

3 6. Provider reimbursement rate information received by the department under this  
4 section and any information provided to the department of human services or any  
5 audit firm by a pharmacy benefit manager under this section is confidential, except the  
6 department may use the reimbursement rate information to prepare the report to the  
7 legislative management as required under this section.

3           **SECTION 10. FUNDING TRANSFERS - EXCEPTION - AUTHORIZATION.**

4       Notwithstanding section 54-16-04, the director of the office of management and budget shall  
5       transfer appropriation authority between line items within subdivisions 1, 2, and 3 of section 1 of  
6       this Act for the biennium beginning July 1, 2019, and ending June 30, 2021, as requested by the  
7       department of human services. The department of human services shall notify the legislative  
8       council of any transfer made pursuant to this section. The department shall report to the budget  
9       section after June 30, 2020, any transfer made in excess of \$50,000 and to the appropriations  
10       committees of the sixty-seventh legislative assembly regarding any transfers made pursuant to  
11       this section.

12          **SECTION 11. FUNDING TRANSFERS - EXCEPTION - AUTHORIZATION.**

13       Notwithstanding section 54-16-04, the director of the office of management and budget shall  
14       transfer appropriation authority from line items within subdivisions 1, 2, and 3 of section 1 of this  
15       Act to subdivision 4 of section 1 of this Act for the biennium beginning July 1, 2019, and ending  
16       June 30, 2021, as requested by the department of human services. The department of human  
17       services shall notify the legislative council of any transfer made pursuant to this section. The  
18       department shall report to the budget section after June 30, 2020, any transfer made in excess  
19       of \$50,000 and to the appropriations committees of the sixty-seventh legislative assembly  
20       regarding any transfers made pursuant to this section.

21          **SECTION 12. ESTIMATED INCOME - STRATEGIC INVESTMENT AND IMPROVEMENTS**

22       **FUND.** The estimated income line items in subdivisions 1 and 3 of section 1 of this Act include  
23       the sum of \$11,490,695 from the strategic investment and improvements fund for information  
24       technology and capital projects.

25          **SECTION 13. ESTIMATED INCOME - HUMAN SERVICE FINANCE FUND.** The estimated  
26       income line item in subdivision 4 of section 1 of this Act includes the sum of \$173,700,000 from  
27       the human service finance fund for state-paid economic assistance and social and human  
28       services.

29          **SECTION 14. ESTIMATED INCOME - TOBACCO PREVENTION AND CONTROL TRUST**

30       **FUND.** The estimated income line item in subdivision 2 of section 1 of this Act includes the sum

1 of \$6,000,000 from the tobacco prevention and control trust fund for defraying expenses in the  
2 medical services division.

3 **SECTION 15. ESTIMATED INCOME - COMMUNITY HEALTH TRUST FUND.** The  
4 estimated income line item in subdivision 2 of section 1 of this Act includes the sum of  
5 \$32,400,000 from the community health trust fund for defraying expenses in the medical  
6 services division.

- 1           c. Expenditures do not include funding from the federal health insurance provider  
2           fee for which a separate appropriation of \$9,619,987 is included in subdivision 2  
3           of section 1 of this Act.
- 4           2. The department of human services may exceed appropriations for increases in  
5           medical assistance expansion program caseload and for the addition of coverage  
6           consistent with the traditional Medicaid 1915i state plan.
- 7           3. The managed care organization under contract with the department to manage the  
8           medical assistance expansion program shall reimburse providers within the same  
9           provider type and specialty at consistent levels and with consistent methodology and  
10          may not provide incentive, quality, or supplemental payments to providers, unless part  
11          of a value-based program offered to all eligible providers and approved by the  
12          department. The managed care organization may consider urban and rural providers  
13          as different provider types. Critical access hospitals may not be paid less than one  
14          hundred percent of Medicare allowable costs.
- 15          4. The managed care organization and the department of human services shall ensure  
16          payments to Indian or Tribal 638 health care providers, federally qualified health  
17          centers, and rural health clinics meet the federally required minimum levels of  
18          reimbursement.
- 19          5. The department of human services shall ensure providers within the same provider  
20          type and specialty are reimbursed at consistent levels and with consistent  
21          methodology and shall ensure the capitation rates under risk contracts are actuarially  
22          sound and are adequate to meet managed care organization contractual requirements  
23          regarding availability of services, assurance of adequate capacity and services, and  
24          coordination and continuity of care.

25           **SECTION 18. PLACEMENT OF INDIVIDUALS IN INSTITUTIONS FOR MENTAL**

26   **DISEASE - REPORT TO LEGISLATIVE MANAGEMENT.** During the biennium beginning  
27   July 1, 2019, and ending June 30, 2021, the department of human services shall develop a  
28   statewide plan to address acute psychiatric and residential care needs. The statewide plan must  
29   address the following:

- 30          1. The size and use of the state hospital;

- 1           2.    The potential need for state-operated or private acute facilities in areas of the state
- 2                    outside the city of Jamestown;
- 3           3.    The potential to expand private providers' offering of acute psychiatric care and
- 4                    residential care to fulfill the identified need, including how the implementation of
- 5                    services authorized by the sixty-sixth legislative assembly affects the balance of
- 6                    inpatient, residential, and community-based services;
- 7           4.    The impact of department efforts to adjust crisis services and other behavioral health
- 8                    services provided by the regional human service centers; and
- 9           5.    The potential use of available Medicaid authorities, including waivers or plan
- 10                   amendments.

11    Prior to October 1, 2020, the department shall report to the legislative management on the  
12    statewide plan, along with any legislation required to implement the plan.

13           **SECTION 19. REVISED PAYMENT METHODOLOGY FOR NURSING FACILITY**

14    **SERVICES - REPORT TO LEGISLATIVE MANAGEMENT.** The department of human services  
15    shall develop an implementation plan for a revised payment methodology for nursing facility  
16    services that must include recommendations for:

- 17           1.    Methods of reimbursement for nursing facility cost categories including direct patient
- 18                    care, administrative expenses, and capital assets;
- 19           2.    Considerations regarding establishing peer groups for payments based on factors
- 20                    such as geographical location or nursing facility size;
- 21           3.    The feasibility and desirability of equalizing payments for nursing facilities in the same
- 22                    peer group, including the time frame for equalization; and
- 23           4.    Payment incentives related to care quality or operational efficiency.

24    The executive director of the department of human services and representatives of the  
25    nursing home industry shall appoint a committee to advise the department on the development  
26    of the revised payment methodology for nursing facility services. Before October 1, 2020, the  
27    department shall report to the legislative management regarding the plan to implement the  
28    revised payment methodology. The estimated costs related to the implementation of the revised  
29    payment methodology must be included in the department's 2021-23 biennium budget request  
30    submitted to the sixty-seventh legislative assembly.

1       **SECTION 20. HYPERBARIC OXYGEN THERAPY PILOT PROGRAM GRANT.**

2       Subdivision 2 of subsection 1 of this Act includes the sum of \$335,000 from the general fund for  
3       the purpose of providing a grant to an entity to develop a hyperbaric oxygen therapy pilot  
4       program.

5       **SECTION 21. ADAPTIVE SKIING GRANT - EXEMPTION.** Subdivision 2 of section 1 of this  
6       Act includes the sum of \$200,000 from the general fund for a grant for an adaptive skiing  
7       program affiliated with a winter park that is located in a county of less than 10,000 individuals.  
8       The requirements of chapter 54-44.4 do not apply to the selection of a grantee, the grant award,  
9       or payments made under this section.

10       **SECTION 22. PERMANENT HOUSING PROGRAM GRANTS - EXEMPTION - REPORT**  
11       **TO LEGISLATIVE MANAGEMENT.** Subdivision 3 of section 1 of this Act includes the sum of  
12       \$925,000 from the general fund to provide grants to entities to provide services to individuals  
13       experiencing chronic homelessness in the northeast and southeast human service regions. The  
14       requirements of chapter 54-44.4 do not apply to the selection of grantees, the grant awards, or  
15       payments made under this section. The department of human services' oversight for these  
16       services is limited to receiving information relating to annual service numbers and the  
17       expenditure of appropriated funds for these services. The department shall develop and  
18       implement standardized processes for the distribution of the permanent housing grants.

19       The funds identified for permanent housing grants may be used only for services not  
20       reimbursed by other funding sources. The department of human services, in cooperation with  
21       the grant recipients, shall provide reports to the legislative management during the 2019-20  
22       interim regarding the services provided by the programs, the nonidentifiable demographics of  
23       the individuals receiving services, and the other funding or reimbursement being used to  
24       support the programs.

25       **SECTION 23. SCHOOL BEHAVIORAL HEALTH GRANTS.** Subdivision 2 of section 1 of  
26       this Act includes the sum of \$1,500,000 from the general fund for the purpose of providing  
27       behavioral health services and support grants to school districts to address student behavioral  
28       health needs. To be eligible to receive a student behavioral health grant, a school district must  
29       submit a plan to the department of human services detailing the school district's collaboration  
30       with other regional school districts regarding student behavioral health needs and the use of  
31       grant funding to develop student behavioral health interventions. A school district may not use

1 grant funding to duplicate or fund existing services. The department of human services shall  
2 provide student behavioral health grants only during the second year of the 2019-21 biennium.

3 **SECTION 24. SCHOOL BEHAVIORAL HEALTH PROGRAM.** Subdivision 2 of section 1 of  
4 this Act includes the sum of \$300,000 from the general fund for a school behavioral health  
5 program. The department of human services shall use a portion of this funding for behavioral  
6 health pilot projects in a rural school and a tribal school.

7 **SECTION 25. EXEMPTION.** The amount appropriated for the replacement of the Medicaid  
8 management information system and related projects in chapter 50 of the 2007 Session Laws  
9 and chapter 38 of the 2011 Session Laws is not subject to the provisions of section 54-44.1-11.  
10 Any unexpended funds from these appropriations approved under section 54-44.1-11 for  
11 continuation into the 2009-11 biennium, then the 2011-13 biennium, then the 2013-15 biennium,  
12 then the 2015-17 biennium, and then the 2017-19 biennium are available for the completion of  
13 the Medicaid management information system and related projects during the biennium  
14 beginning July 1, 2019, and ending June 30, 2021.

15 **SECTION 26. EXEMPTION.** The amount appropriated for the modification of the  
16 department of human services' eligibility systems in chapter 578 of the 2011 Special Session  
17 Session Laws is not subject to the provisions of section 54-44.1-11. Any unexpended funds from  
18 this appropriation approved under section 54-44.1-11 for continuation into the 2013-15  
19 biennium, then the 2015-17 biennium, and then the 2017-19 biennium are available for the  
20 completion of the modification of the eligibility systems project during the biennium beginning  
21 July 1, 2019, and ending June 30, 2021.

22 **SECTION 27. EXEMPTION.** The amount appropriated for the development of the electronic  
23 health records system in chapter 12 of the 2013 Session Laws is not subject to the provisions of  
24 section 54-44.1-11. Any unexpended funds from this appropriation approved under section  
25 54-44.1-11 for continuation into the 2015-17 biennium and then the 2017-19 biennium are  
26 available for the completion of the electronic health records system during the biennium  
27 beginning July 1, 2019, and ending June 30, 2021.

28 **SECTION 28. EXEMPTION.** The sum of \$3,000,000 of federal funds appropriated for the  
29 development of the child care licensing and data system in chapter 11 of the 2017 Session  
30 Laws is not subject to the provisions of section 54-44.1-11. Any unexpended funds from this

1 appropriation are available for the completion of the child care licensing and data system during  
2 the biennium beginning July 1, 2019, and ending June 30, 2021.

3 **SECTION 29. EXEMPTION.** The sum of \$40,800,000 of federal and other funds  
4 appropriated for the development of the health information network and care coordination  
5 project in chapter 11 of the 2017 Session Laws is not subject to the provisions of section  
6 54-44.1-11. Any unexpended funds from this appropriation are available for the completion of  
7 the health information network and care coordination project during the biennium beginning  
8 July 1, 2019, and ending June 30, 2021.

9 **SECTION 30. EXEMPTION.** The amount appropriated for the development of the electronic  
10 visit verification project in chapter 11 of the 2017 Session Laws is not subject to the provisions  
11 of section 54-44.1-11. Any unexpended funds from this appropriation are available for the  
12 completion of the electronic visit verification project during the biennium beginning July 1, 2019,  
13 and ending June 30, 2021.

14 **SECTION 31. EXEMPTION.** The sum of \$728,207 from the general fund appropriated for  
15 the department's operating expenses for the legal advisory unit in chapter 11 of the 2017  
16 Session Laws is not subject to the provisions of section 54-44.1-11. Any unexpended funds from  
17 this appropriation may be used for the Ireland lawsuit or its settlement during the biennium  
18 beginning July 1, 2019, and ending June 30, 2021.

19 **SECTION 32. EXEMPTION.** The sum of \$150,000 from the general fund appropriated for  
20 the purpose of establishing a children's prevention and early intervention behavioral health  
21 services pilot project in chapter 333 of the 2017 Session Laws is not subject to the provisions of  
22 section 54-44.1-11. Any unexpended funds from this appropriation are available to be used for  
23 the completion of the children's prevention and early intervention behavioral health services  
24 pilot project during the biennium beginning July 1, 2019, and ending June 30, 2021.

25 **SECTION 33. CONVEYANCE OF LAND AUTHORIZED - STATE HOSPITAL -**  
26 **EXEMPTION.** The state of North Dakota by and through the department of human services may  
27 convey real property associated with the state hospital in Stutsman County to the department of  
28 corrections and rehabilitation. The department of human services may convey building 2404,  
29 formerly known as the nursing residence building and Tompkins building, and surrounding  
30 property on the terms and conditions determined appropriate by the department of human

1 services and the attorney general. Sections 54-01-05.2 and 54-01-05.5 do not apply to this  
2 conveyance.

3 **SECTION 34. CAPITAL PROJECTS AND PAYMENTS.** During the period beginning with  
4 the effective date of this Act, and ending June 30, 2021, the department of human services is  
5 authorized to expend funds for the following capital projects and payments:

- 6 1. The construction of a heating system and plant building at the state hospital;
- 7 2. The renovation of the cedar grove and maplewood buildings at the life skills and  
8 transition center, including the construction of a structure to connect the buildings;
- 9 3. The demolition of the refectory and pleasant view buildings at the life skills and  
10 transition center; and
- 11 4. The payment of special assessments at the state hospital.

12 **SECTION 35. DEVELOPMENTAL DISABILITIES CASE MANAGEMENT.** The department  
13 of human services shall provide case management services for individuals with a  
14 developmental disability within the ratio provided pursuant to North Dakota Administrative Code  
15 for the biennium beginning July 1, 2019, and ending June 30, 2021. If case management  
16 services for individuals with a developmental disability exceed the ratio requirement provided in  
17 the North Dakota Administrative Code, the department of human services may hire temporary  
18 staff or the department of human services may propose a change to North Dakota  
19 Administrative Code to meet the ratio requirement.

20 **SECTION 36. BEHAVIORAL HEALTH PROVIDER PROCESS AND OUTCOME**  
21 **MEASURES.** Behavioral health service providers that receive funding from the department of  
22 human services shall submit process and outcome measures to the department of human  
23 services for programs and services supported by state funding during the biennium beginning  
24 July 1, 2019, and ending June 30, 2021.

25 **SECTION 37. TELEPHONE SUPPORT AND DIRECTORY SERVICES.** The vendor of  
26 telephone and directory services, under contract with the department of human services, shall  
27 include private behavioral health service providers in the vendor's directory at no cost to the  
28 private behavioral health service providers during the biennium beginning July 1, 2019, and  
29 ending June 30, 2021.

1       **SECTION 38. ADULT COMPANION SERVICES.** The department of human services shall  
2 include adult companion services as an allowable service under the home and community-  
3 based services Medicaid waiver, effective for dates of service on or after January 1, 2020.

4       **SECTION 39. ADULT RESIDENTIAL RATES - REBASING.** The department of human  
5 services shall rebase adult residential rates, effective for dates of service on or after January 1,  
6 2020. The department of human services shall request cost information from adult residential  
7 providers who are enrolled as Medicaid home and community-based waiver providers and  
8 serve clients who receive memory care services or have a traumatic brain injury.

9       **SECTION 40. TARGETED CASE MANAGEMENT - SERIOUS EMOTIONAL**  
10 **DISTURBANCE.** The department of human services shall expand the types of providers  
11 recognized as Medicaid providers of targeted case management for individuals with a serious  
12 emotional disturbance for dates of service beginning on or after October 1, 2019. If this  
13 expansion results in expenditures that exceed the amount appropriated to the department of  
14 human services for this service, the department shall request a deficiency appropriation from  
15 the sixty-seventh legislative assembly for any shortfall.

16       **SECTION 41. TARGETED CASE MANAGEMENT - SERIOUS MENTAL ILLNESS.** The  
17 department of human services shall expand the types of providers recognized as Medicaid  
18 providers of targeted case management for individuals with a serious mental illness for dates of  
19 service beginning on or after October 1, 2019. If this expansion results in expenditures that  
20 exceed the amount appropriated to the department of human services for this service, the  
21 department shall request a deficiency appropriation from the sixty-seventh legislative assembly  
22 for any shortfall.

23       **SECTION 42. WITHDRAWAL MANAGEMENT.** The department of human services shall  
24 include withdrawal management as a covered service in the Medicaid state plan during the  
25 biennium beginning July 1, 2019, and ending June 30, 2021.

26       **SECTION 43. IMPLEMENTATION OF 1915i MEDICAID STATE PLAN.** The department of  
27 human services shall implement and manage a 1915i Medicaid state plan amendment for  
28 children and adults, for the period beginning July 1, 2020, and ending June 30, 2021. The  
29 requirements of chapter 54-44.4 do not apply to the addition of coverage consistent with the  
30 traditional Medicaid 1915i state plan to the managed care contract between the department of  
31 human services and the Medicaid expansion managed care organization. The department of

1 human services and the Medicaid managed care organization shall ensure the appropriate  
2 contract amendment is adopted for coverage to begin July 1, 2020.

3 **SECTION 44. HOME AND COMMUNITY-BASED SERVICES TARGETED POPULATION.**

4 The department of human services shall adopt rules, on or before January 1, 2021, establishing  
5 a process and requirements to involve public and private entities in identifying individuals who  
6 are at serious risk of accessing Medicaid-funded long-term care in a nursing facility and inform  
7 them about home and community-based services options.

8 **SECTION 45. AUTISM SPECTRUM DISORDER TASK FORCE.** The department of human  
9 services shall consult with the autism spectrum disorder task force at the November 2019 task  
10 force meeting to evaluate biennium autism spectrum disorder Medicaid waiver expenditures to  
11 date. Based on input from the task force, the department may expand the number of slots or  
12 increase the ages covered by the autism spectrum disorder Medicaid waiver for the remainder  
13 of the 2019-21 biennium.

14 **SECTION 46. AUTISM SPECTRUM DISORDER VOUCHER PROGRAM.** The department  
15 of human services shall propose changes to North Dakota administrative code to seek  
16 additional flexibility for the administration of the autism spectrum disorder voucher program to  
17 ensure more families can be served within available appropriations. The proposed  
18 administrative code changes should consider changes that include a voucher that is solely for  
19 technology support and one that is for in-home supports; adding case management or parent-  
20 to-parent support as an allowable service for voucher funds; and reducing the amount of time  
21 during which a household may use approved voucher funds.

22 **SECTION 47. IMPLEMENTATION OF BEHAVIORAL HEALTH STUDY**

23 **RECOMMENDATIONS - REPORT TO LEGISLATIVE MANAGEMENT.** Before August 1, 2020,  
24 the department of human services shall provide a report to the legislative management  
25 regarding the implementation of the human services research institute report recommendations.

26 **SECTION 48. LEGISLATIVE MANAGEMENT STUDY - HEALTH CARE DELIVERY**

27 **SYSTEM.** During the 2019-20 interim, the legislative management shall consider studying the  
28 delivery of health care in the state. The study must review the needs and future challenges of  
29 the North Dakota health care delivery system, including rural access to primary health care, the  
30 use of emergency medical services, strategies to better serve residents, and the role of health  
31 care services in the future development of the state. The legislative management shall report its

1 findings and recommendations, together with any legislation required to implement the  
2 recommendations, to the sixty-seventh legislative assembly.

3 **SECTION 49. LEGISLATIVE INTENT - UTILIZATION RATE ADJUSTMENTS.** It is the  
4 intent of the sixty-sixth legislative assembly that the department of human services seek a  
5 deficiency appropriation from the sixty-seventh legislative assembly for any expenditures that  
6 exceed appropriated amounts as a result of reductions made in estimated utilization rates  
7 during the biennium beginning July 1, 2019, and ending June 30, 2021.

8 **SECTION 50. EFFECTIVE DATE.** Section 8 of this Act becomes effective on January 1,  
9 2020.

10 **SECTION 51. EXPIRATION DATE.** Section 7 of this Act is effective through December 31,  
11 2019, and after that date is ineffective.

12 **SECTION 52. EMERGENCY.** The sum of \$6,770,665 in subdivision 3 of section 1 of this  
13 Act for capital projects at the state hospital and life skills and transition center and section 34 of  
14 this Act are declared to be an emergency measure.
