of North Dakota

ENGROSSED HOUSE BILL NO. 1027

Introduced by

Legislative Management

(Education Funding Formula Review Committee)

1 A BILL for an Act to create and enact five new sections to chapter 15.1-27 of the North Dakota
2 Century Code, relating to school district transportation aid payments; and to amend and reenact
3 section 15.1-31-05 of the North Dakota Century Code, relating to the transportation of open
4 enrollment students.

5 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

6 **SECTION 1.** A new section to chapter 15.1-27 of the North Dakota Century Code is created
7 and enacted as follows:

8 **School district transportation of students - Payments.**

9 1. The superintendent of public instruction shall pay each school district providing school
10 bus transportation in contract schoolbuses or in district-owned and operated
11 schoolbuses, and each school district with students riding commercial buses to and
12 from school within the incorporated limits of a city, the following amounts from state
13 funds:

14 a. For schoolbuses and school vehicles transporting students:

15 (1) Fifty-two cents per mile [1.61 kilometers] for vehicles that have a capacity of
16 fewer than ten students; and

17 (2) One dollar and eleven cents per mile [1.61 kilometers] for schoolbuses that
18 have a capacity of ten or more students; and

19 b. Thirty cents per one-way trip for each student transported.

20 2. The superintendent of public instruction shall provide per mileage payments if:

21 a. A school district qualifies to receive payment pursuant to subsection 1; and

22 b. The school district operates schoolbuses in accordance with state law relating to
23 schoolbus standards and school vehicle driver requirements. A school district
24 shall certify compliance with state law relating to schoolbus standards and school

1 vehicle driver requirements when applying for payment under this section. The
2 superintendent of public instruction may adopt rules governing certification of
3 compliance under this subdivision.

4 3. The superintendent of public instruction shall reimburse school districts fifty cents per
5 day per mile [1.61 kilometers] one-way for each mile over two miles [3.22 kilometers]
6 for students transported by family transportation in accordance with section
7 15.1-30-02, according to the distance between the home of the student and the
8 school. The distance must be measured by the route from the front door of the school
9 attended to the front door of the residence of the family of the student according to the
10 most convenient public course traveled.

11 4. The superintendent of public instruction shall use the latest available student
12 enrollment count in each school district in applying the provisions of this section.

13 5. This section does not authorize the reimbursement of any costs incurred in providing
14 transportation for students to attend extracurricular activities or events.

15 **SECTION 2.** A new section to chapter 15.1-27 of the North Dakota Century Code is created
16 and enacted as follows:

17 **School district transportation of special education students - Payments.**

18 1. The superintendent of public instruction shall pay each school district transporting
19 students enrolled in special education programs approved by the superintendent of
20 public instruction:

21 a. The amount provided in section 1 of this Act for vehicles that have a capacity of
22 fewer than ten students if the school district is transporting fewer than
23 ten students per vehicle;

24 b. The amount provided in section 1 of this Act for vehicles that have a capacity of
25 ten or more students if the school district is transporting ten or more students per
26 vehicle; and

27 c. The additional amount provided in section 1 of this Act, per one-way trip, for each
28 student transported.

29 2. A school district entitled to payments under this section is entitled to receive
30 transportation aid for all miles [kilometers] traveled and for all students transported.

1 regardless of whether the students transported live within the incorporated limits of the
2 city in which the students' school is located.

3 3. The superintendent of public instruction shall reimburse school districts fifty cents per
4 day per mile [1.61 kilometers] if:

5 a. The student being transported has a disability, as defined in chapter 15.1-32;

6 b. The student has an individualized education plan that requires the student attend
7 a public or nonpublic school located outside the student's school district of
8 residence;

9 c. The student is transported by an adult family member in family provided
10 transportation; and

11 d. The reimbursement does not exceed two round trips per day between the home
12 of the student and the school.

13 4. Notwithstanding any other provision of law, the superintendent of public instruction,
14 upon request from the school district, shall make the payments due to a school district
15 under this section directly to a multidistrict special education unit.

16 **SECTION 3.** A new section to chapter 15.1-27 of the North Dakota Century Code is created
17 and enacted as follows:

18 **School district transportation of career and technical education students - Payments.**

19 1. The superintendent of public instruction shall pay each school district transporting
20 students to and from schools in other school districts and to and from schools within
21 the district for vocational and technical education courses offered through cooperative
22 arrangements approved by the state board for career and technical education:

23 a. The amount provided in section 1 of this Act for vehicles that have a capacity of
24 fewer than ten students if the school district is transporting fewer than
25 ten students per vehicle;

26 b. The amount provided in section 1 of this Act for vehicles that have a capacity of
27 ten or more students if the school district is transporting ten or more students per
28 vehicle; and

29 c. The additional amount provided in section 1 of this Act, per one-way trip, for each
30 student transported.

- 1 2. A school district entitled to payments under this section is entitled to receive
2 transportation aid for all miles [kilometers] traveled and for all students transported,
3 regardless of whether the students transported live within the incorporated limits of the
4 city in which the students' school is located.
- 5 3. Notwithstanding any other provision of law, the superintendent of public instruction,
6 upon request from the school district, shall make the payments due to a school district
7 under this section directly to an area vocational and technology center.

8 **SECTION 4.** A new section to chapter 15.1-27 of the North Dakota Century Code is created
9 and enacted as follows:

10 **School district closure - Distribution of transportation payments.**

- 11 1. If a school district ceases to exist, the superintendent of public instruction shall
12 calculate the amount of transportation payments to which the former school district
13 would have been entitled for providing transportation services during the school
14 district's final year of operation and shall pay a percentage of the amount certified to
15 each school district in the state which enrolls students who attended the former school
16 district during the prior school year. Each school district eligible for payment under this
17 section is entitled to receive the percentage of the total amount certified which is the
18 same as the percentage of the number of the district's students who attended the
19 former school district during the prior school year bears to the total number of students
20 who attended the former school district during the prior school year.
- 21 2. The superintendent of public instruction shall pay the amount to which a school district
22 is entitled under this section in the manner and at the time provided for other state
23 payments in section 15.1-27-01.

24 **SECTION 5.** A new section to chapter 15.1-27 of the North Dakota Century Code is created
25 and enacted as follows:

26 **State transportation payments to school districts.**

- 27 1. The superintendent of public instruction shall determine the total amount of payments
28 to be made to the school districts for the transportation of students and shall pay the
29 amount certified to each school district. Payments must be made in the same manner
30 and at the time provided for other state payments in section 15.1-27-01.

1 2. A school district may not receive more than ninety percent of the actual costs incurred
2 for the transportation of students.

3 3. For purposes of this section, actual costs include the transportation operating
4 expenditures reported to the superintendent of public instruction for the most recent
5 year plus the eight-year average cost of transportation equipment determined by the
6 superintendent of public instruction. Any district having contracted for transportation
7 services may determine the actual costs for the first year the district provides its own
8 transportation services by using the statewide average cost of transportation during
9 the first year.

10 **SECTION 6. AMENDMENT.** Section 15.1-31-05 of the North Dakota Century Code is
11 amended and reenacted as follows:

12 **15.1-31-05. Open enrollment - Transportation.**

13 A school district of residence may provide transportation to a student participating in open
14 enrollment. If a district of residence does not provide transportation to a student participating in
15 open enrollment, transportation may be provided by the admitting district. A school district may
16 not receive transportation aid disbursements under subdivision a of subsection 1 of section 1 of
17 this Act or subsection 3 of section 1 of this Act for transporting students who are participating in
18 open enrollment, or who are enrolled pursuant to a written contract entered by the sending and
19 admitting districts which waives the charge and collection of tuition for the student.
