2 at the time of the prior authorization, are reached due to utilization after issuance of
3 the prior authorization.

5 clearly fails to support the claim as originally authorized.
- 6 3. If, after the issuance of the prior authorization, new procedures are provided to the

9 prevailing standard of care.
- 10 4. If, after the issuance of the prior authorization, new procedures are provided to the

 - 16 a. Another payor is responsible for payment.

8 provider network.

19 provider, all third parties in existence as of the date the contract is entered or
20 renewed.
