

**HOUSE BILL NO. 1429**

Introduced by

Representatives Damschen, Heinert, Klemin, Monson

Senator O. Larsen

1 A BILL for an Act to amend and reenact section 54-03.3-01 of the North Dakota Century Code,  
2 relating to the compact for a balanced budget.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1. AMENDMENT.** Section 54-03.3-01 of the North Dakota Century Code is  
5 amended and reenacted as follows:

6 **54-03.3-01. Adoption of compact.**

7 The state of North Dakota enacts, adopts, and agrees to be bound by the Compact for a  
8 Balanced Budget with all other jurisdictions legally joining therein in the form substantially as  
9 follows:

10 **ARTICLE I - DECLARATION OF POLICY, PURPOSE, AND INTENT**

11 Whereas, every state enacting, adopting and agreeing to be bound by this compact intends  
12 to ensure that their respective legislature's use of the power to originate a Balanced Budget  
13 Amendment under Article V of the Constitution of the United States will be exercised  
14 conveniently and with reasonable certainty as to the consequences thereof.

15 Now, therefore, in consideration of their expressed mutual promises and obligations, be it  
16 enacted by every state enacting, adopting and agreeing to be bound by this compact, and  
17 resolved by each of their respective legislatures, as the case may be, to exercise herewith all of  
18 their respective powers as set forth herein notwithstanding any law to the contrary.

19 **ARTICLE II - DEFINITIONS**

- 20 1. "Compact" means this "Compact for a Balanced Budget".  
21 2. "Convention" means the convention for proposing amendments organized by this  
22 compact under Article V of the Constitution of the United States and, where  
23 contextually appropriate to ensure the terms of this compact are not evaded, any other  
24 similar gathering or body, which might be organized as a consequence of Congress

1 receiving the application set out in this compact and claim authority to propose or  
2 effectuate any amendment, alteration or revision to the Constitution of the United  
3 States. This term does not encompass a convention for proposing amendments under  
4 Article V of the Constitution of the United States that is organized independently of this  
5 compact based on the separate and distinct application of any state.

6 3. "State" means one of the several states of the United States. Where contextually  
7 appropriate, the term "state" shall be construed to include all of its branches,  
8 departments, agencies, political subdivisions, and officers and representatives acting  
9 in their official capacity.

10 4. "Member state" means a state that has enacted, adopted, and agreed to be bound to  
11 this compact. For any state to qualify as a member state with respect to any other  
12 state under this compact, each such state must have enacted, adopted, and agreed to  
13 be bound by substantively identical compact legislation.

14 5. "Compact notice recipients" means the archivist of the United States, the president of  
15 the United States, the president of the United States Senate, the office of the secretary  
16 of the United States Senate, the speaker of the United States House of  
17 Representatives, the office of the clerk of the United States House of Representatives,  
18 the chief executive officer of each state, and the presiding officers of each house of  
19 the legislatures of the several states.

20 6. Notice. All notices required by this compact shall be by United States certified mail,  
21 return receipt requested, or an equivalent or superior form of notice, such as personal  
22 delivery documented by evidence of actual receipt.

23 7. "Balanced Budget Amendment" means the following:

24 "Article \_\_\_\_

25 Section 1. Total outlays of the government of the United States shall not exceed  
26 total receipts of the government of the United States at any point in time unless  
27 the excess of outlays over receipts is financed exclusively by debt issued in strict  
28 conformity with this article.

29 Section 2. Outstanding debt shall not exceed authorized debt, which initially shall  
30 be an amount equal to 105 percent of the outstanding debt on the effective date  
31 of this article. Authorized debt shall not be increased above its aforesaid initial

1 amount unless such increase is first approved by the legislatures of the several  
2 states as provided in Section 3.

3 Section 3. From time to time, Congress may increase authorized debt to an  
4 amount in excess of its initial amount set by Section 2 only if it first publicly refers  
5 to the legislatures of the several states an unconditional, single subject measure  
6 proposing the amount of such increase, in such form as provided by law, and the  
7 measure is thereafter publicly and unconditionally approved by a simple majority  
8 of the legislatures of the several states, in such form as provided respectively by  
9 state law; provided that no inducement requiring an expenditure or tax levy shall  
10 be demanded, offered or accepted as a quid pro quo for such approval. If such  
11 approval is not obtained within sixty (60) calendar days after referral then the  
12 measure shall be deemed disapproved and the authorized debt shall thereby  
13 remain unchanged.

14 Section 4. Whenever the outstanding debt exceeds 98 percent of the debt limit  
15 set by Section 2, the President shall enforce said limit by publicly designating  
16 specific expenditures for impoundment in an amount sufficient to ensure  
17 outstanding debt shall not exceed the authorized debt. Said impoundment shall  
18 become effective thirty (30) days thereafter, unless Congress first designates an  
19 alternate impoundment of the same or greater amount by concurrent resolution,  
20 which shall become immediately effective. The failure of the President to  
21 designate or enforce the required impoundment is an impeachable misdemeanor.  
22 Any purported issuance or incurrence of any debt in excess of the debt limit set  
23 by Section 2 is void.

24 Section 5. No bill that provides for a new or increased general revenue tax shall  
25 become law unless approved by a two-thirds roll call vote of the whole number of  
26 each House of Congress. However, this requirement shall not apply to any bill  
27 that provides for a new end user sales tax which would completely replace every  
28 existing income tax levied by the government of the United States; or for the  
29 reduction or elimination of an exemption, deduction, or credit allowed under an  
30 existing general revenue tax.

1 Section 6. For purposes of this article, "debt" means any obligation backed by the  
2 full faith and credit of the government of the United States; "outstanding debt"  
3 means all debt held in any account and by any entity at a given point in time;  
4 "authorized debt" means the maximum total amount of debt that may be lawfully  
5 issued and outstanding at any single point in time under this article; "total outlays  
6 of the government of the United States" means all expenditures of the  
7 government of the United States from any source; "total receipts of the  
8 government of the United States" means all tax receipts and other income of the  
9 government of the United States, excluding proceeds from its issuance or  
10 incurrence of debt or any type of liability; "impoundment" means a proposal not to  
11 spend all or part of a sum of money appropriated by Congress; and "general  
12 revenue tax" means any income tax, sales tax, or value-added tax levied by the  
13 government of the United States excluding imposts and duties.

14 Section 7. This article is immediately operative upon ratification, self-enforcing,  
15 and Congress may enact conforming legislation to facilitate enforcement."

16 **ARTICLE III - COMPACT MEMBERSHIP AND WITHDRAWAL**

- 17 1. This compact governs each member state to the fullest extent permitted by their  
18 respective constitutions, superseding and repealing any conflicting or contrary law.
- 19 2. By becoming a member state, each such state offers, promises, and agrees to  
20 perform and comply strictly in accordance with the terms and conditions of this  
21 compact, and has made such offer, promise, and agreement in anticipation and  
22 consideration of, and in substantial reliance upon, such mutual and reciprocal  
23 performance and compliance by each other current and future member state, if any.  
24 Accordingly, in addition to having the force of law in each member state upon its  
25 respective effective date, this compact and each of its articles shall also be construed  
26 as contractually binding each member state when:
- 27 a. At least one other state has likewise become a member state by enacting  
28 substantively identical legislation adopting and agreeing to be bound by this  
29 compact; and

- 1           b. Notice of such state's member state status is or has been seasonably received  
2           by the compact administrator, if any, or otherwise by the chief executive officer of  
3           each other member state.
- 4        3. For purposes of determining member state status under this compact, as long as all  
5        other provisions of the compact remain identical and operative on the same terms,  
6        legislation enacting, adopting, and agreeing to be bound by this compact shall be  
7        deemed and regarded as "substantively identical" with respect to such other legislation  
8        enacted by another state notwithstanding:
- 9           a. Any difference in subsection 2 of article IV with specific regard to the respectively  
10          enacting state's own method of appointing its member to the commission;
- 11          b. Any difference in subsection 5 of article IV with specific regard to the respectively  
12          enacting state's own obligation to fund the commission;
- 13          c. Any difference in subsections 1 and 2 of article VI with specific regard to the  
14          number and identity of each delegate respectively appointed on behalf of the  
15          enacting state, provided that no more than three delegates may attend and  
16          participate in the Convention on behalf of any state; or
- 17          d. Any difference in subsection 7 of article X with specific regard to the respectively  
18          enacting state as to whether subsection 1 of article V of this compact shall  
19          survive termination of the compact, and thereafter become a continuing  
20          resolution of the legislature of such state applying to Congress for the calling of a  
21          convention of the states under Article V of the Constitution of the United States,  
22          under such terms and limitations as may be specified by such state.
- 23        4. When fewer than three-fourths of the states are member states, any member state  
24        may withdraw from this compact by enacting appropriate legislation, as determined by  
25        state law, and giving notice of such withdrawal to the compact administrator, if any, or  
26        otherwise to the chief executive officer of each other member state. A withdrawal shall  
27        not affect the validity or applicability of the compact with respect to remaining member  
28        states, provided that there remain at least two such states. However, once at least  
29        three-fourths of the states are member states, then no member state may withdraw  
30        from the compact prior to its termination absent unanimous consent of all member  
31        states.

1           **ARTICLE IV - COMPACT COMMISSION AND COMPACT ADMINISTRATOR**

2           1. Nature of the compact commission. The compact commission ("commission") is  
3 hereby established. It has the power and duty:

4           a. To appoint and oversee a compact administrator;

5           b. To encourage states to join the compact and Congress to call the Convention in  
6 accordance with this compact;

7           c. To coordinate the performance of obligations under the compact;

8           d. To oversee the Convention's logistical operations as appropriate to ensure this  
9 compact governs its proceedings;

10          e. To oversee the defense and enforcement of the compact in appropriate legal  
11 venues;

12          f. To request funds and to disburse those funds to support the operations of the  
13 commission, compact administrator, and Convention; and

14          g. To cooperate with any entity that shares a common interest with the commission  
15 and engages in policy research, public interest litigation, or lobbying in support of  
16 the purposes of the compact. The commission shall only have such implied  
17 powers as are essential to carrying out these express powers and duties. It shall  
18 take no action that contravenes or is inconsistent with this compact or any law of  
19 any state that is not superseded by this compact. It may adopt and publish  
20 corresponding bylaws and policies.

21          2. Commission membership. The commission initially consists of three unpaid members.  
22 Each member state may appoint one member to the commission through an  
23 appointment process to be determined by their respective chief executive officer until  
24 all positions on the commission are filled. Positions shall be assigned to appointees in  
25 the order in which their respective appointing states became member states. The  
26 bylaws of the commission may expand its membership to include representatives of  
27 additional member states and to allow for modest salaries and reimbursement of  
28 expenses if adequate funding exists.

29          3. Commission action. Each commission member is entitled to one vote. The  
30 commission shall not act unless a majority of its appointed membership is present,  
31 and no action shall be binding unless approved by a majority of the commission's

1 appointed membership. The commission shall meet at least once a year, and may  
2 meet more frequently.

3 4. First order of business. The commission shall at the earliest possible time elect from  
4 among its membership a chairperson, determine a primary place of doing business,  
5 and appoint a compact administrator.

6 5. Funding. The commission and the compact administrator's activities shall be funded  
7 exclusively by each member state, as determined by their respective state law, or by  
8 voluntary donations.

9 6. Compact administrator. The compact administrator has the power and duty:

10 a. To timely notify the states of the date, time, and location of the Convention;

11 b. To organize and direct the logistical operations of the Convention;

12 c. To maintain an accurate list of all member states, their appointed delegates,  
13 including contact information; and

14 d. To formulate, transmit, and maintain all official notices, records, and  
15 communications relating to this compact. The compact administrator shall only  
16 have such implied powers as are essential to carrying out these express powers  
17 and duties; and shall take no action that contravenes or is inconsistent with this  
18 compact or any law of any state that is not superseded by this compact. The  
19 compact administrator serves at the pleasure of the commission and must keep  
20 the commission seasonably apprised of the performance or nonperformance of  
21 the terms and conditions of this compact. Any notice sent by a member state to  
22 the compact administrator concerning this compact shall be adequate notice to  
23 each other member state provided that a copy of said notice is seasonably  
24 delivered by the compact administrator to each other member state's respective  
25 chief executive officer.

26 7. Notice of key events. Upon the occurrence of each of the following described events,  
27 or otherwise as soon as possible, the compact administrator shall immediately send  
28 the following notices to all compact notice recipients, together with certified conforming  
29 copies of the chaptered version of this compact as maintained in the statutes of each  
30 member state:

31 a. Whenever any state becomes a member state, notice of that fact shall be given;

- 1           b. Once at least three-fourths of the states are member states, notice of that fact  
2           shall be given together with a statement declaring that the legislatures of at least  
3           two-thirds of the several states have applied for a convention for proposing  
4           amendments under Article V of the Constitution of the United States, petitioning  
5           Congress to call the Convention contemplated by this compact, and further  
6           requesting cooperation in organizing the same in accordance with this compact;
- 7           c. Once Congress has called the Convention contemplated by this compact, and  
8           whenever the date, time, and location of the Convention has been determined,  
9           notice of that fact shall be given together with the date, time, and location of the  
10          Convention and other essential logistical matters;
- 11          d. Upon approval of the Balanced Budget Amendment by the Convention, notice of  
12          that fact shall be given together with the transmission of certified copies of such  
13          approved proposed amendment and a statement requesting Congress to refer  
14          the same for ratification by three-fourths of the legislatures of the several states  
15          under Article V of the Constitution of the United States. However, in no event  
16          shall any proposed amendment other than the Balanced Budget Amendment be  
17          transmitted; and
- 18          e. When any article of this compact prospectively ratifying the Balanced Budget  
19          Amendment is effective in any member state, notice of the same shall be given  
20          together with a statement declaring such ratification and further requesting  
21          cooperation in ensuring that the official record confirms and reflects the effective  
22          corresponding amendment to the Constitution of the United States. However,  
23          whenever any member state enacts appropriate legislation, as determined by the  
24          laws of the respective state, withdrawing from this compact, the compact  
25          administrator shall immediately send certified conforming copies of the chaptered  
26          version of such withdrawal legislation as maintained in the statutes of each such  
27          withdrawing member state, solely to each chief executive officer of each  
28          remaining member state, giving notice of such withdrawal.
- 29          8. Cooperation. The commission, member states, and compact administrator shall  
30          cooperate with each other and give each other mutual assistance in enforcing this  
31          compact and shall give the chief law enforcement officer of each other member state

1 any information or documents that are reasonably necessary to facilitate the  
2 enforcement of this compact.

3 9. This article does not take effect until there are at least two member states.

4 **ARTICLE V - RESOLUTION APPLYING FOR CONVENTION**

5 1. Be it resolved, as provided for in Article V of the Constitution of the United States, the  
6 legislature of each member state herewith applies to Congress for the calling of a  
7 convention for proposing amendments limited to the subject matter of proposing for  
8 ratification the Balanced Budget Amendment.

9 2. Congress is further petitioned to refer the Balanced Budget Amendment to the states  
10 for ratification by three-fourths of their respective legislatures.

11 3. This article does not take effect until at least three-fourths of the several states are  
12 member states.

13 **ARTICLE VI - DELEGATE APPOINTMENT, LIMITATIONS, AND INSTRUCTIONS**

14 1. Number of delegates. Each member state shall be entitled to ~~one delegate as its sole~~  
15 ~~and exclusive representative~~ three delegates to represent its sovereign interests at the

25 delegates. A majority of this delegation shall decide ~~any~~ ~~the~~ issue at the Convention on  
26 behalf of the member state.

27 3. Replacement or recall of delegates. A delegate appointed hereunder may be replaced  
28 or recalled by the legislature of his or her respective state at any time for good cause,  
29 such as criminal misconduct or the violation of this compact. If replaced or recalled,  
30 any delegate previously appointed hereunder must immediately vacate the Convention  
31 and return to their respective state's capital.

- 1           4. Oath. The power and authority of a delegate under this article may only be exercised  
2           after the Convention is first called by Congress in accordance with this compact and  
3           such appointment is duly accepted by such appointee publicly taking the following  
4           oath or affirmation: "I do solemnly swear (or affirm) that I accept this appointment and  
5           will act strictly in accordance with the terms and conditions of the compact for a  
6           balanced budget, the constitution of the state I represent, and the Constitution of the  
7           United States. I understand that violating this oath (or affirmation) forfeits my  
8           appointment and may subject me to other penalties as provided by law."
- 9           5. Term. The term of a delegate hereunder commences upon acceptance of appointment  
10          and terminates upon the permanent adjournment of the Convention, unless shortened  
11          by recall, replacement, or forfeiture under this article. Upon expiration of such term,  
12          any person formerly serving as a delegate must immediately withdraw from and cease  
13          participation at the Convention, if any is proceeding.
- 14          6. Delegate authority. The power and authority of any delegate appointed hereunder is  
15          strictly limited:
- 16           a. To introducing, debating, voting upon, proposing, and enforcing the Convention  
17           rules specified in this compact, as needed to ensure those rules govern the  
18           Convention; and
- 19           b. To introducing, debating, voting upon, and rejecting or proposing for ratification  
20           the Balanced Budget Amendment. All actions taken by any delegate in violation  
21           of this section are void ab initio.
- 22          7. Delegate authority. No delegate of any member state may introduce, debate, vote  
23          upon, reject, or propose for ratification any constitutional amendment at the  
24          Convention unless:
- 25           a. Convention rules specified in this compact govern the Convention and their  
26           actions; and
- 27           b. The constitutional amendment is the Balanced Budget Amendment.
- 28          8. Delegate authority. The power and authority of any delegate at the Convention does  
29          not include any power or authority associated with any other public office held by the  
30          delegate. Any person appointed to serve as a delegate shall take a temporary leave of  
31          absence, or otherwise shall be deemed temporarily disabled, from any other public

1 office held by the delegate while attending the Convention, and may not exercise any  
2 power or authority associated with any other public office held by the delegate, while  
3 attending the Convention. All actions taken by any delegate in violation of this section  
4 are void ab initio.

5 9. Order of business. Before introducing, debating, voting upon, rejecting, or proposing  
6 for ratification any constitutional amendment at the Convention, each delegate of  
7 every member state must first ensure the Convention rules in this compact govern the  
8 Convention and their actions. Every delegate and each member state must  
9 immediately vacate the Convention and notify the compact administrator by the most  
10 effective and expeditious means if the Convention rules in this compact are not  
11 adopted to govern the Convention and their actions.

12 10. Forfeiture of appointment. If any member state or delegate violates any provision of  
13 this compact, then every delegate of that member state immediately forfeits his or her  
14 appointment, and shall immediately cease participation at the Convention, vacate the  
15 Convention, and return to his or her respective state's capital.

16 11. Expenses. A delegate appointed hereunder is entitled to reimbursement of reasonable  
17 expenses for attending the Convention from his or her respective member state. No  
18 delegate may accept any other form of remuneration or compensation for service  
19 under this compact.

## 20 **ARTICLE VII - CONVENTION RULES**

21 1. Nature of the Convention. The Convention shall be organized, construed, and  
22 conducted as a body exclusively representing and constituted by the several states.

23 2. Agenda of the Convention. The agenda of the Convention shall be entirely focused  
24 upon and exclusively limited to introducing, debating, voting upon, and rejecting or  
25 proposing for ratification the Balanced Budget Amendment under the Convention rules  
26 specified in this article and in accordance with the compact. It shall not be in order for  
27 the Convention to consider any matter that is outside the scope of this agenda.

28 3. Delegate identity and procedure. States shall be represented at the Convention  
29 through duly appointed delegates. The number, identity, and authority of delegates  
30 assigned to each state shall be determined by this compact in the case of member  
31 states or, in the case of states that are not member states, by their respective state

1 laws. However, to prevent disruption of proceedings, no more than three delegates  
2 may attend and participate in the Convention on behalf of any state. A certified  
3 chaptered conforming copy of this compact, together with government-issued  
4 photographic proof of identification, shall suffice as credentials for delegates of  
5 member states. Any commission for delegates of states that are not member states  
6 shall be based on their respective state laws, but it shall furnish credentials that are at  
7 least as reliable as those required of member states.

8 4. Voting. Each state represented at the Convention shall have one vote, exercised by  
9 the vote of that state's delegate in the case of states represented by one delegate, or,  
10 in the case of any state that is represented by more than one delegate, by the majority  
11 vote of that state's respective delegates.

12 5. Quorum. A majority of the several states of the United States, each present through its  
13 respective delegate in the case of any state that is represented by one delegate, or  
14 through a majority of its respective delegates, in the case of any state that is  
15 represented by more than one delegate, shall constitute a quorum for the transaction  
16 of any business on behalf of the Convention.

17 6. Action by the Convention. The Convention shall only act as a committee of the whole,  
18 chaired by the delegate representing the first state to have become a member state, if  
19 that state is represented by one delegate, or otherwise by the delegate chosen by the  
20 majority vote of that state's respective delegates. The transaction of any business on  
21 behalf of the Convention, including the designation of a secretary, the adoption of  
22 parliamentary procedures, and the rejection or proposal of any constitutional  
23 amendment, requires a quorum to be present and a majority affirmative vote of those  
24 states constituting the quorum.

25 7. Emergency suspension and relocation of the Convention. In the event that the chair of  
26 the Convention declares an emergency due to disorder or an imminent threat to public  
27 health and safety prior to the completion of the business on the agenda, and a majority  
28 of the states present at the Convention do not object to such declaration, further  
29 Convention proceedings shall be temporarily suspended, and the commission shall  
30 subsequently relocate or reschedule the Convention to resume proceedings in an

1 orderly fashion in accordance with the terms and conditions of this compact with prior  
2 notice given to the compact notice recipients.

3 8. Parliamentary procedure. In adopting, applying, and formulating parliamentary  
4 procedure, the Convention shall exclusively adopt, apply, or appropriately adapt  
5 provisions of the most recent editions of Robert's Rules of Order and the American  
6 Institute of Parliamentarians Standard Code of Parliamentary Procedure. In adopting,  
7 applying, or adapting parliamentary procedure, the Convention shall exclusively  
8 consider analogous precedent arising within the jurisdiction of the United States.  
9 Parliamentary procedures adopted, applied, or adapted pursuant to this section shall  
10 not obstruct, override, or otherwise conflict with this compact.

11 9. Transmittal. Upon approval of the Balanced Budget Amendment by the Convention to  
12 propose for ratification, the chair of the Convention shall immediately transmit certified  
13 copies of such approved proposed amendment to the compact administrator and all  
14 compact notice recipients, notifying them respectively of such approval and requesting  
15 Congress to refer the same for ratification by the states under Article V of the  
16 Constitution of the United States. However, in no event shall any proposed  
17 amendment other than the Balanced Budget Amendment be transmitted as aforesaid.

18 10. Transparency. Records of the Convention, including the identities of all attendees and  
19 detailed minutes of all proceedings, shall be kept by the chair of the Convention or  
20 secretary designated by the Convention. All proceedings and records of the  
21 Convention shall be open to the public upon request subject to reasonable regulations  
22 adopted by the Convention that are closely tailored to preventing disruption of  
23 proceedings under this article.

24 11. Adjournment of the Convention. The Convention shall permanently adjourn upon the  
25 earlier of twenty-four hours after commencing proceedings under this article or the  
26 completion of the business on its agenda.

28 1. Member states shall not participate in the Convention unless:  
29 a. Congress first calls the Convention in accordance with this compact; and  
30 b. The Convention rules of this compact are adopted by the Convention as its first  
31 order of business.

- 1       2. Any proposal or action of the Convention is void ab initio and issued by a body that is  
2       conducting itself in an unlawful and ultra vires fashion if that proposal or action:  
3       a. Violates or was approved in violation of the Convention rules or the delegate  
4       instructions and limitations on delegate authority specified in this compact;  
5       b. Purports to propose or effectuate a mode of ratification that is not specified in  
6       Article V of the Constitution of the United States; or  
7       c. Purports to propose or effectuate the formation of a new government. All member  
8       states are prohibited from advancing or assisting in the advancement of any such  
9       proposal or action.
- 10      3. Member states shall not ratify or otherwise approve any proposed amendment,  
11      alteration, or revision to the Constitution of the United States, which originates from  
12      the Convention, other than the Balanced Budget Amendment.

13                   **ARTICLE IX - RESOLUTION PROSPECTIVELY RATIFYING**

14                           **THE BALANCED BUDGET AMENDMENT**

- 15      1. Each member state, by and through its respective legislature, hereby adopts and  
16      ratifies the Balanced Budget Amendment.
- 17      2. This article does not take effect until Congress effectively refers the Balanced Budget  
18      Amendment to the states for ratification by three-fourths of the legislatures of the  
19      several states under Article V of the Constitution of the United States.

20                   **ARTICLE X - CONSTRUCTION, ENFORCEMENT, VENUE, AND SEVERABILITY**

- 21      1. To the extent that the effectiveness of this compact or any of its articles or provisions  
22      requires the alteration of local legislative rules, drafting policies, or procedure to be  
23      effective, the enactment of legislation enacting, adopting, and agreeing to be bound by  
24      this compact shall be deemed to waive, repeal, supersede, or otherwise amend and  
25      conform all such rules, policies, or procedures to allow for the effectiveness of this  
26      compact to the fullest extent permitted by the constitution of any affected member  
27      state.
- 28      2. Date and location of the Convention. Unless otherwise specified by Congress in its  
29      call, the Convention shall be held in Dallas, Texas, and commence proceedings at  
30      9:00 a.m. central standard time on the sixth Wednesday after the latter of the effective

1 date of article V of this compact or the enactment date of the Congressional resolution  
2 calling the Convention.

3 3. In addition to all other powers and duties conferred by state law which are consistent  
4 with the terms and conditions of this compact, the chief law enforcement officer of  
5 each member state is empowered to defend the compact from any legal challenge, as  
6 well as to seek civil mandatory and prohibitory injunctive relief to enforce this compact;  
7 and shall take such action whenever the compact is challenged or violated.

8 4. The exclusive venue for all actions in any way arising under this compact shall be in  
9 the United States District Court for the northern district of Texas or the courts of the  
10 state of Texas within the jurisdictional boundaries of the foregoing district court. Each  
11 member state shall submit to the jurisdiction of said courts with respect to such  
12 actions. However, upon written request by the chief law enforcement officer of any  
13 member state, the commission may elect to waive this provision for the purpose of  
14 ensuring an action proceeds in the venue that allows for the most convenient and  
15 effective enforcement or defense of this compact. Any such waiver shall be limited to  
16 the particular action to which it is applied and not construed or relied upon as a  
17 general waiver of this provision. The waiver decisions of the commission under this  
18 provision shall be final and binding on each member state.

19 5. The effective date of this compact and any of its articles is the latter of:  
20 a. The date of any event rendering the same effective according to its respective  
21 terms and conditions; or  
22 b. The earliest date otherwise permitted by law.

23 6. Article VIII of this compact is hereby deemed nonseverable prior to termination of the  
24 compact. However, if any other phrase, clause, sentence, or provision of this compact,  
25 or the applicability of any other phrase, clause, sentence, or provision of this compact  
26 to any government, agency, person, or circumstance, is declared in a final judgment to  
27 be contrary to the Constitution of the United States, contrary to the state constitution of  
28 any member state, or is otherwise held invalid by a court of competent jurisdiction,  
29 such phrase, clause, sentence, or provision shall be severed and held for naught, and  
30 the validity of the remainder of this compact and the applicability of the remainder of  
31 this compact to any government, agency, person, or circumstance shall not be

1 affected. Furthermore, if this compact is declared in a final judgment by a court of  
2 competent jurisdiction to be entirely contrary to the state constitution of any member  
3 state or otherwise entirely invalid as to any member state, such member state shall be  
4 deemed to have withdrawn from the compact, and the compact shall remain in full  
5 force and effect as to any remaining member state. Finally, if this compact is declared  
6 in a final judgment by a court of competent jurisdiction to be wholly or substantially in  
7 violation of Article I, Section 10, of the Constitution of the United States, then it shall be  
8 construed and enforced solely as reciprocal legislation enacted by the affected  
9 member states.

10 7. Termination. This compact shall terminate and be held for naught when the compact is  
11 fully performed and the Constitution of the United States is amended by the Balanced  
12 Budget Amendment. However, notwithstanding anything to the contrary set forth in this  
13 compact, in the event such amendment does not occur ~~within seven years after the~~
