14 1. If the reserve balance is less than twelve million dollars, the commissioner shall
15 determine the amount of money necessary to bring the reserve balance up to twelve
16 million dollars. The commissioner then shall ~~then~~ levy an assessment against every
17 policy in force with the fund.

18 2. The assessment must be computed as follows:

19 a. ~~The eighty percent or ninety percent coinsurance rate established by the~~
20 ~~insurance services office~~ for each insured property for which that rate may be
21 applicable, and the full rate established for policies providing coverage against
22 indirect losses and for properties to which the eighty percent or ninety percent
23 coinsurance rate is not applicable ~~under the rules of the insurance services office~~,
24 must be applied to the amount of insurance provided in each policy and the result
25 of the application of the rate to the amount of insurance sets the tentative
26 assessment to be made against the policy.

27 b. The total of all tentative assessments must then be ascertained.

28 c. The percentage of the assessment necessary to restore the reserve balance to
29 the sum of twelve million dollars must then be computed and collected on each
30 policy; provided, that until the reserve balance reaches twelve million dollars, the
31 assessment must be in an amount determined by the commissioner but may not

1 exceed sixty percent of the rates set by the insurance services office for insured
2 property unless the reserve balance is depleted below three million dollars.

3 d. In case of a fractional percentage the next higher whole percent must be used in
4 such computation.

5 ~~The commissioner shall submit, not later than December thirty first of every five-year period, all~~
6 ~~data concerning premiums written and losses incurred during the previous five-year period~~
7 ~~ending June thirtieth to the insurance services office so that the experience of the fund may be~~
8 ~~included in the computation of rates to apply to the classes of business written by the fund.~~

10 amended and reenacted as follows:

11 **26.1-22-15. Collection of premiums and assessments.**

13 indirect loss or loss of property belonging to the state, a political subdivision, an international
14 peace garden, or a winter show, shall certify to the insured the amount of premium or
15 assessment due. The certificate must give the name of the insured, the amount of insurance
16 written thereon, and the amount of the premium or assessment, and if applicable, the location
17 and description of the insured property. The proper officer shall remit to the commissioner the
18 amount of the premium or assessment within sixty days after the date of the certification. The
19 commissioner shall deposit the premiums and assessments with the state treasurer to the credit
20 of the fund. If the premiums or assessments are not paid within sixty days after the date on
21 which they are certified, ~~they shall bear interest at the rate of six percent per annum and~~
22 ~~collection thereof may be enforced by appropriate action. The attorney general and the state's~~
23 ~~attorney of the relevant county shall bring appropriate actions to enforce the collections of the~~
24 ~~premium and assessment upon request of the commissioner. An enforcement judgment~~
25 ~~obtained under this section must include a rate of six percent interest per annum.~~ Payment of
26 the premiums or assessments certified pursuant to this section may be made by any state
27 department, officer, board, institution, or agency and by any political subdivision, out of any
28 available funds, notwithstanding that no specific appropriation or tax levy has been made
29 therefor.

30 **SECTION 6. AMENDMENT.** Section 26.1-22-19 of the North Dakota Century Code is
31 amended and reenacted as follows:

1 **26.1-22-19. Repair or replacement of destroyed buildings.**

2 If the commissioner and the insured agree that the fund shall repair or replace the building
3 destroyed or damaged, no repairs, rebuilding, or replacement may be undertaken by the
4 commissioner or any employees of the commissioner, ~~but if they are deemed necessary or~~
5 ~~proper in any case, they must be performed by independent contractors.~~ The cost of any
6 repairs, rebuilding, or replacements may not exceed the amount of the insurance carried upon
7 the particular risk.

8 **SECTION 7. EFFECTIVE DATE.** This Act becomes effective on July 1, 2021.

9 **SECTION 8. EMERGENCY.** This Act is declared to be an emergency measure.
